At this time it is my privilege to introduce to you the dean of the Past Imperial Potentates, Imperial Sir William H. Woodfield, Jr. of Islam Temple, San Francisco, who will present to you the Past Imperial Potentates who are with us here today. (Applause)

NOBLE WILLIAM H. WOODFIELD, JR.: Thank you, Mr. Chairman and Imperial Potentate. We have all of the Past Imperial Potentates present and we introduce them in the order in which they most recently served the Shrine of North America.

First though, we have the only living Past Imperial Recorder, Frederick Wilken from Almas Temple, Washington, District of Columbia. Fred, will you take a bow. (Applause)

(Applause)

And yours truly, Senior Past Imperial Potentate. (Applause)

Clausen, 33° Mason, Sovereign Grand Inspector General in California and the Grand Minister of State of the Supreme Council of the Scottish Rite, who will present the visiting Masonic Dignitaries to our Imperial Potentate. (Applause)

ILL. HENRY C. CLAUSEN: Noble Walter Castro, Imperial Sir, Past and Present Imperial Officers of the Imperial Council, His Honor Mayor Shelley, distinguished guests and friends all. My good friend Lee Lockwood said to me just now, "How do you feel, Henry, when you are about to address all this Imperial splendor?" I said that I felt like this astronaut being shot off in space and when he was asked how he felt he said, "How would you feel if you were sitting on 150 separate parts all surveyed by the Holy Deity?"

As a matter of fact, I feel as proud as one time when I was Grand Master of California. I was addressed in a tiled Northern Lodge as the Grand Architect of the Universe. (Laughter) I knew that couldn't be so because I am a lawyer. (Laughter) And I had just addressed a public school meeting the week before and somebody said, "I am from Nevada. We had a school principal who couldn't read or write." I said, "What did you do?" "We fired him." "What is he doing now?" "He is practicing law in San Francisco." (Laughter)

I express our great privilege and pleasure to our Imperial Potentate for participation in these gorgeous pageantries and for the fun and festivities and the humanitarian endeavor.

As I call the names of these distinguished guests I wish they would rise and remain standing and please hold your applause until the signal at the conclusion.

DIRECTOR GENERAL CASTRO: Thank you very much, Most Sovereign Grand Inspector General Henry Clausen.

Ladies and gentlemen, Islam's Patrol and Islam's Legion of Honor will now make a presentation of the fifty State Flags in the order of their admission into the Union.

(The Patrol and Legion of Honor of Islam Temple entered with the State Flags which were placed at the rear of the stage.)

(The Islam Temple Band rendered the National Anthems of the United States, Canada and Mexico.)

DIRECTOR GENERAL CASTRO: Ladies and gentlemen, will you please join me in the Pledge of Allegiance.

(The Assembly joined in the Pledge of Allegiance.)

DIRECTOR GENERAL CASTRO: Please remain standing and we will have our Invocation by our Imperial Chaplain.

BRIG. GEN. AND NOBLE ANDREW P. TELFER: Shall we pray. O God, our Heavenly Father, we have listened to three great National Anthems and we have recognized three great countries, to the north the Dominion of Canada, to the south the United States of Mexico, and here the United States of America, men of good will joined together for one common purpose, and that purpose to bring hope to the hopeless, to bring help to the helpless, that strong legs may run, that weak legs may walk, and that young people may find a new life as a result of the compassion that comes from men of faith representing these three great countries.

So we pray at the very commencement of this 92nd Imperial Council Session that Thou shalt bless us for with the Blessing of God we can go away from this place this afternoon new creatures, demanding that throughout the world there shall come again peace but giving an example of what men of faith joined together of different political persuasions can do when they determine in their hearts, as for me and my house we will serve the Lord.

Wilt Thou bless our Imperial Sir who leads us. Wilt Thou bless those who will have dominion over these meetings. Wilt Thou bless those who have the right to vote and

joining severally together may we bring about a better Shrine and, as a result of bringing about a better Shrine, make this a better world in which to live.

So we recommit ourselves and rededicate ourselves this moment to Thee. From this moment on, O God, lead us with the Goodness of Thine Heart and may we do that which shalt please God, shall bless children, and shall be an honor to the North American Shrine because we have asked it in the Name of He Who came that the world through His Coming might be a better place in which to live. Amen.

(The Assembly was seated.)

DIRECTOR GENERAL CASTRO: The flag bearers may now be dismissed.

(The Patrol and Legion of Honor of Islam Temple retired.) (Applause)

DIRECTOR GENERAL CASTRO: Imperial Sir, Imperial Officers, Illustrious Sirs, M. W. Grand Masters, distinguished guests, Nobles, ladies and gentlemen. As President of the Convention Corporation and Director General I extend sincere greetings and warmly welcome you to the 92nd Imperial Council Session of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America. This will constitute the fifth Imperial Session held in San Francisco which is everyone's favorite city. The initial Session was held in 1902. Next we had an Imperial Session in 1922, in 1932 and in 1946 when Past Imperial Sir William H. Woodfield, Jr. of Islam Temple was Imperial Potentate. Now again Islam Temple has the privilege of being your host.

Today brings the reality of over a year's planning and at this time I wish to express my sincere thanks and appreciation to my many committeemen who gave of their time and effort to make this day possible, and to our Potentate Joseph L. Tedrowe, and to the Potentate of our sister Temple across the Bay, Ill. Sir Stanley C. Johnson of Aahmes Temple, for their splendid cooperation my grateful thanks.

So welcome, make yourselves at home, San Francisco is yours.

It is my privilege now to present a Noble to you who has assisted me all throughout the formation of the convention and has done an outstanding job as Housing Chairman and as Deputy Director General for the Session. I would like to present to you Past Potentate George Thomas who will introduce the civic dignitaries here with us today. (Applause)

NOBLE GEORGE P. THOMAS: Thank you, Walter.

Imperial Sir, Imperial Sirs, Illustrious Sirs, distinguished guests, ladies and Nobles. We in San Francisco have, as Walter said, for the past year our Committees and our friends have been working to prepare for this Session and among the people who reside in San Francisco there have been many who were not Shriners or even Masons who have assisted us.

There is, however, with us on the stage today, who has been introduced, a Noble of Anezeh Temple whom I am sure you would want to hear from. At this time it is a real pleasure to present to you the Consul General of Mexico in San Francisco, the representative of the President of the United States of Mexico, Noble Adolfo G. Dominguez. (Applause)

HON. AND NOBLE ADOLFO G. DOMINGUEZ: Imperial Potentate, Ill. Past Potentates, Potentates, distinguished guests, ladies and gentlemen. On behalf of the Mexican Government it is my pleasure to welcome you at a distance as if we were in reality south of the border instead of from the City of San Francisco to work with you in Anezeh Temple. It is unfortunate that we could not have the facilities to have had this convention in Mexico City as Barney Collins and the Mexican Parliament and we of Anezeh Temple would have desired but, be as it may, please rest assured that we of Anezeh Temple, the smallest Temple in Shrinedom with the largest jurisdiction, are just as warmly with you and as happy that you have honored the Temple of Mexico, honored the Republic of Mexico, for which I thank you first as a Mexican, and then as a Noble. Welcome to this beautiful City of San Francisco which for the time being is also mine. (Applause)

NOBLE GEORGE P. THOMAS: Thank you.

As I mentioned a moment ago we had help from a great many people and one of the gentlemen who did so much for us I would like to introduce at this time. He not only

did everything he could but saw that all of the government of the City assisted us in preparing for this event. I am sure that all of us in San Francisco know this gentleman who is the Mayor for all the people of San Francisco, the Hon. John F. Shelley, Mayor of the City and County of San Francisco. (Applause)

HON. JOHN F. SHELLEY: Noble Thomas, Imperial Sir Barney Collins, Imperial Officers, Illustrious Sirs, distinguished guests, ladies, Nobles and friends. Now you see your Imperial Potentate was working on me this morning in the grandstand and gave me an application. See how much I learned? (Laughter)

I told him that if we keep these new Popes that we have been getting lately that that might come about. (Laughter and applause)

On behalf of the City and County of San Francisco and all of its people may I extend a welcome to the Nobles and the ladies from the United States of America and from Canada and from Mexico, bien vengas to San Francisco.

This 1966 Imperial Council Session of the Ancient Arabic Order of the Nobles of the Mystic Shrine is, I am advised, the largest to be held. San Francisco is proud of you. This is your city. You are in possession. It is yours to enjoy.

People are accustomed to the fezzes, to the splendor of your parades, to some of the appearances of the Shrine, but I think it is not repeated often enough what the Shrine really does. I know as a native San Franciscan who has seen the development of the East-West football game here from 1925, what has been accomplished in the Hospitals for Crippled Children. I know what you are undertaking now in the hospitals to find cures for severe burns in children. This is not only Shrinedom, this is the real spirit of Christianity, fellowship and good will, because your policy is to extend the hand of help to all people without regard to race, color or creed. You are to be commended and congratulated for the job you have done and here in the City of San Francisco where we try to exemplify the spirit of friendship we certainly say there could be no greater group holding its convention in San Francisco nor could there be any other city more adapted to the spirit which you live up to and portray day in and day out.

May your convention and your conference here, Imperial Sir, be productive for those things for which you stand and be of benefit to all the members of Shrinedom and all the people of North America. (Applause)

DIRECTOR GENERAL CASTRO: Thank you very much.

I am particularly honored to present to you at this time the Potentate of our host Temple, Ill. Sir Joseph L. Tedrowe.

NOBLE JOSEPH L. TEDROW: Thank you, Ill. Sir. Walter.

Imperial Sir and Imperial Sirs, Past Imperial Sirs, Noble Representatives, distinguished guests, and today ladies and Nobles. We have had beautiful weather so far. I blame this on the Chaplain. (Laughter)

I suppose that every Potentate would like to be responsible for an Imperial Session that could not be topped. Well, you are probably aware now that San Francisco is the oasis of Islam Temple and has enjoyed a history of topless performances (laughter) since the days of the Barbary Coast and our 10,000 Nobles in 1966 are not going to change that a bit.

Working with our industrious Director General Walter Castro and his Committees, which I would like to thank as they have done a beautiful job, we have prepared a week of events which should include trips to our redwoods, a view of the Pacific Ocean, that big blue ocean which is the largest in the world, a trip on our bay. We have two shows on the 5th and 6th at our Civic Auditorium. All these events should send you home physically tired but emotionally stimulated, empty of pocket but rich with the greatest treasures of all, new friends and pleasant memories.

San Francisco is a warm and friendly city and loves visitors and best of all she loves visitors who parade and who can parade, and I mean nobody, nobody can parade better than a Shriner.

So welcome to our city, Nobles, with all of its glamor and charm and if there is anything that we can do to help you to make it more enjoyable please call on us and as a

great Islamic prophet once said, "When hospitality is inevitable let's relax and enjoy it." Thank you. (Applause)

DIRECTOR GENERAL CASTRO: Thank you very much, Illustrious Sir Joe Tedrowe.

Ladies and gentlemen, at this time I would like to present to you our Imperial Sir Barney W. Collins. (Standing applause)

IMPERIAL POTENTATE COLLINS: Thank you, Walter.

Imperial Sirs, our most distinguished Masonic visitors who have come to the great City of San Francisco from the stretches of the rockbound coast of New England, from Florida, from Canada, from the Pacific Northwest, from the South and from all of the areas in North America where we do homage to the Masonic Fraternity from which we derive our sustenance, these wonderful bands which played such stirring and martial music for us—and may I commend the band of Islam Temple on that magnificent rendition of the Mexican National Anthem which is so difficult to play because of its change of cadence and tempo—this splendid presentation of the flags of the wonderful nation comprising the fifty States which all of us represent as Americans, and from the Dominion of Canada to the North and from the great United States of Mexico our most equally friendly neighbor to the South, ladies, distinguished guests, Representatives to the 92nd Imperial Council Session and fellow Nobles. To my distinguished colleague and friend of many years' standing, Don Adolfo Dominguez, the senior diplomatic member of the San Francisco area and the Consul General from the United States of Mexico, who also enjoys the title of Minister which means that should he be transferred to another country automatically he will achieve the status of an Ambassador, Don Adolfo, amigo, I want you to know that all of these lovely and beautiful and uncomplicated inspired people sitting out here before me know that inasmuch as I could not have chosen Mexico City for the site of the 92nd Imperial Council Session at least I chose a city with a Spanish name, San Francisco, and I hope that you will accept that not only because it is a Spanish name but because it has been your home for many, many years. Do you agree, Don Adolfo? We are glad to see you.

It is with great pride that the Shrine again comes to San Francisco to hold its annual Imperial Council Session. Non-Shriners call it a convention. This is the fifth convention that the Shriners have held here. The first was in 1902, our 28th Imperial Council Session, and was held in Golden Gate Hall. We were here again in 1922 at the Scottish Rite Cathedral for our 48th Session, and in 1932 at the Geary Theater for the 58th Session.

Then twenty years ago the Shrine held its first big convention after World War II right here in San Francisco at the War Memorial House. It was a grand convention, and a victory convention at the same time, one that many San Franciscans will still recall.

We have held some of our most memorable conventions in San Francisco. The Shriners remember most fondly and that is why we are so pleased to be back here again in the City of the Golden Gate. This convention will only last four days. Right here in this ballroom some 746 Shriners of the 80,000 already assembled will meet to determine the course of our Fraternity and its philanthropic project for the coming year. These 400 men who hold in their hands the destinies of this great organization plus those other 346 Representatives with special credentials elected by their respective Temples and gathered here from all over the North American continent comprise one of the world's largest legislative bodies. The business they will transact and the legislation they will enact in the days ahead will not only keep our Fraternity moving progressively ahead but will to a great extent mold the future of many crippled and burned children all over the North American continent.

The importance of this great work and its inherent responsibility in the hands of these 746 men cannot be overemphasized. The decisions of this Imperial Council will not be easy ones. These sessions will require great mental concentration and tremendous devotion. There are eight corporations within the Shrine, one fraternal and seven for our Shriners Hospitals for Crippled Children. There are 850,000 Nobles affected by their every action and there are four million Masons affected by their decisions and hundreds of thousands of crippled and burned children whose hopes for the future rest with their decisions.

There is also a tremendous amount of intelligence, common sense and knowledge combined in this room. By Friday of this week I hope that we will have seen every bit of it utilized and this 92nd Session will go down in history as another very memorable San Franciscan convention.

Today we have seen a great parade held on the Fourth of July, a reminder of the patriotic duties that Masons since the time of George Washington have so forcibly put before the great American people. The color, the glamor, the sound of the Shrine parade are incomparable. Flags, music, clowns and funny cars are present. This is the Shrine that the public knows us by. They see the red fezzes and they hear the laughter. They see the men and their families coming together to the world's largest convention enjoying themselves in good wholesome fun. They saw the Shriners, their families, lining the parade route, cheering, but they seldom see these 746 Representatives back here working in this very self-same room.

So you see that there are two sides of the Shrine. I hope that by Friday the citizens of San Francisco will be cognizant of both of them, the fun and the laughter, and the serious dedication of Nobles to support what is called the World's Greatest Philanthropy, the Shriners Hospitals for Crippled Children. It takes both to make up the Ancient Arabic Order of the Nobles of the Mystic Shrine.

Ladies and gentlemen, it is a privilege for me to be your guest here this afternoon. Thank you. (Applause)

DIRECTOR GENERAL CASTRO: Thank you very much, Imperial Sir Barney Collins. Friends, this concludes the public opening of the 92nd Imperial Council Session. May God grant that it be a most successful one and thank you all for coming.

(The Public Opening Ceremonies terminated at 4:30 P.M.)

MORNING SESSION

TUESDAY, JULY 5, 1966

NINE FIFTEEN O'CLOCK A.M.

The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., convened in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California, at 9:15 A.M., Imperial Potentate Barney W. Collins presiding.

IMPERIAL POTENTATE COLLINS: The Imperial Chaplain will now give the Invocation.

BRIG. GEN. AND NOBLE ANDREW P. TELFER: Our Father in Heaven, here we are gathered for this important business meeting, men of different persuasions, men representing the great Dominion of Canada, the United States of Mexico, and our great United States of America, each with an opinion, some with different opinions. Wilt Thou give us strength to exercise our opinions, courage to fight for, if need be, for good opinions, and the power to accept the vote of a majority and the intelligence to rightly carry out that which has been decided in these meetings.

So therefore now we pray the Blessing of God upon us. May that which we think, say or do resound to the Honor of God, the advancement of the Shrine and the betterment of the world in general because we have asked it in Thy Name. Amen.

IMPERIAL POTENTATE COLLINS: I now declare the 92nd Imperial Council Session of the Ancient Arabic Order Nobles of the Mystic Shrine ready for business and ceremonies. We are going to waive any further protocol in the interest of saving time. We have a tremendous amount of legislation. We only have four days in which to perform this. I might caution you, gentlemen, that we are here for a serious purpose and every minute that is wasted in idle chatter and useless noise is costing this Imperial Council Session \$1,000 a minute.

I now recognize Noble Howard Millington who will make a report for the Committee on Credentials.

NOBLE W. HOWARD MILLINGTON: (Reading)

Imperial Sir, Members of the Imperial Divan, and Representatives of this Session of the Imperial Council:

I will not read all the names but will give you the total figures and the names will be on file with the Imperial Recorder.

I move the adoption of the report.

IMPERIAL POTENTATE COLLINS: Is there a second? (Motion seconded) Is there any discussion? All those in favor of this motion signify by raising your right hand. Those opposed by the same sign. The motion carries.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives to this Imperial Council. I move that those Representatives elected by the Temples to the Imperial Council in the Iowa Corporation be elected Representatives of the Colorado Corporation. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Is there any discussion? All in favor signify by the usual sign. Contrary sign. The motion is carried unanimously.

I now declare by virtue of the authority invested in me as Imperial Potentate of the Ancient Arabic Order Nobles of the Mystic Shrine that this Session is open for business to be transacted in both the Colorado and Iowa Corporations and will remain open until the Session is adjourned.

I now recognize the Chairman of the Committee on Transactions of Imperial Officers, William Woodfield, Jr., Past Imperial Potentate. I am informed he has gone up to get his ballot. (Laughter) That is going to cost us about \$4800. (Laughter)

I now recognize Imperial Recorder George M. Saunders for the purpose of announcements and report on absentee Officers and Representatives of the Imperial Council, who will move that appropriate telegrams be sent to absentee members unable to attend. George M. Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, I move that proper telegrams be sent to those Emeriti Representatives and those elected Representatives who are unable to attend this Session. We have reports, of course, of illness in some of the Emeriti Members and along with that I would include the widows of Past Imperial Potentates, an appropriate telegram expressing our regrets in the case of the Nobles of their inability to attend and our greeting to the widows of Past Imperial Potentates. I so move. (Motion seconded)

IMPERIAL POTENTATE COLLINS: The motion has been made and seconded. Any discussion? Ready for the question? All those in favor signify by raising the right hand. Those opposed by the same sign. Motion carries.

George Saunders has some further announcements to make.

NOBLE GEORGE M. SAUNDERS: I have given you the information on the luncheons. The Imperial Potentate's banquet of course is tomorrow night in this room and you

must understand that the capacity of this room is limited. I don't think it is possible for all of the folks to be inside this room. I think there are going to have to be some arrangements made for some of the serving to be done outside this room.

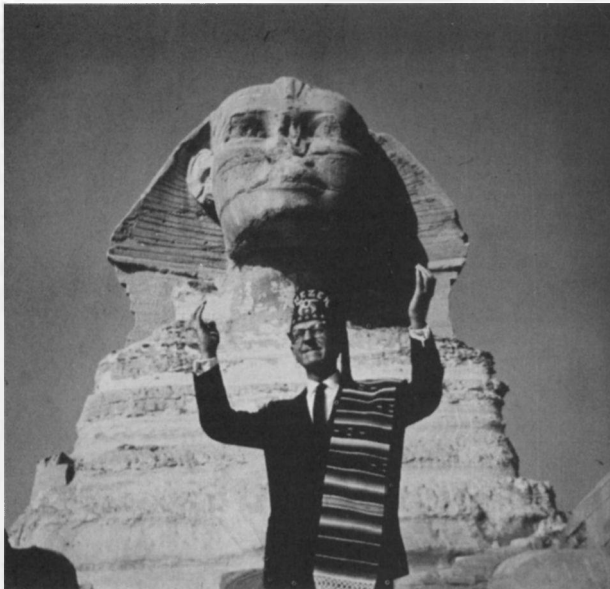

The night parade as usual is on Thursday night.

The Imperial Potentate has a feeling that this Session may not adjourn until probably five o'clock on Friday.

I think that gets you up-to-date on all announcements at the present time.

IMPERIAL POTENTATE'S REPORT

When this Imperial Council elected me as its Outer Guard, I explained that no member of the Shrine from Mexico had ever achieved that honor. This past year I have received great support from my government in Mexico. The pageant in my honor presented in Washington last July was largely the gift of the Mexican Embassy. Dancers and musicians from Mexico were brought to Washington to perform for the occasion. In thanks to the government and to honor my adopted homeland, on my visits I have worn a Mexican serape, proudly proclaiming Mexico as my home. All over the world I have carried the message of the Shrine and the Masonic story of my adopted Mexico. It has been a great year, and it has been a great message that I have delivered everywhere.

*Imperial Sir Barney W. Collins in front of Sphinx
for Ceremonial in Egypt.*

In October we took the Shrine to the country where its ritual originated. Walter Fleming and Billy Florence who created the Shrine nearly 100 years ago probably dreamed of just such scenes. On the sands of the Sahara between the paws of the great sphinx we conducted a ceremonial for 38 candidates from Dahrahn, Arabia.

Arrangements for the Egyptian pilgrimage were made with the help of Abdel Kater Hatem, Vice-Premier and Minister of Culture of the United Arab Republic. He and the Egyptian government had thought of everything in planning for our visit. We were housed in a Cairo Hotel along the banks of the Nile. Government

guides were available with information. A camel caravan, 600-strong, took us to the sphinx for the ceremonial where a tent for protection from the sun had been erected, rich oriental rugs were laid out on the sands, and even a public address system had been

DeMolay activities this year was the annual Frank S. Land DeMolay Memorial Breakfast held at the Shoreham Hotel in Washington, D. C., on February 23, 1966. Ably chaired by Past Imperial Potentate George E. Stringfellow, this gathering of Grand Masters, government leaders, DeMolays, and Shriners, went off like clock-work. The breakfast featured a speech by Noble J. Edgar Hoover, Director of the Federal Bureau of Investigation. Hoover's inspiring message has been printed as Masons, Shriners, and DeMolays may all benefit from reading it.

installed for our convenience. Here in the land where the Shrine originated a Ceremonial was held by Illustrious Potentate Fred Anderson of Aahmes Temple, Oakland, California. The following day entertainment was provided by the Egyptian government in a city of 90 tents erected on the desert. Everything was Arabic — the music, the dancers, the horses, and the food.

Our homeward trip included stops in Jerusalem and Heidelberg — in the latter we held another highly successful ceremonial. I was pleased that four other of the Shrine's Imperial Officers joined us on the trip.

One of my first promises as Imperial Potentate was that I would do everything in my power to further the expansion of DeMolay. One of our most successful Shrine-

Noble J. Edgar Hoover

HON. AND BRO. J. EDGAR HOOVER: It is indeed a real pleasure for me to be able to attend the Frank Land DeMolay Memorial Breakfast to honor one of the great men of Masonry and a great American. I had the unusual privilege of being escorted to the Temple on the evening on which I received my 33° by Frank Land. Frank Land's name is etched in the hearts and the souls of thousands of fellow men for the great achievements that he attained. He was a man who not only had great dedication of soul but great nobility of purpose and that is represented by the great Order of which he was the founder and to which he gave his life.

I think that the nation today is a great nation because of the Order of DeMolay. This large organization commands the respect of all law abiding citizens and is an example that may well be followed by millions of other young Americans to make this country a better and safer place in which to live.

I honor the friendship of Frank Land because of his mighty deeds and because of the nobility of purpose with which he achieved the great result of forming this magnificent group of young men. The Order of DeMolay in my estimation has contributed materially to the formation and the founding of a nation that is growing stronger every day. Its young members are exemplifying the ideals of integrity, of loyalty and of courage. It is indeed a group that puts country ahead of self and there are some elements in this country today that might well adopt that particular tenet of the DeMolay Order. The vicious and carping criticism directed against our great President in his burdens and duties in carrying out the foreign policy and operation of our troops in Viet Nam would better be served by putting country ahead of self. (Applause)

The young men of DeMolay stand forthrightly for honor, for justice, for love of fellow man and for loyalty to country. They are ideal examples for millions of young Americans today who could well emulate their examples and become better Americans and make this country a better country.

We are living in a period of great crisis throughout the world. Evil, vicious and godless forces such as communism are endeavoring to destroy the intentions of democracy not only in the United States but in the far off paddy fields of Viet Nam, in the hills of the Dominican Republic and other areas of the world to which this country has extended a helping hand to the depressed and underprivileged. The Communist Party in America is doing everything in its power to steal the minds and the souls and the hearts of our young people. They have never worked so feverishly as they have the past two years in some of our colleges and institutions to enlist the youth of this country to the faith and power of a foreign power, the Soviet Union.

Therefore, we today need the young men of DeMolay, young men who will stand up and be counted, young men who are deeply loyal, deeply faithful to others. You gentlemen who go back to your various communities I hope that you carry back the urge for all these young men to rally around the Stars and Stripes and stand up and be counted and say, "Here we are, you can count on us!" That is the policy and that is the principle of Frank Land. It is the principle of DeMolay and it is the principle of America.

We should be very thankful in this country that a man who was raised such as Frank Land brought to everyone whom he came in contact with a feeling of humility and a feeling of inspiration. He was one of the great men of the century and his name will forever be inscribed on the rolls of great Americans. We should thank God that he has made each of us a better citizen and in the end a better American. I thank you. (Standing applause)

All year Temples have worked with me, raising funds, sponsoring DeMolay Nights, working to swell DeMolay membership to our goal of 500,000. I was pleased to present all the 1965 and 1966 Temple Potentates with certificates thanking them for their cooperation and their contributions to DeMolay.

Shriners everywhere seem to have realized that the future of America and the future of our Fraternity lies with the youth of our land, and are working actively to counsel, guide, and aid these young men to grow to be model citizens of our Democracy.

With the entire Imperial Divan and members of the Board of Trustees of the Shriners Hospitals, I received the first patient into the new Shriners Burns Institute in Galveston, Texas. That patient was shy little Miguel Angel Delgado, who entered the building on March 20, 1966. Miguel was already under treatment in our Interim Unit and was wheeled down the street to the new building on a plastic covered stretcher. He couldn't speak any English so I talked to him in Spanish and was thrilled to see his burn-scarred face break into a smile.

Imperial Potentate Collins greets DeMolays.

As part of the Opening festivities the Galveston hospital held an Open House and over 2500 people were guided through this newest Temple of Mercy by Shrine volunteers and Nobles of El Mina Temple. Here they saw the facilities for treatment, research, and teaching in burns that are unsurpassed anywhere in the world. We are all pleased with the fine work being done there by Administrator Robert L. Innes; Assistant Shrine Professor of Surgery Dr. Duane Larson; and Shrine Director of Research, Dr. McChesney Goodall. Everyone who saw the building was thoroughly impressed with the work they did.

There were some other great thrills during my year as your Imperial Potentate. One of these was discovering that the last male ruler of the Hawaiian Kingdom, David Kalakaua Rex, was a Noble of the Mystic Shrine. While on the Imperial

Potentate's pilgrimage to Aloha Temple, I had the honor of laying a wreath on his marble crypt. This was another historic first — the first time King Kalakaua has ever been so honored by Shriners.

Imperial Potentate Collins dedicates Galveston hospital.

Kalakaua was a member of Islam Temple in San Francisco, joining that distinguished Temple only 14 days before his untimely death. He had been active in Masonic affairs all of his life and did much to further our Fraternity's development in the Hawaiian Isles. I have had painted a large oil of King Kalakaua which will take its rightful place in our Shrine Rooms in Alexandria, Virginia, along with other past heads of government.

REMARKS BY IMPERIAL POTENTATE BARNEY W. COLLINS
AT THE ROYAL MAUSOLEUM
HONOLULU, HAWAII, MAY 8, 1966

We are gathered here today to pay homage to the memory of the first and only King to become a Shriner — King Kalakaua of Hawaii. He was created a Noble of Islam Temple of San Francisco on January 14, 1891, when visiting that city on his grand tour of California. King Kalakaua was Master of his Lodge, Progres de l'Oceanie of Honolulu, and received many Masonic honors including the Honorary 33° conferred by the Southern Jurisdiction.

Kalahaua — only King to become a Shriner.

As Imperial Potentate of this Ancient Arabic Order Nobles of the Mystic Shrine, I am privileged and honored to be the first to conduct a service of this nature at this hallowed spot. In commemoration of this important day in Shrine history, I have placed a floral tribute at the foot of the mausoleum of our esteemed and departed Noble King Kalakaua.

Among those participating in today's activities are the Illustrious Potentate of Aloha Temple, Harry Soria, the officers of his elective Divan and the members of Aloha Temple Patrol. Past Potentate Harold Kent, Historian of Aloha Temple, has given the Invocation and will long be remembered as the president for many years of the famous Kamehameha Schools founded by Princess Bernice Pauhi Bishop.

We, as Shriners, are proud indeed of this symbolic ceremony and hope more sincerely that it will be observed each year as an honored tradition.

“... I MUST GO, I MUST GO TO THE SHRINE ...”

by HAROLD WINFIELD KENT, Past Potentate of Aloha Temple

The Ancient Arabic Order of the Nobles of the Mystic Shrine has a Noble listed on the roster of the deceased of Islam Temple, the last male ruler of the Hawaiian Kingdom, David Kalakaua Rex Had Aloha Temple (1900) been in existence in 1891, it is likely that Kalakaua would have worn an “Aloha” on his fez, for his entire Masonic history, which is extensive and comprehensive, was concentrated in Hawaii. Kalakaua was a welcome and familiar visitor to San Francisco and was well known in Masonic circles in California; hence the very appropriate affiliation with Islam Temple.

Kalakaua was one of several members of the royal families of Hawaii who were Masonic leaders in the Pacific kingdom, including Liholiho (Kamehameha IV), Lot Kamehameha (Kamehameha V), John Dominis (Consort of Queen Liliuokalani), and Prince William Pitt Kalahoolewa Leileohoku (Heir Apparent to the Throne). All of these men were raised to the sublime degree of Master Mason in either Lodge le Progres de l'Oceanie Number 124 or Hawaiian Lodge Number 21, both established in Hawaii about the middle of the nineteenth century. Each was Master of his Lodge and in certain instances one or another was elected to serve not once but twice or three times.

Both the York and Scottish Rites came early to the Islands, and these same men were High Priests or Commanders or both. Two of them were coroneted Grand Cross of the Court of Honor 33° and two of them were installed as Knight Companions of the Red Cross of Constantine.

The Masonic history of David Kalakaua Rex, who reigned as King of Hawaii from 1874 to 1891, is quite complete:

On July 28, 1859, he was raised as a Master Mason in Lodge le Progres de l'Oceanie #124 in Honolulu. He was appointed Lodge Junior Deacon in 1861 and 1863, elected Secretary on December 1, 1864, elected Warden January 28, 1867, and became Worshipful Master on November 29, 1875. King Kalakaua was initiated 4° through 32° of the Scottish Rite in 1874. Installed as Wise Master of Rose Croix, September 12, 1874. He was elected Knight Commander of the Court of Honor on May 31, 1876, and was coroneted 33° by Illustrious Albert Pike on July 14, 1878. He was elected to the Grand Cross of the Court of Honor 33° on October 21, 1880. Kalakaua became an exalted Royal Arch Mason, February 5, 1874; was elected High Priest, Royal Arch Mason, January 27, 1883; Knighted Order of the Temple, Commandery, March 11, 1874; Elected Commander, Commandery, 1877 and 1878; installed as Knight of the Red Cross of Constantine; and installed as Knight Grand Cross, Red Cross of Constantine, 1883.

In the Appendix of the 1892 Imperial Council Proceedings we read: "His Majesty was a Noble of the Mystic Shrine, which grade was conferred on him in full form on Wednesday evening, January 14th, and which was the last social institution he visited during his lifetime." King Kalakaua was initiated into Islam Temple in San Francisco, California, on that day in 1891.

Kalakaua lived a full Masonic life. At his coronation in 1882, delayed from 1874 until final and complete arrangements could be provided, he held a reception and banquet in Iolani Palace for all the Masons of Hawaii. This constituted a house warming for it was the first official event in the newly constructed palace. The sumptuous feast and the evening program of toasts and talks has probably never seen an equal in the history of the kingdom. Kalakaua ordered a verbatim record of the program printed on silk, and copies supplied to all Masonic organizations in the Islands with extra copies for libraries and government offices and national Masonic offices of the United States of America. He also invited the Blue Lodges to officiate at the cornerstone laying of all government and royal family sponsored buildings during his reign thus continuing a practice initiated by Kamehameha IV.

This dedicated Mason was born November 16, 1836, but a few years after the first Congregational missionaries had reached Hawaii. Thus in his lifetime he was destined to bridge the gap between a stone age inheritance and the culture of a sophisticated West. His parents were the Honorable C. Kapaheha and A. Keohokalole. He was appointed a member of the Privy Council by Kamehameha IV in 1858 and by Kamehameha V in 1863. Membership in the House of Nobles was extended to him, October 3, 1863. Kapiolani of royal lineage became his wife, December 19, 1863. He was

appointed Court Chamberlain, February 3, 1864. In the Order of Kamehameha I he was inducted as a Knight Companion in 1867 and Grand Master in 1874. The legislature of 1874 elected Kalakaua King. The Kingdom enjoyed great prosperity in his reign the high point of which was the Reciprocity Treaty with the United States which became effective September 26, 1876.

He traveled extensively and was warmly received in royal fashion wherever his route would take him. One such trip was his last, and a tragic tale although for purposes of this story there was a bright eventful happening on the way which will live forever in the annals of the Shrine. To best tell this final act in Kalakaua's life, an excerpt from an eye witness is quoted:

. . . December 27, 1890 he started on a tour of Southern California in a special car placed at his service by the Southern Pacific Railroad Company, to respond to cordial invitations sent to him by the municipal authorities of Los Angeles, Santa Barbara, San Diego and other cities. The journey proved to be a series of fetes, dinners, public receptions, etc. that taxed the energies of the King beyond his endurance. While at Santa Barbara, a fatiguing drive of 12 miles in a cold wind resulted in a severe chill, which prostrated him and which ended in a slight shock of paralysis January 5th. He recovered from this sufficiently to depart for San Francisco, January 7th. The King's return to San Francisco was the signal for a renewal of the bounteous hospitality of her citizens which the King, not withstanding his precarious condition, was reluctant to refuse.

. . . and on Wednesday evening January 14th he was to be introduced into the Masonic Order of The Mystic Shrine, attendance being considered imperative and no argument would serve to alter his determination.

On waking Wednesday morning he was urged not to contemplate going through the proposed ceremonial of the evening, and his serious condition was explained to him . . . His only answer was to the effect, "I must go, and nothing shall prevent me from going."

During the day he slept constantly and indulged in no conversation. When aroused, his only thought was of the evening ceremony, and he would murmur, "I must go, I must go to the Shrine." Recognizing that His Majesty would persist in his purpose and forcible opposition was out of the question, an attempt was made to prepare him for his initiation At 8:30 the Masonic committee appeared to conduct him to the Temple, and His Majesty was placed more especially in the charge of his old friend General Dimond, who promised that his Majesty should be submitted to no shock or fatiguing ceremonies, and should be back in his apartments within the hour, which promise was faithfully kept. . . .

At 2:35 P.M. Tuesday, January 20, 1891, he passed away.

The Islam Temple records were lost in the San Francisco earthquake and fire. However, evidence in addition to the statement quoted above ". . . and on Wednesday, evening he was to be introduced into the Masonic Order of The Mystic Shrine . . ."

a reference is found in the Proceedings of the Imperial Council for 1892. This reference is printed elsewhere in this brochure.

Thus this man and Mason, David Kalakaua Rex died, a Shriner for less than seven days but one who could he have lived to enjoy the Shrine would have given it the same zest, the same devotion, and the same leadership which was his wont and his nature in any and every aspect of the Masonic fraternity which it was the privilege and honor to serve.

But here was a man whose story should be an inspiration to every Mason and to every Shriner — an inspiration to advance and enhance the work of the Orders untroubled by the pettiness of doctrinal differences but stimulated by the search for truth through the three great virtues of faith, hope and charity. As we sense this spiritual enthusiasm of the only King in Shrine history who has been a Noble we can better understand the will to live that needed a moment longer to join, if only for an evening, in another fellowship of Masonry.

"I must go, I must go to the Shrine"

DAVID KALAKAUA REX

Being a prayer eulogy delivered by Harold W. Kent, Past Potentate of Aloha Temple, A.A.O.N.M.S. May 9, 1966, upon the occasion of the laying of a wreath at the crypt of King Kalakaua. The wreath was laid in Shrine ceremonial fashion by Imperial Potentate Barney W. Collins.

Ceremony at the monument erected to King Kalahaua on May 8, 1966.

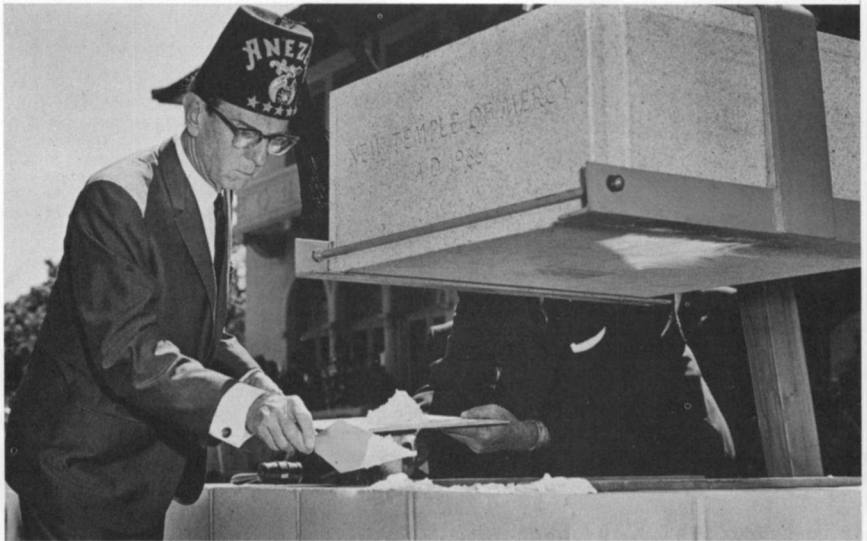

Supreme Architect of the Universe, in deep humility we invoke Thy blessing on this special and significant occasion. We meet in this hallowed place, revered in the history of Hawaii Nei as the final resting place of the ashes of royalty; in this land which is richly blessed with climate and beauty and a people who in their relations among the races living here strive to exemplify Thy teachings.

We honor Thy servant of history, David Kalakaua Rex, the last male ruler of the Kingdom of Hawaii for his membership in and support of Masonry and the Shrine.

It is the moral philosophy of our Orders, Speculative and Cryptic, O Supreme Architect, that brings us to this crypt, this beautiful day, hoping and trusting that through the far flung facilities of our Orders, in some as yet unpatterned fashion, this commemoration may lend strength and encouragement to the promulgation of Thy sacred and eternal truths. We stand humbly before Thee in grateful acknowledgement of Thy goodness, Thy purpose, and Thy power.

Amen.

Also in Hawaii we layed a cornerstone for a new hospital building. The present structure, originally constructed in 1923, has grown old, and will be replaced by a beautiful new campus-type building whose beauty will serve as a fitting monument to the work done within.

Collins lays cornerstone for Honolulu Unit.

Another cornerstone was layed in Cincinnati, Ohio, on May 22, 1966. This is the second big step toward the opening of the second Shriners Burns Institute there next Spring. We had a fine parade, hot sunny weather, and a big audience of Shriners and townsmen on hand to mark the occasion. It was another historic first for us when Grand Master of Masons in Ohio, George F. DeSilver, allowed me, as Imperial Potentate of the Shrine, to spread the first mortar on the cornerstone. This permission was graciously given after I had asked if the mortar on the stone could be spread with the same silver trowel as was used at the cornerstone ceremony in Honolulu.

Imperial Potentate Collins lays cornerstone for Cincinnati hospital.

Imperial Potentate Collins at San Francisco Unit groundbreaking.

Everyone who was in San Francisco will remember the fourth big hospital ceremony of the year—Ground Breaking Ceremonies held on the lawn of the San Francisco Unit, Shriners Hospitals for Crippled Children. As thousands assembled to attend this the 92nd Imperial Council Session, Nobles of Islam Temple planned a ceremony that will eventually lead to a new \$3,000,000 building to house the San Francisco Unit. As part of the ceremonies it was my pleasure to commend the members of Islam Shrine Temple and especially Noble Bert Jacobs, Chairman of the East-West Shrine Game, for their contribution to this hospital through their work on this the Grand-Dad of all Shrine Bowl Games. Funds raised by this football game have enabled this construction project to be undertaken.

And thus came and went this marvelous year as your Imperial Potentate. I have had wonderful support from the members of the Imperial Divan, who have relieved me of many of the chores in their administration of the geographical areas in which they were assigned. I am also grateful to our Imperial Recorder, George M. Saunders, who has thoughtfully guided me in my efforts to be a good Representative of this Imperial Council.

It has been an honor and a pleasure for me to serve this Imperial Council and I expect to heed any call you may make on me in the future.

1966 IMPERIAL COUNCIL SESSION

The next Session of the Imperial Council will be held in San Francisco, California, the week of July 4, 1966. The Director General is Walter R. Castro, Jr., 5880 Paradise Drive, Corte Madera, California.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in San Francisco as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in San Francisco. In accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Records to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee, and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1966 Session in San Francisco.

Potentates, Records, and all other Nobles, are reminded that an Imperial Session must house (1) official Imperial Representatives (2) Uniformed Units, (3) the General Nobility, and (4) the general public—in that order of precedence. The official Representatives, are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade. It is not intended by your Imperial Potentate that the Uniformed Units of sundry small Temples are to be quartered, contrary to their desires, in third rate, back street hotels, merely, to afford facilities for large delegations of visiting Shriners and tourist agency customers who attempt to corner the hotel room facilities to the detriment of those who make the Imperial Session possible.

Hotel room assignments at San Francisco are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in San Francisco is George P. Thomas, 1255 Post Street, San Francisco, California 94113. The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. I trust that the Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of Masonry and the Shrine, and he will be glad to speak to audiences of not only Shriners and their families, but also Master Masons and their families.

It is suggested that if convenient time is available that a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

Mrs. Collins will accompany Imperial Potentate Collins on his visitations unless notified otherwise. It is suggested that no breakfast or morning engagements be planned since the Imperial Potentate will need the morning for rest and personal correspondence work.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete résumé of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to General Office) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have, that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE IMPERIAL RECORDER'S OFFICE, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED BE SENT TO THE IMPERIAL RECORDER.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples chartered by the Imperial Council operate, i.e., United States, Canada and Mexico. These three National flags should take their proper place in all Shrine Temple Color Squads and should also be properly displayed at all Shrine meetings.

Information concerning the proper display of these national flags may be obtained from the Office of the Imperial Recorder.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. THIS IS NOT PROPER. No National flag is to be dipped at a reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

USE OF NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN"

THE NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN" CAN NOT BE USED IN ANY PROMOTION WITHOUT THE PERMISSION OF PAST IMPERIAL POTENTATE HAROLD LLOYD, CHAIRMAN OF THE BOARD OF TRUSTEES, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN.

You may address Imperial Sir Lloyd in care of the Office of the Imperial Recorder.

Revision of Temple By-Laws Required

Your attention is directed to Section 331.5 of the Imperial By-Laws, which reads as follows:

"§331.5 Change in Imperial Council laws; effect on Temple By-laws.

(a) When a change is made by the Imperial Council affecting Shrine law, and the change affects the By-laws of any Temple, the By-laws of the Temple are changed, ipso facto to conform with those of the Imperial Council.

(b) It is the duty of every Temple to make this change in its By-Laws immediately upon receiving the printed copy of the proceedings of the Imperial Council from the Imperial Recorder.

(c) Thereupon the Recorder of the Temple must send to the Imperial Recorder a properly certified copy showing that the change was made, and must send copies to the Imperial Potentate and to the Committee on Jurisprudence and Laws for approval and confirmation."

All Temples, who have not already complied with the above provisions of the Imperial By-Laws, are requested to do so as soon as possible and to include in, change, delete, or add to present Temple By-Laws the provisions of the Imperial By-Laws revised as of July 24, 1964, including 1965 amendments adopted at the Imperial Session in Washington, D.C.

Temple By-laws should be brought up-to-date and obsolete provisions should be deleted therefrom without delay so that Temple Officers and Nobles may be advised correctly as to their rights, duties, and obligations under the current applicable provisions of the Imperial Council and Temple By-Laws as revised and corrected.

It is suggested that a By-Laws Revision Committee be appointed by the Temple Potentate to review Temple By-Laws, make necessary conforming revisions in Temple By-Laws, and forward three copies of the new revised Temple By-Laws to the Imperial Recorder, Imperial Potentate, and Chairman of the Jurisprudence and Laws Committee at once as required under paragraph (c) of Section 331.5 of the Imperial By-Laws.

It is directed that the attached Summary of this General Orders No. 1 be read to the Nobility of each Temple at the first Session following its receipt, and record of the entire General Orders be made upon the minutes of the Session at which the Summary is read.

Given under our hands and the seal of the Imperial Council this 15th day of Sept., A.D. 1965, and of the Order A.H. 1385.

Attest:

Following Resolution submitted by a Representative of Zor Temple:

RESOLUTION

WHEREAS, the Midwest Shrine Association is one of 17 Shrine Associations operating in cooperation with and by permission of the Imperial Council of A.A.O.N.M.S., and has since its organization in 1930, through it's members, officers and representatives, assembled a great deal of information concerning the general welfare of the fraternal organization known as the Shrine and concerning further the operations of the Shriner's Hospitals for Crippled Children, and,

WHEREAS, it is the considered opinion of the representatives of the Midwest Shrine Association that the other 16 Shrine Associations have likewise gathered together and assembled a valuable fund of knowledge and information of like character, and,

WHEREAS, it appears that the Shrine Associations as such have had no official representation of the Imperial Council, nor official representatives at Imperial Council sessions for the purpose of presenting to the delegates at such session the combined thinking of the representatives of the respective Temples belonging to such Shrine Associations,

Now, THEREFORE, BE IT RESOLVED, that,

- (1) The Midwest Shrine Association recommend to the Imperial Council that a Resolution be presented at the next Imperial Council session to be held in San Francisco in July of 1966, that the duly elected, qualified and acting President of each duly formed and approved Shrine Association be an official Imperial representative during the year that he holds office as such President in the respective Shrine Association, and that he be given full recognition as an official representative with all of the emoluments and duties connected with that office.

POTENTATES, PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit Heads:

The Day Parade will start promptly at 9:00 A.M., on Monday, July 4. The route of march will start at the Ferry Building on Market Street, up Market Street to the Civic Center. Parade will disband at Grove and Van Ness Streets. The Reviewing Stand will be in the Civic Center.

The Night Parade will start promptly at 7:00 P.M., on Thursday, July 7. The route and dispersal area will be the same as the Day Parade.

Potentates will instruct commanders of their Uniformed Units that all movements in both Parades must be forward movements. This regulation will be enforced.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Director General Walter R. Castro, Jr., whose office is located in the Twin Peaks Suite, 4th Floor, San Francisco Hilton. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but which retard the forward movement of the parade as a whole.

As a result, many of our newer and small Temples, located far back in the line of march, have unquestionably taken punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays, (3) Units have been required to stand in line,—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties

and street maneuvers by units "marching" nearer the head of the line, (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in San Francisco, Calif., may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in San Francisco, Calif., will be parades throughout, and in no part a pageant. Only so-called "forward marching movements" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. Units not desiring to comply with this parade regulation are not to form in line for the parades. The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, add unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In San Francisco, Calif., the short distance and nature of the proposed route of the parades and the congestion of traffic will demand the elimination of other than ONE CAR for the officers of each Temple with Uniformed Units in the parades. Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. The Reviewing Stand will be in the Civic Center for the Day Parade and for the Night Parade. At the Reviewing Stand, Temple Divans will give hand salute, or eyes right, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for eyes right or salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order, uniformed bodies, and male servants accompanying the Temples. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Unless and until Shrine custom is changed to the contrary, no children, no woman or girl, has any place in a Shrine parade. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

If your Uniformed Units attend the Imperial Council Session in San Francisco, Calif., it will be necessary for you to supply two members of your Temple (preferably law enforcement officer members of your Temple) to act as Provost Guard during the Imperial Council Session. Provost Marshal is Noble Capt. Wm. Lingafelter, Islam Temple. Provost Headquarters during the Convention will be in the Shrine Convention Office in the San Francisco Hilton Hotel, San Francisco, Calif. Each Potentate will kindly advise Noble Lingafelter the names of the two Nobles who will serve on the Provost Guard, and the names must be submitted in duplicate. The members of the Provost Guard are to be instructed that they will meet with Noble Lingafelter for instructions, etc., on Sunday, July 3 at 9:00 A.M., at his headquarters in the Shrine Convention office in the San Francisco Hilton Hotel, San Francisco, Calif. Correspondence with Noble Lingafelter prior to July should be addressed to Shrine Convention office in the San Francisco Hilton Hotel, San Francisco, Calif.

IMPORTANT

FOR THE PURPOSE OF AVOIDING POSSIBLE CRITICISM AT THE SAN FRANCISCO 1966 IMPERIAL COUNCIL SESSION, NO NUBIAN SLAVE COSTUMES OR BLACK-FACED CLOWNS, OR ANY SIMILAR COSTUME OR MAKE-UP, WILL BE PERMITTED IN PARADES, ON THE STREETS, OR IN HOTELS OR OTHER PUBLIC PLACES IN SAN FRANCISCO, CALIF.

POTENTATES ARE ADVISED THAT THE USE OF WATER PISTOLS, ELECTRIC CANES, ELECTRIC BRIEF CASES, SNAKES OR OTHER REP-

TILES, FIRECRACKERS, CANNONS, SIRENS AND OTHER OBJECTIONABLE DEVICES WILL NOT BE PERMITTED. MEMBERSHIP ATTENDING IMPERIAL COUNCIL SESSIONS SHOULD BE CAUTIONED REGARDING THE ABOVE.

ROLL CALL

The Imperial Potentate advises that there will be a roll call of Representatives at any time during the sessions of the Imperial Council. Please take due notice and maintain constant attendance at all business sessions of the Imperial Council.

GENERAL OBSERVATIONS

It is suggested that it would simplify the details of registration if the Representatives of the various temples will arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIALS, his CURRENT CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy with him.

Official notice has been received that the following Illustrious Nobles, listed alphabetically by Temple name, will be candidates for Imperial Office:

J. Curtis Lewis, Jr., Allee Temple	Walter R. Castro, Jr., Islam Temple
Harry Martens, Jr., Almas Temple	Jacob A. Wingerter, Salaam Temple
W. W. Bennett, Ararat Temple	Harold C. Close, Sphinx Temple

Imperial Potentate
(Chairman—Board of Directors)

IMPERIAL POTENTATE COLLINS: Gentlemen, at this time it becomes incumbent upon the Imperial Potentate to make an address. Those of you who know me and to those Temples it has been my privilege to visit during my year on official visitations well know that I am a man of few words. I am now going to give you in syntheses the contents of a letter which was sent to all of you but just in event that you may have overlooked it or may not have read it I am going to go through it once more.

Dear Fellow Representatives: It is impossible to reach the end of a year as Imperial Potentate of the Shrine without a tinge of regret. Being Imperial Potentate of our Fraternity is a signal honor but it is an even greater responsibility. There is a multitude of things to do. All of the people connected with them we have to meet and there is a wide scope of duties. A year such as this can seem like a very short period of time.

As Imperial Potentate I have put the responsibility of the position first. My goal has not been personal gain or aggrandizement but the development of the Shrine through

well formulated, forward thinking ideas. The programs initiated, the legislations proposed, the Committees formed have all been with the development of the Shrine and my responsibility to it first and last. I have tried to look ahead with plans such as these to see what our fraternal need is in years to come.

I might paraphrase an old proverb, that a politician is worried about tomorrow's elections and a statesman is looking forward to next year. Like business and industry we have to plan now for our future. The plans I have proposed to you are these long-range plans pointing out what in our heritage must be preserved and what must be rejuvenated and what has long outlived its usefulness by the same token must be modified and perhaps discarded.

These ideas have not been set forth to bring into the limelight, the ideas are to bring the Shrine into carrying the message of the Fraternity and our Temples of Mercy all over North America. Through our programs, plans and legislation and by my actions I have attempted to create an image of the Shrine as an organization of men of good faith with great depth of character and ability who are concerned over the welfare of children everywhere and guarding our precious freedoms wherever they may be challenged.

Now at the end of my year as your Imperial Potentate you have in your hands all of the ideas, the plans and the programs that I have put forth in the best interests of the Shrine. They now become your responsibility and remember, fellow Representatives, your responsibilities are to the Ancient Arabic Order Nobles of the Mystic Shrine and to no other body.

This letter that I have sent out to all of you dated June 21 terminates with Yours in the Sunshine of the Shrine, and I have signed it as your Imperial Potentate.

I want to thank you, gentlemen, for this opportunity to be here before you and explain to you some of the things that have happened during all the years it has been my privilege to be a part of the Imperial Divan. Many Imperial Potentates are content to come in, deal with the social amenities of the visitations, receive the presents that are given to the Imperial Potentate, hear a few complaints and go on their merry way, but I have taken this to heart because when I came to the Imperial Divan I brought with me the problems of ten years of study. I am not asking any of you gentlemen to agree with me as to what those problems are but I do want in a fair and unbiased manner to have the opportunity to tell you about them, to tell you what we have discovered and then after everybody has had an opportunity, and nobody will be denied the chance to speak out for or against these propositions, there will be no railroading at this Session, nobody will be asked to sit down and nobody will be inhibited, and I wish each and every one of you gentlemen seated out in front who represent your Temples to represent your Temples as Shriners because as such you were elected to the place that you occupy in this hall today.

The Scottish Rite have their Temples and they have their annual meetings and their men represent their representatives as Scottish Rite Representatives, and the Grand Encampment of the York Rite have their Triennial meetings and their semi-annual meetings and as such they represent those men who are with them, and the Grand Masters Conference held each year in Washington meets with the idea of exchanging ideas between those jurisdictions affiliated with the Grand Masters Conference and they deal with their problems. The only place in the world where an Imperial Potentate can tell the Shriners what he thinks, what he has discovered and what he feels is good for the Shrine, the only place in the world he can voice his opinions is in this body and, gentlemen, I intend to do that this morning.

First, let me acquaint you with a few things and I propose with your indulgence to prove to you with facts the things that I am going to propound and bring to your attention and I am going to start with the following lack of interest in the Blue Lodges.

I have the following very latest list compiled by no less an authority than the Masonic Service Association of Washington, D. C., giving us the figures for 1965 showing the number of Masons raised to the Sublime Degree of a Master Mason during the past year. I have them by States. I have them by the areas and I will tell you that in 1965 our net loss was 29,105 Masons and as most cities and States have what we refer to as a Planning Committee, a long-term Planning Committee, we also have a long-term Planning Committee and our estimate is that this year we will have a loss close to 40,000

Master Masons and the following years ending eventually up to 1970 we believe that this loss could easily ascend to 100,000 Master Masons a year. Now there is a reason for this and our Shrine Development Committee has endeavored to ascertain what that reason is.

First let me tell you who is on the Shrine Development Committee. I am the Chairman of the Committee and as such I hold myself responsible to you gentlemen for the information that I am going to give you on this Shrine Development Committee. I accept all the onus and if you wish to heap any criticism on anybody's head heap it on this one, but the Shrine Development Committee is composed of men in every single Temple among our 168 Temples scattered throughout North America. We have men that I have been consulting with for over ten years, asking them questions, questionnaires, personal questions, why is it that your Temple year after year shows no net gain? Why is it that the Shrine as a whole over the past ten years has been initiating an average of 33,000 Shriners a year and we lose 33,000 Shriners a year by deaths, demits and suspensions? The progress that we have made in the last ten years is shameful considering the exploding population and considering the growth of other organizations. We have tried to discover why is it that we only have 840,000 Shriners in the last ten years up from about 800,000 Shriners?

Gentlemen, many of you are not going to like what you hear. It is our contention that the brains, the leadership of those who come into Master Masonry, are siphoned off by the Prerequisite Bodies and placed in positions of importance by granting them the Knight Commander of the Court of Honor, which is the Red Hat, and in the Southern Jurisdiction after four years if they are still within the good graces of the Sovereign Grand-Inspector General of that respective jurisdiction they may be entitled to wear the 33° ring and the privilege of putting on their head the White Hat. It is the opinion of the Shrine Development Committee that these power groups who control these associations have so elevated the importance of these Honorary Degrees that many of the Representatives of the Shrine Temples honestly cannot consider themselves any more as Representatives of the Shrine, they consider themselves as Representatives of these Prerequisite Bodies first and in a secondary way they consider themselves as Representatives of the Shrine.

Gentlemen, I have worked long and hard in the Scottish Rite. I have spent thousands of hours with the Ritualistic Teams. I have spent thousands of hours getting these men prepared in the Scottish Rite, oftentimes maybe with a selfish interest that they become Shriners, but our experience has told us in the Shrine Development Committee that at least 90 per cent of the men who join these Rites do so and use it as a stepping stone into the Shrine. I have literally hundreds and hundreds of letters in my files from men who tell me that after they have joined these Prerequisite Bodies they have never gone back for a visit.

Now that, gentlemen, is the result of what we call in the legal term duress or force. It is an obligation which we ourselves have imposed upon those candidates that we chose to admit into the Shrine. May I give an analogy which may not seem to be in order at the moment but I think it will prove a point. Suppose you have a bakeshop and you sell bread for fifty cents a loaf and a man comes in and says, "I will take a loaf of bread," and you tell him, "I will be delighted to sell you the loaf of bread but before I can give you the bread you must go across the street. There is a man over there who makes marmalade jam and you give him \$1 for a jar of marmalade jam and bring it back and I will sell you the bread." Now if I were a baker or if you were a baker and adopted policies such as that you would not sell much bread and if you were financially able to stay in business just for the sentimentality of the business you could justify your action but, gentlemen, when it costs twice as much to get into the Prerequisite Rites as it does to get into the Shrine the opinion of your Shrine Development Committee is that unfair advantage is being taken of the Shrine because of his obligation.

We find that there are roughly in North America 4½ million Master Masons. Of those 4½ million Master Masons roughly 1,250,000 have taken the Degrees of the Scottish Rite and the Degrees of the York Rite, and of those 1,250,000 men we as Shriners have already taken in 840,000. The proportion roughly would be six or seven out of every ten eligible men of the Scottish and York Rites already are Shriners.

Now what has happened to these other 3 million Master Masons, worthy and well qualified, men who have taken the Entered Apprentice, passed to the Degree of a

Fellowcraft, advanced to the Sublime Degree of a Master Mason? They have passed their proficiency test. They are paying their dues and they are in good standing. What has happened to these 3 million men who have not taken the Scottish Rite or the York Rite Bodies? Again our Shrine Development Committee has gone to work and we have come up with these reasons.

Many of you have mistakenly, in reading our book "Accept Master Masons Directly Into The Shrine" and by seeing the numbers we have placed inside, have mistakenly come to the conclusion that their exclusive and only goal is to get these members for money. Let me put the record straight. Money is only one of the problems. In our opinion the main problem is something like this.

A man applies of his own free will and accord to a Master Mason and says, "I would like to become a Master Mason. What should I do?" He is given a petition. Two Master Masons sponsor him. He lists the personal information about himself and his family on the petition. It is passed by the Lodge to an Investigating Committee. The Investigating Committee talks to him, talks to his wife, asks questions about his business and children, his moral status. They make a report to the Membership Committee and he is ballotted upon by his Lodge and if found worthy he is then sent a letter requesting him to appear for his Entered Apprentice Degree.

After he takes his Entered Apprentice Degree he gets his first shock. He is told for the first time that he must memorize what he has learned. He goes through that.

After he has passed his first examination he then is advanced to the Degree of a Fellowcraft and after that he is told he must learn further and eventually he becomes a Master Mason after which he is told he must then pass his Proficiency Degree. After he has done that we have interviewed thousands of these men through our Committee and most of them say, "Phew, I am sure glad I got through that."

We believe — and before I tell you that, to give you an idea how difficult it is to become a Master Mason I have on no less an authority than John McKee, who is Chairman of our Masonic Relations Committee, a Past Grand Master of the great State of Texas, currently a Deputy under Lee Lockwood of the Southern Jurisdiction of the 33°, and John McKee last November testified in Washington before members of the Supreme Council and of the Grand Encampment and later on this year in Boston he testified again, that there were in the United States over 400,000 men who started in their Entered Apprentice Degree and never became a Master Mason, 400,000 men.

Now one of these men was President Johnson and I have been told the story that when President Johnson was given his Entered Apprentice Degree at that time he was a Senator and after the Degree a young man came up and said, "Senator, can you come to my house next Wednesday night at eight o'clock?" The Senator said, "What for?" "Well, I am going to coach you." "Coach me for what?" "I am going to coach you to learn the work that was given to you this evening in your Entered Apprentice Degree." Johnson said, "Next Wednesday I will be back in Washington. Why do I have to do that?" "That is the requirement of the Lodge that you must learn what you have heard this evening." He did not continue and to this day he has not become a Master Mason nor has he been eligible for anything beyond that.

I merely cite that to you as an example of 400,000 men, worthy and well qualified, that were well investigated and proved and ballotted upon by their Lodges, who did not have the time, the ability to memorize or the inclination to learn the work required by the Lodges.

Now this is not an indictment against the Blue Lodge, gentlemen. Please don't misunderstand me. All of us have done it. You can do anything if you want to. But the average man today is finding it more and more difficult to become dedicated to certain principles such as we have done and I am merely citing that to prove an analogy that when it becomes difficult to become a Master Mason and when these 4 million men who have become Master Masons in the United States, 3 million of them do not want to take the Scottish Rite or the York Rite Bodies, it is because they are harking back to the time of difficulties they went through to become a Mason.

We tell them, gentlemen, "There is nothing to this Degree. You are merely a spectator." I have had them tell me by the hundreds, "That is true, Barney, I know I will be a spectator but when I took my Entered Apprentice Degree little did I know

that I would have to commit to memory things that would be difficult for me and take a tremendous amount of my time."

The first reason, gentlemen, why these 3 million men have not taken these Degrees is because of a psychological trauma, a resistance to further Ritual. I have had a man describe it to me by saying, "Barney, I have been through Master Masonry. I think it is wonderful and they have offered me these other Degrees. Fellows, I have had it up to the eyebrows. I just don't want any more Ritual but I would like to become a Shriner because the Shrine is what I thought I could be admitted to after I had done these things and I want to become a Shriner."

Now, fellows, we have here 3 million men that have not wanted to take the Scottish Rite and have not wanted to take the York Rite and I have given you one of the reasons. I will now give you the second reason.

Many of these young men in their early twenties that are fired with the idea of becoming a Mason, or becoming a Shriner, add up the cost and they say, "What is the cost to become a Shriner?" The most reasonable fee of all is that of the Blue Lodge. They give you more for your money if you want to put it on a money basis than all the other Bodies put together and you are accepted into the Lodge. For an average cost of \$75 they go to all of that work to make a man a Master Mason. They coach him, work him, give hundreds of hours to make that man become inculcated with the spirit and ideals of Symbolic Masonry, all of that for an average of \$75.

So then they say, "Okay, what is the next step?" Well, you have to go to one of the Rites. If you live in California it costs you \$215 to join the Scottish Rite and if you live in the Long Beach area it costs you \$235 to take the Scottish Rite. We in the Shrine only have a minimum of \$100. Why in the world is it that these Bodies feel that they can charge all the traffic can bear by elevating their fees so enormously high — and listen to this — if they knew it was not for the fact that it was obligatory to admittance into the Shrine. If we were to put them on the basis that the average Master Mason could afford then these Scottish Rite Bodies would overhaul their antiquated thinking of charging all the traffic will bear because we are protecting them with this fictitious idea that a man is a better Mason because he takes those Degrees. They would overhaul their thinking and probably bring their cost more in line with something like the Blue Lodges are charging, maybe \$75.

While we are on the subject of talking about these just let me give you a few figures. In the York Rite you have to go through two Bodies before you can petition the Commandery. You have to go through the Chapter. You have to pay an initiation fee in the Chapter. You have to be approved by the Chapter and after you become a member of the Chapter you have to pay annual dues for the rest of your life, even if you go to the Lodge or not, just so that you can be in good standing insofar as the Chapter is concerned. That is universal throughout all of the United States and Canada and all the places where the Chapter does business.

Now the next Body is the Council. The Council is not quite so severe. Thirty-four States require that a man become a member of the Council before he can petition the Commandery of the York Rite. You still have to pay an initiation fee and you still have to pay dues to the Council for the rest of your life if you wish to remain in good standing.

Now we come to the Commandery itself and you find that the Commandery, much the weaker of the two Bodies, the Scottish Rite is powerful and the York Rite is much weaker, the York Rite is not a Masonic Body at all.

Gentlemen, I am a Past Commander of the York Rite. I made a study of the Crusades. I am a student of literature. The York Rite is an offshoot of the Crusades, when these adventurous men of the Middle Ages decided to go in search for the Holy Grail, which was the Cup that Jesus was supposed to have drunk out of at the Last Supper, and the Ottoman Empire swept down from Turkey and conquered all of the then known world. So these Crusaders from England, France and these other countries, started a series of pilgrimages down towards Palestine, the Holy Land. They never found the Holy Grail and the Order of the Knights Templar sprang from that and the Order of the Knights Templar limits its membership to people who believe that Jesus was the Son of God.

Now you might say that only takes care of those of Jewish Faith. That is true. It eliminates those of Jewish Faith because the gentlemen of Jewish Faith cannot in all conscience subscribe to the oath given in the York Rite Degrees that they accept Jesus as the Son of God. But let's not stop there. That is only a drop in the bucket to the millions of Protestants who also do not subscribe that Jesus was the Son of God. So the York Rite is in trouble. They are limiting their field tremendously.

I have talked with heads of the York Rite Bodies. I know all of them intimately and I can call them by their first names. The head of the York Rite told me, he said, "Barney, the York Rite is in the same difficulty with the Chapter and the Council that the Shrine is with reference to the York Rite and the Scottish Rite 32°, and we propose to do something about it because we are losing members." And in October of this year the leaders of the Chapter and the leaders of the Council are going to meet to see if they will accept petitioning the York Rite for admittance in such a way so that these Degrees will disappear as Bodies and be incorporated into the York Rite.

Now, gentlemen, that might not mean too much to you at the moment but may I remind you that that indicates a trend, a trend of thinking that our Shrine Development Committee detected many years ago when we started to try to find out why is it the Shrine is standing still and marking time in the same place.

I have further been told that in October there will be opposition to the Chapter and the Council being incorporated into the York Rite, for about the same reasons that later on this morning I may suspect that many of you will seek the floor and will be motivated by selfish interests to protect Bodies other than the Shrine which you were elected to represent here today. Next year I understand this motion, this piece of legislation which will come up in October for the Chapter and Council, will be defeated. It has been announced long enough in advance and the leaders are picking off one by one the people who stood up to be counted and they are going to be intimidated and they are going to be afraid to vote their true convictions. Gentlemen, in the United States of America in the 20th Century it is the right of every American to vote the way he feels without pressure from outside and selfish interests. This we assume is a foregone conclusion that in October this motion will be defeated between the Chapter and the Council but next year the Triennial of the Grand Encampment of Knights Templar will meet and it is my understanding that they are going to vote to cut loose from Knight Templary the obligation to be a member of the Chapter or a member of the Council. This, gentlemen, is a trend that I thought you should all know about.

Now let's get back to the problem at hand. As your Imperial Potentate I have jurisdiction over 840,000 men between Imperial Council Sessions with full authority to act on your behalf but when I dropped this gavel a half hour ago the authority now is transferred back into your hands. My authority now is nil and my authority is limited but I still have the gavel. I want to tell you some of the things that have happened in the last few days that I think you should know about. May I have the cards, please.

I have here two piles of answers. I am going to put this smallest pile over here and this larger pile over here. This small pile represents the men who have said, "Barney, your plan is all wet. You are trying to kill the Scottish Rite. You are trying to kill the York Rite. You are our enemy." And this pile over here says, "Barney, we are for you. What can I do to help?" I am showing you this great difference in ratio between this small pile and large pile not in any way to intimidate you. I am merely showing you that the trend is in motion. All of the men in this pile are not Representatives to the Imperial Council. This is a question you might well ask. And neither is it in this pile. But I believe it reasonable to assume that certainly the proportion would be equal when you reduce them down to those able to vote here on the floor.

Not only that but may I call your attention to the fact that many of you gentlemen sitting out in front have been subjected to pressures at home, pressures from up on top, and so many of you who would have—and all these are signed, I have names and Temples and I can identify this here and this here—many of you attempted to send in a card and say, "Barney, I am for you," but before you did it you probably thought, "I might get in trouble if I sign my name but I will go to the Imperial

Council Session prepared to vote for it because I think it is time that the Shrine got an even shake." I don't know. At the moment that is not important.

But I do want to do something else while I am up here. I want to show you the pressures that are being brought upon the members that are scattered out here in the audience and I want you gentlemen to be the judge if you think these pressures are honest and sincere and without any selfish motive behind them.

One of them has to do with a man who is the Chief Rabban of his Temple. He sent in a card and said, "Barney, I am for you. My name is so-and-so," and he wrote his Temple in also, "I am the Chief Rabban. I think it is the greatest thing and we should have done it twenty years ago." He followed it up with a personal letter which he also signed and I was delighted to get it because it was a glowing letter of why we should go ahead with this Shrine Development Program. A couple of days later he sent me a second letter in which he said, "Barney, for goodness sake don't use my letter." He said, "The Sovereign Grand Inspector General in my State called in the Past Potentates of our Temple and the other members of the Divan of our Temple and he said that if I spoke again favorably about the Shrine Development Program that they would run another man against me for Potentate next January and would guarantee my defeat." He said, "I have been in the Line for nine years, Barney. I have worked hard for nine years to preserve the Shrine. I don't think it is fair that they hit me like that to keep me from voting my true convictions."

Not only as a Shriner, gentlemen, but as an American citizen when you go in to vote you are given your ballot. You go into a booth and you pull the curtain and only God and you know how you vote. That is the American way, gentlemen.

A couple of days later I got another letter from the Recorder of this same Temple and he said, "Barney, I sent in a card and I signed it and I told you I was for your program one hundred per cent." He said, "I have been called in and told that if I say one more word in favor of this Shrine Development Program that I will lose my job as Recorder next January."

Now that to me, gentlemen, is the same type of a tactic that is used in Russia today by holding at home a hostage when a Russian goes abroad to represent his country in an athletic event or a musical event.

I have also received several phone calls from men who have sent in cards and they have said, "Barney, please don't use my card. Don't mention my name because the men who run our Temple and who control Masonry in our State have received notices from above that we are to kill the Barney Collins plan." "Now," he said, "I know it is going to be a secret ballot, which is the American way of doing things, and I am going to vote for it." "But," he said, "The man in charge of our Temple has demanded that when I mark the ballot that I show it to him so he can see that I vote the way that he demands that I vote."

Now, fellows, I am not asking you to believe in the Barney Collins plan. I am not asking you to do anything that your conscience tells you that you should not do but, fellows, I think it is high time that these power groups stop running the Shrine. (Applause)

Each and every one of you fellows when you go home are going to have to tell the members of your Temple that, "I voted against the plan," or, "I voted for the plan," but assuming that you voted against the plan that, "I did it because I was afraid." If I were a member of your Temple I would be ashamed of you and I would certainly not be electing you next January.

Now I am going to read to you a letter that I have received to show you how the Scottish Rite, and I name it by name, is trying to influence this Body which is a Shrine Body. This is not a meeting of Scottish Rite Representatives. You are here as Representatives of the Ancient Arabic Order Nobles of the Mystic Shrine and for no other purpose. Your allegiance is with the Shrine or it is not with the Shrine. If it is not with the Shrine believe me, fellows, you are here flying under false pretenses. I am going to read this letter. I am going to tell you who wrote it. I think many of you or all of you have received it. If I say anything in any way, gentlemen, that is not the truth please hold up your hand and stop me because I told you in the beginning that everything I quote from this podium is based on facts and I spell facts f-a-c-t-s. This letter is written by John Vesey. It says:

"825 Union Avenue, Memphis, Tennessee." It's dated June 4, 1966. And first may I ask how many of you gentlemen have received this letter? (Hands raised) I would say almost all of you as Representatives have received this letter. I am going to read the letter word by word and I am going to answer it because I feel that this letter was written to me because it said, "Dear Noble," and I am going to answer.

It says on top, "Our Imperial Potentate is wrong this time. Do not let the Shrine desert the York and Scottish Rites." In the first place I do not advocate deserting the York and Scottish Rites. I will continue to work, as I have worked for twenty-five years, for the benefit and aggrandizement of the Scottish Rite and the York Rite. As an Honorary Member of the two highest Degrees given by these Bodies it is my obligation and if it were not my obligation I do it because I love these two Bodies. I think they have a great deal to contribute to every man. I think every man should belong to the Scottish Rite and the York Rite, but not under compulsion.

If when a man gets older he has been in the Shrine, he has enjoyed the fun of the Shrine, his children are older and have gone to school and the financial pressures have been relieved on him, he is a bit mellowed and likes the idea of further light in Masonry and wants to take the Philosophic Degrees in the Scottish Rite, which I think are superbly beautiful, that is the time to take them when he appreciates them, when he wants them and when he can afford them. The same goes with the York Rite. The beautiful Christian Degrees of the York Rite there is nothing more beautiful, gentlemen, and it is a tradition of ours handed down for many, many decades. These Degrees are necessary and they are good for those who want further right in Masonry and for those who are able to appreciate them and for those who have reached the point in life where they are able to afford them. I am now directing my attention to the younger men who want to become Shriners but find the obstacle of further Ritual difficult for them to understand and unwanted and the fact that it costs them a slug of money to take those Degrees at that time.

"Dear Noble. Can you speak for every member of your local Shrine? Do you have the right? Why did these gaudy mailings come from different cities? Why weren't they sent from Imperial Headquarters?" Gentlemen, these gaudy mailings—may I have one, please—these gaudy mailings are the colors of the Shrine. The colors of our American Flag are red, white and blue. I have heard people in Costa Rica, some of the banana Republics, call our American Flag gaudy and in poor taste. If this is gaudy, gentlemen, let's change our colors. I wanted this to be a Shrine publication not representing any other Body and I insisted that the Shrine colors be used. I hope that answers the question of the gaudy part.

"Why did these gaudy mailings come from different cities?" And the second question is tied in with it. "Why weren't they sent from Imperial Headquarters?" These mailings all came from one city, Little Rock, Arkansas. They did not come from various cities. I defy anybody to show me postmarks from cities other than Little Rock. So we refute that question.

The second question. "Why didn't they come from Imperial Headquarters?" These catalogs are heavy. They were printed in Little Rock by the Philip Back Agency. Philip Back is a legitimate public relations man whom I have known for many years, a Shriner for some forty years, a man who has taken part in Scimitar Temple activities the greater part of his life, and in my opinion a fine dedicated upstanding Shriner. They were all written with my approval and the approval of the Committee and they were all sent from Little Rock.

Now there was one other reason we had them sent from Little Rock. Had we packed all these and sent them to Headquarters we would have had additional cost which I deemed unnecessary. I did not consider a Chicago postmark important on an envelope. The envelope is thrown away. To me the contents are much more important. You gentlemen decide if you think it is important that they should have been mailed from Chicago. I don't.

"Why did some receive several copies and others none?" I don't know. That is an honest answer. We sent many of these to Emeriti Members. Some men were Cabiri members and Representatives of the Temple at the same time. So it is conceivable that Harvey Beffa down here received one as a Past Imperial Potentate, as a member

of the Cabiri received one, and as an Emeriti member received one. I see nothing wrong with the fact that a man could have received two copies.

"Why did they wait until all Shrine stated meetings were over and mail this gaudy propaganda just before our Imperial Council Session?" That, gentlemen, is an easy question to answer. I will give the hard questions later. That is easy. You might not believe it but this catalog after we gave the go ahead sign—and I only gave the go ahead sign after I had visited about fifty Temples and laid before them the story of the Shrine Development Program that they said, "Barney, why don't you publish it and why don't you get it in the hands of the Representatives?"—it took us three months to do it. It took us three months to decide what to say, the covering letter we sent to you, I think ten or eleven cards that were mailed out, before leading up to the climax of the book. Gentlemen, it could not have been done any quicker. I assure you that there was no ulterior motive in getting it to you when we did but as it is I believe you got it almost a month before the Imperial Council Session. If you can't read, I won't say if you can't because I know you can—and I am just trying to answer one man's letter—but you have had plenty of time to discuss this. If you want to take another year that is your business but you had plenty of time to digest what is in here because it is all pre digested.

Let's continue with the letter, gentlemen. "The Shrine was nurtured at the breast of the higher Degrees of Masonry who have supported them for ninety years." I challenge that there is a higher Degree than Master Mason. What is it? I challenge that: There is no Degree higher than that of a Master Mason and if anybody here says there is a Degree higher than Master Mason I want him to stand up right now and tell me why.

Gentlemen, the highest authority in any jurisdiction is the Grand Master of the Grand Lodge. He is the supreme authority in Masonry in his State and the Sovereign Grand Inspector General and the man in charge of the Red Cross of Constantine and those who belong to the Royal Order of Scotland and those who belong to the Chapter and the Council and the Rose Croix, name them, fellows, I belong to all of them, there is no Degree higher than that of a Master Mason. So this letter is wrong when it intimates, when it implies like it says, "The Shrine was nurtured at the breast of the higher Degrees of Masonry." Gentlemen, that is completely misleading. It is wrong. It is not true.

May I continue. "Who have supported them for ninety years." Who has been supporting who for ninety years? The Scottish Rite tail has been wagging the Shrine dog for ninety years because the only way you can get to be a Shriner is through one of these Prerequisite Bodies.

"Now with more money in hospital trust funds, approximately \$300 million, than the Trustees know what to do with." Gentlemen, we have with us combined the Board of Trustees of the Shriners Hospitals for Crippled Children and the Board of Directors and the Chairman of our Wills, Bequests and Gifts will tell you that we don't have enough money to run our hospitals and that our costs have risen over one hundred per cent whereas our income has risen less than 20 per cent. If we don't do something about finding more ways and means to bring in more money we are going to be in trouble. Now I don't see where this has anything to do with the issue or the question of letting Masons come into the Shrine. This was just interjected I think, this is my opinion, to becloud the issue.

I will read it again. "Now with more money in hospital trust funds, approximately \$300 million, than the Trustees know what to do with and with the per capita tax doubled recently there is no urgent need for more members or finances." We increased our per capita tax two or three years ago due to the good work of our Imperial Treasurer Harold Close who was then Imperial Potentate and I don't mind telling you, gentlemen, that 80 per cent of that increase in per capita tax was given back to you Representatives the next day in increased room expenses. It was given back to you and right now we will be faced within the next year or two, if things continue the way they are and Masonry continues to get less and less and less like the master plan shows, the Imperial Council is probably going to have to come back to this body and say, "Fellows, we need more per capita tax." Right now we just had a meeting of the Finance and Accounts Committee and, fellows, we are running so close to a deficit that

I don't believe the difference is \$1,000. You talk about more money than we know what to do with.

"But should we create a lack of harmony in Masonic circles?" There is no lack of harmony. Those of you who have read the book will see that we advocate that everybody go back to the Blue Lodge and we say this we believe, the Master Mason, the Master with his apron on in front of the Altar, and the Shrine with the pageantry in the background leading a little crippled child by the hand, and the two hands clasped here in friendship. Somebody else is trying to drive a wedge between these two and separate them so that these men here won't have time to go through the Blue Lodge and participate by putting all these extra Degrees in there and siphoning off all that talent in the Blue Lodge and the people are ashamed to go to the Blue Lodge because they feel like this letter says that the other Degrees are higher. Why should I go to the Blue Lodge and wear the Square and Compass when I can wear the Double Eagle?

I have talked with Masons by the hundreds. I have stopped them on the street, in airlines and buses, and when I see they wear the Square and Compass I say, "Are you a Shriner?" "Gee, I'm sorry, I'm only a lowly Third Degree Mason." I pick them up and say, "What do you mean, are there any other higher Degrees in Masonry?" "Yes, the 33°. It only stands to reason I only have one, two, three Degrees. You have the fourth, fifth, all the way to the thirty-second before I can be a higher Mason." The Scottish Rite, please excuse my words, has taken advantage of the numerals that they use in designating their Degrees for the Lodge of Perfection and the Rose Croix and in those areas where they have Knights Kadosh the Knights Kadosh and the Consistory, to give the phoney impression that those are higher Degrees because they progress one, two, three and then they go four, five, six up to the thirty-second. Then those who are favored with getting the 33° are told, "You now have been the recipient of the 33rd and last Degree in Masonry." What do you expect a fellow who wears the Square and Compass on his lapel to feel other than that he is just a second-rate Mason. We want to make him a first-class citizen in Masonry, not second-class. (Applause)

Please read this booklet again, gentlemen. We show in here proudly a man with the Square and Compass on his lapel and we show that man coming into the Shrine Headquarters at the Shrine family parties with his children to enjoy the hospitality of the Shrine. That is what Masonry needs. It needs the color and pageantry and hospitality and enthusiastic and progressive spirit of the Shrine, and he needs it now. He doesn't need it twenty years from now. That is why we are not getting younger men into Masonry. The average man going into Masonry today is over forty years of age. The average man taking the Scottish and York Rite Degrees is between forty-two and forty-four years of age. Fellows, this is going to floor you. The average Shriner that comes in is over forty-five years of age.

Let me tell you something. The man forty-five years of age already has a set pattern to his life. He knows the size of collar he wears. He likes his special TV programs. If he wears a Florsheim shoe of a certain cut the chances are he will wear that Florsheim shoe for the rest of his life. If he likes a Hart, Shaffner & Marx suit or Hickey Freeman suit he will give preference to that suit. Now the young man is not inhibited by those set ways of life. That young man is the type of fellow we want to beat the drum in the Shrine Parade, to march in the Shrine parade, to blow a horn and take part in the myriad series of activities that the Shrine offers.

I am almost through. "Should we desert the things that give us character and stability?" I will tell you what gives character and stability to our organization. When I was a little boy eight years old my mother took me to a Shrine parade, the first one I had ever seen. I saw them going by blowing trombones and the men dressed in these very colorful costumes, a fellow in the Oriental Band wielding a Scimitar. I said, "Mother, who are those men?" She said, "Barney, those are Shriners." I said, "You know, when I get to be a man I would like to be a Shriner." I didn't know they were Masons, much less did I know that they had to be 32° Masons or York Rite Masons. All I knew was that here was something that appealed to me and the enthusiasm of a young boy. Later on in 1922 when we opened our first Shriners Hospital for Crippled Children and we led the first little crippled child down the walk into that hospital — and Harvey Beffa will bear me out — that is when we acquired character and that is

when the Shrine Commenced to have a soul and the Scottish Rite and the York Rite had nothing to do with it. We did it. We built that image ourselves.

The next line. "And should we drive a spike into the breast that nurtured us?" It is a hyperbole and play on words. I don't know what it means but apparently it is talking about milk. Let me tell you a little story. My grandfather had a couple of cows. I had never seen cows before. I went into the country. He said, "I am going to show you how to milk a cow." So by dint of a lot of work I learned how to get the milk out of this cow. So after I got out a couple of quarts I said, "Granddad, I can't get any more." He said, "Son, you have taken off the best part of that cow's milk. Now you have to strip the cow." So he went in and he stripped the few remaining drops and he said, "The hardest part, son, is when you strip the cow."

Now these Prerequisite Bodies are taking all the milk. They are charging \$235 in California and I have been told they are going to raise it to \$300 because they think they can get it. Now getting back to that cow, fellows. They have been taking that milk for ninety-six years and leaving us the strippings and that is where we are scrounging for candidates that are hard to get. There is not a man among you who doesn't have trouble each year with getting one or two or three candidates. Most of you out there don't bring in a single candidate a year. Not only that, fellows, the worst part about this cow is that the Shrine has to feed it. We feed the cow and they take the milk and we have to strip the cow and have to house the cow and feed back to the cow because it is a Shrine cow but we have given somebody else the concession to come in and draw off the milk.

The same way you can talk about a restaurant if you want to make a silly comparison. You have a restaurant where you charge \$10 for a meal. This is a Shrine restaurant where only Masons can come in. The hat check girl says, "Give me your hat. That is \$20." "\$20 to check a hat?" "Yes." "Well, the meal inside is \$10." "I'm sorry, I have the concession to charge everybody who comes into this Shrine Room here \$20 per hat. Now if you don't want to pay you don't have to come in." That is what has happened to the concession we have given the Prerequisite Bodies to charge whatever they please and in no case in the Scottish Rite — maybe one or two exceptions, don't cross me up, gentlemen — in almost no case is their fee as low as ours. It is always a lot higher than ours. So we are paying more for the right to check our hat than we are for the meal inside.

"Are a thoughtless group trying to turn Freemasonry into a modern Tower of Babel?" Gentlemen, we all speak English. We are all articulate. There is no Tower of Babel. I will let each and every one of you who is so inclined after I am through talking to get up and talk and if there is a House of Babel and we don't understand you and your tongues have been confused, as it says in the Old Testament, I will try to act as interpreter for you.

"Do not be carried away by this great new society plan which is supposed to sweep you off your feet." Nobody is going to sweep you off your feet. You gentlemen can take from now to doomsday to talk this thing over and everybody will be given an ample chance. It is not new and it has been defeated several times before. I have checked the records in the proceedings of the Shrine for many, many years and at one time this was discussed and, if my memory is correct, it was never brought to the floor. There was never any information given to the Representatives. It was merely done by word of mouth and somebody in a casual manner got up to the microphone and said it would be better withdrawn.

Gentlemen, this is dynamite. We have got something in here that will accomplish the purpose for which it was written.

"Are we Masons or playboys only?" May I answer. We are Masons and when we are acting as Masons, as Shriners we believe in good wholesome fun and the fact that we have here almost 100,000 men that have come to enjoy this Imperial Council Session and see the wonderful parade that was put on by men who walked for miles without complaining and men who press the instruments against their lips which hurt them after a mile of marching, these are the things that represent the Shrine and these are the things that the public knows us by, and coupled with our philanthropy of our seventeen hospitals plus the two we have just taken in plus our new phase of burns

hospitals, fellows, there is nothing going to stop us. So you decide now is that fair, are we Masons or Playboys only? A roll call will tell.

It is signed, "Cordially, John Vesey, Past Potentate, Emeritus, Al Chymia Shrine Temple." The only thing he neglected to put on here which I think he should put on is that he is a paid Representative of the Scottish Rite for the Valley of Tennessee and has been for thirty-four years. Gentlemen, you be the judge of the value of this letter.

Now, we are about to approach a place where a motion is going to be made and you all have that motion in your hands with regard to accepting Master Masons into the Shrine as first-class citizens on a par with the Scottish Rite and York Rite – gentlemen, I require your attention – where a man can become a Shriner after being a Master Mason only in good standing or a York Rite Mason in good standing or a Scottish Rite 32° Mason in good standing. There is no discrimination here. A man has his choice. Those of us who love the Scottish Rite, those of us who love the York Rite, if we have prospective candidates I know that we will insist that they take both of these Rites before they take the Shrine and if they don't as soon as they have gotten into the Shrine we are going to have twenty years to work on them to get them to take those Bodies and they will still be coming in at about the same age that they are coming in today so nothing is going to be lost.

When somebody gets up and tells you that this is going to kill the Scottish Rite I will say that is a very pessimistic negative thing because they by saying that admit that what they have to offer isn't worth what they are charging. I think it is a sorry plight when these dignified men of the Scottish Rite and the York Rite lower themselves by begging this august body, "Please don't cut the umbilical cord because we will die." Those of you who are for the Shrine, who think that the Shrine should go ahead, if you will only give this a sporting chance, I make this prophecy that if within two years of the time this legislation is enacted if we do not have the increase in membership in the Shrine of one million members from those three million men who would be eligible, we will have \$100 million in cash at \$100 a head that we can distribute between 168 Temples. Many of your Temples have no losses.

Here in San Francisco Islam Temple has an old Mosque at 650 Geary Street. They have been wanting to build a new Shrine Temple for years and they don't have the money. Yet here in San Francisco the Scottish Rite has just built a brand new beautiful edifice that cost millions of dollars, and down in Los Angeles Al Malaikah Temple, which is the largest Temple in the Shrine, has a building that must be fifty years old. They would like to have a new Mosque. They don't have the money to build it. Just a few blocks down the street on Wiltshire Boulevard there is a new Scottish Rite Temple that cost several millions of dollars. Now you fellows out there in front who want new Mosques for your Temples, want to have plenty of money so you can raise the salary of your employees in your office and keep them contented, those of you who feel that you should spread the administrative cost of your Temple over more members, you are the one who are going to benefit along with the large Temples. We have almost a hundred Temples under 5500 members. The little Temples are the ones who stand to benefit from this more than the large Temples but the large Temples also stand a wonderful chance to double their membership.

Now, gentlemen, I want to just tell you one more little thing and I am not doing this with any idea of hurting anybody's feelings but let me tell you a true story when Walter Guy was Imperial Potentate. A certain Temple in his jurisdiction in one of the States wanted to put on a football game with a Catholic College and they were told by the Commercial Committee of the State that they could not put on a game and sell ads. So the Potentate gave the word that you can put the name of the player but not ads. As you know, gentlemen, ads are a big source of income from programs. But the Catholic Priest who represented the college against which this Shrine Temple was playing went ahead and put out a program and he sold ads and he kept the money. The Shrine didn't get a dime. This is the way I have heard the story. If anybody knows any different please stop me. The Grand Master of the State called in the Potentate and said he had violated the commercialism rule of the Grand Lodge. The Potentate said, "I am sorry, I have not violated anything. I did not print the program. It was printed without my permission and we derived no income whatsoever. It was done by the Catholic Priest of the Catholic University." So this Grand Master then called up Walter Guy and said, "I want you to suspend the entire Divan of that Temple."

Walter asked him, "Why should I suspend the Divan of the Temple? It wasn't the Potentate's fault. The Temple knew nothing about it." The Grand Master said, "You will either suspend the entire Divan of that Temple or I will issue a decree that no Mason can belong to that Temple."

Fellows, there were 5,000 members of that Temple. He was willing to punish 5,000 men for the acts of the Catholic Priest that had no bearing whatsoever on that Temple.

Walter Guy was on the spot. Walter Guy didn't know what to do and he was given an ultimatum of twenty-four hours. To make a long story short the Divan was suspended and a new Divan was nominated.

Now the reason I am telling you that, gentlemen, is that the man who was then the Grand Master is now the Sovereign Grand Inspector General of that State and that is the type of a man, and he is also a part of the Supreme Council of the Southern Jurisdiction, and Active Member, and that is what we can expect, gentlemen, if we continue to tie our tail to the type of these Prerequisite Bodies. The time has come for us to act as free Americans, free Masons, and above all gentlemen, as free Shriners.

Now I am going to recognize Richard Roberts, Potentate of Khiva Temple of Amarillo, Texas.

NOBLE JOHN B. VESEY: Imperial Sir, I request a question of privilege for the microphone inasmuch as you have just read my letter.

IMPERIAL POTENTATE COLLINS: Just a moment, John Vesey, you are out of order.

NOBLE JOHN B. VESEY: I am not out of order. I have a right to rise as a personal privilege.

IMPERIAL POTENTATE COLLINS: Excuse me, the Chair rules you out of order and you will be given ample time to explain. We have recognized the gentleman.

NOBLE JOHN B. VESEY: I think you left the impression with the crowd that I wrote that letter as a representative of the Scottish Rite. I wrote that letter on personal stationery.

VOICES: Out of order! Out of order!

IMPERIAL POTENTATE COLLINS: You are out of order.

NOBLE JOHN B. VESEY: All right.

IMPERIAL POTENTATE COLLINS: We must have attention. If there is any ruckus I must ask the cause of the ruckus to leave. Everybody is going to be heard. Don't be afraid that it is going to be railroaded. Take your time.

The Potentate of Khiva Temple, Amarillo, Texas.

NOBLE RICHARD ROBERTS: I am Richard Roberts, Potentate of Khiva Temple, Amarillo, in the panhandle of Texas.

Imperial Sir Barney, Imperial Sirs, distinguished guests and my fellow Representatives. I would like at this time to present a resolution I shall read to you. (Reading)

RESOLVED: That Article 10 Section 210.1 and Article 23 Section 323.3 of the By-laws of the Imperial Council, A.A.O.N.M.S., an Iowa Corporation, be amended to read, if adopted, as follows:

- (a) a Master Mason; or [(a)]
- (b) a Knight Templar in good standing in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or [(b)]
- (c) a 32° Mason in good standing in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or the Southern Masonic Jurisdiction of such Rites, or of a Supreme Council in amity with and recognized

B. § 323.3 *Prerequisite for Membership.*

- (a) A Temple may not accept a petition from a Candidate unless he is in good standing as:
- (1) a Master Mason; or [(1)]

A Temple may not add to or take from the qualifications for membership in Temples as fixed by these By-laws. A Temple may not require that a candidate must be both a 32° Mason and/or a Knight Templar.

Imperial Sir, this concludes the reading of this resolution.

NOBLE LOUIS CHACKES: Imperial Sir —

IMPERIAL POTENTATE COLLINS: We have a motion here.

NOBLE LOUIS CHACKES: Imperial Sir, I desire to ask a parliamentary question.

IMPERIAL POTENTATE COLLINS: You are out of order until —

NOBLE LOUIS CHACKES: I desire to ask a parliamentary question.

VOICES: Out of order! Out of order!

IMPERIAL POTENTATE COLLINS: Lou, gentlemen, just a moment now, just one moment please. Gentlemen, everybody will be heard. Don't get excited.

NOBLE LOUIS CHACKES: Who is excited?

IMPERIAL POTENTATE COLLINS: Take your time. Lou always puts on a good show. Let's listen to it. What is your point of order and confine yourself to the order.

NOBLE LOUIS CHACKES: Isn't that nice, just speak. May I ask the Illustrious Noble, you introduced this, is that correct?

NOBLE RICHARD ROBERTS: That is correct.

IMPERIAL POTENTATE COLLINS: He just read it.

NOBLE LOUIS CHACKES: Who introduced it?

IMPERIAL POTENTATE COLLINS: It will be by Jurisprudence and Laws according to protocol.

NOBLE LOUIS CHACKES: What was this for then?

IMPERIAL POTENTATE COLLINS: Just to introduce it, that is all, to start it off.

NOBLE LOUIS CHACKES: Well, you started off wrong.

IMPERIAL POTENTATE COLLINS: I apologize.

(Imperial Potentate Collins left the podium and shook hands with Noble Chackes.)
(Laughter and applause)

IMPERIAL POTENTATE COLLINS: I now call on the Chairman of the Jurisprudence and Laws Committee to make a report. According to protocol I submit this now to the Chairman of the Jurisprudence and Laws Committee. The Chairman of our Jurisprudence and Laws Committee, Robert H. Fouke of Aahmes Temple.

NOBLE ROBERT H. FOUKE: Imperial Potentate, Imperial Sirs, Representatives and Nobles all. There has been referred to your Committee on Jurisprudence and Laws, Iowa Corporation, a proposed resolution to amend Article 10, Section 210.1 and Article 23, Section 323.3, of the By-laws of the Imperial Council, A.A.O.N.M.S., which if

adopted will read as has been presented to you. Unless you ask me to reread the resolution I will not do so because each of you has obtained a copy of it.

This measure proposes amendments to the Imperial By-laws so as to permit a Master Mason to become a member of the Shrine without requiring an applicant or initiate into the Shrine to be a member in good standing in the prerequisite York or Scottish Rite Bodies. The Committee reports that the proposed amendments are in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-laws.

In order to get this matter before you we move the adoption of this resolution. (Applause)

NOBLE RICHARD ROBERTS: Second the motion.

IMPERIAL POTENTATE COLLINS: Gentlemen, as your Imperial Potentate by virtue of the authority vested in me I am going to declare that this is going to be a secret ballot and I will tell you why, because that is the American way of doing things. Not only that, this is a controversial subject and each and every one of you has the unalterable right to vote the way you feel. I am not telling you how to vote. I am just telling you that it is your right to be able to vote your true conviction. If you vote me down, you vote me down. If you vote me up, fine, but you gentlemen have the right to vote. This will be a secret ballot and all motions in any way pertaining to this particular subject will be determined by secret ballot regardless of any amendment or inclusion of changes that may be applied later on before we finish our discussion.

NOBLE JOHN B. VESEY: Imperial Sir.

NOBLE J. Y. JORDAN, JR.: Imperial Sir.

IMPERIAL POTENTATE COLLINS: Just one moment, I am going to recognize —

NOBLE JOHN B. VESEY: I want to speak to your remark right now.

IMPERIAL POTENTATE COLLINS: John, please sit down and observe the protocol. I have not recognized you.

NOBLE JOHN B. VESEY: Thank you.

IMPERIAL POTENTATE COLLINS: Gentlemen, I recognize Horton Herman of El Katif Temple.

NOBLE HORTON HERMAN: Imperial Sir, Illustrious Sirs, Delegates and Nobles. I am Horton Herman from Spokane, Washington, the Chief Rabban of El Katif, and it is my privilege in speaking for this proposal to speak for our Potentate, our Assistant Rabban and our Recorder. In such positions as we hold in our Temple we are most closely associated with the day to day problems of El Katif. We have 4200 members and our jurisdiction is the eastern half of the State of Washington. We need and desperately need new members in El Katif and for reasons other than to expand our brotherhood and our field of influence.

Our budget is on a yearly basis and includes on the income side a minimum of a hundred members. Unless we get the \$100 from a hundred members we cannot survive. We need younger men in our Temple. We have one unit that has an average age of 65, 65 years of age the average. Many of our Arab Patrol are physically unable to do the job. Our marching band is reduced materially in numbers and our classes of candidates more and more have the red path.

Perhaps the greatest single contribution that we in the Shrine can make today is to insure by getting members, and more members if possible, a continuation of the great work of Shrinedom and its philanthropy and its fun.

It is fair to ask, I believe, how are you in El Katif doing your job in getting members? I believe the answer is contained in a few statistics. From the last available official records there were 19,390 Shriners in Washington and Alaska, and in the same two States there were 22,572 Scottish and York Rite Masons. In other words, in those areas we have got 85.9 per cent of our market. We have a bare 14.1 per cent of the market left. Now in that same area at the same time there were in excess of 66,000 Masons and we in the Shrine organization had only 29.1 per cent of the Masons.

Do we in El Katif have a proper view of the obstacles that we contend with every day? We believe we do. We hear the candidates and our prospects say, "We don't

have the time or the money." Our Temple recently considered and postponed a dues increase. This month the Scottish Rite raised the dues. We know personally a lot of excellent, a great number of excellent young men that we think you would be proud to have in Shrinedom, we would, and the truth is that many of them want to come in. We say let them come into the Shrine and enjoy the sunshine. It doesn't seem to us that this proposal upsets the things that are right about the Shrine. We believe that the ladder of Shrine success is and will remain solidly placed on Masonry and on our dedication to philanthropy.

We do not believe that by adopting this proposal that anything bad is being thrown out. On the contrary we will be replacing something that is good with something that is better. It isn't enough for the Shrine just to stand still and anyone who is satisfied to just stand still should not complain when others pass him by. We in El Katif do not want that to happen to us. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: I recognize John Vesey from Al Chymia Temple. (Applause)

Johnnie, before you speak I just want to shake your hand.

(Imperial Potentate Collins shook hands with Noble Vesey.)

IMPERIAL POTENTATE COLLINS: Before Johnnie speaks I want to tell you that Johnnie is one of my most beloved friends and I will tell you why. I am not trying to blow him up but when we started our Shrine Foreign Ceremonials in Weisbadan, Germany, back in 1953 I took part in the first Ritualistic Divan as Chief Rabban and I was then Chief Rabban of my Temple in Mexico City. This was long before I had any aspirations of being an Imperial Officer. At that time there were no ways after the war to get our candidates processed over there because there were Blue Lodges but no Scottish Rite or York Rite Bodies, so we had to fly men into Preswick, Scotland, to the Scottish Rite and we had a tremendous amount of difficulty.

So we got a hold of our good friend John Vesey and said, "Look, Johnnie, if you will help with the Scottish Rite we are going to fix it so that the petitions for all those members coming in at Heidelberg or Paris or Weisbadan will go through your good office." We chose him as the Secretary of the Scottish Rite Bodies of Tennessee because Tennessee was the place where a man named Harry Brown originally —

NOBLE JOHN B. VESEY: You got the wrong name. His name was Green. You got the wrong color. (Laughter)

IMPERIAL POTENTATE COLLINS: I beg your pardon. We enlisted the good office of John Vesey and during all those years all of the men who have gone through the Scottish Rite we have passed through his good hands. He is a very fine and capable man. I respect his integrity and as an employee of the Scottish Rite Bodies of Tennessee he has no equal.

NOBLE JOHN B. VESEY: Thank you, Barney.

I want to correct one little thing though that Barney referred to. He read my letter and when he got through he said, "He neglected to say that he was a paid employee of the Scottish Rite Bodies." I hold higher office in these Bodies than I do in the Scottish Rite. In the Scottish Rite I am a local Secretary. Here I am a member of a national organization. I am an Emeritus Member of this organization. I resented this stuff when it came out because for some reason I didn't get a copy of any of the mailings. I am a Past President of the International Order of Cabiri, which is the Past Potentates. They sent out these things and I didn't get one from them. I could only conclude it was inasmuch as I had fought this back in 1933 when I was not a paid employee of the Scottish Rite Bodies.

I was glad Barney quoted my letter. Barney is my friend. I retaliated. He didn't send me one so I didn't send him one of my letters. (Laughter)

Barney made a wonderful presentation. He says he is very serious but I don't know why he had all the cartoons in there. He spent an hour telling you this morning that the Scottish and York Rites didn't improve a man's Masonry and then the last half hour telling you how much he loves the Scottish Rite and York Rite, just a little bit confusing to me. But I still think and believe in the things that I wrote to you as an Emeritus Member of the Shrine and in the best interest of the Shrine.

I agree with Barney that you shouldn't vote in the Shrine anything that has to do with the Scottish Rite and York Rite. You should vote for the best interest of the Shrine. But I do contend that it is not to the best interest of the Shrine to pass the prerequisites in the higher bodies. I know and you know that the Grand Master in the State is the highest but it is a common mistake to say a 32° is higher than a Third Degree because when you get on the elevator in the hotel the 32nd floor is higher than the 3rd floor.

But really what I got up here for, Barney, is on the secret ballot. I believe if a man hasn't got the guts to stand up and vote for it that he is just what he said he was, no guts. I am going to vote against this motion. If you don't like it, it is just too bad. I love every one of you and I hope none of you get mad at me but I think it is for the best interest of the Shrine and I think it is in the best interest of the Shrine that we have a recorded ballot. You declared for a secret ballot and I am going to ask you to change that and have it a roll call.

IMPERIAL POTENTATE COLLINS: A roll call would be unfair because they wouldn't stand up.

NOBLE JOHN B. VESEY: You are ruling, Barney, no roll call?

IMPERIAL POTENTATE COLLINS: No roll call.

NOBLE JOHN B. VESEY: Anybody has the right to ask for a ruling.

NOBLE LOUIS CHACKES: I maintain that the floor has the deciding factor on what action can be taken and the floor decides this thing on what manner the ballot should be taken.

NOBLE JOHN B. VESEY: I appeal from the ruling of the Chair to the floor to the membership.

IMPERIAL POTENTATE COLLINS: Gentlemen, we must have decorum and quiet, otherwise it gets to be a riot. You are asking for the floor, Lou?

NOBLE LOUIS CHACKES: Yes.

IMPERIAL POTENTATE COLLINS: We wait every year for your words of wisdom.

NOBLE LOUIS CHACKES: It is not on the subject matter but the matter that you said we would have such and such a ballot —

IMPERIAL POTENTATE COLLINS: May I —

NOBLE LOUIS CHACKES: Please.

IMPERIAL POTENTATE COLLINS: Go ahead.

NOBLE LOUIS CHACKES: I say, of course I believe in it so that this body has the right to state whether it requires or wants a secret ballot. The customary procedure, as long as I can remember, is for you or the presiding officer to call for a vote. You take an oral vote and if that is not enough you have them rise and if that is not enough somebody from the floor suggests that we have a secret ballot. You made a ruling just now and so that these people may decide it, although it has been done once, I say it now, I appeal from the ruling of the presiding officer. Now if somebody will second it.

NOBLE J. Y. JORDAN, JR.: I am a Representative from Oasis Temple. I wish to second the motion made by the Representative from Ainad Temple, originally made by Noble Representative John Vesey from Al Chymia Temple, that they appeal from the ruling of the Chair.

Now I have made a special study of the By-laws of the Iowa Corporation. I served on the Committee that helped interpret them. An examination of that discloses that the By-laws are entirely silent with respect to the manner and method of taking a vote in this Imperial Session.

What the By-laws do contain is a Section which specifically says that unless there is a provision in the By-laws the business of the Imperial Session shall be conducted according to Roberts Rules of Procedure, and Roberts Rules of Procedure specifically provide that when the presiding officer, regardless of his title but the one in charge of

the meeting, makes a ruling which will affect the action of the convention any delegate has the absolute right to rise to his feet and say, "I appeal from the ruling of the chair." That has been done and has been seconded.

When that takes place the Chair must then present the question in this manner, "Is the appeal sustained?" All those who vote yes are in favor of overruling the ruling of the Chair. So that when the Chair puts to you the question, "Shall the appeal be sustained," I urge each and every one of you to vote yes. By so doing this only requires a simple majority and if you do so then we will not have a secret ballot and any other delegate to this convention will have the right, if he so decides, to call for a roll call vote. (Applause)

IMPERIAL POTENTATE COLLINS: I have just been informed by equally competent counsel, by Jurisprudence and Laws Committee back up by Judge Warren Jones, that I am going to withdraw my ruling which therefore makes unnecessary the motion just made by our former parliamentarian, so that we can allow everybody to have discussion. After you have all finished your discussion then we will take up the question of the method in which we are going to ballot.

I recognize anybody who wants the floor to talk on the motion. I recognize Johnnie McKee.

NOBLE LOUIS CHACKES: I would like to withdraw. I am not a name dropper.

IMPERIAL POTENTATE COLLINS: We love you, Lou, thank you.

NOBLE LOUIS CHACKES: I hope it remains all the way through here. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: Gentlemen, this that we are discussing is no idle talk or no idle piece of legislation. This that you gentlemen are going to decide today is going to affect you for the next twenty or thirty years because confidentially I want to tell you gentlemen something. I brought this up several years ago when I went on the Imperial Divan and you can imagine a young man coming up from Mexico full of idealism and looking at this problem in an objective manner from a tiny little Temple of 600 members coming into this huge maelstrom where it is nothing to have Temples of 10,000 to 20,000, that I didn't realize the importance of what we are going to do today. I am going to beg of you, do not permit, please, this is too important to have somebody shoot you down one by one. You are entitled to better than that: You are entitled to a fair vote. Now if this comes to a roll call or even a standing vote can't you understand the implication that when you stand up you are voting against what we are asking you to vote for and that singles you out and when you go back home —

NOBLE JOHN B. VESEY: I rise to a point of order.

IMPERIAL POTENTATE COLLINS: You are out of order.

NOBLE JOHN B. VESEY: I am not out of order. You are talking to something entirely different from the original motion. You are talking against the roll call.

IMPERIAL POTENTATE COLLINS: It is the Imperial Potentate's prerogative, gentlemen.

NOBLE LOUIS CHACKES: Not to be out of order though.

VOICE: Stay with them, Barney, it is all right.

IMPERIAL POTENTATE COLLINS: Fellows, I have been heckled by experts. I now recognize a man in whom I have a tremendous amount of respect. He and I do not always agree. He is a former Grand Master of Masons from Texas. He is currently the Deputy for the Supreme Council of the 33° Southern Jurisdiction of the United States. He went to school with President Johnson. (Laughter) He is a man of broad interests and he is currently the Chairman of our Masonic Relations Committee and John McKee has done more in the two years that he has headed this Committee, because he was originally appointed by Past Imperial Potentate George Stringfellow and I was so impressed with his work that I had him continue the magnificent things he was doing in behalf of Masonry. I am going to give the privilege of the podium to John McKee and he wants the floor. We will continue the discussion, gentlemen, until everybody has had his say. After everybody has had his say we will take up the other procedure on how to vote. John McKee. (Applause)

NOBLE JOHN MCKEE: Imperial Sir Barney, Imperial Officers and Noble Representatives. I want to get one thing clear right quick. I was born in Pennsylvania. I went to school in Pennsylvania and New York. I came to Texas after the present President became a schoolteacher. (Laughter)

The subject matter that is now before us is of a critical nature. It is one that you and I as Representatives of the Shrine, and here we have the leadership of the country, must give close analysis, close study. We have to go back to the history of our organization and we must examine why were the prerequisites set in and the Imperial Potentate in his opening remarks covered those without stating in effect when he stated that in this room we have the most informed and the top leadership of anywhere in the country. This is correct because the founders of our great Order said this would happen by requirement, a full explanation of the three Degrees that we get in the York Rite and the Scottish Rite. We are today in the Shrine making a study from all over the country and we find to our surprise more of our Shriners who are holding public office because of this, I think, because of this well roundedness that we have.

We have a problem and there is a problem as far as members are concerned both at your Blue Lodge level and at every other level. In a country where we have today between the age of five and sixteen 41 million you and I must sit down as Shriners but more especially I think as Master Masons, and to the M.W. Grand Masters who are present who will support me on this, in saying we had better examine our approach coming into Masonry, not that we change in the fundamentals. I think that at this point we should stay with the founding fathers. Our Imperial Potentate has pinpointed and moved a problem towards us. Now the challenge is to take a real look at this with all of the individuals who are concerned and I know by sitting around the table as Masters Masons, as Scottish Rite Masons and as York Rite Masons and as Shriners that we can come to an answer.

We hear of the age group. We hear of the money. I don't think that really this is the important thing. We want a man today and in the Civic Affairs Committee that your Imperial Potentate appointed we hope to continue where you and I will be focused as individuals participating in local, state and national government and here we want men who are fundamentally sound in the full explanation of the three Degrees. This is the reason I would at this time cast my ballot against this particular proposal. Thank you. (Applause)

NOBLE LOUIS CHACKES: Imperial Sir.

(Imperial Potentate Collins escorted Nobles Chackes to the podium.) (Applause)

NOBLE LOUIS CHACKES: I want to get my hands warm too.

Imperial Sir, Imperial Sirs and Representatives. Where to start, there are so many places to start. I will start that there is nothing higher than a Freemason and there is nothing more searching than the question, "Whence came you?" And whence came we, this Order of the Shrine? We came, the origination is very, very interesting. There used to be what were called Rendezvous of the Scottish Rite and it really was a rendezvous that wound up in Knickerbocker Cottage where people enjoyed themselves. This used to be the Council of Deliberation in New York and the Grand Commandery met there. They would come there from all parts of the country and from that intimate group came some who said, "Let's have an Order that has some fun and charity with it."

Fun and charity being the two things ever since they began and to prove to you that they definitely wanted and insisted upon the fact that one must be either a 32° Scottish Rite Mason or Knight Templar, they waited until one of the fellows who was in that group finished his Commandery Degrees so that he would be eligible to be one of the original group. From that we were formed and I don't intend to sell my birthright for a mess of pottage. (Applause)

I am glad that I didn't bring my book down because if it took so long for somebody to answer one letter that somebody very nicely wrote because of his opinion how long would it take for me to take that book page for page, cover for cover, word for word, unadulterated gobbledygook and answer all those things? It is mentioned that money has nothing to do with it. Practically every bit of the literature that you got —

(Noble Arnold handed book to Noble Chackes.)

NOBLE LOUIS CHACKES: I appreciate it very much.

Now I open it up. I didn't reach for the page. This is a page called "Questions and answers." From this you are supposed to determine whether you are for it or not. Take them one by one.

VOICE: Hurry up!

NOBLE LOUIS CHACKES: As I look at one, I look at another, and the fact is this is all purposeful for their purpose, you see. Even those charts that were sent out they were cuckold. On the first one they discovered that if you add 50,000 every year then the chart goes up. Isn't that beautiful. Then later they discovered that they started from the wrong place so they had to send out another one and they said the artist goofed. An artist goofed? He does what they ask him to do. Instead of saying, "We goofed," the poor old artist goofed.

When they bring these things up on those charts it reminds me of the little boy who proudly came to his dad, showed him a target with some bullet holes in it and his dad looked and said, "That is wonderful, six perfect bull's-eyes. My son, I am proud of you. That is a record. How did you do it, son?" "I will tell you what I did, dad. I got a plain piece of paper and shot it full of holes and then drew the circles." (Laughter)

So they have worked out what they want to say and then proceeded to prove it. They didn't send you a book of crayolas. "Oh, look at the man reaching for the moon." They say they are not talking about money but there is a full page on nothing but money. They say it is the root of all evil and I say give me plenty of the root. (Laughter) But I do not want to peddle this thing called the Shrine.

We have only got 840,000 members. Only! But they don't say that this is the highest membership that we have ever had in our history and I am proud of 840,000 the way we have it. But don't forget this, that in order to have 840,000 left there are evidently several million, I am not going to guess, could you imagine how many millions of people through the ninety years have joined and passed on to the great reward under the rules that we have now so that we still have 840,000. We are going along, maybe not as fast as some want, but you don't pull out a growing tree by its roots to find out what makes it grow. We know what makes it grow. We have a quality organization, something proud to possess. I know I am proud of it. I am proud to be a 32° Mason. I am not a Knight Templar; I will confess that. (Laughter) But I am not interfering with anything that you do, that is your business. Don't step on my toes because you have something by the tail, and not my tail either. (Laughter) We have learned to live in amity and let's keep it that way I say.

The resolution itself has an amendment. So the amendment says, one, a Master Mason or a Knight Templar or a 32° Mason. They have made the Knight Templar and 32° Mason redundant because if what they want is a Master Mason stop right there because a Knight Templar is a Master Mason and a 32° Mason is a Master Mason. This is redundant, also repugnant. (Laughter)

I would like an explanation of this last thing, "Each member of which must be" — I know the son of a fellow named "which" — "each member of which must be in good standing and recognized by the Imperial Council." Does this mean that every Master Mason that comes in must be in a Lodge that we in the Imperial Council recognize? There are some States that recognize some Lodges that other States do not. Are we going to be the people to decide if we accept them when they are Masons from acknowledged Grand Lodges? This is putting it in the hands of the Imperial Council. We don't need that. We don't want it. It will be a big headache. I believe that we are doing all right the way we are doing it.

In this whole conversation as it has been going along since its inception you hear of things that we wanted to change. If you wanted to change them why, bless your souls, go change them at the source. You want to change something in your Grand Lodges so you don't have the catechism. Don't tell us here what we ought to tell the Grand Lodges. You as Masons go to your Grand Lodges through your representatives and get it changed there. They are the people to do it. The same with these other changes.

One important fellow on the stage here phoned me one day on these Degrees. He said, "Who wants all that gobbledygook?" Brother, I want it. I love it and I am not going to let anyone believe it is gobbledygook. If you believe it is gobbledygook go form your own organization. If somebody wants to start an organization the requirement of which is only a Master Mason, bless you, try it, start it, but don't take any of the 840,000 remaining members who have joined the Shrine under your other auspices and say that now you are automatically a member of this thing that only requires — and I don't say only in a derogatory manner — but only requires an applicant to be a Master Mason.

I say keep this — I was going to say a word — let me tell you something. In those supposed telegrams we got predated, who knows how long they were in the envelopes before mailing. The first one came, "The replies were fantastic." The second one, "Overwhelming." They didn't know how well they described it. You look this word up when you get back. Fantastic refers to fantasy, fable, things that are not real and things that are not so. (Laughter) That is a fact.

Wait a minute. Then they said overwhelming. This word overwhelming is a word used only in connection with disaster, with some impending trouble that may engulf you and in fact some dictionaries say and bury you but I don't want to use that. (Laughter) So I would rather be underwhelmed.

I would rather stay the way we are under the present rules. I say let us beat this thing definitely, positively and so resoundingly that it will be a long time before anybody tries to take — thanks for coming on over.

(Imperial Potentate Collins shook hands with Noble Chackes.) (Laughter and applause)

IMPERIAL POTENTATE COLLINS: Lou, you have underwhelmed me. (Laughter)

NOBLE PHILLIP E. GEISS: Imperial Sir, may I approach the microphone?

IMPERIAL POTENTATE COLLINS: Sure. Then I will recognize you, General DeLamater. We are having a good show, fellows, as long as it is healthy.

VOICES: Question! Question!

IMPERIAL POTENTATE COLLINS: Let everybody talk. There is good and bad.

NOBLE PHILLIP E. GEISS: I am the Chief Rabban of Ben Ali Temple, just a hop, skip and jump ninety miles up the valley.

Imperial Sir Barney, Imperial Sirs, members of the Imperial Divan and Representatives. I am the kind of a fellow who when he has something to say I want to say it. I am approaching this strictly from an open mind. As far as Barney and the Scottish Rite are concerned I wear the same ring. I put forty years into it. I probably can match hour for hour but that is not what interests me.

I probably have been more privileged in joining Masonry than you gentlemen in the audience because I put my petition in on my twenty-first birthday. Three months later I had completed the Third Degree and the work connected with it. Now imagine what kind of a Mason I would have made if I had been privileged to join the Shrine, and they had a class in Sacramento, five days later. I had a head full of Ritual. My feet were off the ground. Where would I have gone?

Now I don't say that this is good and I don't say that it is bad but I want to tell you fellows one thing that it is doing one thing that it should. It has shaken the pants off you. How many of you fellows out here have actually gone back to your Blue Lodge and done work? Barney here has told us there are over 400,000 men in the United States that have not completed the first three Degrees and that is disgraceful. Now that could be for several reasons and I think I am qualified to say this because I have helped put together a Blue Lodge. I know what it is to buck inspectors on protocol and on policy. I know that in our own Blue Lodge we have a corps of fifteen coaches because we realize that some coaches cannot reach a man. Some people are unhappy because there is nobody on the sidelines. Some people don't have the capacity to put this language together and that is why we have fifteen coaches in our Lodge because somewhere somehow among them we can reach them.

Now we have a very touchy Grand Lodge in the State of California and I think I am qualified to say that because it was my privilege to put together the budget of Ben Ali Temple when they took the Shrine Circus away from us and I can remember one day the difference between maybe Shrinedom being in California and not being there was for three of us to keep our mouths shut in Grand Lodge. Grand Lodge could do that again if they wanted to but I don't think they will and I don't think either that it is Barney's intention that the other Rites should be shut out.

I am going to approach it from the standpoint that I think Barney has done a good job of this thing. You know why? He has shaken you guys up and maybe you should go back and work in your Grand Lodge. Now I am going to go further and tell you that I am proselyting an organization I belong to. Why? Because I want that organization to be educated and I want them to be Shriners. Last year our Potentate did a terrific job by increasing the membership in Ben Ali Temple where we were just right kicking the heels off Islam and our Potentate this year has done an excellent job and I think we are going to pass them, and I will guarantee you that next year if he doesn't I will.

Now I think there is another approach to this thing. How many of you fellows in your Blue Lodges can recall members who tried not only once but twice, three times, and maybe there was a fourth time before they were elected to membership in the Blue Lodge. They were scared. There is still that man in the Scottish Rite and York Rite today that is afraid of the ballot box.

Now I am going to make a suggestion and I want you fellows to think about it. Some two years ago in our Scottish Rite organization we found a membership problem and we had fellows complain to us — incidentally, I happen to be Chairman of the Finance Committee so I am always interested in making money — complain to us that they had fellows who were just kissing them off quietly, loudly and otherwise. We finally came to the conclusion that any member of the Scottish Rite Bodies in the Sacramento Valley who had earnestly sought a Blue Lodge Member's petition for a period of not less than three classes to submit the names to the Temple on a proposition, not seeking the petition. In our last four classes we have had no less than thirty-five men who have become members of the Scottish Rite through propositions instead of petitions. I think it is a healthy situation and I would recommend that it be done in the Shrine. You fellows can sit here but there are a lot of Scottish Rite Masons who are afraid of the petition.

Now I hope to be Potentate of Ben Ali Temple next year and, as I told you, I have been proselyting Scottish Rite in Sacramento and I continue to proselyte. Why? Because I think the man should have his college education before he becomes a Shriner. Imagine what I would have thought of the Rites had I become a Shriner five days after I was raised as a Master Mason. I knew nothing of Masonry when I was raised and neither did you and I think you should work at it a little. I think the day is here that we should go back and work in the Bodies. We should go back and work in the Blue Lodges because we are not experiencing this lack of membership only ourselves. The Odd Fellows are doing it.

Even the Catholic Church is experiencing it. I will tell you why. We have on our Board of Directors in an organization of which I am the Secretary a man who is as staunch a Catholic as I am a Mason and about two years ago he invited me out to lunch. Being a member of the Board of Directors I went with him. When we got to the club there was the Bishop there and also a young lawyer of the Catholic Faith that I had started in the legal profession. It was my job to sell the Bishop on the idea that this lawyer was doing the finest job he could for the Catholic Church. Do you know why? Because in the safe deposit box in the bank he has wills that in the course of time will give to the Childrens Hospitals of the Colorado Corporation over three-quarters of a million dollars and all he has been able to glean out of those customers, and I call them customers, was \$200,000 for the Catholic Church and the Bishop was upset. I don't blame him. I would be upset if I were the Bishop of the Episcopal Church and if some of my lawyers hadn't done a better job.

Fellows, I feel Barney's basic job is wonderful but I don't believe he wants you to by-pass the others as much as he wants to shake you guys up to do a job. Thank you, gentlemen. (Applause)

IMPERIAL POTENTATE COLLINS: Jesse White has asked for the floor. Is Jesse White handy?

NOBLE JESSE A. WHITE: Imperial Sir and fellow Nobles. May I open my remarks by saying to you that although I disagree with the presentation this morning I am of the sound opinion that our Imperial Potentate has presented a subject from his heart and his soul and is doing the best he can for the Shrine and I do not sell him short. (Applause)

Now, my friends, permit me to say to you rather briefly — and this I have scratched off without any thought of it last night or before — if we had 2 million members in our Shrine what would be the gain? We would increase our Chicago office and so on. We would continue to use our budget and our money. We would forfeit some of the closeness of the fellowship and the fraternal feeling that we now possess and may I say to you, to remind you, that each year as we come to this Imperial Council there has yet to be the first one who has been elected Imperial Potentate that didn't say we possessed, as we are, the finest fraternal organization in the world. (Applause) And I am willing to take my chance on that.

May I further say to you that our Rite Degrees, the Scottish Rite and the York Rite, do a magnificent job. They are not hindered. They can go into our Blue Lodges and solicit members. It redounds to the benefit of our Shrine. I want them to keep on doing that. I don't want to do anything that is going to lessen the efficiency and fineness of the Degrees where they are taught to worship God and follow the better way of life. I am proud of them and I am a member of both the Scottish Rite and York Rite.

Permit me to remind you that the attendance in our Blue Lodge is not what we would like it to be. The percentage is low. Permit me also to remind you that the percentage of attendance in our Shrine is awfully low. I do not believe, my Brethren and my Nobles, that this is the answer to our problem. We have a problem. Let's seek the answer elsewhere.

Four and one-half million Blue Lodge members, one and one-quarter million Rites members, and eight hundred thousand Shriners. They each take its toll. Many of our Past Potentates are not members of the Cabiri and they can't get here and they won't be with us, not in attendance. But I might remind you also as a Methodist layman I am proud of that affiliation but all of you don't want to be Methodists. You should be but you don't want to be. (Laughter) Nor does every man want his affiliation, fraternal or otherwise, to be Masonic or Elk or Moose, and even our best churchmen sometimes are not very good in Sunday School work. We can't have perfection. That is not my statement, look in the Good Book and it says so. But we have a mighty fine setup now. Don't let's toy with it.

I believe that our financial program is satisfactory. Being a member of our Finance Committee we endeavor to appropriate and to set up the funds as the Imperial Potentate desires within reason and to expect that the budget will spend the money available. We are not a profit organization. We are not here to create wealth. That, Nobles, comes in the hospital corporation, the Colorado Corporation.

Now as to memorizing the Degrees the proposal today doesn't overcome that one bit. If that is to be changed it has to be in your Blue Lodge and that subject is being given wide discussion even now in the Grand Lodges of our country.

Let me remind you again the image of the Shrine is high, second to none. Do not change it by reducing what I consider the modest cost thereof and by eliminating the Prerequisite Bodies as a condition of our membership. If you cheapen the Shrine image for additional members you tell me what you have won.

Now may I say in closing, remarks have been made that some do not wish to be counted, that the ballot should be however decided, but I want to be counted. That is why I am standing here. I am a Mason because I believe in God. I do not walk alone. I am a member of the Shrine because I want friendships and fellowships and I have found it, thank goodness. I oppose this resolution with all of my heart and with every bit of strength I have and I respect our Imperial Potentate but if you think he can't make an error any one of you ask your wife at the end of the day how perfect you are, and that includes us, Barney. (Applause)

IMPERIAL POTENTATE COLLINS: I recognize the Chairman of our Jurisprudence and Laws Committee.

NOBLE ROBERT H. FOUKE: Fellow Representatives, in order that there may be no confusion or misunderstanding as to procedure that is involved in connection with this matter, having in mind that some of you have called for the question, the mere calling for the question in itself does not give you the right to have that question presented to you. However, a motion that you move the previous question, duly seconded and then passed by a two-thirds vote, would give that right to present it before you. The purpose of this under Roberts Rules of Order is designed to permit people to have freedom of discussion so there may be free debate. If you reach the conclusion that you have had enough of discussion such a motion would be in order and this is the procedure that can be followed if such is your wish.

NOBLE FRANK L. TAYLOR: Imperial Sir, I move the previous question. (Motion seconded)

IMPERIAL POTENTATE COLLINS: I recognize Potentate Roberts.

NOBLE RICHARD ROBERTS: Imperial Sir, I move that we have a secret ballot. (Motion seconded)

NOBLE FRANK L. TAYLOR: Imperial Sir, I just moved the previous question which was seconded.

IMPERIAL POTENTATE COLLINS: I have asked Lou Chackes and it is withdrawn.

NOBLE J. Y. JORDAN, JR.: Imperial Sir, we have a point of order.

IMPERIAL POTENTATE COLLINS: What is your point of order?

NOBLE J. Y. JORDAN, JR.: Imperial Sir, Representatives. I rise to a point of parliamentary procedure. A motion was duly made calling for the previous question. That motion was duly seconded. That is the only matter now before this body. The original statement of the presiding officer with respect to the method of voting was withdrawn and the only thing now for this body to do is to vote on the previous question which has been properly called and properly seconded. (Applause)

IMPERIAL POTENTATE COLLINS: The Chairman of the Jurisprudence and Laws Committee.

NOBLE ROBERT H. FOUKE: The Imperial Sir did not recognize, as far as we observed, the gentleman who moved the previous question. He did recognize the Noble who made a motion for the secret ballot. Having recognized him there is before him the motion and second for a secret ballot. (Applause)

NOBLE LOUIS CHACKES: Imperial Sir.

NOBLE ROBERT H. FOUKE: It is now in order to move the previous question if that is your wish and the party will be so recognized and the second.

NOBLE LOUIS CHACKES: Will somebody rise one, two, three and say, "May I be recognized and please may I make the motion." There was a Judge speaking and he knew what he was making. This is the first time in my coming to the Imperial Session, and this is my forty-first, and this is the first time that such a fine distinction has been brought up. I believe the eminent Judge is in order and if you recognize that we can proceed.

IMPERIAL POTENTATE COLLINS: Just a moment, gentlemen, there is confusion and while there is confusion in the house we can't proceed. Just be quiet for a moment, please. Can we get a decision, please. When we do you will be recognized and before then please don't speak.

NOBLE FRANK L. TAYLOR: Imperial Sir.

IMPERIAL POTENTATE COLLINS: Just a moment now.

Such a simple thing, fellows, just making it complicated and delaying it just to keep a fellow from voting an honest conviction. It just isn't right. I recognize the gentleman.

NOBLE FRANK L. TAYLOR: Imperial Sir, I am a Representative from Beni Kedem. I move the previous question.

NOBLE FRANK L. GROCE, SR.: May I have the honor to second it.

NOBLE ROBERT H. FOUKE: The motion is the previous question which is the secret ballot.

VOICES: No! No!

NOBLE ROBERT H. FOUKE: You had a motion before you for a secret ballot. You are now moving the previous question. That is the previous question, not the first question that was before you. Therefore at this time you will be determining whether or not you will have a secret ballot and then it is in order for you to then move the previous question which then will be the motion which was submitted to you by the Imperial Sir.

NOBLE J. Y. JORDAN, JR.: Imperial Sir, I rise to a point of parliamentary procedure. I understood the presiding officer to announce a while ago that he was then withdrawing his statement that he would call for a secret ballot. Am I correct, Sir?

IMPERIAL POTENTATE COLLINS: Right.

NOBLE J. Y. JORDAN, JR.: Then as I understand it, Sir, there is nothing before this body now except the calling for the previous question on the proposed amendment in the By-laws.

NOBLE ROBERT H. FOUKE: Lou Chackes withdrew his motion.

NOBLE J. Y. JORDAN, JR.: I beg your pardon. John Vesey was the original maker of the motion.

NOBLE ROBERT H. FOUKE: When you got up did you not withdraw your previous motion when the Chair ruled that he would not follow through on that proposal personally?

NOBLE FRANK L. GROCE, SR.: Imperial Sir.

IMPERIAL POTENTATE COLLINS: One person at a time. Everyone will be heard.

NOBLE FRANK L. GROCE, SR.: When?

NOBLE ROBERT H. FOUKE: May we clear this up on a point of fact.

NOBLE LOUIS CHACKES: There has been so much going on. What did you want me to remind myself of?

NOBLE ROBERT H. FOUKE: Lou, did you withdraw your motion?

NOBLE LOUIS CHACKES: Which?

NOBLE ROBERT H. FOUKE: The one you previously made with John Vesey which had to do with appeal from the ruling when the Imperial Sir ruled that he was not himself going to present the matter of a written ballot.

NOBLE LOUIS CHACKES: Did I say all that?

NOBLE ROBERT H. FOUKE: Wasn't that the substance?

NOBLE LOUIS CHACKES: I thought it was resolved. Why are we bringing it up again?

NOBLE ROBERT H. FOUKE: He is not but other Representatives have made the motion. It is not the Imperial Sir presenting it.

NOBLE LOUIS CHACKES: I am not questioning on who. What the people want is to vote on the question. If I may say so, the method of conducting the vote can be determined after you move the previous question.

NOBLE ROBERT H. FOUKE: All that we can do is follow the parliamentary rules relating to this matter and inasmuch as it was withdrawn there is nothing before you except the original motion. Then when a motion was made on the request for the previous question that Noble was not recognized but one who made the motion on a secret ballot was recognized. Now subsequent to that the next motion that came along was the motion moving the previous question. The previous question before you at the present time is the motion on the secret ballot. Then after that is disposed of you are in a position to dispose of the previous motion if such is your wish. (Applause)

NOBLE FRANK L. GROCE, SR.: I am Chief Rabban of Al Sihah Temple, Macon, Georgia, in the deep South. I wish you could come and visit us sometime. I tried to be a gentleman and stood to be recognized but I was ignored and finally came up here. Let's get to the bottom of this thing and vote on what we want to do and vote now. Thank you, fellows.

The Potentate of Khiva Temple was recognized prior to the man trying to get the floor.

IMPERIAL POTENTATE COLLINS: I beg your pardon.

NOBLE FRANK L. GROCE, SR.: We were trying to get the floor to call for the ballot and you recognized another gentleman who by-passed what we were trying to do.

IMPERIAL POTENTATE COLLINS: I am sure it was not done to by-pass you. I am glad you came up. All we want is to have an honest vote and just so that no one will get shot at and when you get home someone say that we will kill you. That is what it amounts to.

Gentlemen, my parliamentarian advises me that the discussion is through, that we are ready to vote, that you have asked for the question, asked for the previous question, and we are about to vote.

VOICES: On what?

IMPERIAL POTENTATE COLLINS: On the secret ballot. Just a moment, we are going to vote on whether or not we are going to have a secret ballot.

NOBLE ROBERT H. FOUKE: Representatives, at this time you are voting on moving the previous question which will require a two-thirds vote. Now this is the question that is before you and then if you do move the previous question that previous question will be whether you want a secret ballot. After you decide that if you decide adversely you can move for a roll call and following that you proceed to the main motion. At this time you put the motion, those who favor moving the previous question will please stand.

VOICE: What is the previous question?

IMPERIAL POTENTATE COLLINS: Gentlemen, you can see how the opposition has tied my hands.

Those who wish to vote the previous motion please stand.

VOICES: Repeat!

NOBLE ROBERT H. FOUKE: You are at this time voting the previous question to take for consideration a secret ballot and if you vote in favor by two-thirds vote then the motion for a secret ballot will be presented to you for a vote. All you are voting for at this time, which requires a two-thirds vote, is whether or not you want to cut off debate and want to proceed on the basis of the previous question. That takes a two-thirds vote.

(Representatives in the affirmative stood.)

IMPERIAL POTENTATE COLLINS: Gentlemen, I thank you. We have now cut off the previous motion.

VOICES: No! No!

IMPERIAL POTENTATE COLLINS: Gentlemen, the Chair declares that the motion prevails and debate is cut off. Now we proceed to Step No. 2.

NOBLE ROBERT H. FOUKE: The next step is on the secret ballot. This requires merely a majority vote. Now in that sense if you want a secret ballot a majority may make that determination. If you vote against it, no. If a majority stands up in favor of the secret ballot they will have it. If they do not then it will lose.

IMPERIAL POTENTATE COLLINS: All right, fellows, we are going to vote on whether we have a secret ballot. All of those standing will be in favor of a secret ballot.

(Representatives in the affirmative stood.)

IMPERIAL POTENTATE COLLINS: I declare the vote carried. (Applause)

Fellows, thank you. All fairness is all we ask for.

VOICES: Question! Question!

IMPERIAL POTENTATE COLLINS: Have you all got your secret ballots? Okay. Now we will define the ballot.

Clyde Oliver in charge of the Tellers will now give you your instructions. May I caution you, gentlemen, a ballot is going to be selected and he will give you the number of the ballot and it is going to have down below yes or no. So we will not be intimidated I want to tell you your rights. Nobody has the right to tell you, "Mark the ballot and show it to me before you give it to the Tellers." It is the unalienable right of every man here to vote like a Freemason. I don't care what you do but put down yes or no. If somebody in your Temple tells you, "You have got to show me the ballot," tell them to come up here and talk to me.

A REPRESENTATIVE: Imperial Sir.

IMPERIAL POTENTATE COLLINS: Everything is out of order now until Clyde Oliver gives us the instructions. That is your mandate.

A REPRESENTATIVE: May I rise to a point of personal privilege.

VOICES: No! No!

NOBLE ROBERT H. FOUKE: State your personal privilege.

A REPRESENTATIVE: I wish to state this, Sir. If my ears served me correctly you asked for the ayes. You did not ask for the noes.

IMPERIAL POTENTATE COLLINS: We will tell you how to vote in a minute.

A REPRESENTATIVE: I understand but I don't want to be told how to vote. I am here representing a Temple and I expect to vote representing them.

IMPERIAL POTENTATE COLLINS: Gentlemen, gentlemen. I recognize an error I made. It is just an error, fellows, relatively unimportant but let's do it right. All of those who rose in such an overwhelming majority I declared it and I forgot to say, "Those who vote no please stand," and I didn't do it. Is that right? Those who are against please stand.

(Representatives in the negative stood.)

IMPERIAL POTENTATE COLLINS: I now declare the vote passed.

Clyde Oliver will now give you the mechanics of the voting. Clyde Oliver has the floor. You will be out of here pretty soon to have lunch.

NOBLE W. CLYDE OLIVER: Imperial Sir, Representatives. May I have your attention, please. I would like to tell you Nobles one thing that your Committee on Election Tellers, Judges and Clerks have been in session since eight o'clock this morning. We came to this meeting prepared to do a certain job. We thought we had it worked out efficiently and apparently the location of the aisles and chairs did not coincide with our plan. I believe you will agree with me when I say this job is most difficult at best. We do ask for your cooperation in voting.

The Tellers will come forward in just a moment with ballot boxes. There will be votes cast from one location, where you are seated. There will be no votes cast in the aisles or the outer lobbies.

You must remain in your chairs. The ballot boxes will be passed down the rows and tabulated while you are at lunch.

The Imperial Potentate has instructed me to instruct you that Ballot No. 13, the yellow ballot, will be used. If there are any other ballots than the yellow ballot No. 13 it will be invalid.

IMPERIAL POTENTATE COLLINS: A yes vote is in favor of the Shrine Development Plan for the greater Shrine and a no vote is against it.

I REM REPRESENTATIVE: Imperial Sir.

IMPERIAL POTENTATE COLLINS: You are out of order until the voting is completed.

IREM REPRESENTATIVE: No, Sir, I make a motion that this motion be tabled.

VOICES: No! No!

IMPERIAL POTENTATE COLLINS: Out of order.

(The ballot boxes were passed and the votes were cast.)

IMPERIAL POTENTATE COLLINS: You must remain in your rows until the Tellers have picked up your votes. Close the doors.

NOBLE GEORGE M. SAUNDERS: Nobles, may I have your attention, please. Will you please be seated until the Imperial Potentate excuses you for lunch. The lunch will not be served until one o'clock. He is going to recess at one o'clock. That is when he is going to feed you your lunch.

Now I am sure you are not hearing me unless you listen. Will you please be quiet and listen. Thank you.

If you have any papers on your chair please be sure to take them with you this noon because the hotel is going to reconstruct the aisles while you are at lunch. There will be a large aisle on the outside and in the center and up through each of these sections. It will stretch these sections of Representatives seats back a little further so the Tellers can operate. That is the way it was supposed to be done in the first place.

The Imperial Potentate will recess you for lunch at one o'clock.

NOBLE W. CLYDE OLIVER: Is there anyone who has not voted? Is there anyone who has not voted? If so, please hold up your hands so that the Tellers can call on you.

We are about to close the ballot, Nobles. If you have not voted please come forward. The ballot is about to be closed, Nobles. This is your opportunity to vote.

Has everybody voted? The Imperial Potentate is about to close the ballot, Nobles. If there are no objections I move that the ballot be closed. (Motion seconded)

IMPERIAL POTENTATE COLLINS: If you fellows in the back will keep quiet the rest in the front can hear what we have to say.

There is a motion before the house that the ballot be closed. (Motion seconded) Any discussion? All those in favor signify by holding up your right hand. All those opposed by the same sign. Carried.

We are going to put the feed bag on now.

NOBLE GEORGE M. SAUNDERS: You must have your ticket. The waiter will pick up the ticket in payment for your lunch. The lunch is served in the outside dining room outside this room.

IMPERIAL POTENTATE COLLINS: We will be back at two o'clock.

(The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 12:40 P.M. to reconvene at 2:00 P.M., Tuesday, July 5, 1966, in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California.)

AFTERNOON SESSION TUESDAY, JULY 5, 1966 TWO-FIVE O'CLOCK P.M.

The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California, Tuesday, July 5, 1966, at 2:05 P.M., Imperial Potentate Barney W. Collins, presiding.

IMPERIAL POTENTATE COLLINS: Attention, please. Will you close the doors in the back. We are about to report on the result of the vote if you gentleman will be quiet. Will those in the aisles come forward and take your seats.

While we are waiting will the following Representatives please come up to the podium, J. Henry Curdes, David H. Wilcox, Leonard B. Potter, Tom C. Raum and Loren Wilhoft, and meet over in this corner with Past Imperial Potentate Jerry Crary.

Announcement. The Grievances and Appeals Committee meet at the front of the room at the conclusion of this afternoon's session. That is signed by the Chairman, Earl Sachse.

Will you please close the door. We are ready to open. We are now going to hear the report from Clyde Oliver, Chairman of the Tellers Committee.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. It is with pleasure I give you the result of the balloting on the Shrine Development motion. There were a possible 737 votes. 709 actually voted. There was one spoiled ballot. Necessary for a choice, 492. The ballots were distributed as follows: yes, 220; no, 488; total 708. (Applause)

IMPERIAL POTENTATE COLLINS: The Chair wishes to thank all of the Nobles present, the Representatives, who were broad minded enough to permit a secret ballot. That to me was a victory.

Now I just might leave you with this one thought. On your journey home to your various Temples and this winter when the snow lies deep on the ground and it gets cold and you are scrounging around for candidates just remember that you had a chance. (Laughter and applause) You had a chance for 100 prospective candidates for every one that we initiate into the Shrine. We have 3 million men ready, willing and able of which we certainly could have gotten a million. We initiate 33,000 a year. If you are content with 33,000 a year that is all right with me, fellows. (Applause)

But this information establishes a trend and this is the first time that the Chair has ever taken a stand. You voted and I respect your vote. I respect the wishes of this body and as your Imperial Potentate I thank you for the opportunity of having been your Imperial Potentate at the first time this issue has ever come up on the floor for serious consideration.

Now we will continue to the other business at hand. I recognize Bob Turley of the Jurisprudence and Laws Committee. We have a tremendous amount of legislation, fellows. Let's get down to the business and decide on the merits so we will get through. Otherwise we will not get finished and will have to sweep it under the rug on the last day. So give your attention to Bob Turley of Oleika Temple. (Applause)

NOBLE ROBERT J. TURLEY: Bless your hearts, I am just here to make a report from this Committee.

Imperial Sir, Imperial Sirs and Representatives. (Reading)

There has been referred to your Committee on Jurisprudence and Laws the proposed Resolution to approve the change of location of Kismet Temple, which is as follows:

"WHEREAS, Kismet Temple has certified to the Imperial Recorder its affirmative action on a proposal to change the location of Kismet Temple from Brooklyn, New York, to Garden City, New York; and

WHEREAS, Garden City, New York, is within the exclusive territorial jurisdiction of Kismet Temple, by the provisions of §477.5 of the By-Laws of the Imperial Council; and

WHEREAS, Kismet Temple has complied in all respects with §322.5 paragraphs (a) through (e) inclusive, as to the proposal to change its location;

NOW, THEREFORE, BE IT RESOLVED:

- (1) That it is in the best interests of the Order that the location of Kismet Temple be changed from Brooklyn, New York, to Garden City, New York;
- (2) That the Imperial Council approves the proposal to change the location of Kismet Temple; and
- (3) That the charter of Kismet Temple be amended so as to reflect the change of its location, which is hereby ordered to be done."

The Committee reports that the proposed Resolution is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert H. Fouke, Chairman

Warren L. Jones, Vice-Chairman
 Elmer P. Bromley

 Merwyn H. Brown
 Robert J. Turley
 William H. Knowlton

This resolution, Nobles, would change the location of Kismet Temple from Brooklyn to Garden City which Kismet Temple has requested and upon which they have acted in accordance with the By-laws. In order to get this resolution before the floor of the Imperial Council for action I move you, Sir, the adoption of the resolution. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the report. Is there any discussion? All those in favor signify by raising the right hand. Opposed by the same sign. So carried.

Billy Woodfield with a report on Transactions of Imperial Officers.

NOBLE WILLIAM H. WOODFIELD, JR.: (Reading)

TO THE MEMBERS OF THE IMPERIAL COUNCIL, A.A.O.N.M.S.

Your Committee on Transactions of Imperial Officers, to whom the report of the Imperial Potentate, Barney Collins, was referred, submits the following recommendations:

1. That all matters relating to finance, revenue, expenditures and bonds be referred to the Committee on Finance and Accounts.
2. That all matters relative to edicts, orders, decisions and recommendations as to Statutes and Laws be referred to the Committee on Jurisprudence and Laws.
3. That all matters pertaining to grievances and appeals be referred to the Committee on Grievances and Appeals.
4. That all matters pertaining to dispensations and charters be referred to the Committee on Dispensations and Charters.
5. That all matters pertaining to jurisdictional lines be referred to the Committee on Jurisdictional Lines.

Your Committee on Transactions of Imperial Officers is glad to express sincere compliment to Imperial Sir Barney and his charming lady, Doris, for their unselfish devotion to Shrinedom in this administration now about to close. They have each given unsparingly of themselves to provide an ever more brilliant picture of our beloved Shrine to the world, the public and to Masonry with the result that our organization is in the position of leadership in the Fraternal world.

The Imperial Potentate fulfilled a long standing desire to take the Shrine to the Arab world from whence we took our color, pageantry, costumes and even our ritual. It was truly an historic occasion for him to conduct the ceremonial between the actual Paws of the Sphinx itself.

Your committee feels that they speak for all Shriners in the Imperial Council and in all Temples in presenting these words of thanks and appreciation to these wonderful folks who have carried our banner and so ably represented us as Shriners this year just past. May they accept them in the warmth of the spoken word.

Respectfully submitted,

We will now have a report from Bob Turley of the Jurisprudence and Laws Committee on various dispensations that have been granted.

NOBLE ROBERT J. TURLEY: Imperial Sir, Imperial Sirs and Representatives. This is another report from your Committee on Jurisprudence and Laws of the Iowa Corporation. (Reading)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

The report is signed by the Chairman and all the members of the Committee.

Nobles, the purpose of inviting to your attention these facts that 68 of these dispensations were not required under the Shrine law is in the hope that some of the burden on the Imperial Potentate and upon the Imperial Recorder's office might be lessened in not having to act on requests for dispensations which are not needed. The dispensation to hold a special meeting is covered under the By-laws as is the dispensa-

tion to hold a ceremonial within the exclusive territorial jurisdiction of the Temple.

With that explanation and in order that the report might be brought before the Imperial Council, Imperial Sir, I move the adoption of the report. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion. It has been seconded. Any discussion? All those in favor signify by raising the right hand. Those opposed by the same sign. So carried.

Roy Rodman has asked to come up to make a report on the Shrine Rooms in Alexandria and Ken Paxton of Dispensations and Charters and Les Swan of Jurisdictional Lines will please start coming up.

IMPERIAL POTENTATE COLLINS: You have heard the report of the Committee headed by Roy Rodman on the Shrine Rooms. I will entertain a motion that his report be accepted.

NOBLE E. D. CLARK: So move. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Any discussion? Those in favor signify by raising the right hand. Those opposed by the same sign. So carried.

Is Ken Paxton ready on Dispensations and Charters?

NOBLE KENNETH T. PAXTON: Imperial Sir, I have two reports to make. The first is on a new dispensation. (Reading)

TO THE OFFICERS AND REPRESENTATIVES OF THIS NINETY-SECOND ANNUAL SESSION OF THE IMPERIAL COUNCIL IN THE CITY OF SAN FRANCISCO, CALIFORNIA:

Your Committee on Dispensations and Charters met in conjunction with the Committee on Jurisdictional Lines and a Representative of the Committee on Jurisprudence and Laws for the purpose of viewing, hearing and acting on a petition of (1099) ten hundred ninety-nine Nobles of the Fort Myers Shrine Club, Fort Myers, Florida, praying that dispensation be granted for the forming of a new Shrine Temple in that City, to be known as Araba Temple. The petition was reported as being in good order by the Imperial Recorder, the signers thereof being members in good standing from 129 Temples.

The representative from Egypt Temple brought official approval, and no objections were made by the other Temples of Florida. Letters of support were received from Grand Master W. M. Hollis, Sovereign Grand Inspector Frank H. Thompson, Grand Commander James D. Yeager.

Current cash of over \$28,000. will be turned over to the proposed Araba Temple if Dispensation is granted and papers have been filed with the Imperial Recorder covering the transfer of an adequately equipped building appraised at \$250,000.00.

Egypt Temple has agreed to yield jurisdiction over the five counties, Lee, Charlotte, Collier, Hendry and Glades, the representatives of Araba giving definite assurance that no additional territory will be sought.

We find that the petition is in accordance with the requirements of the Imperial By-Laws and that the interests of our Order will be properly and enthusiastically represented in the territory of the five counties. We recommend the granting of the Dispensation for the new Temple to be known as Araba Temple.

IMPERIAL POTENTATE COLLINS: The report that you have just heard will be given to the Jurisprudence and Laws Committee for proper processing. Ken Paxton has a second report.

NOBLE KENNETH T. PAXTON: Imperial Sir, Representatives. (Reading)

TO THE OFFICERS AND REPRESENTATIVES OF THE NINETY-SECOND ANNUAL SESSION OF THE IMPERIAL COUNCIL IN THE CITY OF SAN FRANCISCO, CALIFORNIA:

Your Committee on Dispensations and Charters met in conjunction with representatives of the Committee on Jurisdictional Lines and Jurisprudence and Laws for the purpose of receiving, hearing and acting upon the petition for a Charter for Sabbar Temple of Tucson, Arizona, under Dispensation granted at the last annual session of the Imperial Council.

Sabbar Temple came into existence with 1191 members. Three full-form and two short-form ceremonials have been held. The present membership is 1541. Sabbar has 13 working units. The Sabbar Shrine Temple building appraised at \$240,000.00 will now accrue to the Temple. The Balance Sheet shows a current equity of \$59,207.19, of which \$34,000.00 is in cash.

Arizona's mother Temple, El Zaribah, also has grown. In 18 months since January 1965, Shrinedom in Arizona has gained 1346 members, representing an increase of 31.5%.

Harmony reigns, yielding glorious results and high hopes for a future of solid and continuous growth. The official Divans are capable and enthusiastic.

We recommend the petition of Sabbar Temple for a Charter be granted.

Now, Imperial Sir and Illustrious Nobles, that concludes the formal part of our report but your Dispensations and Charters Committee felt that there were probably other communications that approved this new Temple during these Sessions but felt these were not within the guide lines of our responsibility. We therefore recommend that the petition for Sabbar Temple be granted.

IMPERIAL POTENTATE COLLINS: Thank you, Ken. This will also be referred to the Jurisprudence and Laws Committee for processing.

Les Swan will now make his report on Jurisdictional Lines.

NOBLE LESLIE H. SWAN: Imperial Potentate. (Reading)

TO THE IMPERIAL COUNCIL:

Your Committee on Jurisdictional Lines has met in joint session with the Committee on Dispensations and Charters, for the purpose of considering the petition for a new Temple at Fort Myers, in the State of Florida.

The petitioners of the proposed new Temple, to be known as Araba, have requested five counties for their exclusive jurisdiction that are now in the exclusive jurisdiction of Egypt Temple, namely: Lee, Charlotte, Glades, Hendry and Collier. Egypt Temple is graciously willing that the request of the petitioners be granted and in the interest of harmony and for the benefit of the Shrine, is willing to relinquish the five counties.

Your Committee on Jurisdictional Lines, joins with the Committee on Dispensations and Charters in recommending that in case the dispensation for a new Temple is granted, the exclusive jurisdiction shall be the said five counties.

Imperial Potentate, I move that this report be received and referred to the Committee on Jurisprudence and Laws. (Motion seconded.)

IMPERIAL POTENTATE COLLINS: You have heard the motion and it has been seconded. Any discussion? Those in favor signify by raising the right hand. Those opposed by the same sign. So carried.

While we are waiting for the next Committee I thought I would tell you about a few weeks ago I was in Hawaii and I discovered that the last King of Hawaii, whose name was Kalakaua, was a Shriner. He was the only King ever to become a Shriner. I found his tomb in Hawaii and together with the members of Aloha Temple we

caused a wreath in the shape of a fez to be made with the word "Aloha" on it and we conducted the first ceremonial of wreath laying at his tomb.

King Kalakaua belonged to Islam Temple and was made a Noble of that Temple on a visit he made while touring the United States during the last few months while he was King.

We publish a book called "Parade to Glory." Carlyle Brock was the first one to have that book put into paperback edition and I followed up in my year with the revision in which I included a chapter on the Presidents of the United States of Mexico who were Shriners. There were four of them and I believe it adds considerably to the value of our Shrine history. I feel that the discovery that King Kalakaua was a Shriner and the only King to have been a member of our Fraternity that it would be in order that when this book is revised that suitable mention be made and included within the "Parade to Glory" to that effect including his photograph with his fez on and suitable description of his Masonic career and his Shrine career so as to bring our book up-to-date. If you gentlemen concur I would appreciate a motion to that effect.

NOBLE HERMAN L. ENGELHARDT: So move. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Any discussion? All those in favor signify by raising the right hand. Those opposed by the same sign. Thank you, gentlemen, I think you have made a good contribution to the history of the Nobles of our Shrine.

Warren Jones now wishes to make a report for the Jurisprudence and Laws Committee.

NOBLE WARREN L. JONES: Imperial Sir, I have got quite a handful of stuff here. Whenever you want to interrupt this series of reports please do the same. The matters on which I report are included in the Call and for the most part are those which were carried over from last year. (Reading)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws the proposed Resolution to amend Section 208.6 (e) of the By-Laws of the Iowa Corporation, relating to The Committee on Grievances and Appeals, and its procedure, to read, if adopted as follows:

"§208.6 (e) The Grievances and Appeals Committee shall consider and report to the Imperial Council concerning all matters of controversy, grievance, discipline, or appeal coming before or assigned to it. In order to provide staggered terms, the terms of 3 members, first appointed shall be designated for 3 years; 2 designated for 2 years; and 2 designated for 1 year. The successor of each shall be appointed for a term of 3 years. If a vacancy occurs, another Representative shall be appointed for the unexpired term. The Committee is vested with the powers, must discharge the duties, and follow the procedure set forth in §208.9."

At the present time there is no Section 208.9 but one is included in the Call and subject to what happens to this one a report will be made on it. (Continued reading)

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

To bring it upon the floor I move the adoption of the report and of the amendment. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and the amendment. Is there a discussion? Our honorable gentleman from East St. Louis who lives in St. Louis, Missouri.

NOBLE LOUIS CHACKES: There is a hassle between the two communities. Each one says I live in the other. (Laughter)

I offer an amendment to eliminate the sentences, "In order to provide staggered terms, the terms of three members, first appointed shall be designated for three years; two designated for two years; and two designated for one year. The successor of each shall be appointed for a term of three years. If a vacancy occurs, another Representative shall be appointed for the unexpired term." "The Committee is vested with the powers," is all right. Those three sentences I move that they be amended by removing and my reason for that — will somebody second that? (Motion seconded)

My reason for offering that amendment is that I do not believe in staggered terms. I have seen staggered Shriners but I am not for staggered terms. In other words, an Imperial Potentate should have the right to appoint the Committee on Grievances and Appeals. Now that is his prerogative. Now he should not appoint for more than one year. If the next Imperial Potentate wants to appoint him, okay. You can't appoint a man for three years because it is quite possible that his Temple might not elect him as a Representative. While he could be on there I believe the governing factor is that his home Temple elects him a Representative. For that reason it goes beyond the term of an Imperial Potentate and deprives the other two Potentates to follow of their prerogative to appoint their own Committees.

I move the amendment that those three sentences be removed and I move the adoption of the amendment as amended. (Motion seconded)

IMPERIAL POTENTATE COLLINS: We have an amendment to the amendment with the second and we are first going to vote on the amendment as proposed by Lou Chackes before we come to the original motion with its original amendment, correct? Is there any discussion?

VOICES: Question! Question!

IMPERIAL POTENTATE COLLINS: All those in favor of the amendment as put forth by Lou Chackes raise their right hand. Those opposed by the same sign. The Chair declares that Lou's amendment carries.

NOBLE LOUIS CHACKES: I now move the adoption of the amendment as amended. (Motion seconded)

IMPERIAL POTENTATE COLLINS: It wasn't necessary to second was it?

NOBLE WARREN L. JONES: Well, it doesn't do any harm.

IMPERIAL POTENTATE COLLINS: Well, we will now vote on the motion of our Jurisprudence and Laws Committee, also seconded by the original second. Those in favor of that signify by raising the right hand. Those opposed by the same sign. So carried.

Chalk up another victory, Lou, my compliments. (Laughter)

NOBLE WARREN L. JONES: There has also been referred to your Committee a new Subsection to go into the Grievances and Appeals Section which provides for the proceedings before the Grievances and Appeals Committee. This is contained in the Call. There is no change proposed by the Committee. Unless someone desires that it be read let the record show that it was read. I see no one who desires to have it read.

(Here follows the report as referred to by Noble Jones.)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a proposed Resolution to amend Article 6 by adding a new section to be known and designated as Section 208.9 of the By-Laws of the Iowa Corporation, relating to Proceedings before the Grievances and Appeals Committee, to read, if adopted, as follows:

"§208.9 Proceedings before the Grievances and Appeals Committee.

"(a) Time for Appeal. Any Noble, Temple or organization of Nobles, claiming to be aggrieved by a disciplinary order of the Imperial Potentate, may take an appeal by filing a written notice thereof in the office of the Imperial Recorder within

30 days after the date such order is mailed. The Committee may at any time for cause shown extend the time for taking an appeal.

"(b) Notice of Appeal. When a notice of appeal is received by the Imperial Recorder, he shall send a copy of it with a copy of the Imperial Potentate's disciplinary communication to the Grievances and Appeals Committee.

"(c) Statement of Charges. The Imperial Potentate must forthwith file with the Committee a statement in plain and concise language setting forth the charges upon which the disciplinary action was taken, and send a copy thereof to the disciplined Noble, Temple, or organization of Nobles.

"(d) Answer. The disciplined Noble, Temple, or organization of Nobles must then forthwith file with the Committee an answer to the charges setting forth in plain and concise language any defenses thereto, and forward a copy of the answer to the Imperial Potentate.

"(e) Hearing. The Grievances and Appeals Committee must convene, at a time and place selected by it, to receive evidence and hear arguments, and sufficient time and notice must be arranged and provided so as to enable all parties to appear throughout the hearing and be heard with or without counsel.

"(f) Stay of Suspension. Subject to a review by the Imperial Council, the Grievances and Appeals Committee may stay the disciplinary action until the next session of the Imperial Council.

"(g) Decision. The Grievances and Appeals Committee must render a decision either affirming, reversing or modifying the disciplinary order of the Imperial Potentate, together with any recommendations it may have, and shall present the same to and before the end of the second day of, the Imperial Council session.

"(h) Expenses. The expenses of the Grievances and Appeals Committee incident to the proper performance of its duties shall be paid by the Imperial Council; but no cost or expense of a Noble, organization of Nobles or Temple shall be paid except upon order of the Committee.

"(i) Final Decision. The final decision on any appeal rests with the Imperial Council, acting on an appropriate motion, but presentation of the appeal in the Imperial Council shall be limited to the disciplinary order and statement of the Imperial Potentate, the Answer of the disciplined party, the report of the Grievances and Appeals Committee, any record of the oral or documentary evidence heard or received by the Committee, and an argument thereon not exceeding 20 minutes on either side. There shall be no oral discussion from the floor during the presentation of the appeal.

"(j) Other Appeals. On all appeals coming before or assigned to the Grievances and Appeals Committee, the procedure set forth in this Section shall be followed insofar as applicable."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

To bring it before you I move the adoption of the report and of the proposed amendment. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the reading of the motion plus the proposed amendment. Is there any discussion? Again I yield to the gentleman from East St. Louis who lives in St. Louis, Missouri.

NOBLE LOUIS CHACKES: If that isn't identification enough my name is Lou Chackes and that is what you refer to, no?

IMPERIAL POTENTATE COLLINS: The Honorable Lou Chackes Emeritus.

NOBLE LOUIS CHACKES: Si Senor. (Laughter) This is just friendliness.

I have two amendments. There was one part that gives the right to stay the action and I am not objecting to that any more.

Now there is one Section there, this (g) Decision. "The Grievances and Appeals Committee must render a decision either affirming, reversing or modifying the disciplinary order of the Imperial Potentate, together with any recommendations it may have, and shall present the same to, and before the end of the second day of, the Imperial Council Session." I move to amend that by making it "and shall present before the end of the second day" on to amend it to read "no later than the third day" because many times on the first day we try to avoid, I mean normal times, we try to avoid matters of discussion on the first day because it is the day before elections. The second day has quite a deal going on so to insist that it be done on the second day might crowd things. So I want to change the words "shall present before the end of the second day" to "no later than the third day" so it will then read, "The Grievances and Appeals Committee must render a decision either affirming, reversing or modifying the disciplinary order of the Imperial Potentate, together with any recommendations it may have, and shall present the same, and no later than the third day of, the Imperial Council session."

IMPERIAL POTENTATE COLLINS: That is a motion?

NOBLE LOUIS CHACKES: That is a motion. (Motion seconded)

IMPERIAL POTENTATE COLLINS: We now have an amendment to the motion originally presented by Jurisprudence and Laws. I recognize Warren Jones.

NOBLE WARREN L. JONES: Jurisprudence and Laws Committee joins in the motion and on behalf of the Jurisprudence and Laws Committee I join in seconding the motion.

NOBLE LOUIS CHACKES: After you put that one I have another amendment. Then you can have the motion as amended by both.

IMPERIAL POTENTATE COLLINS: Let's have it.

NOBLE LOUIS CHACKES: I have another amendment. Section (i) now reads:

"(i) Final Decision. The final decision on any appeal rests with the Imperial Council, acting on an appropriate motion, but presentation of the appeal in the Imperial Council shall be limited to the disciplinary order and statement of the Imperial Potentate, the Answer of the disciplined party, the report of the Grievances and Appeals Committee, any record of the oral or documentary evidence heard or received by the Committee, and an argument thereon not exceeding 20 minutes on either side. There shall be no oral discussion from the floor during the presentation of the appeal."

My amendment is to remove that last sentence reading "There shall be no oral discussion from the floor during the presentation of the appeal" so it will read as I said before without that because there may be a reason for somebody to speak from the floor and I think they may agree with me while I think the floor will have the voice that it wants to. So therefore I move that. (Motion seconded)

NOBLE WARREN L. JONES: The language may be ambiguous but it was not the intent, as I understand it, of the framers of this Subsection to restrict any argument on the merits of the decision or the report of the Grievances and Appeals but merely to postpone the argument from the Representatives until the interested parties had had their twenty minutes to decide and had presented their case to the Imperial Council and that then the matter would be open for free discussion. It may not say that but such was the intent.

NOBLE LOUIS CHACKES: I did think it would be the intent but it does sound very much that way and someday after we are gone somebody will say, "What did they

mean," and they will say that that is what it means. Some way I would like to have it simplified that there be oral discussion. You admit it should be?

NOBLE WARREN L. JONES: I move that the matter be referred back to Jurisprudence and Laws for clarification to be brought back to the floor of this Session.

NOBLE LOUIS CHACKES: I second the motion.

IMPERIAL POTENTATE COLLINS: You have heard the motion to refer back to Jurisprudence and Laws for further study. It has been seconded. Any question? Those in favor raise the right hand. Those opposed the same sign. It goes back to Jurisprudence and Laws for further consideration.

NOBLE WARREN L. JONES: A third amendment to Paragraph 11, Subsection (a) of Section 206.5 relating to the duties of the Imperial Potentate. I shall not read it unless requested. It gives the person who is disciplined by the Imperial Potentate the right of appeal which was probably implied but here the right is expressly conferred, the right to appeal through the Grievances and Appeals Committee to the Imperial Council on any suspension by the Imperial Potentate.

(Here follows the report as referred to by Noble Jones.)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws the proposed Resolution to amend Paragraph (11) of Subsection (a) of Section 206.5 of the By-Laws of the Iowa Corporation, relating to the duties of the Imperial Potentate, to read, if adopted, as follows:

"§206.5(a)(11) For violation of Shrine law or for conduct unbecoming a Noble of the Mystic Shrine, he may suspend any Noble from membership or office in the Imperial Council or in a Temple until the conclusion of the next session, or for a shorter time. He may recommend extension of such suspension for a longer time, or expulsion; and any such recommendation shall be submitted to the Grievances and Appeals Committee for its consideration, and it shall report thereon to the session. Any Noble or group of Nobles claiming to be aggrieved may appeal as provided in §208.9."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

IMPERIAL POTENTATE COLLINS: You have heard the motion as seconded. Any discussion? All those in favor raise the right hand. Those opposed the same sign. Carried.

I will now recognize Elmer Bromley of the Jurisprudence and Laws Committee who has another piece of legislation for your consideration.

While he is bringing this up let me brief you in as to why this legislation is being proposed at the present time. When I came in as Imperial Potentate I appointed a

National Chairman to promote the Order of DeMolay for boys, J. B. Finney of Al Malaikah Temple of Los Angeles. As J. B. Finney got into the different problems of DeMolay he found that they were many and he told me about halfway through the year that what we would have done and what we could do before the end of our year as Imperial Potentate would be of no avail unless there was some continuity of action. We found there were several facets of this DeMolay program.

We found that after some forty-four years of being in existence there were about 9 million boys between the ages of 14 to 21 years of age, white and of Protestant upbringing, that would be eligible to become candidates for the Order of DeMolay. In spite of that we only had a population of 162,000 boys out of such a tremendous potential, just a drop in the bucket. We figured something was wrong in much the same way I think there is something wrong with the things we worked on this morning.

So in making our investigation we found there were two basic problems in DeMolay. One was manpower. We found the boys needed men to come and help them, men who would take the time off in the evenings to work with the boys, men who would take the time to work with these young men on their Ritual, all Masons of course, that would work with these boys and sort of channel their footsteps into what we thought would be wholesome endeavors.

Then we were also told that the problem of manpower was just part of it, that there was also the problem of money and without money they couldn't do much.

We discussed this with many hundreds of men throughout the United States in all walks of life. We discussed it with Grand Masters. We discussed it with the man on the street. We discussed it with Masons. We came up with the idea that in order to have this continuity that first we would have to form a Permanent DeMolay Committee formed by Shriners who are active in DeMolay so that they would continue to work and we got the idea of a Divan Committee for DeMolay composed of two men for three years, two for two years, and one for one year. We felt by forming this Permanent DeMolay Committee that would take the onus off of any future Imperial Potentate who might feel he had problems of his own and would have no time to dedicate and whatever momentum we had achieved by that time would have been lost.

Then we decided that it would be a good idea to give these men some money to work with. We sent out questionnaires to all of the Shriners asking for their opinions. We started out with the idea of twenty-five cents, an assessment of twenty-five cents per Shriner per year which is less than the price of a package of cigarettes. We got back many answers. Some of the answers said that ten cents ought to be enough. Some said a dollar should be enough. Some said to let's give a dollar with seventy-five cents to the local Chapter and twenty-five cents to the National Committee. Finally, to try to get the thing going off of dead center and on the road we decided to come up with thirty cents and this five man Committee.

Now the legislation is prepared for your consideration. It is going to be presented in two parts, first the formation of the Committee, this Permanent Continuity Committee, and second will be the thirty cents.

Now Elmer Bromley of Jurisprudence and Laws will read it to you. The floor will be open for discussion. We would like to have your comments on both of these.

NOBLE ELMER P. BROMLEY: Imperial Sir, Imperial Representatives, this matter is in the Call as being presented. (Reading)
To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a new Section to the By-Laws of the Iowa Corporation to be known as Section 208.7(j), concerning the creation of a Committee on DeMolay Promotion.

208.7(j) The Committee on DeMolay promotion shall consist of Representatives of the Imperial Council. In order to provide staggered terms, the terms of two (2) members first appointed shall be for three (3) years; two (2) members first appointed shall be for three (3) years; two (2) designated for two (2) years; and one (1) designated for one (1) year. The successor of each shall be appointed for a term of three

(3) years. If a vacancy occurs, another Representative shall be appointed for the unexpired term.

IMPERIAL POTENTATE COLLINS: You have heard the motion. It has been seconded and it is now open for discussion. I recognize Emeritus Member Lou Chackes from Ainad Temple, East St. Louis.

NOBLE LOUIS CHACKES: Who lives in St. Louis.

Imperial Sir, the matter before us on appointing a Committee on DeMolay, the reason I speak you might say is not in opposition to the idea but my opposition to the proposed amendment is that the Imperial Potentate has the right to appoint a Committee, in fact has a Committee on Shriners Aid to DeMolay now appointed, and any Imperial Potentate has the right to appoint from year to year. The staggered term, as I said in the previous matter that came on staggered term, I am not in accord with that anyhow because I believe that should be the prerogative of each Imperial Potentate on his own and since he has the right to appoint a Committee and there is one in existence now on Shriners Aid to DeMolay I am not in favor of the amendment because there is no necessity for it. That does not reflect any disapproval of the DeMolay or their objective.

IMPERIAL POTENTATE COLLINS: Gentlemen, you have heard the opinion of one of the Representatives to the Imperial Council Session. Other members are invited to participate in this discussion. Anybody else want the floor? We have no DeMolay friends here?

NOBLE E. D. CLARK: Imperial Sir, I am from El Karubah Temple, home of the first Crippled Childrens Hospital, Shreveport, Louisiana. As my good friend Lou Chackes has said, yes, DeMolay should go forward. There is not a man here or within my voice who would say we do not want our young people to follow in our footsteps on what the Shrine stands for.

Concerning this I think it does refer back to the prerogative of the Imperial Potentate and I therefore feel like he should be allowed to appoint his own members as they come along as long as they work and provide for the good of DeMolay.

IMPERIAL POTENTATE COLLINS: You have heard two members express themselves. Is there somebody else who would like to talk?

I will tell you why the appointment of the Committee won't solve the problem. I have appointed a Committee. The Committee is in operation. It is headed by J. B. Finney whom I mentioned and who subsequently today or tomorrow will render a report on what he has done for DeMolay.

Not to mention the names of any Imperial Officers we have discussed this with the Imperial Officers and each Imperial Officer, as you understand, as he comes up the line has pet projects of his own. He has things that he feels are very important to his program. If we were to leave this to the next Imperial Potentate, and I don't refer necessarily to Orville Rush but we had another man before him who has been called

by the Black Camel and we discussed this with him and there was no place in his program for it. So, gentlemen, the program would have died a natural death.

It is very easy to appoint a Committee. You gentlemen understand that all the Committees I have appointed, with the exception of the Standing Committees, we do have precedence on the Standing Committees, for instance our Investment Committee is appointed for three years, two years and one year, and the idea is to guarantee a continuity of action so no one Imperial Potentate will have control over the funds of the Crippled Children's Hospitals.

Now the sole object of this is not that we don't have the right, we do have the right, but to assure continuity of the program, that is all. It is just that simple. It just takes a few seconds. You lose nothing by it because the levy is not attached to the Committee. The levy will be in the form of another motion to be presented as soon as we dispose of this motion. If you do not permit us to form this Committee then, gentlemen, you face the prospect that there may be no DeMolay Committee next year. There may be, I don't know. Our incoming Imperial Potentate has been completely non-committal up to this moment. There is nobody on our Imperial Divan to my knowledge that has the slightest idea what our incoming Imperial Potentate is going to do. We don't know if he is going to reappoint our present Counsel who has done a wonderful job for a number of years. We don't know if he will continue with our Auditor who has done a magnificent piece of work for a number of years. We know nothing and we do not wish —

NOBLE LOUIS CHACKES: I don't believe that is to the point.

IMPERIAL POTENTATE COLLINS: I am trying to explain the reason why we are asking for the Committee.

NOBLE LOUIS CHACKES: It is up to an Imperial Potentate to appoint his Committees and you don't know of anybody who will object to the appointment of a Committee and let the Imperial Potentate appoint a Committee. I want a Committee but you had a Committee. Did it function? Yes, to an extent.

IMPERIAL POTENTATE COLLINS: But all of my Committees, with the exception of the Standing Committees, die next Friday.

NOBLE LOUIS CHACKES: But it applies to all Committees.

IMPERIAL POTENTATE COLLINS: You want the DeMolay to die?

NOBLE LOUIS CHACKES: No, but I want the DeMolay Committee to be appointed by the incoming Imperial Potentate or the one after him or the one after him.

IMPERIAL POTENTATE COLLINS: Gentlemen, I have explained my point to you. My jurisdiction stops on the 8th of July. If the next Imperial Potentate in his wisdom sees fit to appoint a Committee to continue then it is your idea to leave it to him. Is that the will of the majority of you?

VOICES: Yes! No!

IMPERIAL POTENTATE COLLINS: All right, we have had two gentlemen express themselves. We are now going to vote on this and the vote, so that you will understand it, will be that there shall be appointed a Committee, a Permanent Committee, composed of five men, two for three years, two for two years, and one for one year, and these men, according to the provisions that were read by Past Potentate Bromley and that you have before you. Are you ready for the question?

VOICES: Question! Question!

IMPERIAL POTENTATE COLLINS: All those in favor that this Committee be appointed signify by raising your right hand. Those opposed by the same sign. I declare the motion carried.

NOBLE LOUIS CHACKES: Doesn't it take two-thirds?

IMPERIAL POTENTATE COLLINS: Does it take two-thirds?

VOICES: Yes! Yes!

IMPERIAL POTENTATE COLLINS: Here we go again, fellows. I am awfully sorry that it takes all this time to do things for the benefit of the Order. I am just shocked, really

I am. Now it would take too much time for a secret ballot which I don't think is necessary because I don't think it is controversial. May I ask Clyde Oliver or somebody to do the counting here, otherwise we will be here all day. Clyde, if I ask all those in favor to hold up their right hands will they hold them long enough so you can count them?

VOICE: Let them stand up.

IMPERIAL POTENTATE COLLINS: All right, let them get some help up here, gentlemen, the Tellers Committee quickly.

Gentlemen, please, we will do this in just a few minutes if you will cooperate. Here is the way Clyde has told us we are going to do it. The first row are going to be asked to stand, those in favor of the motion, and be counted. They will be asked to sit down and the second row asked to stand and be counted and go right on down and in five minutes we will have it. Will the first row please stand.

VOICES: Repeat the motion!

NOBLE LOUIS CHACKES: The order was that the first row please stand. If we all stood we would all be recorded for it.

IMPERIAL POTENTATE COLLINS: I beg your pardon, the Chair stands corrected, Mr. Lou Chackes. All those in the first row in favor of the motion please stand and remain standing until asked to be seated. (Count made of affirmative votes.) All those in the first row be seated and those opposed please stand. (Count made of negative votes.) Please be seated.

(The vote count proceeded in similar fashion until all rows of Representatives and those on the stage had been counted.)

IMPERIAL POTENTATE COLLINS: I don't mind telling you, gentlemen, that it would be useless to vote on the levy if this happens to be an adverse vote. We are going to see in just a moment what the vote is. It takes two-thirds. We are having fun, aren't we? We are doing something different.

Gentlemen, please take your seats. Clyde Oliver is about to report.

NOBLE W. CLYDE OLIVER: Imperial Sir, the tabulation of the standing vote is as follows. There were 194 no votes, 407 yes votes.

IMPERIAL POTENTATE COLLINS: What does that mean?

NOBLE W. CLYDE OLIVER: Assuming it takes two-thirds, we didn't do the arithmetic, we just gave you the count.

IMPERIAL POTENTATE COLLINS: It takes two-thirds and they are going to figure it out now.

Give your attention to Clyde Oliver.

NOBLE W. CLYDE OLIVER: Imperial Sir, according to our requirements it takes 492 votes of which there were 409 votes —

VOICES: No! No!

IMPERIAL POTENTATE COLLINS: I declare the vote lost.

VOICES: No! No!

IMPERIAL POTENTATE COLLINS: You fellows all had a chance.

NOBLE WALTER L. MILLER, JR.: It carried by 6 votes.

IMPERIAL POTENTATE COLLINS: Give your attention to the Teller, please.

NOBLE W. CLYDE OLIVER: The question seems to be, Nobles, that it requires two-thirds of the votes registered, not those voting.

VOICES: No! No!

IMPERIAL POTENTATE COLLINS: Gentlemen, please be seated and give your attention to the Chairman of the Jurisprudence and Laws Committee.

NOBLE ROBERT H. FOUKE: Representatives, any proposal to amend the By-Laws of the Imperial Council requires an affirmative vote of not fewer than two-thirds of the

Representatives registered at that Session of the Imperial Council under the provisions of 101.5(e).

VOICES: Roll call! Roll call!

IMPERIAL POTENTATE COLLINS: Gentlemen, in fairness to those who cast their vote against it the motion is lost but now may I make a comment. This is probably out of order. I want you gentlemen to take this home and think about it.

VOICES: Roll call! Roll call!

NOBLE LOUIS CHACKES: Imperial Sir, you have done the right thing by declaring the vote. That having been done the vote is closed.

IMPERIAL POTENTATE COLLINS: Gentlemen, as much as I would like to have this done I am prejudiced in favor of DeMolay and an Imperial Potentate cannot afford to be prejudiced.

The Imperial Potentate represents 840,000 men and you 750 men represent those 840,000. If they have made a mistake in sending the wrong man here I am sorry and I think that is what they have done. (Applause)

I now recognize Merwyn Brown.

NOBLE MERWYN H. BROWN: Imperial Sir and Representatives. (Reading)

There has been referred to your Committee on Jurisprudence and Laws a proposed amendment to the By-Laws of the Imperial Council A.A.O.N.M.S. A proposal to amend Section 214.2 of the Imperial By-Laws, which, if adopted, will read as follows:

WHEREAS, Section 214.2 of the Imperial By-Laws requires that funds on deposit in banks be withdrawn only by voucher check, upon the signature of the Imperial Potentate, the Imperial Treasurer, and the Imperial Recorder, but no provision is contained in said By-Laws for the issuance of said voucher checks in the absence, incapacity or unavailability of any of said Imperial Officers, in which event said check cannot now be lawfully issued;

Therefore BE IT RESOLVED:

That Section 214.2 of the Imperial By-Laws be amended so as to read, if adopted as follows:

"214.2 Checks and Payment of Funds. Funds on deposit in banks may be withdrawn only by voucher check, upon the signatures of the Imperial Potentate, the Imperial Treasurer, and the Imperial Recorder; and in the absence, incapacity or unavailability of any one or more of the aforesaid imperial Officers said voucher checks shall be signed by another Imperial Officer, in the Order named and designated in Section 206.1 of these By-Laws; but funds may be transferred to the credit of a like account from one depository to another by written or telegraphic order of any one officer so authorized by the Board of Directors."

The proposed amendment in the opinion of your Committee is in proper and legal form and is not in conflict with the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

William H. Knowlton

This has been signed by all the members of the Committee and in order to place this matter before the Representatives for action I move the adoption of this resolution.

IMPERIAL POTENTATE COLLINS: Is there a second? (Motion seconded)

NOBLE LOUIS CHACKES: Imperial Sir.

VOICES: Sit down! Sit down!

IMPERIAL POTENTATE COLLINS: He has a right to speak. He shall speak.

NOBLE LOUIS CHACKES: Imperial Potentate, I do not find that in the Call. How was this introduced and when?

IMPERIAL POTENTATE COLLINS: Under Shrine law resolutions can be introduced at any time by the Jurisprudence and Laws Committee or by the Imperial Potentate without them having been previously published in the Call. Does that answer your question, Mr. Chackes?

NOBLE LOUIS CHACKES: Imperial Sir, it was introduced by the Imperial Potentate or the Jurisprudence and Laws Committee?

IMPERIAL POTENTATE COLLINS: Either one.

NOBLE LOUIS CHACKES: Who is? He is telling you you introduced.

NOBLE ROBERT H. FOUKE: And referred to the Committee on Jurisprudence and Laws.

IMPERIAL POTENTATE COLLINS: Our Imperial Treasurer wants the privilege of the podium.

NOBLE HAROLD C. CLOSE: Imperial Sir and Representatives. I might comment on this. This is simply an effort to make the Iowa Corporation By-laws coincide with those in the Colorado Corporation which now provide that on a three signature check any three of five individuals can sign. Now our experience is by the time these checks make their rounds and get the three signatures it will take anywhere from seven to ten days.

The Iowa Corporation By-laws limit these signatures to three officers only, the Imperial Recorder, the Imperial Potentate and the Imperial Treasurer. In the case of the absence for any reason at all from the country, let me say, or the incapacity of any one of these three individuals these checks are delayed and they are held up. It seems to some of us that in order to expedite and keep the business of the Imperial Council flowing it is in order to select the next man in order from the Board of Directors who is eligible to sign checks in case any of these three man are incapacitated. I hope I have cleared it up.

VOICES: Question! Question!

IMPERIAL POTENTATE COLLINS: You have heard the motion. It has been seconded. You have asked for the question. All those in favor signify by raising the right hand. Those opposed, by the same sign. So carried by more than two-thirds.

I submit the following resolution which will be presented by the Jurisprudence and Laws Committee.

NOBLE ELMER P. BROMLEY: Imperial Sir and Representatives. (Reading)

There has been referred to your Committee on Jurisprudence and Laws a proposed amendment to Section 214.3 of the By-laws of the Imperial Council A.A.O.N.M.S., relating to imprest accounts, which, if adopted will read as follows:

BE IT RESOLVED:

That Section 214.3 of the Imperial By-Laws, be amended so as to read, if adopted; as follows:

214.3 IMPREST ACCOUNTS. The Board of Directors may establish *separate* special accounts, not exceeding:

- (a) \$10,000.00, for the prompt payment of budgeted expenses;
- (b) *A further sum determined to be necessary by the Board of Directors, from time to time and as needed to pay the mileage and per diem as authorized and provided under Article 5 of these By-Laws;*
- (c) employing the imprest system; and
- (d) it may authorize checks to be drawn thereon upon the *facsimile or manual* signature of any one officer.

The proposal, in the opinion of this Committee is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

This has been signed by all the members of the Committee and in order to place this matter before the Representatives for action I move the adoption of the resolution. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion. I believe it has been seconded.

VOICES: Question! Question!

IMPERIAL POTENTATE COLLINS: Do you want to comment?

NOBLE HAROLD C. CLOSE: Well, Imperial Sir and Representatives, the By-law was read. There is no provision, in your humble servant's opinion, for drawing checks on single signature on amounts in an imprest account for amounts exceeding \$10,000. Now the cost for mileage and per diem, and I understand the Representatives expect mileage and per diem, is a matter of \$500,000 in this convention and I simply want authorization from this body to sign checks in the manner that has been mentioned here.

VOICES: Question! Question!

IMPERIAL POTENTATE COLLINS: Is there any further discussion? We are ready for the question. Those in favor signify by the usual sign. Opposed. So carried. That is supposed to be carried by more than two-thirds, was it? Do you want to stand up and be counted? I declare it carried by two-thirds.

Jurisprudence and Laws, Warren Jones has further report.

NOBLE WARREN L. JONES: This is in the Call, another carry-over from last year, proposal to amend 206.5(a)(12). The present provision is for violation of Shrine law the Imperial Potentate may arrest the charter and suspend the work of any Temple until the conclusion of the next session, or for a shorter time. The amendment will add this provision, "Any Temple claiming to be aggrieved may appeal as provided in 208.9."

(Here follows the report as referred to by Noble Jones.)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws the proposed Resolution to amend Paragraph (12) of Subsection (a) of Section 206.5 of the By-Laws of the Iowa Corporation, relating to the duties of the Imperial Potentate, to read, if adopted, as follows:

"§206.5(a)(12) For violation of Shrine Law, he may arrest the charter and suspend the work of any Temple until the conclusion of the next session, or for a shorter time. Any Temple claiming to be aggrieved may appeal as provided in §208.9."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE WARREN L. JONES: In order to bring this before you for consideration I move the adoption of the report and the amendment. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and the amendment. It has been seconded. Any discussion? All those in favor signify by the usual sign. Those opposed by the same sign. For the same purpose as on the last motion I declare this carried by a two-thirds vote.

NOBLE WARREN L. JONES: Imperial Sir, Section 330.2(h) relates to the fixing of punishment by a Temple Trial Committee after determining that a member of the Temple has been guilty of unbecoming conduct. The present provision says that the Temple may fix the punishment which may be expulsion, suspension for an indefinite period, or suspension for a definite period. The only amendment is to add the word "reprimand" so that the Trial Committee can find a member of the Temple guilty of unbecoming conduct but may impose a reprimand rather than suspension or expulsion.

(Here follows the report as referred to by Noble Jones.)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a proposed Resolution to amend Subsection (h) of Section 330.2 of the By-Laws of the Iowa Corporation, relating to Discipline by Temples, to read, if adopted, as follows:

"§330.2(h) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges as above, then the trial committee of 5 shall be chosen by lot. This committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period. A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required."

The committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE WARREN L. JONES: To bring the matter before the Session I move the adoption of the report and of the amendment. (Motion seconded)

IMPERIAL POTENTATE COLLINS: This also requires two-thirds acceptance. You have heard the motion and the second. All those in favor signify by raising the right hand. Those opposed by the same sign. It is carried by more than two-thirds.

NOBLE WARREN L. JONES: Imperial Sir, Section 330.2(i). The present provision with respect to imposing sentence by the Potentate of the Temple after a report and recommendation of the Trial Committee the provision as it now is says that "The

Potentate shall pronounce judgment upon the report." It is not clear whether in imposing a sentence the Potentate of the Temple can depart from the recommendation of the Trial Committee. In order to make it clear that he must follow the recommendation of the report of the Trial Committee the proposed amendment would provide that "The Potentate shall pronounce judgment in accordance with the report." There is no other change that would be affected by the amendment.

(Here follows the report referred to by Noble Jones.)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a proposed Resolution to amend subsection (i) of Section 330.2 of the By-Laws of the Iowa Corporation, relating to Discipline by Temples, to read, if adopted, as follows:

"§330.2(i) After the committee has concluded, it shall make a report of its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment in accordance with the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

I have something here to introduce. (Reading)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a Resolution submitted to this session by the Imperial Potentate which proposes to amend §206.7 of the By-laws of the Iowa Corporation, relating to Salaries, to read if adopted as follows: "§206.7 Salaries

- (a) The Imperial Recorder shall be paid an annual salary in such amount as the Imperial Council shall provide.
- (b) The Imperial Treasurer may be paid an annual salary in such amount as the Imperial Council may provide."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or the By-laws.

Respectfully submitted,

I submit this now to the Committee on Jurisprudence and Laws for consideration. Judge Jones, we are ready for your opinion.

NOBLE WARREN L. JONES: Reverting to the Call, 330.2(v), the present provision is that on the Trial Committee and disciplinary proceedings all members must sign the report of the Committee. In some few instances a situation has arisen where members of the Trial Committee would go on vacation, go to the hospital, or otherwise be unable to affix his signature after the determination of guilt or innocence had been made, and in event of determination of guilt the penalty had been agreed upon. It is provided by the proposed amendment that the report of the Trial Committee must be signed by the Chairman and that he shall certify as to the numbers voting for or against the findings and the fixing of punishment, if any.

(Here follows the report as referred to by Noble Jones.)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws the proposed Resolution to amend Subsection (v) of Section 330.2 of the By-Laws of the Iowa Corporation, relating to Discipline by Temples, to read, if adopted, as follows:

"§330.2(v) The report of the trial committee must be signed by the chairman who shall certify as to the numbers voting for or against the findings and the fixing of punishment, if any."

NOBLE WARREN L. JONES: To place it on the floor I move the adoption of the report and of the amendment. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion. The amendment requires two-thirds. Ready for the question? All those in favor signify by the usual sign. Those opposed by the same sign. Carried by two-thirds.

NOBLE WARREN L. JONES: Section 323.2. The proposed amendment would require that each petition for membership shall bear the written recommendation of two members of the Temple to which the application was made. There was a question as to whether or not an applicant could be sponsored by one or more members of other Temples. The proposed amendment is to clarify the rule and make it certain that the sponsor or endorser of an applicant must be a member of the Temple to which he applies.

(Here follows the report as referred to by Noble Jones.)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a proposed Resolution to amend Section 323.2 of the By-Laws of the Iowa Corporation, relating to the Form of Petitions for Membership, to read, if adopted, as follows:

"§323.2 Petition, Form. Each petition for membership shall bear the written recommendation of 2 members of the Temple to which application is made."

NOBLE WARREN L. JONES: I move the adoption of the report and of the proposed amendment. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and the proposed amendment which also requires a two-thirds vote. Ready for the question? All those in favor signify by the usual sign. Those opposed by the same sign. So carried by two-thirds.

NOBLE WARREN L. JONES: 328.7(d). This is a new proposal. It fills a gap in the By-laws and if enacted will provide that a Temple may hold a ceremonial session within the jurisdiction of another Temple provided it obtains the written consent of the Potentate of any Temple within whose jurisdiction such ceremonial session is to be held. The words "any Temple" there is used, I think, to provide that all Temples in concurrent territory must consent.

To illustrate what it would cover we can look to the southern portion of this State and its neighbor to the East. This expressly authorizes Al Malaikah to go to Las Vegas if the Nevada Temple permits.

(Here follows the report as referred to by Noble Jones.)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a proposed Resolution to amend Section 328.7 by adding a new paragraph to be known and designated as Paragraph (d) of said Section 328.7 of the By-Laws of the Iowa Corporation, relating to ceremonials, to read, if adopted, as follows:

"§328.7(d) A Temple may hold a ceremonial session within the jurisdiction of another Temple provided it obtains the written consent of the Potentate of any Temple within whose jurisdiction such ceremonial session is to be held."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE WARREN L. JONES: I move adoption of the report and of the amendment.

IMPERIAL POTENTATE COLLINS: You have heard the motion and the amendment.

NOBLE LOUIS CHACKES: Imperial Sir, as has just been stated the purpose of it basically is to cover a present situation but it really covers too much because the situation between Al Malaikah and Nevada is so good all you have to do is get the okay and they go. But the amendment gives a Potentate the right to come on over in States where there are more than one Temple.

Therefore, I offer this amendment to add to the word "Temple" the words "upon written request" and delete the words "Potentate of any Temple" and substitute therefor the words "of the Temples affected" so that the amendment as amended will read, "328.7(d). A Temple may hold a ceremonial session within the jurisdiction of another Temple upon written request and provided it obtains the written consent of the Temple

affected within whose jurisdiction such ceremonial session is to be held." (Motion seconded)

Now I speak to it to tell you why. In the present case that is very simple but if there were more than one Temple in the jurisdiction this would require the okay of the Temples within the jurisdiction. Now if the Temples ahead of time desire to give the Potentate the right to represent and say, "Yes," that is their business but I would like all the Temples in any jurisdiction to approve the coming over of a Temple from any other jurisdiction and it would surely be in a friendly manner, and for that reason I offer the amendment.

NOBLE WARREN L. JONES: Jurisprudence and Laws Committee seconds the motion.

IMPERIAL POTENTATE COLLINS: You have heard the motion and the corresponding amendment. We have a second. Ready for the question? All those in favor signify by raising the right hand. Those opposed. Carried.

NOBLE LOUIS CHACKES: I now move you that the amendment as amended be approved.

IMPERIAL POTENTATE COLLINS: Move that the amendment as amended be approved. Is there a second? (Motion seconded) Is there discussion? All those in favor signify by raising the right hand. Those opposed by the same sign. Adopted by a two-thirds vote.

NOBLE WARREN L. JONES: 332.4 (b) relates to life membership and if adopted would increase the minimum amount required for the purchase of a life membership from 15 times to 20 times the annual dues of the Temple and it would require that the principal or the amount paid for the life membership shall be kept intact during the lifetime of the member.

(Here follows the report as referred to by Noble Jones.)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a Proposed Resolution to amend Subsection (b) of Section 332.4 of the By-Laws of the Iowa Corporation, relating to Life Memberships, to read, if adopted, as follows:

"§332.4(b) A Temple shall not issue a life membership for a sum less than 20 times the Temple's annual dues. All money received from life memberships shall be placed in a trust fund and only the income from such fund shall be withdrawn; but upon the death of any life member an amount equal to the sum paid by him may be transferred from the trust fund to the general fund of the Temple."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE WARREN L. JONES: To bring the matter before the floor I move the adoption of the report and of the proposed amendment.

IMPERIAL POTENTATE COLLINS: You have heard the motion and amendment. (Motion seconded) It is seconded. Discussion? Question? All those in favor signify by raising the right hand. This is two-thirds, gentlemen. Those opposed by the same sign. So carried by two-third majority.

NOBLE WARREN L. JONES: (Reading)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws the proposed Resolution to amend Section 203.4 of the By-Laws of the Iowa Corporation, relating to Emeriti Representatives, to read, if adopted, as follows:

"§203.4 EMERITI REPRESENTATIVES. Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any session, the Imperial Council may elect as an Emeritus Representative any Noble who has been a Representative for at least 15 years."

The proposal, in the opinions of this Committee, should be more explicit in saying that emeritus membership should be conferred only upon one who is currently an Imperial Representative and not upon any who had, in years past, served as a Representative for fifteen years. Your committee therefore proposes a substitute amendment to Section 203.4 so that the same will read as follows:

"§203.4 Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that session and who has been a Representative for at least 15 years, including that session."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

I move the adoption of the report and of the substitute amendment to Section 203.4. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the reading of the report, the proposed amendment. It has been seconded. Is there any discussion?

AL KALY REPRESENTATIVE: I would raise a question. Does that proposal mean consecutive?

IMPERIAL POTENTATE COLLINS: No. Any further discussion? This is two-thirds?

NOBLE WARREN L. JONES: Two-thirds.

IMPERIAL POTENTATE COLLINS: All those in favor signify by raising the right hand. Those opposed. Carried by two-thirds.

NOBLE WARREN L. JONES: Section 206.5(a)(3). The present provision is that the Imperial Potentate can select any Representative to preside over the Imperial Council. The proposed amendment would limit the selection to Imperial Officers and Past Imperial Potentates.

(Here follows the report as referred to by Noble Jones.)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws the proposed Resolution to amend Paragraph (3) of Subsection (a) of Section 206.5 of the By-Laws of the Iowa Corporation, relating to the duties of the Imperial Potentate, to read, if adopted, as follows:

§206.5(a)(3) He shall preside over sessions of the Imperial Council, but he may select another Imperial Officer or Past Imperial Potentate to preside over part or all of a session. He shall have the right to preside over meetings and sessions of Temples."

THE IMPERIAL COUNCIL

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

NOBLE WARREN L. JONES: I move the adoption of the report and of the proposed amendment. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Fellows, I have an opinion on this. My batting average so far is pretty low. It seems to me that — and I will only be here for a few days so I don't stand to benefit by this — it seems to me that the Imperial Potentate when he has the gavel he might have a very good reason why he would want to turn that over to one of the gentlemen on the floor who may be better qualified to preside over any particular subject much better than anybody who may be an Imperial Officer on the Divan. I can conceive of such a situation. I think it would be depriving the members of the floor of the privilege of presiding in those areas where they are especially well qualified. The fact that a man is an Imperial Officer doesn't mean that he is a holy man nor is he empowered or endowed with any ability or talent that all of you men on the floor don't also have an equal share. Personally I don't approve of it and I don't like it. I see no advantage for it.

Harold Close wishes to comment on it.

NOBLE HAROLD C. CLOSE: Thank you.

Imperial Potentate, Representatives. Many of you are familiar with your own elective bodies. I am familiar with the Legislature of the State of Connecticut and several other States. You are familiar with the Congress of the United States and the House of Representatives and the United States Senate. In any of those legislative bodies with which I am familiar a member of that body is eligible to preside over that body. I have never felt that in the Imperial Council that all of the intelligence or ability in this Imperial Council was left in those who happened to be elected to the Imperial Divan. I said many times we have an awful lot of ability in this organization. I would like to see more of it used rather than concentrated in the hands of a few people.

I think the law is good as it is. I think it is a nice opportunity to be called upon for any Representative selected to be called upon to preside over this Imperial Council Session. Personally I do not feel there is any widespread demand in your Temples or among the Representatives for this amendment. If there is no objection, Imperial Sir, I move that the amendment be tabled. (Motion seconded)

IMPERIAL POTENTATE COLLINS: I didn't expect that turn, fellows. I thought we would vote on it. As you understand, a motion to table permits no further discussion. So we will vote on the motion to table. It is a majority vote if you decide to table it. Are you ready for the question? We are now going to vote on this and if the majority votes in favor we will table. If it is voted down we will vote on it again as originally placed. Right? Ready for the question, right? Okay.

Everybody who is in favor of tabling this motion hold up their right hand. Those who are against tabling this motion hold up their right hand. Well, I would say that the motion to table carries.

NOBLE WARREN L. JONES: Section 324.7(e). Under the present provision a Temple Potentate must preside or call the Chief Rabbi or, in his absence, the Assistant Rabbi, and only in the absence of each can he call on a Past Potentate to preside over a meeting of his Temple. The proposed amendment would provide that the presiding officer at his pleasure or session of the Temple may request any Past Potentate to preside.

(Here follows the report as referred to by Noble Jones.)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a proposed Resolution to amend Section 324.7 by adding a new paragraph to be known and designated as Paragraph (e) of said Section 324.7 of the By-Laws of the Iowa Corporation, relating to Presiding Officers of Temples, to read, if adopted, as follows:

"§324.7(e) The presiding officer, at his pleasure, at any meeting or session of the Temple, may request any Past Potentate to preside."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE WARREN L. JONES: I move you, Sir, the adoption of the report and of the proposed amendment. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and the amendment. Any discussion? Noble Chackes.

NOBLE LOUIS CHACKES: The amendment states "The presiding officer, at his pleasure, at any meeting or session of the Temple, may request any Past Potentate to preside." My amendment is "Any Past Potentate of his Temple to preside." Otherwise this gives the permission to have some Past Potentate of another Temple to preside.

Therefore, I offer the amendment the words "of his Temple" so that it will read "The presiding officer, at his pleasure, at any meeting or session of the Temple, may request any Past Potentate of his Temple to preside."

NOBLE WARREN L. JONES: On behalf of Jurisprudence and Laws I join in the proposal to amend the proposal and I second Representative Chackes' motion.

IMPERIAL POTENTATE COLLINS: We will now vote on the amendment to the motion. All in favor signify by the usual sign. Those opposed by the same sign.

Now we are going to vote on the amendment itself. Any discussion?

NOBLE HAROLD C. CLOSE: Imperial Sir and Representatives: This seems like a very innocuous simple little motion that doesn't hurt anybody. I would like to tell you some of the experiences we have had and being familiar with some of our experience you will be able to vote on this more intelligently than if you didn't know what has happened in the past.

The law now says that the Potentate shall preside over his meetings, in his absence the Chief Rabbani and in his absence the Assistant Rabbani. I think this is good law myself. In the past we have had occasions where a Past Potentate has presided over a Temple's annual meeting as many as ten, twelve, fifteen years. I know instances where no Potentate dares run his own annual meeting because of a domineering attitude of a Past Potentate. May I say to you that in some instances while this is a violation of our present law and Code this has been done by judges and lawyers. I am a layman and I believe it is against the law.

We had one instance several years ago where a presiding officer who had been presiding over the Temple's annual meeting for several years failed to recognize a Noble in good standing who wanted to make a nomination and as the result of that action the three top officers of the Temple were voted out and three chosen from the floor to take their place.

We have had other instances in some Temples where the presiding officer never hears any no vote that he doesn't want to hear.

A Past Potentate is not subject to the vote of the Temple like the Potentate, Chief Rabban and Assistant Rabban are subject to the votes of the Nobility.

Here again I don't believe there is any widespread demand for this legislation. I don't believe there is any widespread demand from the Representatives of this Imperial Council for this amendment and personally I object to changing the By-laws of the Imperial Council simply to accommodate four or five individuals. (Applause)

NOBLE ROBERT GARDINER WILSON, JR.: Imperial Potentate, I agree that this is more or less of an innocuous motion and certainly the discussion is and I personally will not take your time entering into personalities. There are presiding officers like the excellent one that we have had today and there are poor ones but the reasons that this particular amendment should be made perhaps would number quickly three.

First, this amendment would be consistent with the practice in the Imperial Council itself where the Imperial Potentate if he so desires either through weakness or wanting to go for a coffee break or even more personal reasons can call on an Imperial Divan Officer or a Past Imperial Potentate, numbering in all some twenty-four, to stand by and fill in his place while he steps out of the room for a few moments. So this particular arrangement would be consistent with our own law as we meet here today.

Secondly, I can conceive of a situation in a local Temple under the present rule which requires a Potentate to stand up the entire evening and preside over his meeting whether he wants to or not. It may so happen, and it doesn't happen so much in recent years, that he is a candidate for re-election and he is therefore presiding over his own re-election and under the existing By-laws cannot ask anyone else to preside because he is not absent from the room.

Third, if he wants to talk, and this rule on many occasions is violated, if the Potentate of your Temple is the presiding officer and he is the fair impartial type of presiding officer he can't talk on any question at any meeting of his Temple while he presides and the only time when he can't preside in a meeting of his Temple is when he is absent and then he couldn't speak in any event.

So I say as a matter of ordinary logic the Potentate of any subordinate Temple should be able to preside if he so desires or call on his Chief Rabban or call on one of his many Past Potentates. He doesn't have to do it and he can call on them whether they are lawyers, judges, doctors or ribbon counter clerks if they are fair and impartial and I don't believe there is any logical reason in the world why this particular amendment should not be passed and I would urge you to vote this passage. (Applause)

IMPERIAL POTENTATE COLLINS: This requires two-thirds?

NOBLE WARREN L. JONES: Two thirds.

IMPERIAL POTENTATE COLLINS: Ready for the question? Those in favor signify by raising your right hand. Those opposed by the same sign. Carried by a two-thirds vote.

I call on Bill Knowlton of the Jurisprudence and Laws Committee.

NOBLE WILLIAM H. KNOWLTON: Imperial Sir and Representatives, the matter I am about to present was before you earlier. (Reading)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a Resolution submitted to this session by the Imperial Potentate which proposes to amend §206.7 of the By-laws of the Iowa Corporation, relating to Salaries, to read if adopted as follows:

"§206.7 Salaries

- (a) The Imperial Recorder shall be paid an annual salary in such amount as the Imperial Council shall provide.
- (b) The Imperial Treasurer may be paid an annual salary in such amount as the Imperial Council may provide."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or the By-laws.

This is signed by all the members of the Committee. In order to bring the matter to your attention I move the adoption of the report and of the amendment. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the reading of the motion and the amendment. It requires a two-thirds vote. Is there any discussion or any question? All those in favor signify by raising the right hand. Those opposed by the same token. So carried by two-thirds.

Now Bob Turley of Jurisprudence and Laws.

NOBLE ROBERT J. TURLEY: Imperial Sir, Imperial Sirs and Imperial Representatives. This is another report from the Committee on Jurisprudence and Laws. (Reading)

There has been referred to your Committee on Jurisprudence and Laws a Resolution, which, if adopted by a majority vote will remove from the current Imperial Council budget, provision for payment of a salary or allowance of secretarial expenses to the Imperial Treasurer, and reads, as follows:

WHEREAS, since the revision of the Imperial By-Laws the duties required to be performed by the Imperial Treasurer have been reduced to a minimum consisting largely of signing checks, as the other duties assigned to the Imperial Treasurer, under Section 206.5 (e) of the Imperial By-Laws, are now being performed by the staff in National Headquarters in Chicago, Illinois; hence, it is recommended that no salary be included for payment to the Imperial Treasurer in the current or ensuing budgets of the Imperial Council unless and until changed conditions and further action by this Imperial Council be deemed — necessary or desirable.

THEREFORE BE IT RESOLVED: That until the duties required to be performed by the Imperial Treasurer are so performed by the Imperial Treasurer, rather than by the staff of National Headquarters, that no provision for an annual salary and secretarial expenses for payment to the Imperial Treasurer shall be included in the annual budget of the Imperial Council or paid to the Imperial Treasurer until further action by the Imperial Council.

Your committee on Jurisprudence and Laws of the Iowa Corporation, is of the opinion, and so finds, that this resolution is in proper and legal form and not in conflict with the provisions of the Articles of Incorporation or By-Laws.

Respectfully submitted,

Imperial Sir, in order that this might be presented to the floor of the Imperial Council I move the adoption of the resolution.

IMPERIAL POTENTATE COLLINS: Is there a second? (Motion seconded) Our Imperial Treasurer wishes to make a comment.

NOBLE HAROLD C. CLOSE: Thank you, Imperial Sir and Representatives. Let me say that I have never been one who feels a member of the Fraternity should make a contribution to our Fraternity far above and beyond the call of duty without just compensation. Several years ago because of my own desire to know what the duties of the Imperial Treasurer were and on my own I made a trip to Washington, D. C., and became familiar with the work of that office. As a result of that trip I found out much of the work, and there was a lot of work and detail there at the time, much of that work was in connection with the Hospital Corporation. So I came back and at the next meeting of the Board of Trustees and the Board of Directors I made a recommendation to them which was adopted that the salary of the Imperial Treasurer be increased by the amount of \$5,000. As I say, the Board adopted that recommendation.

Now the revised By-Laws, as I pointed out in a recent communication to you, have recently changed the duty and the work in the Imperial Treasurer's office. The time I am talking about the Imperial Treasurer made all the investments. He decided what banks to keep Shrine money in. A lot of the detail work was done in his office including the mailing out of checks and so forth and there was a lot of work involved. After the adoption of the By-laws the By-laws of both Corporations now provide that the Imperial Treasurer shall arrange at the General Offices of both Corporations for detail work to be done in that office. As that progressed our late Imperial Treasurer declined to accept this increase that was ordered for him before because the work was declining in his office.

Since my appointment to this office I have completed the transfer of all the work previously done in Washington, D. C., to our Chicago office, as he pointed out to you. May I say in connection with this that I highly believe and agree that this is where the work should be done. I do not believe the records of this corporation should be kept in my office nor do I believe that I as an individual should select the depositories for funds. The By-laws provide for a Committee on Investments and they also select the depositories for funds.

So actually the duties of the Treasurer have been reduced and, as I say, I am in favor of this procedure in the matter of signing a few checks. As I said before, I never wanted to believe that a man should contribute a lot of time beyond the call of duty without compensation. Neither do I believe that a man should continue to accept compensation from a Fraternity that requires very little time, and that is the reason for the resolution.

IMPERIAL POTENTATE COLLINS: Judge Wilson has asked for the floor.

NOBLE ROBERT GARDINER WILSON, JR.: This resolution caught me a little unawares and I have a confession to make because when I read it the first time I read the detail that I should have read two years ago.

The explanation is made between the old By-laws and the new By-laws. All of you weren't here two years ago when we met and you more or less relied on the fact that we were having at this time in 1964 a clarification and codification of the By-laws and so forth of two great corporations, the Iowa and the Colorado. Those of us who were here heard one gentleman make the statement that a revision contemplates a redrafting and a simplification of the entire body of the law, the elimination of duplication and contradiction and obsolete provisions, and we heard another statement made two years ago that we set up a Commission to revise and codify. It was not the function of the Committee to make amendments. It was the function of the Committee to make clear the provisions of the By-laws with certainty. So I went along with that.

At this time perhaps I was talking too much anyway and decided to say nothing about the changes until this resolution came in. Then I looked back at the By-laws revised in 1959 and I looked to see who the officers, for example, of the Colorado Corporation were and what their duties were and in the Colorado Corporation I found listed, for example, a Secretary and a Treasurer and under the duties of the officers, believe it or not, there wasn't one word of duties to be delegated to the Secretary which left him with the usual run of the mill duties of a Secretary of any great corporation.

Then I looked in the old By-laws for the duties of the Treasurer and they were the usual duties of a fiscal officer of a \$246 million corporation, two pages of detailed and important duties.

Then I looked at the new By-laws for 1964 and I am going to move, when I am done, to lay this on the table for the present because I want you to go back to your rooms if you have copies of the old By-laws and the new By-laws and compare the duties of the Secretary and the duties of the Treasurer in both the Iowa and Colorado Corporations and then I think you will agree with me that there was a whole new setup.

Haskins & Sells back about four years ago received \$25,000 to make a survey of the operations of our great corporations, especially the Colorado Corporation, and he gave various duties that a Treasurer should perform. I think that a \$246 million corporation should have a Treasurer, and a paid Treasurer. I don't care whether he keeps his books in that beautiful building of ours in Chicago. I prefer that he keep them there but I think we should have a system of checks and balances. I am a Recorder of a Commandery up in New England and I send out the bills and collect the money and when I get it I pay over to the Treasurer and he pays the bills and we check each other and I think that is a swell idea especially when we are up around \$246 million.

So I hate to see a resolution passed which would bind this great Colorado Corporation or the Iowa Corporation not to pay any Treasurer of our Corporations any money because he either wants to work for nothing or because he has got nothing to do. That should be changed and if we need a change we should give back to the Treasurer the duties that belong to him. (Applause)

IMPERIAL POTENTATE COLLINS: Was that a motion to table, Judge?

NOBLE ROBERT GARDINER WILSON, JR.: I announced it early in the picture but I should have ended with it. I move that the matter lay on the table. (Motion seconded)

IMPERIAL POTENTATE COLLINS: There is no discussion on this. This takes just a majority, right?

NOBLE ROBERT GARDINER WILSON, JR.: That is right.

IMPERIAL POTENTATE COLLINS: All those in favor that this be tabled raise your right hand. All those opposed the same. So carried.

Gentlemen, we are going to conclude our operations for today. Before you make your rush for the doors please keep your seats. (Laughter) Our Imperial Recorder has an announcement to make. All of those unfinished business items that were pending with our Jurisprudence and Laws Committee will be referred back to you as instructed for inclusion in our business tomorrow. Is that right?

NOBLE ROBERT H. FOUKE: All that you have submitted to us for a report.

IMPERIAL POTENTATE COLLINS: All those submitted to Jurisprudence and Laws for report.

Now I turn the gavel over to the Imperial Recorder.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, the first order of business tomorrow, by virtue of the Call, is the election of officers. It is the Imperial Potentate's thought that you start your election for officers at nine o'clock. The first officer to be elected is the incoming Imperial Potentate. The present Imperial Potentate proposes to recess the meeting immediately after the election, which should not take longer than ten minutes. That would be at nine-ten, after which the room is turned over to the Imperial Potentate-elect and he invites you and your ladies to come in for the pageant that will be held immediately after the nine-ten recess. After the pageant the Imperial Potentate will resume with the election.

Don't forget, the banquet is tomorrow night. Don't forget your tickets for the banquet.

IMPERIAL POTENTATE COLLINS: You are now recessed until nine o'clock tomorrow morning.

(The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 4:50 P.M. to reconvene at 9:00 A.M., Wednesday, July 6, 1966, in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California.)

MORNING SESSION
WEDNESDAY, JULY 6, 1966
NINE O'CLOCK A.M.

The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California, Wednesday, July 6, 1966, at 9:00 A.M., Imperial Potentate Barney W. Collins presiding.

IMPERIAL POTENTATE COLLINS: Nobles, we are about to have the Invocation.

BRIG. GEN. AND NOBLE ANDREW P. TELFER: O God, our Heavenly Father, the Great Architect of the Universe, before Whom all Masons with reverence bow and from Whom and through Whom we have life everlasting, we pray Thy Blessing upon our deliberations this day at the very commencement of our session. May the Power of God come into the hearts of men and may charity emanate from our hearts and may it reach down into the most hopeless case of a crippled child and may we be able to exalt God and bring about better Shrinedom to make us better men to make this a better country in which to bring children up in, because we have asked it in the Father's Name. Amen.

IMPERIAL POTENTATE COLLINS: I now recognize the Potentate of Zamora Temple.

NOBLE JESSE E. LANIER: Imperial Sir, Imperial Sirs, Ill. Potentates, fellow Representatives and Nobles. It is my pleasure and certainly a delightful privilege and honor to make the nomination of one to hold the highest office in Shrinedom. As Mayor of Imperial Sir Orville Rush's home city, Bessemer, Alabama, and having full knowledge of his many activities from his early boyhood to the present time, I feel that I am in a position to give you a few facts about one of America's outstanding statesmen.

Imperial Sir Orville F. Rush has achieved the highest rank in every phase of activity, never being satisfied to be just a member but always striving to hold top position, which he has held in Boy Scouts, when a youngster, America's youngest newspaper editor, University of Alabama's President of the Student Body, Editor of University of Alabama's school paper, State oratorical champion and served as president of the freshman, sophomore, junior and senior class in high school. Valedictorian of his class, where the only time in the history of our city one person made the President's address and the Valedictorian address the same night. He has excelled in civic affairs, church affairs and also headed many school honor societies and organizations, voted the outstanding student in high school. He is the father of Denny Chimes, University of Alabama, a monument erected and dedicated to one of its former presidents, Dr. George H. Denny. Under five Governors he served as legal counsel and personal representative in Washington. An outstanding attorney, a very prosperous businessman, he has served our Fraternity as Master of the Blue Lodge, Potentate of his Temple and I know of no man who has accomplished more or given more freely of his time and effort for the welfare and progress of Masonry in general. It has been said that service is the rent you pay for the space you occupy. Imperial Sir Orville F. Rush has certainly paid his rent.

Imperial Sir, I now place in nomination the name of Imperial Sir Orville F. Rush for the high office of Imperial Potentate of North America for the year 1966-67. Hearing no further nominations, Imperial Sir, I suggest and move that the rules be suspended, that the nominations be closed and the unanimous ballot of this Assembly in Imperial Session be cast by Ill. Potentate Hyman Brenner, Potentate of Kena Temple. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion which has been seconded. All those in favor signify by raising the right hand. Those opposed by the same sign. I declare it a unanimous election. (Standing applause) We now have to have the man come up and cast the ballot to make it official.

NOBLE HYMAN BRENNER: Imperial Sir, Kena Temple has looked forward to this day for many years. It is with much gratification and deep honor that I cast the unanimous ballot of this Imperial Session for our most distinguished Senior Past Potentate Orville F. Rush for Imperial Potentate for the Shrine year of 1966-67. (Applause)

IMPERIAL POTENTATE COLLINS: Fellows, in spite of the tremendous pressure on me to run again (laughter) I recognize the will of the majority and I withdraw any support that you gentlemen were going to give me ordinarily and cast it for our new Imperial Potentate. There is one more formality to dispense with and I will ask him if he accepts.

NOBLE ORVILLE F. RUSH: I do, Imperial Sir, with sincere thanks to my fellow Representatives for their magnificent confidence during the past nine years. (Standing applause)

IMPERIAL POTENTATE COLLINS: Gentlemen, your new Imperial Potentate-elect Orville F. Rush. Gentlemen, I still want you to remember that Barney W. Collins of Mexico City will remain and be Imperial Potentate until midnight July 8, next Friday. (Laughter and applause)

We are now going to have our pageant.

(A short recess was taken following which a pageant was staged honoring the newly elected Imperial Potentate, Noble Orville F. Rush. Following the pageant the following ceremonies took place.)

(Imperial Potentate-elect Orville F. Rush was escorted to the stage by the Melha Temple Highlanders Scottish Bagpipe Band.)

IMPERIAL POTENTATE-ELECT RUSH: I shall make my remarks at a later time but with sincere thanks and gratification to the Melha Temple Highlanders. (Applause)

NOBLE JESSE E. LANIER: Now the Imperial Sir will have the honor of presenting to you his wonderful lovely Imperial Family. Imperial Sir Orville Rush.

IMPERIAL POTENTATE-ELECT RUSH: We have quite a contingent out there. (Laughter)

First the scintillating, effervescent, lovable, loyal Queen Mother Mary, as we call her. (Laughter and applause)

Now my oldest son, Dr. Orville Findley Rush, Jr., B.S., M.S., Ph.D., and so forth, (laughter) Supervisor of Science and Mathematics in the New York City school district, and prior to that a Professor at the University of Mississippi and Instructor at the University of North Carolina. (Applause)

Now Noble Franklin Archibald Rush, who belongs to my own Temple. Like Findley he was educated in Alabama Military Institute and College and then did some work at the University of Virginia. (Applause)

Next is Robert Lindsey Rush, who also was at the Military Institute and Alabama, and we are delighted to have him with us. (Applause)

Now my oldest daughter, graduated from the University of Alabama two weeks ago, Penny. (Applause)

Next is one just a little bit younger but she also graduated two weeks ago at the University of Alabama, and I am delighted to give you Patty. (Applause)

Another one who attends the University of Alabama, my youngest daughter Pamela. (Applause)

Now the baby of the family but you wouldn't know it by his size. He is a Page at the United States Congress and goes to the United States Capital Page School. Kingsley P. "Buster" Rush. (Applause)

NOBLE JESSE E. LANIER: And now a presentation by Past Potentate Edward E. Buckley of some beautiful yellow roses.

NOBLE EDWARD E. BUCKLEY: I would like to address my remarks to Mary. (Laughter)

Mary, years ago you became the favorite of all the families of Kena Temple. Since then you have become the sweetheart of Shriners and folks everywhere. I know that in the coming year you will thoroughly enjoy your visitations all around the world and again meet all your friends everywhere. On behalf of the Illustrious Potentate and Officers and members of Kena Temple I take pleasure in presenting you this bouquet of yellow roses and wish you every happiness in the days that lie ahead. (Applause)

(At this time the Divan and Past Potentates of Kena Temple were introduced followed by the Potentates of the Virginia and Alabama Temples.)

IMPERIAL POTENTATE-ELECT RUSH: Now the Ill. Potentate of Zamora Temple, Birmingham, Alabama, our narrator and my friend of long standing, the Mayor of my home town, Jesse E. Lanier. (Applause)

NOBLE JESSE E. LANIER: Thank you, Imperial Sir, for that fine plug. (Laughter)

(At this time the Potentate from the District of Columbia was introduced.)

NOBLE JESSE E. LANIER: Ladies and gentlemen, the new Chaplain designee and the presentation of his fez by the Imperial Sir Orville Rush. (Applause)

IMPERIAL POTENTATE-ELECT RUSH: Nobles, ladies and friends. Woodrow Wilson Hayzlett has been Pastor in our area for many years and I had the pleasure of serving with him five years as Chairman of his Official Board as a Lay Leader and Chairman of the Board of Trustees and also taught his men's Bible Class. There is not a finer individual ever lived than Woodrow Wilson Hayzlett and I am delighted to announce him as the next Imperial Chaplain for the Shrine of North America and I am pleased to place on his head an Imperial Chaplain's fez. (Applause)

NOBLE JESSE E. LANIER: And now a presentation by the National Association of Shrine Photographers.

PHOTOGRAPHERS REPRESENTATIVE: Imperial Sir, on behalf of the National Association of Shrine Photographers we present this plaque for the wonderful things you have done for us in getting us started and Godspeed you, Sir. (Applause)

NOBLE JESSE E. LANIER: The traditional presentation of the swagger stick by the Al Malaikah Scimitar Patrol to the Imperial Potentate will be made by Captain Al Mikaelian.

NOBLE AL MIKAELIAN: Imperial Sir Orville Rush, it has been a tradition at the Imperial Council Session for many years to present the Imperial Sir from the Al Malaikah Scimitar Patrol a ceremonial swagger stick with your Masonic record. It is my honor to present to you from our President and our Scimitar Patrol your personal swagger stick. Lots of luck. (Applause)

IMPERIAL POTENTATE-ELECT RUSH: Thank you. I shall always cherish this and it shall serve as a constant reminder of my warm friendship with the Nobles of Al Malaikah Temple.

NOBLE JESSE E. LANIER: At this time we recognize the Ill. Potentate of Kena Temple for a presentation. Potentate Hyman Brenner.

NOBLE HYMAN BRENNER: Imperial Sir, on behalf of the Officers of Kena Temple, our Ill. Potentate and our general Nobility, I would like to present to you a gold key. It doesn't fit anything but it is a gold key. (Laughter) After your tenure of office as Imperial Potentate this key will fit a 1968 Cadillac. (Applause)

I will now present you with a model of the Cadillac. (Laughter and applause)

IMPERIAL POTENTATE-ELECT RUSH: Ill. Potentate, Officers and Nobles of Kena Temple, I don't think words can express my humble appreciation for this wonderful gift and I assure you that while riding around in this Cadillac I will be thinking of Kena Temple all the time. Thank you. (Laughter and applause)

NOBLE JESSE E. LANIER: I now recognize Chief Rabban Austin J. Edison of Kena Temple.

NOBLE AUSTIN J. EDISON: Imperial Sir, we know that you and your lovely lady Mary are going to do a lot of traveling this year and we in Kena Temple would like you to have some pleasure so we are giving you a certificate for a set of matched luggage. (Applause)

IMPERIAL POTENTATE-ELECT RUSH: This is also very, very much appreciated and our hearts overflow for this gift. Thank you again.

NOBLE JESSE E. LANIER: At this time if Noble W. G. Pettay would come forward Zamora Temple would like to make a presentation.

Imperial Sir, two of your home town boys, myself and Noble W. G. Petty who is Assistant Rabban, representing Zamora Temple. We take great pleasure in not letting Kena Temple steal all the show but we want to make a presentation to you that we know you will enjoy, the Imperial Potentate's Shrine pin. On behalf of our Nobility and the Divan it is our pleasure to present you with the Imperial Potentate's pin. (Applause)

IMPERIAL POTENTATE-ELECT RUSH: Thank you, Jesse and Buddy. This is indeed very much appreciated and will always serve as a constant reminder of the wonderful friendships with Zamora Temple in the past two decades. I shall never forget.

NOBLE JESSE E. LANIER: Thank you, Imperial Sir.

The presentation of the Imperial Potentate's flag will be made by the Imperial Recorder, Imperial Sir George M. Saunders. (Applause)

NOBLE GEORGE M. SAUNDERS: Mr. Chairman, Imperial Sir and friends. In the name of the Imperial Council I am privileged to present to you the banner of the Imperial Potentate. This emblem of Imperial dignity has been carried by Imperial Potentates at the head of their marching legions to designate to all and sundry the presence of the Imperial Potentate in their midst. The royal purple of this flag with the gold embroidery therein reflects a regal presentation in the minds of the public that elevates our Order to the highest pinnacle of service to mankind. May it ever lead you in paths of joy and happiness.

Along with this I want to present a check from the Imperial Council to help cover a bit of the cost of the travels you are going to be doing with Mary. (Applause)

IMPERIAL POTENTATE-ELECT RUSH: Thank you for those very thoughtful and gracious words. It is with much gratification that I accept this flag.

NOBLE JESSE E. LANIER: Now, ladies and gentlemen, the presentation of the fez to the Imperial Potentate by Noble Franklin A. Rush and Kingsley P. Rush, a DeMolay, assisted by the other Rush sons, Dr. Orville Rush, Jr. and Robert Rush. (Applause)

NOBLE FRANKLIN A. RUSH: Imperial Sir, Dad, (Laughter) I am doing pretty good so far. Your sons on behalf of the Officers and Nobility of Kena Temple present to you your Imperial Potentate's fez. (Applause)

IMPERIAL POTENTATE-ELECT RUSH: How can you have a more wonderful presentation than that with my four fine young sons. I shall never forget this moment. (Applause)

Before they get away I am going to present Noble Franklin A. Rush and I am pleased to present to you, Frank, the Imperial Potentate's Aide fez and this coming Shrine year you will be Chairman of the Imperial Potentate's Aides. (Applause)

NOBLE JESSE E. LANIER: At this time, and we are very close to the end, I would like to read only one or two telegrams that the Imperial Sir has received. There are a large number of them but due to the closeness of these individuals we will read only one or two.

"Dear Illustrious Potentate Orville. My warmest congratulations as you take on the duties of Shrinedom's highest honors. May this be a great year for you and all of our Temples and Nobles throughout North America. This honor you are receiving is fitting recognition of your long service. My best wishes as you proceed into a joyous and fulfilling and effective year of service to the Imperial Council and our vast membership. Best regards. Hubert H. Humphrey, Vice President of the United States." (Applause)

"My congratulations and best wishes on being named Imperial Potentate of the Shrine of North America. This honor not only will reflect well deserved credit on you personally but also our own State of Alabama. As a fellow Alabamian I am proud of you and again my congratulations. United States Senator Lister Hill." (Applause)

"Congratulations on your election as Imperial Potentate of the Shrine of North America. Your election reflects credit on Shrinedom, yourself and our great State of Alabama. We know we speak for all Alabamians when we say we are very proud of you. We will be looking forward to your official visit to Alabama." And it is signed by

the Hon. Governor George Corley Wallace and the Governor-elect Lurleen Wallace. (Applause)

"The University of Alabama is highly honored that one of its most loyal alumni is being installed today as the Imperial Potentate of the Shrine of North America. Congratulations and best wishes. Dr. Frank A. Rose, University of Alabama." (Applause)

"Hearty congratulations from Alabama and America's number one football team and I only wish I could say that I was the number one coach but to the number one Shriner of North America congratulations. Paul W. Bryant, Coach of the University of Alabama Football Team." (Applause)

"Congratulations upon your elevation to the position of Imperial Potentate. All of us from Alabama take great pride in that another fellow Alabamian has been elevated to the high and responsible position. I wish you great success and happiness. United States Senator John Sparkman." (Applause)

Needless to say it would be impossible for us to read all the telegrams.

Ladies and gentlemen, this concludes my part in this program as the Mayor of Bessemer, Alabama, and Potentate of Zamora Temple.

I think at this time I should recognize the man in complete charge of the pageant. He performed everything done today. He is a dear and close friend of Imperial Sir Orville Rush, a Past Potentate of Kena Temple. I know you want to give a great big rousing hand to Past Potentate Edward E. Buckley of Kena Temple. (Applause)

Imperial Sir, you now have it. (Laughter and applause)

IMPERIAL POTENTATE-ELECT RUSH: Thank you very much, Jesse. I am grateful to Ed Buckley and you and the numerous other individuals who assisted with this magnificent program this morning. I do not think this is the time for a formal address but I do wish to thank the Imperial Representatives for electing me to their highest office.

I thank the Officers and Nobles of Kena Temple for their numerous courtesies, also Zamora Temple, Melha Temple, Al Malaikah Temple, Islam Temple, and other Temples who have assisted us with this pageant and other programs concerning the convention.

We have out in the audience many warm friends of long standing, distinguished individuals. I understand my dear friend Congressman Charles Wilson from Los Angeles is in the audience and many others and I am certainly grateful that all of you have seen fit to be with us this morning.

I want to tell you this. It is quite a feat to get seven young ones together at one time. (Laughter) We hadn't had a group picture for a long time. With seven children and Mary and myself that is nine. I hope the photographers had some film in their cameras (laughter) and I hope we will get some new family group pictures. We are a closely knit family and together on numerous occasions but it is a little difficult to get us all together at one time because some are scattered in various areas.

It is with much gratification that I accept this honor of leading the world's greatest Fraternity, in my opinion, and the world's most humanitarian and magnificent philanthropy. I shall do my best. I hope that it will be possible for me to visit all of the Temples in Shrinedom or at least attend some events where Nobles and Officers are in attendance. If at any time in this year individually or collectively you feel that I may be of some service please feel free to call on me. I thank all of you and God bless all of you. (Standing applause)

(Following a short recess the auditorium was tiled for the continuation of business at 11:15 A.M.)

IMPERIAL POTENTATE COLLINS: Gentlemen, we are ready to go. Please close the doors and may I have your attention. We are now going to vote for the Deputy Imperial Potentate.

First I have one little announcement which I think is pertinent. I am going to read it just as it is printed. Are we completely tiled, gentlemen, nobody here except Representatives and Shriners? All the Representatives are occupying the front seats?

The point is we don't want anyone here who is not a member in good standing in the Shrine or a Representative. There are no technicians and everyone not entitled has gone? Here is the report.

Before proceeding with the election of Officers, the remaining Officers to be elected, there is a statement which should be made.

Shortly we will have election to office in which there will be contests. All of the candidates conducted a clean campaign but there were some anonymous letters, documents and literature, distributed by someone. You should not allow this type of literature to influence your vote. The circulation of anonymous literature is un-Masonic and not in keeping with the dignity of the Shrine. It deserves to be completely and totally ignored. (Applause)

Thank you. I now will read from the By-laws of the Iowa Corporation, Section 206.2 with reference to elections, Section (c) under the heading of Nominations. "Nominating speeches shall be limited to one for each candidate and shall not exceed five minutes in duration. No seconding speeches are permitted."

I now recognize Albin Anderson, Potentate of Medinah Temple.

NOBLE ALBIN R. ANDERSON: Imperial Sir, Imperial Sirs, fellow Representatives. I bring greetings from the 22,000 Shriners of Medinah Temple, Chicago. It is my pleasant duty to suggest the name of our present Imperial Assistant Rabban Thomas F. Seay in nomination for the office of Deputy Imperial Potentate for the ensuing year. Hearing no further nominations I move the rules be suspended, the nominations be closed, and our Imperial Recorder George Saunders cast one ballot certifying his election. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion. It has been seconded. All those in favor signify by raising the right hand. Those opposed. I declare it unanimous and ask the Recorder to cast the unanimous vote.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, it is a genuine pleasure for me to cast the unanimous ballot of this Imperial Council for Thomas F. Seay for the office of Deputy Imperial Potentate for the ensuing term.

IMPERIAL POTENTATE COLLINS: Will Thomas F. Seay come to the podium. (Applause) Tom, do you accept?

NOBLE THOMAS F. SEAY: Imperial Sir, Imperial Sirs, Representatives I am again honored. My Temple is honored. For this high honor of the office of Deputy Imperial Potentate, Sir, I accept and thank you very much. (Applause)

IMPERIAL POTENTATE COLLINS: I declare Thomas F. Seay elected officially Deputy Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America.

I now recognize Dr. Brandt Bede, Potentate of Afifi Temple.

NOBLE BRANDT BEDE: Imperial Sir, Imperial Sirs, fellow Representatives. It is a distinct privilege for me to place in nomination for the office of Imperial Chief Rabban Chester A. Hogan, the present Imperial High Priest and Prophet. Hearing no further nominations, Imperial Sir, I move the nominations be closed, the rules be suspended, and that our Chief Rabban of Afifi Temple, Bert Sweeting, cast a unanimous ballot for Chester A. Hogan as Imperial Chief Rabban. (Motion seconded)

IMPERIAL POTENTATE COLLINS: It has been moved and seconded that Chester A. Hogan be elected as Imperial Chief Rabban. Are you ready for the question? All those in favor signify by raising the right hand. Those opposed the same sign. I declare it unanimous but first we are going to cast the ballot.

NOBLE BERT S. SWEETING: Imperial Sir, Imperial Sirs, Delegates. It is my privilege today to cast the unanimous ballot for Chester A. Hogan, Afifi Temple's most distinguished Shriner. I am very happy to have this privilege at this time to cast the unanimous ballot for Chester A. Hogan for Imperial Chief Rabban for the Shrine of North America. (Applause)

IMPERIAL POTENTATE COLLINS: Chester Hogan, do you accept?

NOBLE CHESTER A. HOGAN: Imperial Sir, Representatives to this great Imperial Council Session. May I thank you for your continued confidence and faith in me. I do accept. (Applause)

IMPERIAL POTENTATE COLLINS: The Chair declares Chester A. Hogan duly elected as Imperial Chief Rabban.

I now recognize Eugene Thornburgh, Potentate of Murat Temple.

NOBLE F. EUGENE THORNBURGH: Imperial Sir, Imperial Sirs, my fellow Representatives. It is indeed a privilege and honor for me as Potentate of Murat Temple, the fifth largest Temple in all Shrinedom, to place in nomination the name of J. Worth Baker, present Imperial Oriental Guide, for the office of Imperial Assistant Rabban. Hearing no further nominations it is my privilege to ask our Chief Rabban of Zorah Temple, another fine Temple in Indiana, to cast the unanimous ballot.

I am told that we have to move that the rules be suspended and we permit our Chief Rabban from Zorah Temple to cast the unanimous ballot. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion. It has been seconded. Ready for the question? All those in favor signify by raising the right hand. Those opposed by the same sign. It is unanimous and I ask you to cast the white ballot.

NOBLE FRANK FISHER: I consider it a privilege from a sister Temple from a great Shrine State to cast the unanimous ballot.

IMPERIAL POTENTATE COLLINS: Worth Baker, do you accept?

NOBLE J. WORTH BAKER: Imperial Sir, fellow Representatives, with humility and gratitude I do accept and wish to thank you for your continued confidence and support. (Applause)

IMPERIAL POTENTATE COLLINS: I now declare J. Worth Baker duly elected as Imperial Assistant Rabban for the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America.

I now recognize Mel Blassingham of Khedive Temple.

NOBLE MELVIN T. BLASSINGHAM: Imperial Sir, Imperial Sirs and Representatives. It affords me a great deal of pleasure to place in nomination one of Khedive Temple's beloved and outstanding members for the office of Imperial High Priest and Prophet, Imperial Sir Aubrey G. Graham. Hearing no other nominations I move you, Sir, that the rules be suspended and that Past Potentate and Representative Jesse A. White cast the unanimous ballot of this Imperial Council for his election. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and second. Are you ready for the question? All those in favor signify by raising the right hand. Those opposed by the same sign. Now the ballot.

NOBLE JESSE A. WHITE: Imperial Sir and Representatives. It is a distinct pleasure and privilege for me to cast the unanimous ballot of this Imperial Council for Noble Aubrey Guy Graham for the office of Imperial Potentate — Imperial High Priest and Prophet (laughter) for the ensuing year.

IMPERIAL POTENTATE COLLINS: Aubrey, do you accept?

NOBLE AUBREY G. GRAHAM: Imperial Sir Barney Collins, fellow members of the Imperial Divan, Representatives, fellow Nobles. I am moving too fast now, please do not hurry it up. (Laughter) I am most grateful. I am most humble. I do appreciate this great honor and I know the members of my Temple and the Temples of Virginia will concur in this election. Please be assured of my continued duties and responsibilities to this great Shrine and Imperial Council. Thank you so much. (Applause)

IMPERIAL POTENTATE COLLINS: The Chair recognizes the election of Aubrey Graham as Imperial High Priest and Prophet.

I now recognize Roger Murdock from Al Malaikah Temple.

NOBLE ROGER E. MURDOCK: Imperial Sir Barney Collins, Imperial Officers, Illustrious Potentates and Representatives. It is my pleasure to place in nomination the name of C. P. "Chick" MacGregor for the Imperial Office of Oriental Guide. Imperial Sir,

if there be no further nominations, hearing none I move that the rules be suspended, the Imperial Recorder George Saunders be instructed to cast the unanimous ballot for C. P. "Chick" MacGregor for the Imperial Office of Oriental Guide. (Motion seconded) (Applause)

IMPERIAL POTENTATE COLLINS: You have heard the motion. It has been seconded. Are you ready for the question? All those in favor raise your right hand. Those opposed the same sign. George Saunders will cast the ballot.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives to this Imperial Council. It is a pleasure indeed for me to cast the unanimous ballot for this Imperial Council for C. P. "Chick" MacGregor as Oriental Guide of the Imperial Council for the ensuing term.

IMPERIAL POTENTATE COLLINS: I wonder if C. P. is here?

NOBLE C. P. MACGREGOR: No. (Laughter)

IMPERIAL POTENTATE COLLINS: Chick, do you accept?

NOBLE C. P. MACGREGOR: Imperial Sir Barney, Imperial Sirs, Representatives and Nobles all. It is a great honor for me to accept this high office and I assure you that I will do the very best I can to fulfill all the obligations that are required of me. Thank you very much. (Applause)

IMPERIAL POTENTATE COLLINS: The Chair declares C. P. MacGregor duly elected as Imperial Oriental Guide.

Gentlemen, we have three candidates for the office of Imperial Treasurer. I am going to ask the three candidates to come and stand here. I am going to ask the three nominators, Potentate Stanley Peterson of Sphinx Temple, Jim McKnight of Zem Zem Temple, and Judge Meister of Tripoli Temple to come up.

In keeping with past practice when we have multiple candidates to be nominated so it will be completely fair the names of each of these three candidates will be placed in a fez. The fez will be presented to the candidates and each will draw for first, second or third place and in that particular order they will be nominated, after which we will give you instructions as to the method of balloting.

(The candidates drew for nominating position.)

IMPERIAL POTENTATE COLLINS: We will follow the same procedure as to the number of minutes allocated to each nominator. They were drawn in this order: Brock in first place, Close in second place, and Melham in third place.

Will the nominator for Past Imperial Potentate Brock come forth. He will be given five minutes to extol the virtues of his candidate.

NOBLE JAMES A. MCKNIGHT: Imperial Sir, Imperial Sirs, fellow Representatives and my friends. Once again it is my distinct pleasure and high privilege to nominate for the important and exalted office of Imperial Treasurer of the Shrine of North America, one whom I have known and loved for almost as many years as he has lived in our fair city. It has been my signal honor to have nominated him for each successive step as he climbed the Imperial ladder to eventually occupy the exalted position of Imperial Potentate of the Shrine of North America and Chairman of the Board of the Colorado Corporation.

Those of you who are familiar with his record as Imperial Potentate will concur with me that few of his predecessors can boast of more outstanding business, Masonic and civic achievements, or have demonstrated greater ability, or a more profound dedication to our beloved fraternity and to humanity than has been his contribution to our beloved Order of the Shrine of North America.

I present to you several editions of Zem Zem News in which have appeared column after column, extolling his outstanding achievements and virtues. Tear sheets have been periodically forwarded to you. The abundant and deserved publicity which he received in the high office of Imperial Potentate long since have fully acquainted you with his ability, his sterling character and his outstanding qualities of leadership.

The first issue of Zem Zem News presents the resolution unanimously adopted by our Temple, as well as his many goals attained and honors received. Another attests

the high esteem in which he is held not only by the Divan of our Temple, but the Past Potentates of Zem Zem Temple, and you have received a copy of this endorsement bearing the signatures of each of our living Past Potentates.

You have seen the photograph of the presentation of a plaque from his employees, commemorating his 40th anniversary and inscribed thereon these words of affection and high esteem:

"We have caused this plaque to be struck as a permanent record of our affection and esteem for Omar Carlyle Brock, II, founder and builder of Sanitary Farms Dairy. Let it stand as our tribute to his leadership, inspiration and guidance which have won for him an enduring place in the hearts of all men with whom he has labored in his chosen industry, in his community, and in those numerous philanthropies to which he has given a lifetime of service."

I give to you, Noble Representatives, a man, a family man — memories which are still vivid in my mind and yours of New York where he was so enthusiastically acclaimed; and again, if you please, in Washington where he so magnificently presided with his delightful family gathered about him sharing his joys, if you please, his love and emotions, a friend who never, and I repeat, a friend who never deserts a friend; his delightful wife, Emily, his Noble son, Omar, his lovely daughter, Carolyn, with three grandsons and three granddaughters, and sons Stuart and Hubert now 11 and 12 years of age.

I am proud to call to your attention again the tributes paid him by the Mayor of the City of Erie and members of his Council, and by the County Commissioners of Erie County. Prior to this, in both the city and the county, a day was set aside which was known as O. Carlyle Brock Day.

I give to you, Representatives, a world-famous sportsman, prospector, explorer, world traveler and hunter — extraordinary qualities which I point out will clearly exemplify his daring, his courage, his forthrightness and persevering willingness to meet any challenge. Born in humble surroundings, he has lived many lifetimes; yet with fame, recognition, power and greatness, he has remained humble, still taking many parts in Masonic Degrees, delivering the inspired charge in Zem Zem's ritualistic cast. He is a Shriner's SHRINER. He believes in Masonry, the "Fraternity of Destiny."

It is my distinct honor and extreme pleasure to place in nomination the soldier, patriot, citizen, able executive and sound businessman, a devoted family man, author, lecturer, dynamic orator, humanitarian, dedicated Mason and Shriner. It is my proud privilege, Nobles and Representatives to place the name of Imperial Sir O. Carlyle Brock in nomination for the office of Imperial Treasurer for the Shrine of North America. And I thank you. (Applause)

IMPERIAL POTENTATE COLLINS: We will next hear the nominator for Past Imperial Potentate Harold C. Close.

NOBLE STANLEY E. PETERSON: Imperial Sir, Imperial Sirs, fellow Representatives and Nobles all. Our present Imperial Treasurer is a sincere and conscientious individual. Following his term as Potentate of Sphinx Temple he has always been available for consultation and advice but he has never endeavored to dominate or control the Temple or its Officers. He has never used his position in the Shrine to benefit his own Temple, his own area or himself.

The Shrine increasingly needs men of vision. The wise men of old said this, "Where there is no vision the people perish. However, where there is vision there is life." Here we have a person with vision, integrity and a wealth of experience, and his objective, Nobles, is what is best for the Shrine? Answer that and he gives all that there is of himself to support the best programs that fit the Shrine's best interests.

He has courage above personal feelings, courage to meet any challenge, wisdom to understand the many and varied problems, and dedication to our cause. That besides his judgment, stature and integrity that is beyond compromise with anything that is wrong.

As Imperial Potentate he recognized, as did several Imperial Potentates before him, the need to strengthen the finances of the Imperial Council and he had the courage and felt it was his duty as Imperial Potentate to inform the Representatives of the need for

additional funds. Through his efforts an increase in the per capita tax was voted and the mileage and per diem payments to Representatives were increased.

Our present Imperial Treasurer has vision, compassion and character. He has dignity, diligence and dedication, all of the attributes to wisely fill and judiciously render the service so necessary to the office of Imperial Treasurer.

As Potentate of Sphinx Temple I am honored to nominate our Past Potentate and Your Past Imperial Potentate Harold C. Close to succeed himself in the office of Imperial Treasurer. I thank you. (Applause)

IMPERIAL POTENTATE COLLINS: We will now hear from the nominator of Past Imperial Potentate Thomas W. Melham.

NOBLE MILTON L. MEISTER: Imperial Sir, Imperial Sirs and fellow Representatives to this Imperial Council Session.

It is a great honor for me to nominate for the office of Imperial Treasurer Past Imperial Potentate Thomas W. Melham of Tripoli Temple, Milwaukee, Wisconsin.

Most of you know him well but those of you who have recently become Representatives will want to know of the long and distinguished Shrine career of this devoted and dedicated Noble.

Tom Melham was born in the State of South Dakota. Later he came to Wisconsin when he graduated from the University of Wisconsin in 1923 with a Bachelor of Science Degree in Business Administration and Commerce.

He became a member of Tripoli Temple in 1929 after becoming both a York Rite and Scottish Rite Mason.

Tom became Potentate of Tripoli Temple and his splendid administration produced a net gain in membership and an outstanding financial record.

In 1948 his ability was recognized by the Representatives of the Imperial Council and he was elected as Imperial Outer Guard from a field of six candidates.

The following year, at Tom's instigation, the Great Lakes Shrine Association was formed with 22 Temples, which then, as today, constitutes 20 per cent of the total Shrine membership in North America. Refusing any office therein, he was elected Honorary President of that Association for life.

Tom served outstandingly as Imperial Potentate in 1957-58. At that time he was 55 years of age. He brought about the adoption by all Temples of the Uniform Chart of Accounts and the required approval of Temple Budgets at annual meetings.

Tom Melham is an Emeritus Member of this Council, having served 23 consecutive years. He has been either Chairman or a member of the important Finance and Accounts Committee for the last 6 years. He has been a member of the National Committee on Wills, Gifts and Bequests almost since its formation.

Tom's business lifetime has been in the fields of insurance, trusts, wills and investments. Three years ago he elected early retirement as an executive of one of our largest financial institutions of which, for the last 11 years, he served as head of its Manhattan office in New York City in the heart of this country's and the world's financial center.

Tom Melham is a clear and capable thinker, sincere and direct, a man of integrity, earnest and able, but a man who possesses that all too rare quality, that of modesty.

Many seasoned Representatives have declared their support of Tom Melham because of their firm belief that he is the best qualified candidate for the office of Imperial Treasurer. Important as this appraisal may be, I want you to know that if you elect him to this important office today you will have a man who will work toward the unity of purpose that is expected of our officers, a man who will not use this office as a springboard to some higher personal ambition.

While age is not conclusive in itself, you will have in Tom Melham the youngest in age of these candidates and the one who has served the Imperial Council for the longest period of time.

I can assure you that all the Nobles of Wisconsin recommend him to you without reservation.

And now, Imperial Sir and Representatives, I respectfully place in nomination, Thomas W. Melham, Past Imperial Sir, for the office of Imperial Treasurer for the ensuing term. Thank you, Representatives. (Applause)

IMPERIAL POTENTATE COLLINS: Are there any further nominations for the office of Imperial Treasurer? I recognize the Potentate of Kaaba Temple.

NOBLE ALBERT H. JACOBS: Imperial Sir, Imperial Sirs, Illustrious Sirs, fellow Representatives and Nobles all. I thought possibly that I might be out of order getting up and placing in nomination someone who is not a Past Imperial Potentate. I have been assured that my nominee shall receive full consideration.

Kaaba Temple was formed some eighty-eight years ago. We are the oldest Temple west of the Mississippi River. We have never, to my knowledge and to fellow Representatives, placed a candidate in nomination for an Imperial Office.

Some ten years ago we elected as a Representative of Kaaba Temple a young dynamic man, a Past Potentate of Kaaba Temple, known well to the Nobility to be the Representative of Kaaba Temple. For ten consecutive years we have elected him as our Representative to the Imperial Council.

Our nominee is well qualified. He is a General Life Insurance Agent, well qualified in the handling of money, handling in excess of a million dollars a year in premiums every year. He maintains a wonderful office, well staffed. He has a great many people working for him and they all admire his ability as a businessman.

Some three years ago it was the privilege of Kaaba Temple to have our Representative elected as Membership Chairman for the Imperial Council. He has done a remarkable job and, strange as it may seem that we have heard that Shrinedom is not progressing, in the past three years we have had no loss of membership. Last year we had a gain of 7,000. Possibly it wasn't as large as we thought we should have but I am sure he did a wonderful job in getting that many new Nobles to the Mystic Shrine.

He has written many and numerous letters to Membership Chairmen of your Temples. He has given you constructive ideas. He has attended many meetings of the Imperial Council. He has presented his ideas, some have been accepted, some have not been accepted. We think in the ideas that he has presented that he has done a wonderful job.

We think now after the completion of three years as Chairman of the Membership Committee that we have a candidate who can do likewise and do a good job as Imperial Treasurer. He has the youth. He has the ability. We think we need someone new in the Treasurer's office, someone who has new ideas.

It is with that that I present in nomination the name of Paul B. McCray for the office of Imperial Treasurer of the Shrine of North America. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: Will Paul McCray please come to the stage.

While he is doing that, Potentate Albert Jacobs of Kaaba Temple, I wish to assure you that nominations from the floor are welcome at all times. There is no monopoly by virtue of any prestige an Imperial Officer may have that takes precedence over any Representative in the Imperial Council. I assure you that he is most welcome and every consideration will be given on his behalf on a par with the other three men who have been nominated before.

NOBLE ALBERT H. JACOBS: Thank you, Imperial Sir.

IMPERIAL POTENTATE COLLINS: Are there any other nominations for the office of Imperial Treasurer? I am going to repeat this three times, at the end of which if no further nominators come forth I will declare the nominations closed. Are there any further nominations for the office of Imperial Treasurer? Are there any further nominations for the office of Imperial Treasurer? Are there any further nominations for the office of Imperial Treasurer? If there are none I declare the nominations closed.

We are now going to hear from Clyde Oliver as to the method of balloting and, gentlemen, please do not leave your seats because by doing so you are only going

to add to the confusion. You are going to delay us from leaving and I know you all want to have lunch so please just don't cast your ballot and run because if you do you are just going to hold the proceedings up. As a matter of fact, I am going to declare that the doors be closed until such time as the Chair declares that the ballots have been closed officially so that we can leave in an orderly and gentlemanly manner.

We are going to use ballot No. 1 in your book. It is a yellow ballot. In the upper right-hand corner it has the numeral 1.

Clyde Oliver now has the floor.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. While the Election Tellers are taking their places I would just briefly like to explain the proceedings to you. We will proceed in the balloting in just a minute in the same order we did yesterday. The ballot boxes will be passed down through the rows of chairs and you will vote only from where you are seated. There will be no ballots taken in the aislesways or hallways or any place other than from where you are seated. That does not apply to the Committee, of course.

In order to clear any confusion the Imperial Treasurer will be chosen by the majority of those present and voting. If the Tellers are ready we will proceed with the ballot. It will be ballot No. 1, the yellow ballot. If any other number or color is used it will be thrown out.

(Ballots were cast for the office of Imperial Treasurer.)

NOBLE W. CLYDE OLIVER: Representatives, you will notice just above the stage the candidates' names are posted. Should there be a question in spelling you may refer to those. This same procedure will follow in the election this afternoon. The names of the candidates will be posted for your information. Thank you.

Has everyone voted who cares to vote? The Imperial Potentate is about to close the ballot. If anyone cares to vote and has not now is your opportunity.

IMPERIAL POTENTATE COLLINS: Before we proceed to close the ballot our Imperial Recorder wishes to make an announcement regarding our lunch. There is a slight change. Please listen carefully, otherwise you will lose a lot of time trying to find out where you are going to eat.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives. Because of the fact that we have a special luncheon for the ladies honoring the wife of the Imperial Potentate-elect we must change our luncheon procedure today. Representatives' luncheon coupons will be honored in the dining room behind us and down on the floor below in the Kaleidoscope Room and also the Gazebo Room in the main lobby. The ticket that you have for your lunch today will be honored in the room behind us and also in the rooms on the lobby floor called the Kaleidoscope and the Gazebo.

IMPERIAL POTENTATE COLLINS: I am going to repeat this twice. Has everybody voted? Is there anybody here who has not voted?

I now declare the ballot closed. You are ready for lunch.

(The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 12:10 P.M. to reconvene at 2:00 P.M., Wednesday, July 6, 1966, in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California.)

AFTERNOON SESSION

WEDNESDAY, JULY 6, 1966

TWO O'CLOCK P.M.

The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California, Wednesday, July 6, 1966, at 2:00 P.M., Imperial Potentate Barney W. Collins presiding.

IMPERIAL POTENTATE COLLINS: The meeting will come to order. I recognize Clyde Oliver.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. It is with pleasure that I give you the result of the ballot for the office of Imperial Treasurer. There were a possible 737 votes. 717 actually voted. There was one spoiled ballot. Necessary for a choice, 359. The votes were distributed as follows. Paul B. McCray, 33; Harold C. Close, 119; Thomas W. Melham, 243; O. Carlyle Brock, 321.

Imperial Sir, your Committee awaits further instructions.

IMPERIAL POTENTATE COLLINS: We will now have the second ballot. We are going to use ballot No. 2 which is a light blue ballot. Now don't mark it yet. I am merely telling you because someone has asked for the floor and the microphone. I recognize Harold Close.

NOBLE HAROLD C. CLOSE: Imperial Sir and Representatives. The other night I was in a Polynesian restaurant where they have these fortune cookies. I opened up the cookie and it said, "You can be replaced by a button." (Laughter)

At this time I would like to withdraw my name from the contest for Imperial Treasurer. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: Anybody else wish the microphone? You will now receive further instructions from the Chairman of our Committee, Clyde Oliver.

NOBLE W. CLYDE OLIVER: Imperial Sir, Representatives. We will proceed with the second ballot for Imperial Treasurer with the same procedure that we followed that we took on the first ballot. If the Tellers are ready we will proceed with the ballot.

IMPERIAL POTENTATE COLLINS: There are three candidates still running: Brock, Melham and McCray. Be sure to use ballot No. 2, a blue ballot. I declare the ballot open and the Tellers will now pass the boxes. Now as soon as the ballot is closed and I declare it so we will continue with other business while the ballots are outside being counted. Please, gentlemen, let's have it quiet.

(Ballots were cast for the office of Imperial Treasurer.)

NOBLE W. CLYDE OLIVER: For the benefit of the Representatives coming in the door we are now voting. For you Representatives coming in the door your vote will not be taken in the aiseways or in the halls. For the Representatives coming in we are voting.

For you Representatives now arriving we are voting ballot No. 2.

IMPERIAL POTENTATE COLLINS: For the benefit of those who have arrived late the Chair wishes to inform you that candidate Harold C. Close has withdrawn his name as candidate for Imperial Treasurer. This is for the information of those who might have come in in the last two or three minutes. It was originally announced. Has everybody voted?

VOICES: No! No!

IMPERIAL POTENTATE COLLINS: Has everybody voted? In one minute I am going to declare the voting closed.

I now declare the voting for the office of Imperial Treasurer closed.

So now we will proceed with the business of the day and I require your attention, gentlemen. I want that door closed. I recognize Past Potentate Herman Engelhardt.

NOBLE HERMAN L. ENGELHARDT: Imperial Sir and Representatives. I would like to have the following Nobles who have served their eighteenth year as a Representative to come to the platform and stand on my left: Past Imperial Potentate Marshall M. Porter of Al Azhar Temple, Past Potentate Elmer P. Bromley of Al Malaikah Temple, Past Potentate J. Y. Jordan, Jr. of Oasis Temple, Past Potentate Warren L. Jones of Morocco Temple, Past Imperial Potentate Harold C. Close of Sphinx Temple, Noble Recorder Karl L. Friedrichs of Murat Temple.

Now I would like to have the following Nobles who were elected to receive the emeritus certificate for serving the fifteen years, I would like to have them come to the platform and stand behind these wonderful Nobles: Jesse C. Nichols, Jr. of Ainal Temple, Herbert T. White of Tangier Temple, Loy D. Johnston of Antioch Temple,

James R. Maxwell of Zamora Temple, Ruter E. Coleman of Hasan Temple, Edwin K. Steers of Murat Temple, O. Carlyle Brock of Zem Zem Temple, Michel Caplan of Jerusalem Temple, W. Ellis Arnold of Sahara Temple, Carl H. Kubler of Naja Temple, Leonard B. Potter of Mohammed Temple, William J. Bundy of Sudan Temple.

To the Imperial Potentate and Representatives of the Imperial Council. Your Committee on Nominations for Emeriti Members of the Imperial Council respectfully submits the following report.

The Committee has considered the qualifications of six Representatives whose names have been certified by the Imperial Recorder as having been duly elected Representatives for eighteen years and actually present at the Imperial Council. Now we declare them as being eligible and each entitled to the honor as an Emeritus Member of the Imperial Council. The following Nobles are so entitled: Past Imperial Potentate Marshall M. Porter of Al Azhar Temple, Past Potentate Elmer P. Bromley of Al Malaikeh Temple, Past Potentate J. Y. Jordan, Jr. of Oasis Temple, Past Potentate Warren L. Jones of Morocco Temple, Past Imperial Potentate Harold C. Close of Sphinx Temple, Noble Recorder Karl L. Friedrichs of Murat Temple.

The Committee present at this Imperial Council has signed the report. Respectfully submitted by the Committee on Nominations for Emeriti Members. Signed by myself as Chairman, Palmer N. Hegvold, George M. Klepper, Emilio D'Acosta, S. Ken Briggs, Walter A. DeLamater, W. Howard Millington.

Now I would like to have Past Imperial Potentate Marshall M. Porter step forward. You all know Marshall Porter's record. He was Imperial Potentate several years ago and, as your Imperial Potentate has said every minute costs \$1,000, I don't want to go into the history of what Marshall Porter has done. He has done a wonderful job and with your approval and with these other Nobles behind him I would like to dispense with reading all his activities.

NOBLE LOUIS CHACKES: Give us \$500 worth. (Laughter)

NOBLE HERMAN L. ENGELHARDT: Now, Past Imperial Potentate Klepper, will you present Past Imperial Potentate Marshall Porter with his certificate. (Applause) Now, Marshall, a few words from you.

NOBLE MARSHALL M. PORTER: I was surprised when I was called. I didn't know I was this old. (Laughter) It is an honor which I will cherish and which I very much appreciate. Thank you. (Applause)

NOBLE HERMAN L. ENGELHARDT: I would like to have Past Potentate Elmer Bromley step forward. Elmer, you have been on the Jurisprudence and Laws Committee for many years and I would like to have you say a few words before receiving your certificate.

NOBLE ELMER P. BROMLEY: Thanks very much. I am very proud to receive that certificate. (Applause)

NOBLE HERMAN L. ENGELHARDT: Past Potentate J. Y. Jordan, Jr. of Oasis Temple, kindly step forward. We would like to have you say a few words.

NOBLE J. Y. JORDAN, JR.: Mr. Chairman, Imperial Officers and Representatives. I appreciate this honor indeed and thank you very much. (Applause)

NOBLE HERMAN L. ENGELHARDT: Past Potentate Warren L. Jones of Morocco Temple, very active on the Jurisprudence and Laws Committee, would you kindly step forward and say a few words.

NOBLE WARREN L. JONES: Imperial Sir and Nobles. I find myself in the situation and at that age when my voice is changing. (Laughter) I will excuse myself from making a long speech and, like Marshall Porter, I am glad to have lived long enough. Thank you. (Applause)

NOBLE HERMAN L. ENGELHARDT: Past Imperial Potentate Harold C. Close, will you kindly step forward.

NOBLE HAROLD C. CLOSE: It certainly is an honor to anyone to serve eighteen years in this Imperial Council. It is amazing to look back and see how fast these years have gone and realize how fast our life is going too. Thank you. (Applause)

NOBLE HERMAN L. ENGELHARDT: Noble Recorder Karl L. Friedrichs of Murat Temple.

NOBLE KARL L. FRIEDRICHs: At my age you can understand that I am happy to be here. My Shrine has been my hobby for many years. I have been Recorder for twenty-eight years and during that time we have never shown a loss in membership. (Applause)

NOBLE HERMAN L. ENGELHARDT: Illustrious Sirs, if you will kindly take your seats and I will introduce the other Nobles who have served for fifteen years. Unfortunately I do not have the records but I will call the names.

Jesse C. Nichols, Jr. of Ainad Temple, will you kindly step forward. Unfortunately we cannot present the certificates but I will say to you, Illustrious Sirs, that within the next sixty days you will receive an emeritus certificate.

NOBLE JESSE C. NICHOLS, JR.: Mr. Chairman, Imperial Sirs, Representatives all. It is indeed a pleasure. I am glad I lived this long. Thank you. (Applause)

NOBLE HERMAN L. ENGELHARDT: Herbert T. White of Tangier Temple.

NOBLE HERBERT T. WHITE: Illustrious Chairman, Officers and Representatives. I am very grateful for the receiving of this Emeritus Membership at your hands but I don't like those old fellows who talk about old age, I am just a kid yet. (Laughter and applause)

NOBLE HERMAN L. ENGELHARDT: Loy D. Johnston of Antioch Temple.

NOBLE LOY D. JOHNSTON: Imperial Sirs, my fellow Nobles. I thank you all for having the privilege of serving with you and especially my own Temple and Nobles for elevating me to this high honor. Thank you. (Applause)

NOBLE HERMAN L. ENGELHARDT: James R. Maxwell of Zamora Temple.

NOBLE JAMES R. MAXWELL: Imperial Sir, it is a distinct honor and I appreciate it so much. (Applause)

NOBLE HERMAN L. ENGELHARDT: Ruter E. Coleman of Hasan Temple.

NOBLE RUTER E. COLEMAN: Illustrious Chairman, Imperial Sir, Representatives. Hasan is one of our baby Temples and I am so thankful to the membership of Hasan for electing me as their Representative for fifteen years and I appreciate this honor. (Applause)

NOBLE HERMAN L. ENGELHARDT: Edwin K. Steers of Murat Temple.

NOBLE EDWIN K. STEERS: Mr. Chairman, Representatives. I am deeply grateful. You took three years of my life when you passed that resolution yesterday. Thank you. (Laughter and applause)

NOBLE HERMAN L. ENGELHARDT: Past Imperial Potentate O. Carlyle Brock of Zem Zem Temple. (Applause)

NOBLE O. CARLYLE BROCK: Mr. Chairman and fellow Representatives. I am elated to be this day among the select in our Shrine. Thank you. (Applause)

NOBLE HERMAN L. ENGELHARDT: Michel Caplan of Jerusalem Temple. I understand he is outside serving with the Tellers.

Ellis Arnold of Sahara Temple.

NOBLE W. ELLIS ARNOLD: Imperial Sir and fellow Nobles. Certainly it is a pleasure for me to be elected and I am very pleased to be elected as an Emeritus Member to this Imperial Council Session. Thanks so much. (Applause)

NOBLE HERMAN L. ENGELHARDT: Carl H. Kubler from Naja Temple.

NOBLE CARL H. KUBLER: Imperial Potentate and Nobles. This is an honor I certainly appreciate. I was first elected a Representative in 1923 and served in 1923 and 1924 and since have completed my fifteen years. I have been attending the Imperial Session since 1923. Thank you. (Applause)

NOBLE HERMAN L. ENGELHARDT: Leonard P. Potter of Mohammed Temple.

NOBLE LEONARD B. POTTER: Mr. Chairman, Imperial Sirs, Illustrious Nobles. If I had my life to be lived over again I would like to be Representative to this Imperial Council for at least another seventeen years. Thank you for the honor. (Applause)

NOBLE HERMAN L. ENGELHARDT: William J. Bundy of Sudan Temple.

NOBLE WILLIAM J. BUNDY: Mr. Chairman and Nobles. I am glad I got it but I hate it, I am so old. (Laughter and applause)

NOBLE HERMAN L. ENGELHARDT: I understand that Mike Caplan of Jerusalem Temple is one of the Tellers but anyway he will receive word that he is an Emeritus Member now.

I am glad to see that you Illustrious Sirs and Nobles made it from eighteen years to fifteen years because these Nobles have worked hard. I know what it is.

Now, Imperial Sir, I move that this report that I made for the eighteen year Emeritus Members as well as the fifteen year Emeritus Members be made of record and approved. My understanding also is that there might be one or two others that have served their fifteen years today. Now our Imperial Recorder just gave me the list and if there is anyone else here serving their fifteenth year kindly come to the rostrum.

NOBLE GEORGE M. SAUNDERS: We have a report just certified from Beni Temple that Dewey Kuhns has served. We are checking the record. I have the report that Orville Rush is serving his fifteenth year with this Session and we will check that one too. (Laughter)

NOBLE DEWEY E. S. KUHN: I have had campaigns before that were on the thin line and I think this is the thin line but I think I made it. Thank you very much.

NOBLE HERMAN L. ENGELHARDT: Where is Orville Rush?

NOBLE ORVILLE F. RUSH: I am not certified yet.

NOBLE HERMAN L. ENGELHARDT: Imperial Sir Orville Rush is very bashful. I am very much surprised. If we find out that the Imperial Recorder has certified you as a member we will do that.

Now, Imperial Sir, I move that all my resolution in introducing the fifteen year Emeritus Members be made of record. I so move. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and it has been seconded. All those in favor signify by raising your right hand. Those opposed by the same sign. So carried. Thank you, gentlemen. (Applause)

I recognize Bill Knowlton of the Jurisprudence and Laws Committee.

NOBLE WILLIAM H. KNOWLTON: Imperial Sir and Representatives. The matter I am about to report to you is found on the bottom of page 19 of the Call and it concerns the question of forms of the Imperial Council.

There has been presented to your Committee on Jurisprudence and Laws a proposed amendment to Subsection (a) of Section 334.7 of the By-laws of the Iowa Corporation relating to construction programs to read as follows.

Now I will not read that unless you request it. It is exactly as you will find on page 19 of your Call.

(Here follows the amendment as referred to by Noble Knowlton.)

§334.7 (a) is amended to read:

"§334.7 (a) Any Temple contemplating any program involving a secured or long term obligation for a building or addition for the use of the members or any other collateral purpose either through the fraternal organization or through an affiliate, appendant or subsidiary agency must first submit to the Imperial Potentate for his examination and approval the proposed program on the form prescribed by the Imperial (Council) Recorder under §101.10. A long term obligation is one in which the principal or any part of it is payable more than one year from the date on which it was contracted."

NOBLE WILLIAM H. KNOWLTON: The proposal, in the opinion of this Committee, conflicts with Section 101.10 of the By-laws. Your Committee therefore proposes

a substitute amendment so that the same will read, if adopted, as follows, and the only change is that we are deleting the words "under Section 101.10."

The Committee reports that the proposed substitute amendment is in proper and legal form and not in conflict with any provisions of the Articles of Incorporation or By-laws. The report is signed by all the members of the Committee and I might say that those who vote yes will be voting that the form shall come under the jurisdiction, that is for construction purposes, of the Imperial Recorder. Those who vote no will vote that the form will still be under the old Section under the direction of the Imperial Council.

Imperial Sir, I move the adoption of the report and of the substitute amendment.

IMPERIAL POTENTATE COLLINS: A second is in order before we can discuss this, gentlemen. (Motion seconded) It has been moved and seconded.

Lou Chackes, allow me.

(Imperial Potentate Collins passed the microphone to Noble Chackes.)

NOBLE LOUIS CHACKES: Thank you for the good hand.

IMPERIAL POTENTATE COLLINS: Anything to help a friend.

NOBLE LOUIS CHACKES: Section 334.7(a) refers, see if I have this right. Will you read it?

NOBLE WILLIAM H. KNOWLTON: The substitute amendment reads as follows. (Reading)

§334.7 (a) is amended to read:

"§334.7 (a) Any Temple contemplating any program involving a secured or long term obligation for a building or addition for the use of the members or any other collateral purpose either through the fraternal organization or through an affiliate, appendant or subsidiary agency must first submit to the Imperial Potentate for his examination and approval the proposed program on the form prescribed by the Imperial Recorder. A long term obligation is one in which the principal or any part of it is payable more than one year from the date on which it was contracted."

NOBLE LOUIS CHACKES: Now I offer an amendment to yours which removes the word "Recorder" and returns it as originally to the Imperial Council. If somebody will second that. (Motion seconded)

Now I will tell you the reason. This says "The proposed program on the form prescribed by the Imperial Recorder." The form is not prescribed by the Imperial Recorder. There is only one that can prescribe it and that is the one who originates it and designates it and creates it. The Imperial Council prescribes it. The Imperial Recorder delivers. For that reason since it is not being prescribed by the Imperial Recorder it should remain as prescribed by the Imperial Council.

NOBLE WILLIAM H. KNOWLTON: The reason that change is made, Noble Chackes, was in the last Session there was an amendment to the Code which created this particular difficulty. Do you want to withdraw it?

NOBLE ROBERT H. FOUKE: We can either withdraw it or submit it and suggest that it be rejected.

NOBLE LOUIS CHACKES: You want to withdraw it? Then there is no objection.

NOBLE ROBERT H. FOUKE: The Committee will withdraw it if there is no objection.

IMPERIAL POTENTATE COLLINS: No further discussion on that particular amendment or motion.

NOBLE WILLIAM H. KNOWLTON: Imperial Sir and Representatives. I assume, Mr. Chairman of the Jurisprudence and Laws Committee, that the next Section which is in exactly the same situation, No. 334.8(c), will be withdrawn, is that correct, Sir?

NOBLE ROBERT H. FOUKE: Yes.

NOBLE WILLIAM H. KNOWLTON: That will be withdrawn, Sir.

IMPERIAL POTENTATE COLLINS: It seems to me that we should have had Lou Chackes on this Committee from the very beginning. It would have saved a lot of work. (Applause)

NOBLE WILLIAM H. KNOWLTON: Imperial Sir, I explained to this audience that if it were voted no it would have reverted anyway.

IMPERIAL POTENTATE COLLINS: I recognize Bob Fouke, Chairman of Jurisprudence and Laws.

NOBLE ROBERT H. FOUKE: Imperial Sir and Representatives. These two particular matters were initially submitted by the Special Committee headed by Orville Rush. In addition there was a third measure acted on at the last Session at which time our distinguished friend, Lou Chackes, made an objection to the use of the forms attached to the Code to be approved by the Imperial Recorder and at that time it was changed to Imperial Council. These two measures were designed to in turn follow that first measure which was changed by action on the part of this body upon amendment by Lou Chackes and remained in the Call. Therefore, it was necessary for us to submit the two of them to you with this particular language in there.

Now by virtue of the fact that you did enact at the Washington Session the provisions for Imperial Council rather than forms from the Imperial Recorder this means that these two measures which came before you in the Call, properly so, by virtue of the Special Committee having so acted it was now in order, unless you see otherwise or see fit to do otherwise, to be withdrawn and that is the reason we asked that they be recalled.

IMPERIAL POTENTATE COLLINS: Thank you, Bob.

I now recognize Clyde Oliver of the Tellers Committee.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. It is with pleasure I give you the result of ballot No. 2 for the office of Imperial Treasurer. There were a possible 737 votes. 704 actually voted. There were no spoiled ballots. Necessary for a choice, 353. The votes were distributed as follows: Paul McCray, 27; Thomas Melham 328; O. Carlyle Brock 349.

Imperial Sir, your Committee awaits further instructions.

IMPERIAL POTENTATE COLLINS: Now we are going to take ballot No. 3. We are going to ballot again. Ballot No. 3 is a yellow sheet. No. 3 is the ballot, gentlemen. Please don't be confused, it is No. 3.

I now declare the ballot open for the office of Imperial Treasurer. We still have three candidates, Brock, Melham and McCray, in the order in which they appear on the signs. Collect the ballots. The ballot is open.

(Ballots were cast for the office of Imperial Treasurer.)

IMPERIAL POTENTATE COLLINS: Has everybody voted? Has anybody here not voted? In one minute I am going to declare the ballot closed. Half a minute left, fellows.

I declare the ballot closed.

If you will all be quiet I now recognize Elmer Bromley of the Jurisprudence and Laws Committee. Gentlemen, we are in business again.

NOBLE ELMER P. BROMLEY: Imperial Sir, Representatives. (Reading)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a report of the Dispensations and Charters Committee recommending a Charter be issued to Sabbar Temple.

Your Committee reports that the Report is in proper and legal form, complies with Article 29 of the Imperial Code, and that it is not in conflict with the Articles of Incorporation or the By-laws of the Iowa Corporation, and we recommend that a Charter be issued to Sabbar Temple by the Imperial Council.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert H. Fouke, Chairman
Warren L. Jones, Vice-Chairman
Elmer P. Bromley
Merwyn H. Brown
Jack M. Streight
Robert J. Turley
William H. Knowlton

I move the adoption of the report and that the charter be issued to Sabbar Temple. (Motion seconded) (Applause)

IMPERIAL POTENTATE COLLINS: This is indeed good news, fellows. We have a motion that Sabbar Temple's charter be granted. It has been seconded. Is there any discussion? Hearing none, all those in favor hold up their right hand. Those opposed. I so declare it carried unanimously. (Applause)

NOBLE ELMER P. BROMLEY: Imperial Sir and Representatives. (Reading)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws the report of the Committee on Dispensations and Charters concerning the petition for a dispensation to form a Temple in Fort Myers, Florida, together with the report of the Committee on Jurisdictional Lines relating to the same matter.

The granting of a dispensation to form Araba Temple at Fort Myers, Florida, requires the amendment of Section 454.2 of the By-laws and the addition of a new section to be known as Section 454.5, the amended section and the new section to read as follows:

"Section 454.2 Egypt Temple

Has exclusive jurisdiction over the counties of Hillsboro, Citrus, Hernando, Pasco, Pinellas, Polk, Manatee, DeSoto, Sarasota, Hardee and Highlands."

"Section 454.5 Araba Temple

Has exclusive jurisdiction over the counties of Lee, Charlotte, Glades, Hendry and Collier."

The foregoing amendments are in proper and legal form, and they are not in conflict with the Articles of Incorporation or the By-laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert H. Fouke, Chairman
Warren L. Jones, Vice-Chairman
Elmer P. Bromley
Merwyn H. Brown
Jack M. Streight
Robert J. Turley
William H. Knowlton

The report is signed by the Chairman and every member of the Jurisprudence and Laws Committee. I move the adoption of the report and that the dispensation be granted to Fort Myers, Florida, for a new Temple to be known as Araba Temple. (Motion seconded) (Applause)

IMPERIAL POTENTATE COLLINS: Gentlemen, you have heard the report for a dispensation to Fort Myers, Florida. Any discussion? Ready for the question? All those in favor signify by the usual sign. Those opposed by the same sign. So carried. (Applause) That took a two-thirds vote and the Chair declared it was unanimous.

Will the group from Sabbar Temple come up and receive their charter, please.

Meanwhile I recognize Gerald Cray for his report on Regalia.

NOBLE GERALD D. CRARY: Imperial Sir Barney, Imperial Officers, Past Imperial Officers, Potentates, Delegates to this Session. This proposed amendment pertains to our fez, don't get excited. The proposed amendment is in the Code 213.1 and it is amended to read, "The exclusive head covering of the Order shall be the red Moroccan fez with a black tassel."

NOBLE LOUIS CHACKES: Moroccan?

NOBLE GERALD D. CRARY: We were informed by the Imperial Potentate that the Turkish fez is out of bounds in Turkey. They don't allow them to wear it any more. It merely brings this back to the former Code Article and puts it back where it was.

Now there is a proposed amendment to 213.1(f) and the proposed amendment reads as follows. (Reading)

"Fezzes shall be purchased by Temples, Organizations of Temples, officers of Temples or organizations or individual Nobles, only from such manufacturers, distributors, dealers or other vendors, as have been approved by the Imperial Potentate. Such approval may be revoked by the Imperial Potentate at will. Violation of this provision shall be conduct unbecoming a Noble of the Mystic Shrine and subject to discipline."

Now that first amendment was approved by your Regalia Committee on motion by Noble Dasher and seconded by Noble Wilcox of this Committee. The one I just read 213.1(f) was moved by Noble Curdes and seconded by Noble Wilcox that the amendment be not adopted. The motion was carried.

(Here follows the report of the Regalia, Emblems and Jewels Committee as referred to by Noble Cray.)

A meeting of the Regalia, Emblems, and Jewels Committee was held in the Toyon A room, San Francisco Hilton Hotel, San Francisco on July 4, 1966 at 4:30 P.M. Present were Noble F. Raymond Dasher, Potentate of Moslem Temple, Noble David Wilcox, Representative of Mt. Sinai Temple, Noble J. Henry Curdes, Recorder Emeritus Member of Imperial Council of Mizpah Temple.

Proposed Amendment submitted by the Imperial Potentate to Article in the Code §213.1 is amended to read:

"The exclusive head covering of the Order shall be the red Moroccan fez with a black tassel."
moved by Dasher, seconded by Wilcox, recommended the adoption of the amendment. Carried.

Proposed Amendment Section 213.1(f)

"Fezzes shall be purchased by Temples, Organizations of Temples, officers of Temples or organizations or individual Nobles, only from such manufacturers, distributors, dealers or other vendors, as have been approved by the Imperial Potentate. Such approval may be revoked by the Imperial Potentate at will. Violation of this provision shall be conduct unbecoming a Noble of the Mystic Shrine and subject to discipline."

It was moved by Curdes, seconded by Wilcox that the Amendment be not adopted. Motion carried.

On motion by Dasher, seconded by Wilcox, the meeting was adjourned.

Respectfully submitted,

COMMITTEE ON REGALIA, EMBLEMS AND
JEWELS

Gerald D. Cray, Chairman
J. Henry Curdes
F. Raymond Dasher
David H. Wilcox
Leonard B. Potter
Tom C. Raum
Loren Willhoft.

NOBLE GERALD D. CRARY: This report is signed by all the members of the Committee and I move its adoption back to the Jurisprudence and Laws Committee.

NOBLE WARREN L. JONES: It hasn't been referred to Jurisprudence and Laws.

IMPERIAL POTENTATE COLLINS: Which is it, the adoption or referral?

NOBLE WARREN L. JONES: It comes to us first.

IMPERIAL POTENTATE COLLINS: Do we vote now on the motion?

NOBLE WARREN L. JONES: Vote on the motion to receive and refer.

NOBLE GERALD D. CRARY: A point of law, I now refer it to the Jurisprudence and Laws Committee before you can vote.

IMPERIAL POTENTATE COLLINS: You make a motion that it be received and referred to the Committee on Jurisprudence and Laws?

NOBLE GERALD D. CRARY: Received and referred to the Committee on Jurisprudence and Laws. How about that, Lou Chackes? (Laughter) (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion to receive the report. It has been seconded. Is there any discussion? If no discussion all those in favor hold up their right hand. Those opposed. It is now being turned over to the Jurisprudence and Laws Committee for further study.

(The Imperial Council Session was recessed for the purpose of receiving non-Representatives.)

IMPERIAL POTENTATE COLLINS: Will the delegation from Sabbar Temple please come up on the stage. (Applause)

Fellow Representatives, it is a rare opportunity when an Imperial Potentate has the privilege to present a charter to a new Temple. Today we have the delegation from Sabbar Temple of Tucson, Arizona, all duly approved by this august body. The only thing we have to do is fill in the date and I suggest that the Potentate of Sabbar Temple have that done by somebody with a good sense of penmanship so as to make it look even more impressive.

Now it is my honor to hand this over to the Illustrious Potentate. I know they are going to have it framed in a very beautiful and impressive manner and it will grace the walls of the Temple for now and forevermore. (Applause)

May I at this time compliment the members of El Zaribah Temple for the very magnanimous manner in which they have cooperated in the formation of this Temple in Arizona. (Applause)

NOBLE HARRY J. STITH: Imperial Potentate. I want to thank you from the bottom of my heart and particularly our Mother Temple, El Zaribah. (Applause)

IMPERIAL POTENTATE COLLINS: Might I ask if the delegation from Fort Myers is present? If they are will they please come up and stand for a moment while we transact other business.

(The Imperial Council Session reconvened from recess.)

IMPERIAL POTENTATE COLLINS: I now recognize the Chairman of the Jurisprudence and Laws Committee.

NOBLE ROBERT H. FOUKE: Imperial Sir, Imperial Sirs and Representatives. A resolution was referred to the Jurisprudence and Laws Committee from the Midwest Shrine Association requesting a change and if the change had occurred would provide for a Representative from everyone of the Shrine Associations. I would like to ask Earl Sachse if it is correct that this particular resolution has now been requested to be withdrawn?

NOBLE EARLE SACHSE: That is correct, right.

NOBLE ROBERT H. FOUKE: Therefore, with the permission of the sponsor, Jurisprudence and Laws at this time wishes to withdraw this resolution. This was the first one in the Call on page 16.

(The Imperial Council Session was recessed for the purpose of receiving non-Representatives.)

IMPERIAL POTENTATE COLLINS: It is also a rare opportunity for an Imperial Potentate to present a dispensation for a charter and this is for Araba Temple. You gentlemen have just approved this. This is in Fort Myers, Florida.

This dispensation authorizes Araba Temple at Fort Myers to be in business from the legal standpoint and one year from now in Washington, provided that they will have fulfilled the requirements according to Shrine law, they will appear again and should they have made suitable progress may or may not be awarded a definite charter. This is a provisional permission to do business in legalize.

It is my pleasure at this time to present this to Potentate Brownlee, this dispensation for Araba Temple. (Applause)

NOBLE L. T. BROWNLEE: Imperial Sir, Imperial Sirs, Delegates and Nobles all. You notice that the fez I wear now is slightly different from the one I will be wearing in a few days. It is quite an honor to be selected Potentate twice in a row. I want to say at this time that this delegation in Fort Myers and Araba Temple is deeply indebted to Egypt Temple for the gracious manner they have cooperated with us in relinquishing their territory and we hope, Sirs, that we can come back a year from now and you will be proud of the accomplishments we have made. We are going to try like — the dickens to do it. (Laughter and applause)

(The Imperial Council Session was reconvened from recess.)

IMPERIAL POTENTATE COLLINS: I now recognize Clyde Oliver for a report.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. It is with pleasure that I give you the result of the third ballot for the office of Imperial Treasurer. There were a possible 737 votes. 723 actually voted. There were no spoiled ballots. Necessary for a choice, 362. The votes were distributed as follows: Paul McCray, 7; O. Carlyle Brock, 347; Thomas Melham, 369. (Applause)

IMPERIAL POTENTATE COLLINS: Past Imperial Potentate O. Carlyle Brock wishes the podium.

NOBLE O. CARLYLE BROCK: Imperial Sirs, fellow Representatives. I want to thank all my supporters and I want to move that this vote be made unanimous for Imperial Sir Tom Melham. (Applause)

NOBLE PAUL B. MCCRAY: And after this strenuous campaign I too want to make this unanimous for Tom Melham. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: The Chair declares the unanimous ballot in favor of Thomas W. Melham for Imperial Treasurer. Will Tom Melham please come to the podium. (Applause)

Tom, do you accept?

NOBLE THOMAS W. MELHAM: Imperial Sir, Representatives. You have made the decision that you had to make. You chose to make it in three ballots. You worried the devil out of me in case you want to know. (Laughter)

May I just in this brief moment attempt to tell you the extreme pleasure that is mine and the responsibility that I assume with your decision. To the other gentlemen who ran for this office I am sure that in time this Imperial Council will find plenty of work for them to do. I recall the instructions that will come from our Imperial Potentate-elect and I accept whatever decisions that you may decide upon with reference to the office of Treasurer. Incidentally, I would not have run if I thought the job consisted of only signing checks without knowing what I was doing. Thank you very much. (Applause)

IMPERIAL POTENTATE COLLINS: I didn't hear him say he would accept, did you? (Laughter) We had better do it right.

NOBLE THOMAS W. MELHAM: Pardon that oversight. I do. (Applause)

IMPERIAL POTENTATE COLLINS: I now declare Tom Melham elected by unanimous decision of this Imperial Council Session.

I now recognize Les Swan for a nomination for the office of Imperial Recorder.

NOBLE LESLIE H. SWAN: Imperial Potentate, Imperial Representatives. I am glad that it is my turn this year to place Imperial Sir George Saunders in nomination for the office of Imperial Recorder. As you know he is very efficient. He is kind, courteous, capable. He is loyal and he has rendered great service to this Imperial Council, and with your approval he will continue to do so. It is my pleasure to place in nomination the name of Imperial Sir George M. Saunders to succeed himself as Imperial Recorder. Hearing no other nominations, Imperial Potentate, I move that the nominations close, that the rules be suspended, and that Noble Howard Millington, Recorder Emeritus of Mirza Temple, cast the unanimous ballot of this Imperial Council for Imperial Sir George M. Saunders for the office of Imperial Recorder for the ensuing term.

IMPERIAL POTENTATE COLLINS: You have heard the motion. Is there a second? (Motion seconded) Any discussion? All those in favor signify by raising the right hand. Those opposed by the same sign. It is a unanimous decision. We are now going to call on Howard Millington to present a white ballot.

NOBLE W. HOWARD MILLINGTON: Imperial Potentate and Representatives, it is my very special privilege and pleasure to cast the unanimous ballot of this august body for George M. Saunders to be Imperial Recorder for the ensuing year. (Applause)

IMPERIAL POTENTATE COLLINS: Imperial Sir George, do you accept?

NOBLE GEORGE M. SAUNDERS: Imperial Sir, Imperial Officers and Representatives to this Imperial Council, my deep and sincere gratitude to each and every one of you for your confidence, your continued friendship. I am very pleased to accept. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: I declare Imperial Sir George M. Saunders re-elected as Imperial Recorder of this Ancient Arabic Order of the Nobles of the Mystic Shrine.

May I digress, gentlemen. May I at this time make an observation. It has been my privilege to be on this Imperial Divan now since 1955 and during those years I have received the finest co-operation from George M. Saunders. You have just re-elected him as your Imperial Recorder and during this year of mine we still have a long time to go as far as what we still have to do, and I am indebted and I wish to publicly express at this time that if I should live to be a hundred I would never be able to pay George for all the wonderful things he has done for my wife and for myself. In my opinion — this is just the opinion of one man but one man who I believe is in a position to express himself with authority — I do not believe there is another man in the entire 840,000 Shriners that we have who is as valuable to our organization as George M. Saunders. (Applause)

I now recognize Potentate Bob Leonard of Moslah Temple. We are now going to vote for the office of Imperial First Ceremonial Master.

NOBLE ROBERT W. LEONARD: Imperial Sir, Imperial Sirs, fellow Representatives. It is indeed a privilege and honor for me to place the name of my good friend Vic Thornton in nomination for the office of First Ceremonial Master.

Imperial Sir, hearing no further nominations I move the rules be suspended and Imperial Recorder George Saunders be instructed to cast the unanimous ballot for Vic Thornton for First Ceremonial Master. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion. It has been seconded. Any discussion? Those in favor please hold up the right hand. Those opposed. Carried. I will now ask George Saunders to cast the unanimous ballot.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives. I am most pleased to cast the unanimous ballot of this Imperial Council for C. Victor Thornton for the office of First Ceremonial Master for the ensuing term.

IMPERIAL POTENTATE COLLINS: Victor, my friend, do you accept?

NOBLE C. VICTOR THORNTON: Imperial Sir Barney, Imperial Officers, fellow Representatives. It is with profound appreciation for your kindness that I do accept. (Applause)

IMPERIAL POTENTATE COLLINS: The Chair declares C. Victor Thornton properly elected as First Ceremonial Master and I now recognize Abe Krause, Potentate of Hadi Temple who will make a nomination for Second Ceremonial Master.

NOBLE ABE L. KRAUSE, JR.: Imperial Sir, Imperial Sirs and Representatives to the 92nd Imperial Council. It is indeed a privilege and an honor for me to place in nomination the name of Henry B. Struby, who is now your Imperial Outer Guard, for the office of Imperial Second Ceremonial Master. Hearing no further nominations I move the nominations be closed and the rules suspended and the privilege of casting the ballot be given to Past Potentate Edgar Schroer of Hadi Temple for unanimous election of Henry B. Struby for the office of Imperial Second Ceremonial Master. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Any discussion? Those in favor hold up their right hand. Those opposed by the same sign. Will the gentleman from Hadi Temple come forward, please, and cast the unanimous ballot.

NOBLE EDGAR L. SCHROER: Imperial Sir, Representatives. I am indeed delighted to cast the unanimous ballot for Henry B. Struby for the office of Second Ceremonial Master. (Applause)

IMPERIAL POTENTATE COLLINS: Henry, do you accept?

NOBLE HENRY B. STRUBY: I do accept, yes. Thank you very much, gentlemen, you have made me very proud and very happy. (Applause)

IMPERIAL POTENTATE COLLINS: I am delighted to announce the official election of Henry B. Struby as Imperial Second Ceremonial Master.

If you think you have been through trouble electing the Treasurer just sit down for a long comfortable siege. It was actually twenty years ago in San Francisco in 1946 there were also three vacancies. What a coincidence. Twenty years later in the self-same city we have three vacancies for the three bottom posts on the Imperial Line. There is no precedent. There are no rules covering the actual manner in which these men are going to be presented or that their nominators may have preference. So I am going to go according to the rules that we have been using up until now and I will say that I now will accept nominations for the office of Imperial Marshal. I recognize this gentleman.

Now if anyone disagrees in anyway with my procedure please stop me.

NOBLE GEORGE A. GIESE: Imperial Sir Barney, Imperial Sirs and fellow Representatives. I am George Giese, Past Potentate of Hella Temple and elected Representative.

IMPERIAL POTENTATE COLLINS: Excuse me one minute, George.

I don't want to interfere, fellows. I have no feelings in this matter. Do you feel that we should first get all the candidates up that might want to run for Marshal and have them stand up? (Applause)

Would you be willing to sit down?

NOBLE GEORGE A. GIESE: I would be happy to.

IMPERIAL POTENTATE COLLINS: I don't want to give unfair advantage to any candidate. Forgive me, George, for having asked you.

I am now going to call all the candidates who wish to run for the office of Imperial Marshal to come up on the platform. Does that sound right, fellows?

VOICES: Yes! Yes! (Applause)

(The candidates assembled on the platform.)

IMPERIAL POTENTATE COLLINS: Now if it meets with your approval, gentlemen, we will adopt the same procedure we had with the office of Treasurer. We will put all the names in the fez and ask them to draw. After they are drawn they will be nominated by their respective nominators in the order in which their number has been drawn. So far so good, gentlemen? (Applause)

I will proceed to introduce these gentlemen starting in on my right, on your left. Jake Wingerter from Salaam Temple. (Applause)

Fellows, I am introducing them in the order they appear. Any ideas that any man is first or second has no significance. Does everybody understand that? If not, we will put them in alphabetical order.

John McKee from Hella Temple, Dallas, Texas. (Applause)

Ken Paxton from Syria Temple, Pittsburgh, Pennsylvania. (Applause)

"Woody" Bennett from Ararat Temple, Kansas City, Missouri. (Applause)

Jack Streight from Gizeh Temple, Canada. (Applause)

Walter Castro from Islam Temple, San Francisco. (Applause)

Harry Martens from Almas Temple, Washington, D. C. (Applause)

Will you proceed with the drawing.

(The candidates drew for position.)

IMPERIAL POTENTATE COLLINS: Gentlemen, I am first going to read off the order in which these gentlemen will be nominated. Then I am going to call the nominators up one at a time to give the nominating speech. Number one place, the pole position, was drawn by Paxton, two by Castro, three by Bennett, four by McKee, five by Martens, six by Streight, and seven by Wingerter.

I now recognize the nominator for Ken Paxton. Gentlemen, each nominator will be allowed five minutes. Gentlemen, please, no private caucuses in the corners. We are going to give our attention to the business at hand. Afterwards you can have all the time you would like to gab.

We are going to allow each man five minutes according to Shrine law which we read to you previously. At the end of five minutes the Recorder is going to advise me and I am going to stand right here so the man will know his five minutes is up. We will do this with each and every candidate.

I now recognize the nominator for Ken Paxton and when he comes up I wish he would give his name, his position, and the name of his Temple for our records.

NOBLE JOHN S. MCCANS: Imperial Sir, Imperial Sirs, Illustrious Sirs, Illustrious Representatives to this Imperial Council Session. My name is John McCans, Potentate of Syria Temple of Pittsburgh, Pennsylvania.

I am honored to present for your consideration a candidate for a position on the Imperial Divan and particularly recommend him at this time for the office of Imperial Marshal. He has already in the truest sense served all Nobles and all Temples in all phases of Shrinedom for a quarter of a century. For twenty-three years he worked constantly and continually in his own Temple through many subordinate positions of minor and major importance culminating with a most successful year as Potentate in 1955.

In a Temple of 26,400 Nobles communications are a problem. They demand constant attention and improvement and during his year as Potentate he founded the Voice of Syria, a very unique publication in the annals of Shrinedom. He also instituted a method for membership, a campaign so effectively used by our Temple to this day and subsequently with success by other Temples.

For the last twelve years he has continued working for all Temples and all Nobles at the Imperial level by request in important appointments under many past and present Imperial Officers. In these latter assignments he has run the gamut from Imperial Marshal's aide to important Imperial Council committees both as a member and as a Chairman, to Deputy Imperial Marshal's activities, and throughout all of these assignments he has steadfastly served most efficiently in every position as indicated in the brochure each and every one of you now have.

Although we have not been favored with the greatness of an East-West Game, for which we honor our sister Temple here on this great West Coast, our endeavors in Western Pennsylvania along these lines were first attempted by this candidate. His was the first bring together of professional teams in an effort to emulate and thus assure our Temples of Mercy more adequate sharing in the profits of major sporting events. Now this effort led to more and more of these activities from which our Philadelphia Unit has received more than \$3½ million over a ten year period,

A membership program to this enthusiastic Noble was not limited to plans. Syria Temple is situated in Pennsylvania, a State where 28 per cent of its Symbolic Masons have embraced Shrinedom. Compare this with 20 per cent for the entire nation. The proceedings of the 91st Council Session as compared with the 81st Council Session reveal the national increase shown during that decade to be 10 per cent. All Pennsylvania Temples increased 16 per cent.

I beg of you, Nobles; these facts are not offered in boast but as a direct result of the magic of one determined to succeed in the growth of Shrinedom and the subsequent reward to our unfortunate charges wherever they may be in our havens of hope and help for crippled children or burned children.

Actually this man has practiced, preached, taught and lived public relations all of his life, personally in the business world and especially fraternal. Because of this attitude and from this devotion he has unselfishly contributed to the well being of his own Temple and also to many sister Temples comprising our wonderful Mystic Shrine.

Now he is, by request of many local Temples in addition to his own, offering himself and these rare qualities he so richly possesses and freely give to our Imperial Shrine a candidate for the position of Imperial Marshal. We of Syria together with hundreds of his friends assembled here today know that Ken's unusual talents merit our support. We also know that as other fine Shriners become acquainted with his unusual fraternal accomplishments and steadfastness will likewise look upon him and call upon him for service at the Imperial level.

Therefore, Imperial Sirs and Illustrious Sirs, I place in nomination for the office of Imperial Marshal the Noble from Syria, Kenneth T. Paxton. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: I now recognize the nominator for Walter Castro.

NOBLE JOSEPH L. TEDROW: Imperial Sir, Illustrious Sirs, and members of this 92nd Imperial Session, Representatives, Nobles all. I am Joseph L. Tedrowe, Potentate of Islam Temple, San Francisco.

We have no greater responsibility today than that which now confronts us, the election to an office on the Imperial Divan, because several years from now that man that you will elect today will be the Imperial Potentate and with all the grave responsibility that will rest upon his shoulders at that time he will be recognized as Mr. Shriner of North America. So, Representatives of all these Temples, it will be now your chore to elect that man.

Before we discuss the candidate's qualifications for this important office please permit me to review some of his personal history. He was born in San Francisco in 1916. His grandparents were among the early pioneers of this great State of California. He is truly a native son of California.

His leadership qualities were evidenced early in life when he was elected President of his High School Class. While in college he met his lovely wife, Helen, and they will soon, in fact tomorrow, celebrate their 26th wedding anniversary. He has three daughters who will be on hand for this occasion.

After graduation from college he enlisted in the Navy and served four years as a gunner in the gunnery department.

Following his military career he became associated in the automobile industry and because of his ability and business experience today he is President of his own company and is recognized in Northern California as one of the largest of the leased automobile companies. He has contributed much to his community and the service organization of the city in which he resides. He is a present member of the Board of Education, a Director of the local hospital, as well as a Director in several organizations. He is serving as President of the Rotary Club, Chamber of Commerce, and active in the Boy Scouts and active as Chairman of Scoutarama this last year.

He has been a Master Mason for twenty-eight years and is privileged to be a member of both the Scottish Rite and York Rite Bodies. He is a Past Master Counselor of DeMolay and holds the Legion of Honor Award from DeMolay.

He served as Potentate of Islam Temple in 1963 and it was during his year that the largest amount of money ever was realized from our East-West Game, an amount

in excess of \$260,000. He is presently a member of the Board of Governors of the Shriners Hospital for Crippled Children in San Francisco. He has been a Representative to the Imperial Council for six years. He has served as Vice Chairman to the Membership Committee of the Imperial Council and was chosen as Director General of this wonderful Imperial Session which we are now holding in San Francisco.

This is big business and if you don't think so try it sometime, and requires a man of great stature, of business ability and experience in order to meet with the problems involved in making this Imperial Session in San Francisco the success that it is.

We should elect a man who is young enough with the business experience and the love of the Fraternity to head this great organization and when that time arrives that he will have the stature to become an Imperial Potentate. Our candidate has the enthusiasm and the unanimous support of all Islam.

It is my personal privilege and with pride that I ask you to vote for Illustrious Sir Walter Castro, Jr., Past Potentate of Islam Temple, for an Imperial Office and I nominate him at this time to the office of Marshal. I thank you. (Applause)

IMPERIAL POTENTATE COLLINS: You are keeping well within the five minutes, gentlemen.

Number three, the nominator for "Woody" Bennett.

NOBLE EVERETT H. TRUNK: Imperial Potentate, Imperial Representatives and members of this Imperial Council Session. I am Everett Trunk, Emeritus Member, Moila Temple, St. Joseph, Missouri.

It is a privilege and an honor to place in nomination for your consideration Past Potentate W. W. "Woody" Bennett of Ararat Temple, Kansas City, Missouri, for the office of Imperial Marshal.

All candidates are outstanding leaders in their individual Temples, successful businessmen and prominent in city activities in their communities. There is no objective in taking your time and recounting the background of my candidate. You have had the opportunity of reading his brochure since the first announcement of his candidacy giving his complete history, accomplishments and ability. I know you all have had one.

You have personally met him and his family and I know that you could not help but have been impressed by his friendly personable manner and his happy family life.

Since the completion of his term as Potentate in 1960 he has continued to work and be interested in the Prerequisite Bodies, having served as Master of the Lodge of Perfection of the Scottish Rite in 1965. He was one of the strong boosters and workers for the state-wide York Rite Festival held in Jefferson City, Missouri, this last April when over 1,000 candidates were initiated in the York Rite Degrees in one class, setting an all time record.

His desire to give of his time and ability in this Prerequisite work is indicative of that service which he wants to give you by filling the responsible duties as a member of your Imperial Divan and ultimately the office of Imperial Potentate. His enthusiasm and belief in the foundations and principles of our Great Order will cause the same to be perpetuated and rise to greater heights of philanthropic service and greater fellowship.

He is fifty-one years of age. He has attained maturity in thought and experience and yet has that vibrant sturdy physical blessing to withstand the rigors of the requirements that he will be called upon to supply as years go by.

It is not often that we have an opportunity to choose a candidate who has such an unusual composite of the facets that one must take into consideration when casting our ballot for the most important position for the future welfare of our organization. I give you your friend and everyone's friend, W. W. "Woody" Bennett. (Applause)

IMPERIAL POTENTATE COLLINS: I now recognize the nominator for John McKee.

NOBLE GEORGE A. GIESE: Imperial Sir Barney, Imperial Sirs and fellow Representatives. I am George Giese, Past Potentate of Hella Temple, Dallas, Texas. The Noble I am about to present to you for consideration is also a Past Potentate of my Temple. There were sent to each of you sometime back a complete resume, or almost complete resume, of the many and varied and manifold activities of this outstanding

Noble. We do not wish to bore you with repeated enumerations of all these accomplishments but a few of them must be repeated in order to have a proper background and we have some important information that was not contained in the brochure.

This Noble has won his spurs worthily. He wears them with honor, humility and thankfulness as well as distinction.

He has been the guiding hand in an outstanding successful membership campaign of Hella Temple and our Scottish Rite Bodies at Dallas.

These records of achievement didn't just happen. They can be attributed in large measure to the ability and aggressiveness of this candidate.

Our good Noble has distinguished himself as a God-fearing gentleman, an outstanding Mason, a Past Grand Master of the Most Worshipful Grand Lodge of Texas, a devoted family man, a fearless champion of the American way of life, and last but by no means least a Noble of the Mystic Shrine whose every thought and action is actuated by real nobility of purpose.

He has served his City and State with such zeal and effectiveness that within the past month the Greater Texas Awards Council has named him the Top Texan of the Year.

Having served the past eleven years as President of the Board of Trustees of the Texas Scottish Rite Hospital for Crippled Children, which has assets of \$50 million, this Noble is thoroughly cognizant with the operations of such institutions as our Shriners Hospitals and our Burns Institutes. If elected by you good Nobles he will be a valuable asset to the Board of Trustees of our Temples of Mercy.

Now we have seen this Noble in action as Chairman of an important Imperial Council Committee. Any Grand Master of Masons, any Past Grand Master of Masons, any Divan member of this Imperial Council, any Representative of a Texas Temple, or any Officer of the National Court Royal Order of Jesters, can tell you of his own knowledge what has been accomplished by this Noble for the betterment of Masonry, for Shrinedom and Jesterdom within the past two years.

He has the interest, the ability, the enthusiasm, the vitality, the stamina, as well as the time necessary to devote to the business affairs of the Shrine of North America.

Nobles, we need men of this caliber to serve on the Imperial Divan. We wholeheartedly recommend him to you without reservation. This Imperial Council will be in the finest position possible if he is added to its roster. I am happy and proud to present for your favorable consideration for the office of Imperial Marshal my good friend and fellow Texan, Past Potentate of Hella Temple, Illustrious Noble John McKee. I thank you. (Applause)

IMPERIAL POTENTATE COLLINS: I now recognize the nominator of Harry Martens.

NOBLE JOHN B. VESEY: My name is John Vesey. I am an Emeritus Member of this organization and very proud to have served it for the past forty years and the Order for the past fifty-seven years.

Imperial Sirs and Representatives to this Imperial Council Session. I am pleased to place in nomination, and consider it a great privilege, the name of Harry Martens, Jr. for the position of Imperial Marshal.

Noble Martens is forty-seven years old, an ideal age to enter the Imperial Divan. A graduate of the University of Wisconsin, he served in World War II with distinction and attained the rank of Major.

Harry Martens has served as Master of his Blue Lodge, as Potentate of Almas Temple, as a Director of his Jester Court, and as President of his Cabiri Chapter, and has been appointed Director General for the 1967 Session of the Imperial Council in Washington for next year. It could be important in these critical times to have a member of the Imperial Divan in our Nation's Capital.

Harry Martens has served the Imperial Council as a Representative for the past seven years and recently as a member of the Finance and Accounts Committee.

Harry Martens is a successful businessman. He is Chairman of the Boards of L. P. Steuart, Inc., American Homeowner's Insurance Company, and is President of

the Martens Development Company and Martens Investment Company, and is a Director of the Suburban Trust Company of Washington, D. C.

Harry Martens and his charming wife, Virginia Steuart Martens, are the parents of three fine sons and two lovely daughters.

He is an active Lay Leader of the Methodist Church. I didn't say preacher now, I said leader.

Harry Martens, Jr. is a Rotarian and an active civic leader. He is active in the American Legion, American Red Cross, the Board of Trade, a Director of the Boy Scouts of America, and a member of the Metropolitan Boys Clubs of Greater Washington.

Here is the important thing. Harry Martens is forty-seven years young, a college graduate, a war veteran, a successful businessman, an active civic leader, a devoted husband and father, and a church man, the ideal man to become a member of our Imperial Divan, a man with years of service ahead.

Harry Martens enjoys vigorous health and is anxious to serve this Imperial Council. He could not marry the daughter of Leonard and Bess Steuart and not become a dedicated Shriner imbued with the true Shrine spirit. He is one of only two repeaters from last year's candidates.

Nobles, I solicit your vote for this young, energetic, capable and successful Past Potentate of Almas Temple of the Nation's Capital City, and I am honored to nominate Harry Martens, Jr., for the position of Imperial Marshal for the ensuing term. Thank you very much. (Applause)

IMPERIAL POTENTATE COLLINS: I now recognize the nominator for Jack Streight.

NOBLE CHARLES W. EMMETT: Imperial Sir, Imperial Sirs, fellow Representatives. I am Charles William Emmett. It is my privilege as Illustrious Potentate of Rameses Temple, Toronto, Canada, to place in nomination the name of a fine outstanding Canadian for the office of Imperial Marshal and I would be remiss if I did not express my thanks to the members of Gizeh Temple for this great honor.

We have for our consideration today a group of outstanding candidates for the office of the Imperial Divan. This speaks well for the future of Shrinedom. However, with the introduction of Medicare and the need for an astute leadership in the planning of our future hospital work, of problems that are before us today, it is well that we as Representatives thoroughly study the man, his qualifications, yes, draft if necessary, the right man for the right job.

Jack Streight comes to you today with the unanimous approval of the Nobility of his Temple and the support of all the Temples of the Dominion of Canada.

Character, dignity, humility, ability, and above all a desire to serve, this is what we need today in Shrinedom, character and dignity. Jack Streight, a young dynamic individual was born in New Westminster, British Columbia, in the year 1910. He was educated at the University of British Columbia, attended Osgoode Hall Law School in Toronto. A lawyer by profession, he is a member of the Canadian and British Columbia Bar Associations.

He is married to the former Isabel Bews of British Columbia and the father of two beautiful daughters, Barbara and Jean, who are at the present time students at the University of British Columbia.

Our candidate is Secretary of the Queens United Church, Director of St. Mary's Hospital, Chairman of the Salvation Army Advisory Board, Past President of Rotary and Chamber of Commerce, Special Prosecutor in the Department of Justice, and Chairman of the Young Men's Christian Association Endowment Fund.

Jack is a Past Master of King Solomon's Lodge Ancient Free and Accepted Masons, a member of the York and Scottish Rite Bodies, and Imperial Representative for over the past ten years and for the past six years has been a member of the Imperial Council Jurisprudence and Laws Committee, Imperial Chairman of Public Relations in British Columbia, Imperial Committee Chairman, Portland and Winnipeg Shrine Hospital Exchange, Chairman of the Gizeh Temple Wills and Bequests Committee, a Past

Director of the Royal Order of Jesters Court No. 100, Chairman of Jurisprudence and Laws, National Court Royal Order of Jesters, and a member of the Cabiri.

Humility. Willingness to serve. It is our humble opinion that Shrinedom needs a strong administration, one that will dedicate itself to maintaining the fundamental principles of our Order. Jack Streight is no politician but a man of strong convictions, a man who is not looking for personal gain, a man who will and can truly represent all the Nobility with dignity and ability, a man who can assume all the pomp and glory of the office with humility while at the same time conduct the administrative affairs of our Order with sound judgment.

Such a Noble is Illustrious Past Potentate Jack Streight, a Noble who has been asked on numerous occasions to allow his name to stand for nomination, and since I arrived in this wonderful auditorium this afternoon may I give you this, please.

"Best wishes from the City of New Westminster," signed, His Worship the Mayor.

"British Columbia is fortunate in having a man of your caliber prepared to stand for such an important office," signed, the Minister of Education and Minister of Labor, Province of British Columbia.

Finally, this is very pertinent. "The competition will be keen but to win a victory like this is important. God bless you and best of luck," signed the Speaker of the House, the Senate of Canada.

Fellow Representatives, we give you for your favorable consideration our candidate, Illustrious Past Potentate Jack Streight. (Applause)

IMPERIAL POTENTATE COLLINS: I now recognize the nominator for Jake Wingerter.

NOBLE FORD Q. ELVIDGE: Imperial Sir, Imperial Sirs and fellow Representatives. I am Ford Elvidge, Past Potentate of Nile Temple, Seattle, Washington.

I have the pleasure of placing in nomination the name of Jacob A. Wingerter of Salaam Temple for the office of Imperial Marshal. I shall not take your time in reciting his qualifications for this important office because I did that last year in Washington, D. C., when I nominated him for Imperial Outer Guard and when, although in competition with an outstanding Shriner for that office, he made a most creditable showing as runner-up with 226 votes.

In the meantime most, if not all, of you have met him, have become acquainted with him and can judge of his qualifications for yourself. He is a member of almost all of the Masonic Bodies and has been and is active in many of them. He is of an old established family, of eight brothers and three sisters, of Presbyterian persuasion. You have met his gracious wife. They have two sons, each of whom has rendered service to his country in the United States Marine Corps.

Shrinedom has become big business in this country. Any candidate offering himself for a position on the Imperial Divan should be a successful hard headed businessman. Jake Wingerter is such. As principal owner and manager of three engineering consulting concerns his experience and know-how and ability have gone into some of the largest construction projects on the East Coast, including the Verrazano Bridge over the New York Harbor. He is well endowed with this world's goods.

He has rendered public service. He has served the Shrine, has served Freemasonry, DeMolay and the youth of his community. He is a man of character, ability, humility and last, but not least, of common sense, a priceless quality and a rare commodity. He will make an Imperial Potentate of whom we may all well be proud.

My friends, I very respectfully urge you to vote for Jake Wingerter for the important office of Imperial Marshal of the Shrine. I thank you. (Applause)

IMPERIAL POTENTATE COLLINS: Gentlemen, you have heard the nominating speeches of all seven candidates. We are now going to use ballot No. 4 in your book and I now recognize Clyde Oliver.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. The Tellers will take their position and we will start the voting. Ballot No. 4 is colored gray. The names of the candidates appear on the cards immediately at the rear of the stage. I would ask those, if it is at all possible, that you print the name of the candidate of your choice so that it would be just a little more legible and for the benefit of the Tellers.

IMPERIAL POTENTATE COLLINS: I now declare the ballot open for the office of Imperial Marshal. Vote for one and write his name very carefully at the bottom of the ballot.

(Ballots were cast for the office of Imperial Marshal.)

IMPERIAL POTENTATE COLLINS: Please close the door. This is just a matter of information, just a point of information so that everybody will understand. When I called all of those who are running for Imperial Marshal to come up on the platform I gave them plenty of time to come up, don't you agree?

VOICES: Yes! Yes!

IMPERIAL POTENTATE COLLINS: All right. Apparently after they were all up I did not say, "I close the nominations," so now I close the nominations. (Laughter) That's all.

NOBLE W. CLYDE OLIVER: Has everyone cast their vote?

IMPERIAL POTENTATE COLLINS: I want that back door closed. Please close that back door. Let them in and out one at a time. This is not Grand Central Station.

Now, gentlemen, I am going to ask you, have you all voted? Has anybody here not voted? If you haven't please yell out, I have not voted! Hearing nobody complain listen very carefully, please. This room must be made up for the banquet tonight. We are past our deadline. We are now going to recess until tomorrow morning at nine o'clock and I declare the ballot closed.

(The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 4:15 P.M. to reconvene at 9:00 A.M., Thursday, July 7, 1966, in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California)

MORNING SESSION

THURSDAY, JULY 7, 1966

NINE O'CLOCK A.M.

The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California, Thursday, July 7, 1966, at 9:00 A.M., Imperial Potentate Barney W. Collins presiding.

IMPERIAL POTENTATE COLLINS: We will now have the Invocation by our Imperial Chaplain and as soon as he has concluded I am going to ask all of the Nobles who are in this first section who do not hold credentials as Imperial Council Representatives to please move to the section behind the aisle.

BRIG. GEN. AND NOBLE ANDREW P. TELFER: Shall we pray?

If ever before in our experience, O Lord, we need wisdom it is now, so therefore we pray that Thou shalt touch our lips with the live coals from the Altar of God, Thou shalt give us the wisdom to be thoughtful men, Thou shalt give us the courage of our convictions that we shall carry out those convictions to a meaningful conclusion. Therefore, we pray for enlightenment and understanding and we pray that our Shrine shall grow and grow and grow because Thou art with us and with Thee before us who can be against us. We pray these mercies in the Father's Name. Amen.

IMPERIAL POTENTATE COLLINS: I now recognize Clyde Oliver.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. The Election Tellers and Judges Committee is ready to report. It is with pleasure that I give you the report of Ballot No. 1 for the office of Imperial Marshal. There were 737 possible votes. 713 actually voted. There was one spoiled ballot. Necessary for a choice, 357. The votes were distributed as follows: Walter Castro, Jr., 11; Kenneth Paxton, 24; John McKee, 31; Harry Martens, Jr., 62; Jack Streight, 108; Jacob Wingerter, 396. (Applause)

IMPERIAL POTENTATE COLLINS: Will Jake Wingerter come up to the platform. Wait a minute, what is the question?

NOBLE JOE A. WITHERINGTON: "Woody" Bennett, didn't he get any votes?

NOBLE W. CLYDE OLIVER: On the recount we failed to find any ballots for "Woody" Bennett.

VOICES: No! No!

NOBLE W. CLYDE OLIVER: Representatives, I have an apology. In the retyping of these this morning that was omitted. We will have to get the figures from the Imperial Recorder's office and report to you in just a moment. Thank you.

(Brief recess at this time.)

IMPERIAL POTENTATE COLLINS: Please close the doors. Clyde Oliver is back. Please give him your undivided attention. Please clear the aisles, gentlemen.

NOBLE W. CLYDE OLIVER: Imperial Sir, again I apologize. When these figures were submitted this morning on the transcription on the dictation "Woody" Bennett's count was omitted. As I said a moment ago, I apologize. I am sorry. Would you like to have me begin at the beginning?

VOICES: Yes! Yes!

NOBLE W. CLYDE OLIVER: Walter Castro, 11; Kenneth Paxton, 24; John McKee, 31; Harry Martens, 62; "Woody" Bennett, 80; Jack Streight, 108; Jacob Wingerter, 396. Again, I am sorry. (Applause)

NOBLE JACK M. STREIGHT: Fellow Nobles, I wish to congratulate Jacob Wingerter and I move that the rules be suspended and have the vote cast for Jacob Wingerter.

NOBLE W. W. BENNETT: I would like to second that motion, if Jake will accept a no count ballot from me. Thank you. (Laughter and applause)

NOBLE HARRY MARTENS, JR.: I would like to make it unanimous. I said that there were so many well qualified and competent candidates running in this election and I think you have chosen one of those men. Thank you. (Applause)

NOBLE KENNETH T. PAXTON: Imperial Sir, I join the rest of those folks in seconding that motion and I thank those who supported me. (Applause)

NOBLE WALTER R. CASTRO, JR.: Imperial Sir, I would also second. (Applause)

NOBLE JOHN MCKEE: Imperial Sir, I also move, as "Woody" Bennett moved, that we cast a unanimous ballot for Jake Wingerter. (Applause)

IMPERIAL POTENTATE COLLINS: You have heard the official motion which has been seconded. Is there any discussion? All those in favor of accepting the recommendations of the other six candidates that this be made unanimous in favor of Jake Wingerter for the office of Imperial Marshal hold up your right hand. All those opposed by the same sign. It is unanimous and I will ask Jake to come to the podium. (Applause)

There is just one formality to be complied with. Do you accept, Jake? (Laughter)

NOBLE JACOB A. WINGERTER: That is the understatement of the year. (Laughter)

IMPERIAL POTENTATE COLLINS: By virtue of the authority vested in me as Imperial Potentate given me by this Imperial Council of Representatives I declare the ballot unanimous and by your acceptance you are now the Imperial Marshal of the Ancient Arabic Order Nobles of the Mystic Shrine for North America. (Applause)

NOBLE JACOB A. WINGERTER: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Representatives to this 92nd Imperial Council. Words are inadequate to express my feelings of gratitude for this manifestation of your good will and esteem. I shall always be grateful to you. I would especially like to thank Illustrious Sir Ford Elvidge for his nomination last year and this year and to my neighbor and friend of long standing, George E. Stringfellow, a Noble who has rendered all segments of society long service for years, my thanks for his endorsement of my candidacy.

During this campaign for this high office I have endeavored to exemplify the principles of Masonry and the Shrine. As your Imperial Officer I shall continue to do so. My gracious wife joins me. (Applause)

IMPERIAL POTENTATE COLLINS: Nominations are now in order for the office of Imperial Captain of the Guard. Following the same procedure as yesterday will each candidate please present himself to the platform.

(The candidates assembled on the platform.)

IMPERIAL POTENTATE COLLINS: Gentlemen, as we did yesterday each will be asked to draw a number and in that order their nominators will be asked to make the nominating speech and, as before, limited to five minutes. At the end of five minutes I will stand alongside of them so that everyone will get equal time and then after the last nominator has made his nomination I will ask, are there any further nominations, at which time hearing none I will then declare that the nominations will be closed and we will then proceed to vote.

Gentlemen, so there will be complete impartiality as has been our policy from the beginning I will start on your left and introduce each by name only. They are merely in this position because this is the way they walked up to the platform. Their position has nothing to do with the importance of the nomination or the position they were drawn. After I have done that I will read the number of each so that the nominator of each can come and make the corresponding nomination.

Ken Paxton. Please don't applaud because by your applause you might influence people. (Laughter) Jack Streight. "Woody" Bennett. Harry Martens. John McKee. Walter Castro. Harvey Smith.

I will give you the positions. First position, Harry Martens; second, Harvey Smith; third, "Woody" Bennett; fourth, Walter Castro; fifth, John McKee, Sixth, Jack Streight; seventh, Ken Paxton.

I now recognize a nominator for Harry Martens.

NOBLE JOHN B. VESEY: Imperial Sir and Imperial Sirs, Representatives to this Imperial Council. This election is sort of a merry-go-round, there are so many of them and no precedence for it.

I stood before you yesterday and made an appeal to you to elect a man who is the right age, has all of the qualifications, and I hoped that you would elect him for the position that we voted on yesterday afternoon. In other words, men, we are on the merry-go-round and I shot for the ring for the first prize but I missed it. But I am not going to repeat all of those things because you heard them, you know his qualifications. (Applause) Thanks for the applause. I hope it does affect some of the votes. (Laughter)

We are going for the cotton candy now, boys. It is my pleasure to nominate for the position of Imperial Captain of the Guard Harry Martens of Almas Temple and we will appreciate your votes very much. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: I now recognize the nominator for Harvey Smith.

NOBLE WILLIAM J. BUNDY: Imperial Sir, Imperial Sirs. I am William J. Bundy, Past Potentate of Sudan Temple in North Carolina.

You have just elected a fine gentleman as Imperial Marshal. I now have the coveted privilege to place in nomination for the office of Imperial Captain of the Guard Harvey W. Smith, a Past Potentate of Sudan Temple, who, as far as I have been able to ascertain by the material that has come out from the candidates, is the only man who has announced for this specific office.

A look at the map will disclose no Imperial Officer in all the territory comprising the Southeastern Shrine Association, the third largest such Association. Other things being equal, it would seem that it would be fair and equitable for all parts of our jurisdiction to be represented on the Imperial Divan from time to time.

I have known Harvey Smith since shortly after he became a Mason. I saw him take the Scottish Rite, the Shrine, receive the DeMolay Legion of Honor, and I saw how much these things mean to him.

I know him as a friend, and I have none closer. He is the kind of friend in whose fidelity one can with confidence rely. He is a man. I say to you that I know him as

such, a real man, able, dedicated, sincere, a real guy and a gentleman every inch of him who, like Abou Ben Adhem, loves his fellow man. As has been said of another, the elements are so mixed in him that nature can stand up and say, "Here is a man." He is The Big Fisherman, a big man; big in body, big in mind, big in heart and big in soul.

For Imperial Captain of the Guard, and for a future Imperial Potentate, it would seem to me that we need and can well use such men as he. In the menhaden fish industry he has built and operates an empire and is the acknowledged leader in that field in this country and abroad. Such a man could and would well serve our two great corporations.

As a boy he was a DeMolay. As his term expired as Grand Master of Masons in his State it was said of him, "We shall not soon see his like again." He is a 32° man, a member of the Red Cross of Constantine.

During his year as Illustrious Potentate of Sudan Temple, and Illustrious he was, I say to you that he left his mark on that Temple. He was not just Potentate, he did something about it. For instance, the Shrine Bowl of the Carolinas, sponsored by the four Temples of those two States, in the year he was Potentate gave our Hospital cause a little over \$300,000 and Sudan's part of that, which was led by Harvey Smith, was over \$102,000. Also in his year Sudan had the second largest increase of membership during its fifty year history. For a number of years he has served on the Board of Governors of the Greenville, South Carolina, Hospital. He is a doer as well as a believer.

Although he is blessed with this world's goods and is known by captains of industry and leaders in the business world, governmental leaders in many parts of the world, and employs hundreds of people, and has received many Masonic and Shrine honors, yet with all he is just a humble and plain man, and to everyone is just "Harvey," and this shows the kind of a man he is. Truly, Sirs, he mingles with kings nor loses the common touch.

Many of you here remember Hubert Poteat, Imperial Potentate in 1950, and there was none like him. Many years ago with prophetic vision I heard him say when Harvey was just a young man in Sudan Temple, as only Hubert Poteat could say it, "That fellow Harvey Smith doesn't make a lot of noise, but he has got something. Use him. He'll go places." The "place" we want him to go right now with your help is to the office of Imperial Captain of the Guard. He is worthy and well qualified, duly and truly prepared, dedicated, ready and willing, to work and to serve. I urge you to take him and use him.

On behalf of the four Temples of the Carolinas I have the honor to place in nomination for the office of Imperial Captain of the Guard a man of business, a man of ability, a man of love and charity, a man able and willing to devote himself to our cause, a big man in every way, the Big Fisherman, Harvey W. Smith of Sudan Temple. (Applause)

IMPERIAL POTENTATE COLLINS: I now recognize the nominator for "Woody" Bennett.

NOBLE EVERETT H. TRUNK: Imperial Potentate, Imperial Sirs, Representatives to this Imperial Council. I can say no more about my candidate. You all know him. I wish to place in nomination for the office of Imperial Captain of the Guard W. W. "Woody" Bennett of Ararat Temple, Kansas City, Missouri. (Applause)

IMPERIAL POTENTATE COLLINS: I now recognize the nominator for Walter Castro.

NOBLE JOSEPH L. TEDROWE: Imperial Sir, Illustrious Sirs and fellow Representatives. I am Joe Tedrowe of Islam Temple. When I told you yesterday the ability of Walter Castro and mentioned the fact that this is big business and that he is also a big businessman and we need this type of person in the Imperial Council, also California and the Coast needs this representation. We of the San Francisco Unit have more money sent in through the wills and bequests to our hospitals than any other area in the United States. Our East-West Game, which is big business, has made over \$5

million for our Hospital Unit here. This is the type of man that I would like to place in nomination for Captain of the Guard, Walter Castro. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: I now recognize the nominator for John McKee.

NOBLE GEORGE A. GIESE: Imperial Sir Barney, Illustrious Sirs of the Imperial Divan, and fellow Representatives. Yesterday I covered in my nominating talk a few points of the history, record, achievements and ability of our candidate. I have checked the record again just to be sure. On Masonic history he matches any man. On achievement, both in business and in civic affairs, he matches and outmatches any man. True, he does not have the wealth of an Eastern Potentate but, on the other hand, he has a wealth of friends and I hope that they are among you Representatives.

Now as to his ability there can be little doubt. He will serve this Imperial Council. He will serve the Shrine of North America in any position in which you choose to place him.

With this I leave you with only this word. We will appreciate your vote and it is now my pleasure to place in nomination for the office of Imperial Captain of the Guard my friend, fellow Mason, fellow Shriner, Past Potentate of Hella Temple, John McKee. (Applause)

IMPERIAL POTENTATE COLLINS: I now recognize the nominator for Jack Streight.

NOBLE CHARLES W. EMMETT: I am Charles Emmett, Potentate of Rameses Temple, Toronto, Canada.

Imperial Sir, Imperial Sirs, Imperial Representatives. May I first thank you most sincerely for the reception and attention you gave me and my presentation yesterday and particularly for the confidence and support of our candidate from Canada, Jack Streight. We are so appreciative.

I am not going to take advantage of this important and valuable time of five minutes. I am going to give you Jack Streight as our worthy representative for the office of Imperial Captain of the Guard. We have your confidence. Thank you so much for being good to us. (Applause)

IMPERIAL POTENTATE COLLINS: Will the nominator for Ken Paxton please take the stand.

NOBLE JOHN S. McCANS: Imperial Sir, members of the Imperial Divan, Illustrious Representatives to this Imperial Council. The office of Imperial Marshal has now been filled and we extend to the successful candidate, Noble Jake Wingerter, our sincere congratulations and all good wishes for a most successful tenure of office.

May I speak to you again in behalf of our Noble of Syria, Ken Paxton. I have already spoken and you have read of his accomplishments both in the business world and in his fraternal life, especially within the Shrine. I have spoken of his contributions to Shrinedom both at the local level and at the Imperial level. I have enumerated his Imperial assignments covering many years and many positions under many Past Imperial Potentates.

May I once more re-emphasize these many attributes and now proudly nominate for the position of Imperial Captain of the Guard the Noble from Syria, Kenneth T. Paxton. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: We are now going to vote. It will be ballot No. 5. I beg your pardon. Are there any further nominations for the office of Captain of the Guard? Are there any further nominations for Captain of the Guard? And for the third and last time, are there any further nominations for the office of Imperial Captain of the Guard? Hearing none I declare the nominations closed.

I now recognize Clyde Oliver for the instructions on the voting.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. In voting for this particular office this morning we will follow the same procedure as we did yesterday. If the Tellers are ready and with the permission of the Imperial Potentate I will declare the ballot open.

(Ballots were cast for the office of Imperial Captain of the Guard.)

IMPERIAL POTENTATE COLLINS: While you are voting I want the Necrology Committee to assemble and get ready.

Has everybody voted?

VOICES: No! No!

IMPERIAL POTENTATE COLLINS: Has everybody voted? I will ask this once more. Has everybody voted? There is no one here who has not cast a ballot? If so, I declare the ballot closed.

I am now going to turn the meeting over to Dr. Bulfinch for the Necrology Report.

NOBLE F. LAWRENCE BULFINCH: Please uncover, gentlemen.

Imperial Sir, Imperial Sirs, Representatives and Nobles. During the past year our Shrine has lost some of our most Illustrious members. We pause at this time at this 92nd Imperial Council Session to give respectful consideration to the passing of our distinguished dead.

The service will be opened with the reading of a eulogy for Past Imperial Treasurer Leonard P. Steuart by Past Potentate Renah F. Camalier of Almas Temple.

LEONARD P. STEUART

Eulogy by NOBLE RENAH F. CAMALIER

NOBLE RENAH F. CAMALIER: Mr. Chairman, Imperial Sirs and Shriners all throughout the world. This Past Potentate of Almas Temple is humbly appreciative of having been selected to present this memorial to a friend and fellow Noble of all Shriners, Leonard Pinkney Steuart, truly an unforgettable image of Freemasonry in all of its glory.

The Imperial Council, Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, stands in grateful and loving thought and memory of Leonard Pinkney Steuart, 1879-1966, a 33° Scottish Rite Mason, a Grand Master of the Most Worshipful Grand Lodge of the District of Columbia in 1938, Illustrious Potentate of Almas Temple, Washington, D. C., in 1922, Imperial Potentate 1935-1936, Imperial Treasurer 1937-1966.

The silence of eternity enshrouds the tender yet firm voice of Noble Steuart, but his God-like spirit of joyous good will and personal concern for others is destined to live forever, through smiles of love and appreciation happily enlightening the faces and lives of thousands upon thousands of boys and girls, whose burdened bodies now no longer suffer the heavy hand of sorrow and affliction.

Rich, indeed, are those blessings bestowed upon all who knew him, blessings which flowed from the magnanimity of the heart and soul, affection and compassion for others, of Noble Steuart, so freely shared, so freely given with no thought of clime, of religious belief or of the origin of one's life.

Freemasonry and Shrinedom bow in appreciation to Almighty God for the life of this humanitarian, unselfishly dedicated, for over three decades, to advancing the work of the Shriners Hospitals for Crippled Children and the Shriners Burns Institutes, the world's mightiest philanthropies.

Noble Steuart's steadfastness of purpose, never-ceasing interest and zeal, devotion to family, to friends, to business associates, to Church, to Masonic, community and national endeavors, stamp Leonard Pinkney Steuart as a man of rare and enduring qualities of personal thoughtfulness and civic appreciation, and with a depth of kindly understanding towards the problems of the unfortunate and the needy.

*"Spirit Creative, give us light,
Lifting the raveled mists of night;
Touch, Thou, our dust with spirit hand,
And make us souls that understand."*

We assemble in thoughtful and grateful remembrance of this understanding man and Mason, this friend and fellow Noble, whose influence, leadership and guidance of men, and his beneficent heart, reached their highest in his service as Imperial Potentate and Imperial Treasurer of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America.

The good deeds of men shine brightly down the corridors of time throughout all eternity, and the lamps of Leonard Pinkney Steuart stand forever trimmed and burning. God be with us all — until we meet Leonard Pinkney Steuart again in the Temple of Smiles, above.

This tribute of love and esteem is offered for adoption at this the 92nd Annual Session of the Imperial Council, held in the City of San Francisco, California, this 7th day of July, 1966.

This is signed by myself as Past Potentate of Almas Temple and on behalf of all of its members.

NOBLE P. LAWRENCE BULFINCH: Thank you, Sir. Now a eulogy for Deputy Imperial Potentate Charles E. Merrill of Moslem Temple will be read by Robert Potts of Moslem Temple.

CHARLES E. MERRILL

Eulogy by NOBLE ROBERT H. POTTS

NOBLE ROBERT H. POTTS: Thank you, Mr. Chairman.

Imperial Sir, Imperial Sirs, Nobles all. Charles Edwin Merrill, a Past Illustrious Potentate of Moslem Temple, Detroit, and Deputy Imperial Potentate of the Ancient Arabic Order, Nobles of the Mystic Shrine of North America, a son of old Virginia, was born in the City of Richmond, on September 14, 1897. He answered the call of the Black Camel in Detroit, Michigan, on Saturday, December 4, 1965.

The shocking news of the sudden passing of this personable, energetic and devoted Noble stunned and saddened the world of Shrinedom. Thousands in and out of our beloved Order mourned his untimely departure from this earth, which he had brightened by his presence.

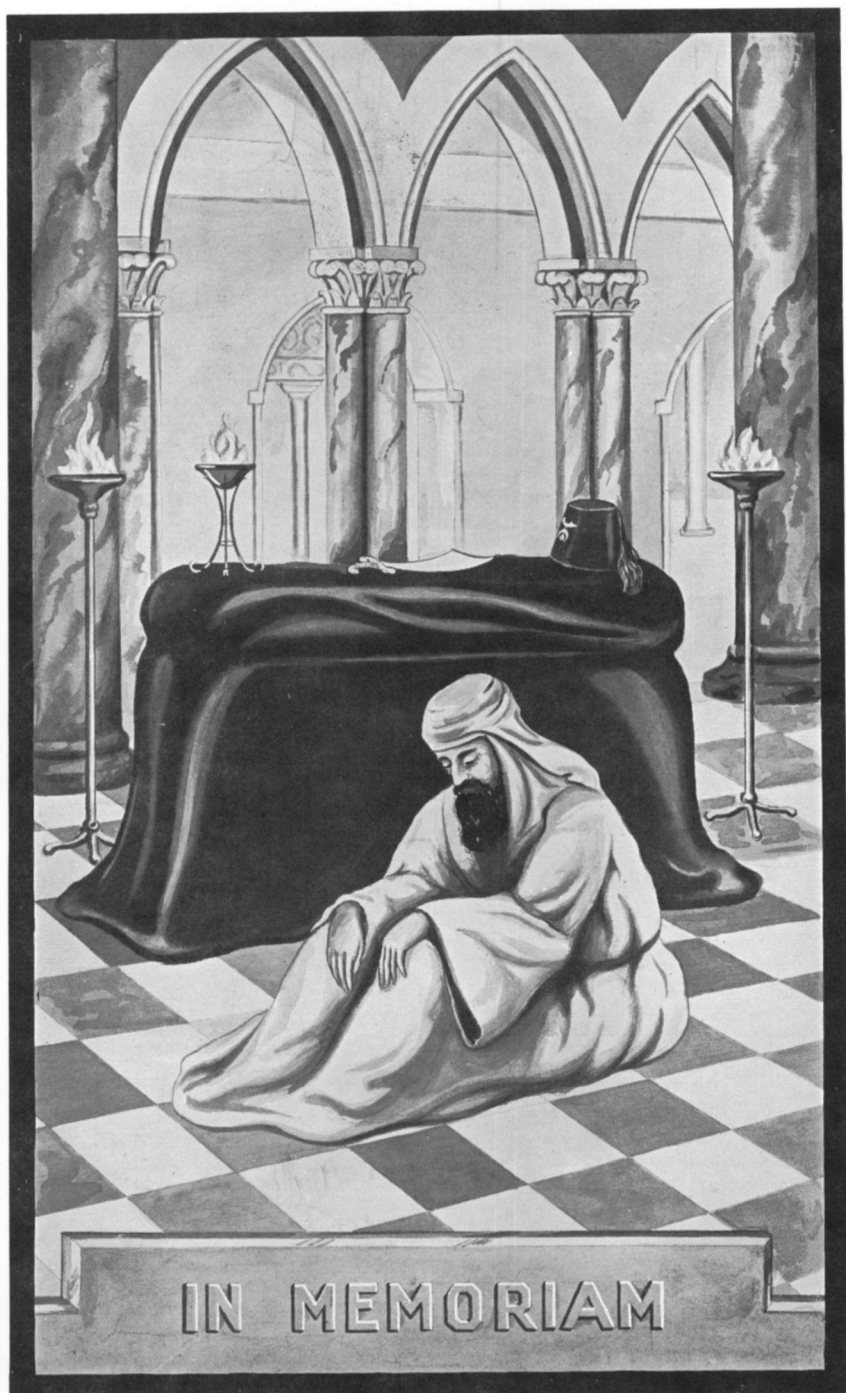

Scheduled to become our Imperial Potentate here in this room during this week, Charles Merrill's demise left a great void in the Imperial Council line. Every year, since his election as Imperial Outer Guard in Detroit, in 1956, he faithfully worked for the advancement of Shrinedom. His time, his energy, his knowledge, he gave freely to the Mystic Order he loved.

Nobles of our four Michigan Temples — Moslem, Saladin, Elf Khurafeh and Ahmed — were extremely proud of Charlie Merrill. All of us looked forward, with great pleasure, to the hour of his advancement to the exalted office, when we were to participate in colorful and exciting ceremonies attending his elevation, an honor which would climax an active life of service to his beloved fraternity.

Because of his enthusiasm and dedication Charles Merrill would have been an outstanding Imperial Potentate. But it was not to be! The Grim Reaper struck down our friend, and swept away all the dreams and ambitions which were built up over a period of many years.

Charles Edwin Merrill left us to join the "innumerable caravan from whose bourne no traveler returns," with precious memories of an exemplary life dedicated to Masonry and to Shrinedom. We of Moslem Temple are certain that all of those in this room — and thousands of other Nobles who are not here today — will miss his smiling countenance particularly during this great convention.

During World War II Charles Merrill served as legal review officer for the United States Navy. Active in The American Legion, he also was a Past Master of Composite Lodge, No. 499, F. & A. M., and a member of the Grotto, Chapter, Council, Scottish Rite, Detroit Commandery, No. 1, Knights Templar, and the Royal Order of Jesters.

IN MEMORIAM

He was a Past President of the Great Lakes Shrine Association and belonged to the Detroit Athletic Club, Detroit Golf Club, Economic Club, and the Detroit No. 1 Kiwanis Club. He also served as Deacon of the Central Woodward Christian Church in Detroit for 19 years.

Moslem Temple's Charlie Merrill possessed a keen sense of humor, a brilliant mind, a warm personality, and a friendly manner. He led a full and active life, and spread happiness wherever he went. May the good Lord enfold him, and continue to send his blessings down on the family he left behind. So mote it be!

I recommend that this be entered in the records of this Imperial Council.

NOBLE F. LAWRENCE BULFINCH: Thank you. And now a eulogy for our First Ceremonial Master from Aleppo Temple will be read by Carl R. MacKenney, Potentate of Aleppo Temple.

EDGAR L. TURNER

Eulogy by NOBLE CARL R. MACKENNEY

NOBLE CARL R. MACKENNEY: In the Old West the greatest tribute that could be paid to a man was that he died with his boots on, for it meant that when he died he was engaged in fruitful work. The greatest tribute I can pay to Edgar L. Turner, who died this past year, is that he died with his boots on, for he died while attending a meeting of the Officers of the Imperial Council in San Diego, California on the 15th day of October, 1965 doing the work he loved so much.

Edgar Turner's career in Masonry speaks for his interest in the wonderful work in which we are all engaged. He was a Past Master of Wellesley Lodge, A.F. & A.M., Past Potentate of Aleppo Temple, Imperial First Ceremonial Master of the Shrine of North America. He was a member of the York Rite and Scottish Rite Bodies, and a member of Boston Court #103, Royal Order of Jesters.

His business career epitomized his ability as a leader of men. He began his career as a craftsman engraver with McKenzie Engraving Company of Boston. Upon his death he was the President and owner of the Seven-Up Bottling Company of Boston, and one of Massachusetts' outstanding business leaders. He had a deep interest in civic affairs and he was the Treasurer and a founder of the Boston Patriots professional football team, and his belief in sports in the City of Boston helped the Boston professional team realize their dream of becoming a major influence in this area.

I suppose that all men when they die leave some type of monument, some to a greater degree than others. Ed Turner left three monuments—

A successful career in business,

A successful career in charities and civic affairs, and

A family of which he was very proud.

I am sure that Mrs. Turner, the former Hilma Mason, his mother—Mrs. Maude Sumner, his son Philip, his daughter—Mrs. Frederick Spencer, and his brother—Milton H. Turner will think many times in the years to come about the impact which he left on our community, and perhaps they will remember the words of Hugh Robert Orr:

*"They are not dead who live in lives they leave behind;
In those whom they have blessed, they live a life again,
And shall live, through the years,
Eternal life, and grow each day more beautiful
As time declares their good,
Forgets the rest, and proves their immortality."*

NOBLE F. LAWRENCE BULFINCH: Thank you, Carl.

On May 28, 1966, Imperial Chaplain Lt. Col. Reginald E. Clevett of Anezech Temple was called to that great caravan from which none return. He is joined by 69

other distinguished members of our Order who have answered the final summons since the last Imperial Council Session.

NOBLE F. LAWRENCE BULFINCH: Imperial Chaplain, Brig. Gen. Andrew P. Telfer will offer the prayer.

BRIG. GEN. AND NOBLE TELFER: Shall we pray. The Lord giveth, the Lord taketh away, blessed be the Name of the Lord. O God, the Great Architect of the Universe, may we at this moment say yea though I walk through the valley of the shadow of death I shall fear no evil. Thy rod and Thy staff guideth me. Surely goodness and mercy shall follow me through all the days of my life and I will dwell in the House of the Lord forever.

Our Father, may we so live that when the Black Camel carries us to our final place of rest in that land not built with hands eternal in the Heavens and from whose bourne no traveler ever returns, may the memory of our lives be as a sweet fragrance that shall never fade away, the fragrance that shall be as sweet savor in the nostrils of God.

Into Thy Arms have we committed our departed Nobles. Goodbye, goodbye, parting is such sweet sorrow. Goodbye, goodbye, until it be tomorrow. Amen.

("Taps" played by buglers.)

NOBLE F. LAWRENCE BULFINCH: Imperial Sir, this concludes the report of the Necrology Committee and I move the adoption of the report.

IMPERIAL POTENTATE COLLINS: You have heard the motion for adoption of the Necrology Report. Is there a second? (Motion seconded) Any discussion? All those in favor signify by raising the right hand. Those opposed by the same sign. So approved.

Gentlemen, I recognize Clyde Oliver.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. I might preface this report by telling you it is audited by the Committee of the Whole. It is with pleasure that I give you the results of the ballot for Imperial Captain of the Guard. There were 737 possible votes. 709 actually voted. There were no spoiled ballots. Necessary for a choice, 355. The votes were distributed as follows, and with your permission I

will read just the last name of the candidates: Castro, 5; McKee, 23; Paxton, 35; Martens, 93; Smith, 107; Bennett, 160; Streight, 286.

Imperial Sir, your Committee awaits further instructions.

IMPERIAL POTENTATE COLLINS: Gentlemen, we are going to vote again. We are now going to use ballot No. 6. It is a salmon colored ballot. Does anybody want the floor before you proceed to ballot? Hearing none, no one wants the podium, I declare the ballot open.

(Ballots were cast for the office of Captain of the Guard.)

IMPERIAL POTENTATE COLLINS: Has everybody voted?

VOICES: No! No!

IMPERIAL POTENTATE COLLINS: Those who have not voted please stand up and the Tellers will come to you. I assume that those standing have not voted. Will the Tellers please contact them.

Has everybody voted? Is there anybody who hasn't voted please say so.

Our Past Imperial Potentate Billy Woodfield is now in the process of getting the ballot and marking it and I assume he is the last one. That is one of the prerogatives of a Past Imperial Potentate. We happen to have another Past Imperial Potentate, whom we all love, Harold Lloyd. He hasn't voted either and is in the process of marking his ballot. (Laughter)

Has Billy Woodfield cast his ballot? Has Harold Lloyd cast his ballot? Has everybody cast his ballot? I now declare the ballot closed.

(Business was conducted in the Colorado Corporation at this time.)

IMPERIAL POTENTATE COLLINS: Fellows, we are going on in great shape and with your cooperation we will finish in good time. I now recognize Clyde Oliver.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. It is with pleasure that I give you the result of the second ballot for Imperial Captain of the Guard. There were a possible 737 votes. 716 actually voted. There were no spoiled ballots. Necessary for a choice, 359. Again with your permission I will read just the last names of the candidates. Castro, 1; McKee, 14; Paxton, 15; Martens, 42; Smith, 96; Bennett, 180; Streight, 368. (Applause)

IMPERIAL POTENTATE COLLINS: Will Jack Streight please come to the podium.

Gentlemen, I recognize "Woody" Bennett.

NOBLE W. W. BENNETT: Imperial Sir, I would like to move that a unanimous ballot be cast for Jack Streight for Imperial Captain of the Guard. This is speaking for all the candidates. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: Do I hear a second? (Motion seconded) Moved and seconded and "Woody" Bennett with the approval of the other candidates wishes to make this ballot unanimous in favor of Jack Streight for the position of Captain of the Guard.

Jack Streight, will you accept?

NOBLE JACK M. STREIGHT: I certainly do.

VOICE: No vote?

IMPERIAL POTENTATE COLLINS: All in favor of the motion to declare the vote unanimous please hold up your right hand. Those opposed the same sign. I so declare it unanimous and Jack Streight now has the floor. I am going to ask Jack Streight if he accepts.

NOBLE JACK M. STREIGHT: I accept and thank you very much. Fellow Nobles, may I say just a few words for the record. First, I want to thank my own Temple, Gizeh Temple of Vancouver who invited me to be a candidate. The Canadian Temples went along with their choice and I appreciate it very much indeed. Also that great Northwest. They are a wonderful bunch. They are a great bunch of Shriners.

I would like to place in the record that I have traveled a great deal and met the Shrine and I will be frank with you that the Shrine has no jurisdictional lines where one man should have that or that. They are all a great bunch of Shriners.

I want to pay tribute to the men who were my competitors. I would say to you that they are the finest Nobles that you could choose and I am sure there must be some position in the Shrine available to them because you should not lose them. Their intelligence and integrity is most valuable to the Shrine. Let's not forget them.

To my great friends on the Jurisprudence and Laws Committee who have sat with me for six years I am going to miss you. You have done a great job for the Shrine.

I just want to say one more thing. Fellows, I don't know whether you voted for me or to have a convention in Canada, but I am sure if I have anything to say in the matter we will go north.

Fellow Nobles, I wish to pay tribute to my wife and two daughters who were with me and they are great Shriners. I appreciate it very much.

Do not expect me to wear the mantle of former Imperial Potentate Marshall M. Porter. He is an outstanding Canadian lawyer and I am only a small town lawyer but I will do the best I can for you. (Applause)

IMPERIAL POTENTATE COLLINS: By virtue of the authority vested in me I declare that Jack Streight of Gizeh Temple of Vancouver has been unanimously elected as Captain of the Guard.

We are now going to vote for Imperial Outer Guard. Will all those candidates who aspire to this position come to the platform.

(The candidates assembled on the stage.)

IMPERIAL POTENTATE COLLINS: Are these all the candidates? We will follow the previous policy. Each candidate will be asked to draw a number from the fez and will be nominated in that order. Are there any other candidates for the office of Imperial Outer Guard? Here we go.

(The candidates drew for nominating position.)

IMPERIAL POTENTATE COLLINS: Gentlemen, I will now announce the names of the candidates, as I have done previously, from left to right and again I repeat that the position is of no importance. Harvey Smith, Pete Val Preda, "Woody" Bennett, Harry Martens, John McKee, Ken Paxton.

They have been drawn in this order. Paxton, one; Val Preda, two; Bennett, three; Martens, four; McKee, five; Smith, six.

I now recognize the nominator for Ken Paxton. Again, five minutes.

NOBLE JOHN S. McCANS: Imperial Sir, members of the Imperial Divan, Representatives to this Council. We of Syria Temple of Pittsburgh, Pennsylvania, do in this manner acknowledge the accomplishments and the success of our two newly elected Officers of the Imperial Divan. May they be deeply blessed with health and strength of body with ability, compassion and understanding of purpose, to enable them to serve this, the greatest body of men in the manner and with the success they so richly deserve.

Now, on behalf of the great Shrine population of the Commonwealth of Pennsylvania, as yet unrepresented on this Imperial Line, and to complete and round out their great energetic team I am happy to nominate for the position of Imperial Outer Guard the Noble from Syria, Kenneth T. "Ken" Paxton. (Applause)

IMPERIAL POTENTATE COLLINS: The nominator for Val Preda.

NOBLE WILLIAM F. RAYMOND: My name is Bill Raymond, a Past Potentate of Palestine Temple from that small but great State of Rhode Island.

Imperial Sir, Imperial Sirs, fellow Representatives. In every man's life there comes a memorable moment of pleasure, pride and honor. I am now privileged to enjoy such a moment. The honor of placing in nomination for Imperial Outer Guard the name of Peter Val Preda is indeed one of the major moments of my life.

Peter Val Preda, Past Potentate of Cairo Temple, Rutland, Vermont. There is no need to refresh your minds on the status of Shrinedom in North America. As I look around I know you are all intelligent men. There is no question that this is the greatest and most philanthropic organization in the world today.

However, the continued success of the future for Shrinedom in North America is very much dependent on the caliber and type of men we elect to high trust in this great organization, men who have attained the pinnacle of success in all walks of life, men who have a faculty for getting along with their fellow man, men who are respected and are a credit to their community, men who are the ultimate in dignity, integrity and character.

We of the Northeast are proud to present such a man, a man who with all humbleness sought from the beginning to be elected to not three, not two, but one office, the office of Imperial Outer Guard.

All of you have received literature on behalf of Peter and I presume you have read it thoroughly and are therefore well aware of his many brilliant qualifications,

With your indulgence may I refresh your memory just a little bit. Peter is forty-eight years old. He is a devoted family man with a charming wife and a grown son and daughter. His military record includes years of service in the United States Navy. He later became a pilot in the 492nd Bomb Group of the Air Force. He was a prisoner of war in Germany in 1964 and — (laughter) I thought I would see if you were asleep but you are awake. It was 1944 and '45. (Laughter) Thank you for remaining awake. (Laughter and applause)

He was decorated with the Air Medal with two clusters and the Purple Heart. At the present time he is now an officer in the Air Force Reserve.

In the business and civic field Peter has achieved outstanding success and prestige. At the present time he is Treasurer and Chairman of the Finance Committee for the National Automobile Dealers' Association. He is immediate Past President of the NADA. Any of you Nobles who are connected with the automobile industry who sell automobiles know that this is an organization gigantic in scope, in fact it is international. In addition to this Peter is President of several large corporations and a Bank Director.

His Masonic affiliations embrace all of the Bodies.

My fellow Representatives, last year the Black Camel called upon our beloved First Ceremonial Master Edgar L. Turner of Aleppo Temple in Boston which left the northeast section of North America without representation in the Imperial Line. However, God in His Infinite Wisdom and Understanding has seen fit to give to all of us one who will be a shining star in our great Fraternity. Fellow Nobles, I am proud to present in nomination the name of Peter Val Preda, a man who personifies ability and success, dignity and integrity and character, a devoted family man, a devoted Mason and Shriner, one who is a credit to our great Fraternity and one you can vote for with confidence knowing that the high standards for excellence in Shrinedom will be maintained. Thank you, fellow Nobles. (Applause)

IMPERIAL POTENTATE COLLINS: What happened to my notes? Who is number three?

NOBLE GEORGE M. SAUNDERS: "Woody" Bennett.

NOBLE EVERETT H. TRUNK: Imperial Potentate, Imperial Representatives. I place in nomination for the office of Imperial Outer Guard W. W. "Woody" Bennett who was the strong runner-up candidate for the office you have just filled, that of Imperial Captain of the Guard. (Applause)

IMPERIAL POTENTATE COLLINS: Now the nominator for Harry Martens.

NOBLE JOHN B. VESEY: I am going to ask your indulgence for just a moment. Last year in Washington my dear old friend Leonard Steuart came to me with Harry Martens and requested me to nominate him. It so happened that my first ballot in this Imperial Council in 1926 was for Leonard Steuart for Outer Guard and

throughout all of the years we maintained a wonderful friendship. I was honored that he wanted me to nominate Harry Martens.

I made an exhaustive examination of the qualifications of Harry Martens. I found him to be a man of sterling quality, a man with five lovely children, a church man, a man successful in business, a man successful in life, a man who has served his country with distinction, and the kind of a Shriner that would make because of his age, forty-seven years, a wonderful addition to our Imperial Divan.

I have given the best efforts I know how to give to present him and his wonderful qualifications to you. I have kept my promise to a dear old friend who is no longer with us but who served this Council for more than forty years. Harry Martens would be a wonderful man to carry on in the tradition of Leonard Steuart. I will be most happy if you see fit to elect him to the office of Imperial Outer Guard. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: I recognize the nominator for John McKee.

NOBLE GEORGE A. GIESE: Imperial Sir, Imperial Sirs, fellow Representatives. If you want a worker, a reliable, dependable worker who has proven himself many, many times heretofore, I ask you this time, and perhaps for the last time during this convention, to elect John McKee. I am happy to again place in nomination the name of John McKee this time for the office of Imperial Outer Guard. Do not let this opportunity pass I beg you. Thank you very much. (Applause)

IMPERIAL POTENTATE COLLINS: The nominator for Harvey Smith.

NOBLE WILLIAM J. BUNDY: Imperial Sir, Imperial Sirs, I said what I had to say about Harvey Smith a while ago. I do not need to say it again and I know you do not want to hear it again but I meant every word of it and now to every word I said I say ditto and ask you to remember particularly that all the Southeast has no representation on the Imperial Divan. Help us, please. (Applause)

IMPERIAL POTENTATE COLLINS: We are now going to use ballot No. 7.

Are there any other nominations for the office of Imperial Outer Guard? Are there any other nominations for the office of Imperial Outer Guard. And for the third and last time, are there any other nominations for the office of Imperial Outer Guard? Hearing none, I declare the nominations closed.

We are now going to use ballot No. 7 which is a sort of a screaming pink color. Sometimes I have been told that seven is a lucky number. It says cherry on the top.

NOBLE W. CLYDE OLIVER: With the Imperial Potentate's permission I will declare the ballot open. The ballot is now open for ballot No. 7, the cherry ballot.

(Ballots were cast for the office of Imperial Outer Guard.)

IMPERIAL POTENTATE COLLINS: Anyone here who has not voted for the office of Imperial Outer Guard? Hearing no opposition I declare the ballot closed.

Gentlemen, will you please take your seats. We must continue while the ballots are being counted. Please clear the aisles and take your seats and close the doors.

Gentlemen, I must have your undivided attention. The elections are very important but there is nothing you can do about them now until the Tellers come back with their report. Please listen, gentlemen. I am sure you will all agree that up until now the affairs of the Shrine have been conducted in a gentlemanly and orderly and fair manner. Now I ask for the floor. I wish to speak about DeMolay.

Day before yesterday when I brought up the question of DeMolay I was concerned principally about the continuity of the program that we had started. It was not my intention to set up a position for myself. It was not my idea in any way to do anything that would set up the position for any other individual or individuals.

If I am not mistaken I believe that some of you out in front who voted against this measure were influenced by some of the conditions whereby it was recommended that two men be appointed for three years, two for two years and one for one year, and

you objected, and I am inclined to agree that you are right, that we should not have tried to do it in that particular way.

We now have a new proposal to bring before you. It is going to be read by George Saunders. After it has been read you will see that the only reason for bringing this up again is to have a continuity for the program. What George Saunders is going to read has nothing to do with the levy, with money to be appropriated to operate this Committee, or provide them with funds with which to operate. What George is going to read merely confines itself to the idea of a continuity and so that your minds will be put at ease your present Imperial Potentate will have nothing whatever to do with the appointment of this Committee.

So I am turning the floor over to George to read this, after which there will be discussion if you like. It will be referred to the Jurisprudence and Laws Committee for a further report later on during our meeting. I now recognize George M. Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives, a resolution.

Whereas, Imperial Potentate Barney Collins placed great emphasis on the importance of DeMolay and the need for its support by the Ancient Arabic Order Nobles of the Mystic Shrine and,

Whereas, the Imperial Council recognizes the great service and leadership of its Imperial Potentate in this most important activity and,

Whereas, the Imperial Council desires to continue the effort to strengthen and assist the Order of DeMolay in whatever way possible.

Now therefore, be it resolved by the Imperial Council that a Committee to be known as the Committee for DeMolay Promotion be and it is hereby created and established to develop, sponsor and coordinate all activity and effort deemed feasible and desirable to assist, promote and strengthen the Order of DeMolay and its International Office.

Be it further resolved that the Committee shall consist of five members who shall serve terms of one year each or until their successors are duly appointed and qualified, and who shall be appointed each year by the Imperial Potentate commencing with the Imperial Potentate elected by the 92nd Imperial Council not later than ten days after the close of the Imperial Council.

Be it further resolved that the Committee coordinate its efforts and activity with the proper representatives and officials of the DeMolay Committees and other Masonic Bodies and with the International Office of the Order of DeMolay, and the Committee carry out such assignments granted to it from time to time by the Imperial Potentate and/or the Imperial Council.

The Committee on Masonic Relations by unanimous vote is asking the Imperial Potentate to submit this to the Jurisprudence and Laws Committee and requesting the Jurisprudence and Laws Committee to report this favorably to this convention. It is signed by John McKee, Chairman Masonic Relations Committee.

Imperial Sir, I move the resolution be received and referred to the Jurisprudence and Laws Committee. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and second. Is there any discussion on referring the resolution to the Jurisprudence and Laws Committee?

NOBLE MARSHALL M. PORTER: Just a moment, may I be heard? I am sneaking up on you.

I do not want to change this motion or its spirit because I think it is something that we all want to do. I do think, however, that we can save a lot of time and solve some problems of principle by reframing it.

We spent the first morning of this convention on a controversial matter out of which came utter and complete agreement and that is that all Masonic Bodies should be working together to do more for Masonry than all of its branches and the Shrine might prosper. I look on DeMolay as the Sunday School for Masonry, a place where young men are taught some simple and enduring principles which they do not get as we did,

as much at any rate, in the home and in the church and other social environments. I think that the Representatives should have more representation in these activities and so I am going to move to amend this resolution by restating its sense.

There is another resolution to be offered which will propose that there be a levy made on each member of the Shrine for the purpose of aiding DeMolay. This would increase the cost of being a Shriner and it would increase the revenue of the Iowa Corporation. This in my judgment is the wrong way to help DeMolay or any other Order that may usefully serve Masonry. I think if we want to help them we will make them a grant.

So I am going to propose by way of amendment to this resolution — endorsing, mind you, its principles — that the Imperial Potentate each year shall appoint from the Representatives of the Imperial Council five members of the DeMolay Committee whose duty it shall be to examine the progress and need of DeMolay and report thereon to the Imperial Potentate and the Divan who shall be authorized to make a grant in such sum, if any, as they think is needed to promote DeMolay, not to exceed in any year the sum of \$40,000. I offer that as an amendment.

IMPERIAL POTENTATE COLLINS: We have an amendment which I believe also requires a second. (Motion seconded) It has been seconded and we are continuing our discussion and I recognize our Noble here from East St. Louis.

NOBLE LOUIS CHACKES: May I offer another amendment, that the amount suggested is \$40,000 and we have been giving \$10,000.

IMPERIAL POTENTATE COLLINS: They got \$20,000 this past year.

NOBLE LOUIS CHACKES: Why not give them \$20,000? If they need more for the conduct of this work on the Committee it is easy to come back. If we have \$20,000 let's have \$20,000 and I make the amendment for \$20,000. It is a pretty good plus to start with, I would say.

I am for, never have been against it. I was opposed in the first place not to the appointment of the Committee but in the manner in which the Committee was to be set up. I now feel that \$20,000 would be all right. The appointment of the Committee is the thing.

IMPERIAL POTENTATE COLLINS: We have an amendment to the amendment. Do we have a second to this amendment? (Motion seconded) We now have two amendments both seconded.

NOBLE MARSHALL M. PORTER: I would have liked to have spoken before this was seconded because the seconder has moved, I think, under a misapprehension. My motion was intended to say, and I thought I said, that the Divan would be authorized to contribute a sum, if any, not in excess of \$40,000, after the Committee had made its recommendation following an examination of the stated progress and the needs of DeMolay. It could be \$10,000, it could be \$5,000, it could be \$40,000, depending on the recommendation of the Committee and the Divan's opinion of the soundness of that need. (Applause)

NOBLE LOUIS CHACKES: Imperial Sir, with the approval of those who seconded I withdraw my amendment. That explanation is perfectly satisfactory. (Applause)

IMPERIAL POTENTATE COLLINS: John McKee has asked for the floor.

NOBLE JOHN MCKEE: Our Committee has submitted this as a resolution. Our Committee now recommends that we accept the Judge's recommendation, the first amendment to be established to this resolution. Rather than vote we ask that it become a part of the resolution in itself. (Applause)

NOBLE LOUIS CHACKES: Imperial Sir, I believe that the motion made by Past Imperial Potentate Marshall Porter is the thing that we really want to vote upon and to attach that to the other resolution doesn't make quite sense because they are all the same motive but the language sort of conflicts. I think to the extent of the first resolution that we adopt the motion made by Marshall M. Porter and we are ready to go as a substitute. Would that be all right, as a substitute motion?

NOBLE ROBERT H. FOUKE: Imperial Sir, Imperial Representatives. At this time inasmuch as this matter was proposed by the Chairman of the Masonic Relations Committee, was submitted to this Council by the Imperial Potentate in accordance with the By-laws, and was to be referred to the Jurisprudence and Laws Committee for report, then with the motion made by Justice Porter and amended and following that a substitute motion that we now vote upon the main motion, it would now be in order to proceed on that basis with Jurisprudence and Laws coming in with a report and in conformity with the expression you have given here. So at this time if there is the substitute motion and the second it may now be voted upon and followed on that basis on a majority because it is not amending the By-laws of the Imperial Council.

VOICES: Question! Question!

NOBLE GEORGE A. MATTISON, JR.: Imperial Sir, I would offer this as a substitute motion, the resolution presented in this way by Mr. Justice Marshall M. Porter. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion, the substitute motion. It has been seconded. Is there any further discussion? All those in favor signify by raising the right hand. Those opposed by the same sign. So carried and thank you, gentlemen. I merely wanted to get this off the ground. (Applause)

We have two routine reports, one by the Public Relations Committee by Al Hopkins who is not a Representative. It consists of several pages, merely telling what he has done during the year in the way of sending out letters to the different Shrine Temples. I just merely want this to be read into the record and form a part of the proceedings. Hearing no objection, or should I put it in the form of a motion?

NOBLE HERBERT T. WHITE: I so move. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion. Any discussion? All in favor signify by raising the right hand. Those opposed. I so declare the motion carried.

(Here follows the report as authorized in the above motion.)
Imperial Sirs and Members of the Imperial Council:

In accepting Imperial Potentate Barney Collins' appointment as Chairman of Public Relations — I did so fully realizing that Public Relations is of vital importance and that its conscientious application affords a tremendous opportunity for every Temple in Shrinedom. It is and has been our sincere belief that while all Temple activities, events and functions are dependent to a degree on each other, to succeed individually or collectively they must all look to good healthy public relations.

With this deep and abiding conviction your Public Relations Committee conceived and created a 20-POINT PUBLIC RELATIONS PROGRAM of suggested ideas, vehicles and tools for all the Temples of Shrinedom. This 20-POINT PROGRAM was created — (1) To Gain Active Temple Leadership Support; (2) To Build Good Solid Temple Relations; (3) To Obtain Much Deserved Publicity For Shrinedom.

Basic and foremost was our plan of action entitled, "A Public Relations Program for The Temples of Shrinedom." Printed in a twelve page brochure we presented a philosophy of public relations that is basic and proven. The objective of this philosophy was to convince ourselves and others of the advantages of Our Temple so that there would be a greater appreciation of our organization by the public and Nobility. In this brochure we presented the fact that Public Relations is a Three-fold operation. That it is the art of developing and maintaining understanding — plus the acceptance of ideals, beliefs and objectives. We presented the premise that public relations must not be confused with "Publicity," which is the vehicle of telling the truth consistently to as many people as possible through all available channels of public information. We simply defined public relations as a state of mind — as a sincere desire to win friends — as a willingness to be of service — as having a desire to improve the product and to gain loyal supporters — as the art of attaining the respect of one's public — as A THREE-FOLD OPERATION which is —

1. INTERNAL — our own attitude and actions.

2. EXTERNAL — our community relations.
3. PUBLICITY — communications and medias.

Knowing that *public relations* must be earned and that is first earned through a genuine and friendly interest in others and through active support of worthy causes. Ideas on how to do this were sent to all Temple leaders on a regular basis. As a part of our 20-POINT PROGRAM these ideas, suggestions and selling tools included: (1) A Plan of Action Brochure, A Public Relations Program for Shrinedom; (2) For relations of fun and color, an attractive broadside on how to stage A Mexican Fiesta Party; (3) For relations with future Masons, A Kit on How to Stage a Night Honoring DeMolay; (4) For relations with Our Masonic Family, A Masonic Night Kit; (5) For internal and external relations, A Club and Unit Leader's Guide; (6) For prestige and membership relations, Potentate's Advisory Board of Distinguished Citizens; (7) For relations of reverence and respect, Suggested Prayers and Invocations; (8) For internal relations with Past Leaders, A suggested Builders of The Temple Night; (9) To create good fellowship relations in high places, A Government Official's Night For Masonic Public Servants; (10) For good Masonic Relations, An Event Honoring Past Masters; (11) To create relations of respect, A Mailing on A Temple Go-To-Church Sunday; (12) To promote better relations throughout your Temple's entire jurisdiction, A Shrine Club Night at The Temple; (13) To create relations of old friendships and to honor worthy Past Leaders, A Class Roll and Past Potentates Night; (14) For Temple relations, A Packet of Inter-Temple visitations.

Those ideas were sent not only as tools to build better relations but as suggestions to attract attendance and to be used as vehicles worthy of receiving much deserved publicity.

Another feature of this 20-POINT PROGRAM included a series of potent and colorful public relations letters for Temple Monthly Bulletins. These letters were written as coming from The Potentate to His Nobility wherein he urged all to tell and sell Shrinedom to help improve our image with the public.

Our public relations staff in Chicago has covered the Temple visits of Our Imperial Sir with diligence and care. On each occasion they mailed in advance pictures and stories to all major newspapers serving the jurisdiction of The Temple that was to be visited. Five large volumes of newspaper clippings have been compiled which are proof-testimony of the splendid effectiveness of our staff's efforts and ability. Some of the important high-lights of our publicity efforts included — Imperial Sir Barney's program to assist DeMolay which received reams of publicity month after month throughout all The Land of Shrinedom — The Imperial Sir and Past Imperial Sir Harold Lloyd telling the story of our great philanthropy to a nation-wide TV audience when they appeared between halves at The East-West Shrine Game — The Saturday Evening Post's major article on our new Burns Institute at Galveston — The Associated Press widely used photos and stories of The Imperial Sir and Mrs. Collins greeting the first patient — The CBS Television coverage of Our Frank S. Land's Memorial Breakfast in Washington during the Grand Masters Conference.

Statistics worthy of mention are that our 20-POINT PROGRAM was mailed on a consistent basis to over 870 representatives and leaders throughout the Land of Shrinedom. Included in the 20 mailings were some 90 pages and pieces of printed material (over 65,000 in all). In planning this campaign just a year ago we asked for the modest — yet practical budget of \$10,000 to create, print and mail this 20-POINT PROGRAM. I am happy to report to you that the entire cost — printing, art work, folding, stuffing, addressing, stamping, stamps, mailing, paper, envelopes was only \$5483.00.

As your Public Relations Chairman I am deeply appreciative of the way so many of our Potentates and Divan Members used these ideas to good advantage and am further appreciative for your many letters and gracious comments. I am thankful for the fine counsel of the Chairman of The Executive Committee Past Imperial Potentate, George E. Stringfellow and for the equally fine counsel of my predecessor Past Potentate, Robert H. Fouke. I am indeed grateful for the opportunity given me to serve and am confident that our combined efforts (all of us) as part of Imperial Sir Barney Collins'

team, we have won new friends for Shrinedom, have helped raise the stature, respect and prestige of Shrinedom to new heights in the minds of the citizens of North America.

Respectfully Submitted,

ALFRED E. HOPKINS

Chairman Public Relations

IMPERIAL POTENTATE COLLINS: We have another one, also routine, from the Chairman of the DeMolay Promotion Committee signed by J. B. Finney, National Chairman. It tells what he has done during the year and covers several pages in the same category as the other.

NOBLE HERBERT T. WHITE: So move. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Any discussion? All those in favor signify by the usual sign. Those opposed the same sign. So carried.

(Here follows the report as authorized in the above motion.) Imperial Sir; Members of the Imperial Divan; Representatives and Nobles.

Allow me to publicly express my appreciation for having been appointed National Chairman of the Shriner's Aid to DeMolay Program.

First: The program as formulated was a completely voluntary program and was divided into two parts. Part one: To activate every Shrine and every Shrine Club in the furtherance of DeMolay Chapters and their objectives, by the appointment of Shrine DeMolay Chairmen and Committee men in each Temple.

I have in my files, letters and clippings from Temple publications, testifying that 153 Temples participated in the encouragement of DeMolay activities in their jurisdictions. The Potentates here assembled will bear testimony to the fact that the effort of DeMolay in 1966 was a very rewarding experience. Those officers coming up the line will, I am sure, repeat this effort in behalf of our youth.

We have raised the hope in DeMolay that Shriners care for their very own.

The vote cast this week concerning a permanent standing DeMolay Committee, is evidence that nearly two-thirds of the Representatives present approve the continuation of the Shriners' Aid to DeMolay Program. I believe this vote, although it was not a two-thirds majority of all registered Representatives, was a victory for the concept that we should continue our efforts in behalf of DeMolay.

This is the first time in the history of the Shrine that we have been officially and actively interested in our own Masonic Youth organization.

Let us not be discouraged — we have set a precedent — we have broken a barrier — we have been plowing in a fertile field, expecting to reap a rich harvest in Masonic youth.

It is now praiseworthy to aid DeMolay because we have cast out fear.

I have said before and I say again, that the Shrine is strong enough and able enough to do those things which have been done before and still embrace DeMolay.

If not this year, then ultimately, we must have a permanent standing DeMolay Committee. Otherwise, we will blow hot or cold, depending on who is elected.

The Hospitals cannot and do not operate on this basis and neither can we progress with DeMolay on an off again — on again — basis. I believe that every right thinking Shriner is for DeMolay. The only question facing us is, how shall we proceed?

The second part of the program pertaining to fund raising activities never really got off the ground.

I had proposed that we could easily raise a dollar per member per year. This idea seemed to frighten some people. Yet, in my case, as Potentate of Al Malaikah Temple, we raised for DeMolay, \$27,308.00 net in one evening by giving the Nobility a show in behalf of DeMolay.

Some people say DeMolay does not need money, only a genuine interest in youth activities — I disagree. Some say the Grand Lodges should help DeMolay. It is not a Shrine function — again, I disagree. There are too many Grand Lodges to act as a unit. The Shrine is the only parallel body that can help on a national scale.

In California we have 11% of all the DeMolay in the United States and as a consequence need money.

Homer Rathbun, Executive Officer of DeMolay in Southern California, operates from a back bedroom in his home without benefit of a paid secretary. How would the Records of our Temples like to work without compensation and then work each day for their livelihood? How then can we expect DeMolay to thrive under these circumstances?

I envision the day when the Shriner, standing proudly with his right arm around the crippled child, will also reach out with his left and offer moral guidance to his very own — for charity begins at home.

I made this statement in 1961. "That when all else was forgotten — that which I did for DeMolay would be remembered." How true that statement was.

Let us continue to sow to the spirit.

Let us continue the good work.

Let us continue our aid to DeMolay.

May Allah Bless you as
you embrace DeMolay.

J. B. Finney
National Chairman
Shriners' Aid to DeMolay

IMPERIAL POTENTATE COLLINS: I now recognize Judge Jones of the Jurisprudence and Laws Committee for further legislation to be discussed.

NOBLE WARREN L. JONES: Jurisprudence and Laws reported a proposed amendment on the procedure to be followed before Grievances and Appeals. It was suggested from the floor that one sentence might be conflicting or ambiguous and the matter was referred by the Imperial Council back to Jurisprudence and Laws for further consideration.

The Committee on Jurisprudence and Laws now moves that the proposed amendment to the By-laws and as submitted in the Call be amended by deleting therefrom the last sentence of subparagraph (i) reading, "There shall be no oral discussion from the floor during the presentation of the appeal," and substituting therefor the following sentence, "Upon a conclusion of such argument the report shall be subject to discussion from the floor."

Imperial Sir and Imperial Representatives, I am sure that what I have said clarifies the whole matter. If you have any doubt you may accept my assurance that the ambiguity has been removed.

I now move the adoption of the proposed amendment to the amendment as appearing in the Call. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Moved and seconded. Is there any discussion? All those in favor signify by raising the right hand. Those opposed by the same sign. So carried. That was two-thirds, in fact it was unanimous, gentlemen.

NOBLE WARREN L. JONES: I now move the adoption of the amendment as appearing in the Call as thus amended. (Motion seconded)

IMPERIAL POTENTATE COLLINS: All those in favor signify by raising the right hand. Those opposed the same sign. So carried unanimously.

NOBLE WARREN L. JONES: Contained in the Call are two provisions relating to fezzes, 213.1 and 213.1(F). 213.1 as it appeared in the Call would provide that the exclusive head covering of the Order would be the red Turkish fez with a black tassel.

The Committee on Regalia, whose report is before you, has proposed that the proposed amendment read, "Moroccan," in lieu of Turkish.

In order to give effect to the report and recommendation of the Regalia Committee I move that the proposed amendment to Section 2.13 of the Imperial By-laws be amended by the deletion of the word "Turkish" and the substitution of the word "Moroccan." I move the adoption of the proposed amendment to the Code Section as it is in the Call. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and it is seconded. Any discussion? All those in favor signify by holding up the right hand. Those opposed the same sign. It requires two-thirds and I declare it unanimous.

(Here follows the Code Section as thus adopted.)

"§213.1 Fez. The exclusive head covering of the Order shall be the red Moroccan fez with a black tassel.

NOBLE WARREN L. JONES: That leaves us with the proposed amendment to Section 213.1 which would now provide that the exclusive headgear will be the red Moroccan fez. As amended I move the adoption of the amendment. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and second. Any discussion? Those in favor signify by raising the right hand. Those opposed the same sign. So carried by two-thirds.

NOBLE WARREN L. JONES: The proposed amendment to Section 213.(f) is a new proposal which would give, if adopted, the Imperial Potentate the control over the manufacture and sale of fezzes. The Committee on Regalia has recommended that the proposal does not carry. In order to give effect to the recommendation of the Committee on Regalia and on behalf of the Committee on Jurisprudence and Laws I move the proposed amendment be tabled. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Is there any discussion? All those in favor of this motion signify by raising the right hand. Those opposed the same sign. I so declare it and it is tabled.

NOBLE LOUIS CHACKES: Imperial Sir, just on the subject and not particularly whether it stays in the record, we have already in the law, I believe, that a white fez saying "Lady of a Shriner" or "Lady of a Noble" is forbidden. Already in this building there are being sold white fezzes bearing that. Now we approve the people who show here and by that we sort of approve what they sell. Now I have mentioned it many times and no one pays much attention to it and for that reason I draw attention to it now that somebody ought to tell those who show their wares under the Imperial Council that they must not show or offer for sale or sell those types of fezzes bearing "Lady of a Noble," "Son of a Noble," I am going to stop right there. (Laughter and applause)

Now while I am saying it I think I know a sentiment and it is this. I like to be sure when I buy a new fez — which I didn't, a good friend gave it to me — I like to know when I buy a fez that it is bought from somebody who does not sell fezzes to any other organization that wears red fezzes, if you get what I mean. I would like it to be certain, I will put it this way, that anyone who demonstrates or displays in our place does not have a booth in the other place because I know that they get a special catalog out that by looking at it you can see that the names on there are not what we have. I wish everybody would see that in their Temple when they buy the fezzes. I am not in restraint of trade but I am pretty jealous of everything that belongs to us and others ape us, and the word ape is right, but I don't want people selling us anything to be selling them or I would rather not buy from them. It might be wise to ask anyone from whom you buy to bring a statement written or oral but very definite that they do not sell either directly or through any organization in which they have a part or another name fezzes worn by Nobles of the Mystic Shrine to any but regular Temples of the Ancient Arabic Order Nobles of the Mystic Shrine. Am I clear?

VOICES: Yes! Yes!

NOBLE LOUIS CHACKES: Watch it, please, it is terrible. I see it and I would like to take the guy by the scruff of the neck but who am I? But it is done. So I bring it to your attention. Let's guard well the door. (Applause)

IMPERIAL POTENTATE COLLINS: I now recognize Clyde Oliver for a report on the election.

NOBLE W. CLYDE OLIVER: Imperial Sir, Representatives. It is with pleasure that I submit to you the result of your ballot for Imperial Outer Guard. There were a possible 737 votes. 719 actually voted. There was one spoiled ballot. Necessary for a choice, 360. The votes were distributed as follows, and here again I will read just the last names of the candidates: McKee, 20; Paxton, 31; Martens, 87; Smith, 92; Val Preda, 169; Bennett, 319.

Imperial Sir, your Committee awaits further instructions.

IMPERIAL POTENTATE COLLINS: We will now vote again. Gentlemen, don't do anything, please, until you hear what is about to transpire. Hold your ballot, gentlemen. You still do not have instructions on which ballot is going to be used yet. I see some of you have torn out the next ballot and we might not use it.

I recognize Ken Paxton.

NOBLE KENNETH T. PAXTON: Imperial Sir, Imperial Sirs, Illustrious Representatives. In order to expedite the election for the position of Imperial Outer Guard I wish to withdraw and I am most grateful to you. (Applause)

NOBLE JOHN MCKEE: Imperial Sir and Imperial Sirs, I want to express the same sentiment that Noble Paxton did. I appreciate very much your consideration that you have given me for the past year and I appreciate the service and the cooperation that I have received in the Masonic Relations. I will be back.

I do want to call your attention, as the Noble did a minute ago, let's make sure that our doors are guarded because there is sufficient number from the outside that has their foot inside already. Thank you. (Applause)

NOBLE HARVEY W. SMITH: Imperial Sir, Nobles all. I wish to retire from political life in the Shrine, temporarily at least. Thank you very much. (Applause)

IMPERIAL POTENTATE COLLINS: We now have three candidates left for the office of Imperial Outer Guard: Val Preda, Bennett and Martens. We are now going to use ballot No. 10, the pink ballot. Hearing no objection I declare the ballot open for ballot No. 10, the pink ballot.

NOBLE W. CLYDE OLIVER: If the Tellers are ready will you proceed with the balloting.

(Ballots were cast for the office of Imperial Outer Guard.)

IMPERIAL POTENTATE COLLINS: Has everybody voted?

VOICES: No! No!

IMPERIAL POTENTATE COLLINS: Please take your seats. We have something very important to tell you and we can't unless you are seated in your positions. I will ask again. Has everybody voted? Has everybody voted? For the third and last time, has everybody voted? I now declare the ballot closed.

I now pass the gavel to our Imperial Recorder.

NOBLE GEORGE M. SAUNDERS: The Imperial Potentate is setting a recess until one-thirty and we want you to know where you are going to eat. In the room to the back and the room back of me each of those places have been set for luncheon for you and lunch is ready.

IMPERIAL POTENTATE COLLINS: We are in recess until one-thirty.

(The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 12:00 Noon to reconvene in the Continental Ballroom of the San Francisco Hilton Hotel at 1:30 P.M.)

AFTERNOON SESSION
THURSDAY, JULY 7, 1966
ONE-THIRTY O'CLOCK P.M.

The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California, Thursday, July 7, 1966, at 1:30 P.M., Imperial Potentate Barney W. Collins presiding.

IMPERIAL POTENTATE COLLINS: Come to order, gentlemen. I recognize Clyde Oliver.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. It is with pleasure that I give you the result of the second ballot for Outer Guard as follows. There were a possible 737 votes. 719 actually voted. There were three spoiled ballots. Necessary for a choice, 360. The votes were distributed as follows: Martens, 89; Val Preda, 216; Bennett, 411. (Applause)

IMPERIAL POTENTATE COLLINS: I recognize Peter Val Preda.

NOBLE PETER VAL PREDA: Imperial Sir, Imperial Sirs, fellow Representatives. I want to be the first to congratulate you for picking three fine candidates to the offices you have elected here today. I also want to tell you I have had a wonderful time traveling round visiting and seeing each of you in your area. Now with my Temple's permission I shall be right back. (Applause)

I want at this time if proper, Sir, to make the motion that we make the election of "Woody" Bennett unanimous. (Applause)

IMPERIAL POTENTATE COLLINS: To do that we need Harry Martens to concur, or do we?

NOBLE ROBERT H. FOUKE: We should have.

IMPERIAL POTENTATE COLLINS: If there is no objection I will accept a second to that motion to make it unanimous. (Motion seconded) Any discussion? All those in favor that this be made unanimous that "Woody" Bennett be elected Imperial Outer Guard signify by the right hand. Those opposed. I so declare it unanimous and "Woody" would you please come to the podium. (Applause)

IMPERIAL POTENTATE COLLINS: "Woody" Bennett, do you accept?

NOBLE W. W. BENNETT: There is no question, I do. (Laughter and applause)

IMPERIAL POTENTATE COLLINS: By virtue of the authority vested in me as Imperial Potentate I declare "Woody" Bennett unanimously elected to the position of Outer Guard for the Imperial Council. (Applause)

NOBLE W. W. BENNETT: May I thank all you Representatives and our Illustrious Potentate Harry Newcomer of my Temple and my campaign manager down in front. I will do by best to serve you throughout the coming year. You have made me very happy. Thank you a million. (Applause)

IMPERIAL POTENTATE COLLINS: Jack Streight wishes the podium for a minute.

NOBLE JACK M. STREIGHT: Fellow Nobles. For the record, in my excitement I forgot to thank the Potentate of Rameses Temple for nominating me and I wish to go on record as thanking him for his nomination. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: I recognize Paul McCray for the report on membership.

NOBLE PAUL B. MCCRAY: Imperial Sir, Imperial Sirs, Representatives. There is a complete report on membership in the annual report and with your permission, Imperial Sir, I would like to not give the report at this time in order to save time. In other words, my report is complete in your annual report.

But I do have something I think would be of great interest to you and a man I would like to introduce to you who has done much for the Shrine. He has personally obtained

833 Shrine memberships. He has personally obtained 1,092 members to the Consistory. In the Spring class at his Temple he obtained 267 members. I would like to present to you Joe Shirley of Syrian Temple to speak to you for a few minutes on membership. Thank you.

IMPERIAL POTENTATE COLLINS: Just a moment. We have two things. First we have this report to become a matter of record. I will entertain a motion that it be accepted. (Motion seconded) All those in favor signify by the right hand. Those opposed by the same sign. Carried. Thank you.

Now in order for a non-Representative to speak, and Noble Shirley is not a Representative, I declare a recess just for the time necessary for him to give a short talk and nobody leave, please. With your indulgence a short recess is now in order.

NOBLE JOSEPH B. SHIRLEY: Imperial Sir, Imperial Sirs, Nobles. The life blood of our great organization is membership. A year ago I proposed the setting up of membership and today I would like to tell you the truth and consequences of the setup which we have put into effect in our Temple. Over the last eighteen years our highest year was 411 candidates. That was in 1965 and I am very happy to say that I was a member of the Membership Committee that year.

This year we picked out a Past Potentate to head our membership, another Noble to handle the local unit for Hamilton County and I took the outside Counties. We talked over the situation. We believed that we should have a realistic quota for the year 1966. Around our Temple when the year began were signs "Come alive in '65." I added a line by saying "Become a Shriner in '66." We set a quota of 666 for the year '66 and I am very proud to say that at the present time we are amply meeting the quota. We have some 316 candidates in hand at the present time. (Applause)

The great problem is that most of our Temples failed to set up the right organization to get the most out of what there is to have. We have broken down our communities. We have put captains in these communities and they set up breakfasts or luncheons and then outside of Hamilton County I visit these groups. In one little city, West Union, we had a breakfast for 17 men. It was called for eight o'clock. It was well over a hundred miles away so it was four o'clock to get up and get started. I went there and came away with 17 petitions.

Gentlemen, it is very important that we get out and we sell this great organization to the people that we want to have as members.

One other angle that has come to my recognition by a great many of these Nobles is that Shrinedom and Masonry is a heritage in a great many families. Don't fail to bring it up. I went to see a gentleman 83 years of age and I said, "I would like to have you become a Shriner." He said, "Nobody ever talked to me about Shrinedom." I said, "I understand your family were Masons and Scottish Rite and some Shriners." He said, "I would love to be a Shriner, but what do I do about my four boys?" I said, "I think the best thing for grandpa or dad is to put them through the Shrine." So I came away with four petitions. (Applause) It is important that we sell them.

I would like to tell you, each and every one, the setting up of Committees, the breaking down of territories, so you have responsible men covering every little corner of your territory to get Shriners is very important. I would like to say that I came to this great City of San Francisco and the first morning I looked out of my window and the sun was coming up over the mountains in the East and it just seemed to me that in the rays of the great sun the word "Hope" appeared and below it the words "Brotherly love." Let's use hope. Let's use brotherly love. Let's get out and say to our Brothers, "Come along with me down this great boulevard called Shrinedom and let me tell you of the wonders Shrinedom has for you." Explain the Hospitals. Explain the Burns Institutes. Explain our circuses, our newspaper sales. Explain our Units. Be a salesman because it is through being a salesman that our Shrine will grow and I know tonight as I finish this and as you look into the sun as it goes down in the West I am sure that the word "Success" will appear and that success will have that same little notation underneath it, "Through brotherly love."

I thank you one and all. (Applause)

IMPERIAL POTENTATE COLLINS: Thank you, Noble Shirley for those very informative and inspiring words.

I now call the meeting from recess and we are back in all of our organizations. We now call for Carl Rahn who will report for our Insurance Committee.

NOBLE CARL A. RAHN: Imperial Sir, Imperial Sirs, members of this Imperial Council. This is the report of your Insurance Committee. (Reading)
To Imperial Potentate, Imperial Divan and Members of the 92nd Imperial Council Session of the A.A.O.N.M.S.:

This is the first report of this new Committee of the Iowa Corporation. Having no knowledge in our Central Office in Chicago of the Insurance Coverages of the various 169 Temples of the Order your Committee sent out a rather comprehensive questionnaire to the Potentates and Records of all Temples requesting pertinent information. We had an excellent return to this questionnaire and the Committee expresses its sincere thanks to you Potentates and Records for the prompt attention given. We heard from all Temples except one.

In analyzing these returns it was evident that the major defect in the insurance coverages was in Comprehensive Public Liability. With our various Temples participating in numerous events such as circuses, horseshows, football games, parades, etc., we have a tremendous public liability from accident and catastrophes alone. In recent years courts of the land have been very liberal in their awards for damages. At the present time the Colorado Corporation (Hospitals) are carrying an Umbrella Liability Coverage in which the Iowa Corporation (Imperial Council) is also named, in the sum of \$5,000,000.00, the cost of which is borne by the Colorado Corporation. This policy can be increased to \$10,000,000.00 coverage for only \$6,250.00 for a three year period. [On the basis of our Shrine Membership of 844,500 this would mean a cost of only about three quarters of a cent per member for three years or a quarter of a cent per year. As an example a Temple of 3,000 members the cost would be about \$22.50 for three years or \$7.50 per year.]

Your Committee recommends the following:

(1) That a directive from the Imperial Potentate instruct that all Temples carry (A) a minimum of a \$100,000.00-\$300,000.00 Comprehensive Liability policy as primary coverage with the following limits:

COMPREHENSIVE LIABILITY

Limits:	\$100,000/300,000 Bodily Injury
	50,000 Property Damage
	1,000/ 25,000 Medical Payments
	100,000/300,000 Personal Injury
	100,000/300,000 Illinois Liquor Law
	25,000 Illinois Liquor Law Loss of Means of Support
	25,000 Illinois Liquor Law Property Damage
	100,000/300,000 Hospital Professional Liability
	25,000 Elevator Collision
	100,000/300,000 Contractual
	50,000 Contractual Property Damage

This is a Comprehensive General Liability and Property Damage policy which provides defense and indemnification for judgment for any negligent acts as a result of the existence or operations of all properties (including properties received from estates) or employees. Provision is also made for such a policy to include coverage for contractual liability in connection with Construction programs, malpractice, and Broad Form personal injury, (libels, slander, defamation of character, mental anguish, assault and battery, wrongful eviction and entry, and invasion of privacy). Provision should likewise be made for this policy to include coverage for products, non-ownership boat

liability and contingent liability of the Imperial Council, A.A.O.N.M.S. for operations of the Temples and the Annual Imperial Sessions Corporation.

(B) Auto Comprehensive Liability policy as primary coverage with the following limits:

AUTO COMPREHENSIVE LIABILITY

Limits: \$100,000/300,000 Bodily Injury
 50,000 Property Damage
 5,000 Medical Payments Per Person

This policy should provide defense for Bodily Injury and Property Damage for limits shown on all owned, non-owned, leased or hired automobiles. In addition, provision should be made for Medical Payments' coverage for passengers, Medical expenses incurred for injuries resulting from an auto accident within one year of date of accident. This policy should be endorsed to provide protection per State statute where, in an accident, our driver is not held responsible and the other driver does not have insurance.

(2) That the Central Office be instructed to increase the Umbrella Liability policy to \$10,000,000.00 [and invoice and collect from each Temple their prorata share as outlined above and as per example given].

(3) That a directive be issued by Imperial Potentate instructing each Temple to include in their Comprehensive Liability policies and have endorsed accordingly, the following named Corporations:

1. Imperial Council, Ancient Arabic Order of the Nobles of the Mystic Shrine for North America.
2. Shriners Hospitals for Crippled Children, a Colorado Corporation.
3. Shriners Hospitals for Crippled Children, a Canadian Corporation.
4. Shriners Hospitals for Crippled Children, a Massachusetts Corporation.
5. Shriners Hospitals for Crippled Children, Inc., a California Corporation.
6. Shriners Hospitals for Crippled Children, a Georgia Corporation.
7. Spokane Shrine Hospital Foundation, Spokane, Washington.
8. Shriners Hospitals for Crippled Children Burns Institute.
9. Any member of the above organizations' Boards of Directors, Trustees and Governors while acting within the scope of duties assigned as a member of such Boards.

(4) Your Committee suggests that for Insurance Valuation purposes, each Temple have an appraisal made by a competent appraiser of all Temple property including buildings, equipment and paraphernalia to be sure that they have sufficient and proper dollar coverage.

(5) Your Committee further recommends that every Temple investigate the so-called "Package" policy because usually they will get more coverage at less cost.

Respectfully Submitted,

(Upon later investigation with the Insurance Carrier, who advised us that this insurance item did not cover Temples, those portions of the report in brackets were removed from the report.)

NOBLE CARL A. RAHN: I move the adoption of the report. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Is there discussion?

NOBLE CARL A. RAHN: Our Chief Counsel just made mention here, which I frankly overlooked, in the endorsement of these policies and that is any policies covering the hospitals and the new hospital to be taken over from Arabia Temple in Houston and the hospital at Zem Zem at Erie, Pennsylvania, with that addition I would amend this report.

NOBLE LOUIS CHACKES: Imperial Sir, I may not have heard it distinctly. Was there in your report some place where you said the Temple would be prorated for a cost of part of some policy you would be getting.

NOBLE CARL A. RAHN: That is right, Lou, we increase our umbrella policy from \$5 million to \$10 million. It amounts in a Temple of 3,000 to about \$22.50 for a three year period.

NOBLE LOUIS CHACKES: It is all right but couldn't it have been sent around? We have to pay part of the umbrella policy. Would that in any place interfere with the local policy they are covering?

NOBLE CARL A. RAHN: This is the umbrella over and above the primary. There are only a very few Temples that are carrying the umbrella.

NOBLE LOUIS CHACKES: Well, it is all right with me. I just can't quite get it clear. We are voting on something that would be a part of something. I don't know whether it is entirely clear to you, it isn't to me. I am not an insurance man. I think the people would like to talk with their insurance men back home. But to get a report suddenly, it wasn't intended suddenly, we get an awful lot of stuff written to us but we could have had it and voted intelligently. I am ready to vote yes because I like you and believe in you but I would like to have something substantial.

IMPERIAL POTENTATE COLLINS: Would you recommend that it be sent out in the future with more anticipation and go ahead with this or would you rather hold it up?

NOBLE LOUIS CHACKES: Whatever he wants is all right with me.

IMPERIAL POTENTATE COLLINS: Gentlemen, ready for the question? That includes the supplementary remark made by the Chairman of our Insurance Committee so you will understand that everything is included and nothing left out. All those in favor of this motion signify by raising the right hand. Those opposed by the same sign. So carried.

Gentlemen, I have an announcement to make that I think you would like to know. We have been reliably informed by the airlines that all of you holding reservations should not be concerned because this strike is merely one of the mechanics. The pilots, the ground crews, the planes will fly. (Laughter and applause)

NOBLE LOUIS CHACKES: Imperial Sir, I am not talking about the pilots flying, but will the planes be flying? (Laughter)

IMPERIAL POTENTATE COLLINS: That is what I was going to tell you. The applause was so deafening you gentlemen did not let me finish. The planes will fly whether the mechanics go on strike or not and everybody who has confirmed reservations will be guaranteed getting out of here at least through Saturday night. Now there are certain provisions in different State laws that if a strike is prolonged beyond I think it is 60 hours then the planes will be grounded. So you are sure of getting out before Saturday night. If you are worried about getting out tomorrow, you will.

NOBLE HARVEY A. BEFFA: We can't hear you.

IMPERIAL POTENTATE COLLINS: If you have reservations up to midnight Saturday night you have nothing to worry about.

(Business was conducted in the Colorado Corporation at this time.)

IMPERIAL POTENTATE COLLINS: Gentlemen, we are going to recess until tomorrow morning at nine o'clock. We have a parade on this evening and we have lots to do. Thank you for coming today.

(The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 3:30 P.M. to reconvene at 9:00 A.M., Friday, July 8, 1966, in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California.)

MORNING SESSION

FRIDAY, JULY 8, 1966

NINE O'CLOCK A.M.

The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California, Friday, July 8, 1966 at 9:00 A.M., Imperial Potentate Barney W. Collins presiding.

IMPERIAL POTENTATE COLLINS: Close the doors and please stand. We are ready for the Invocation.

BRIG. GEN. AND NOBLE ANDREW P. TELFER: Shall we pray. O God, in the Word we find these words, to be as wise as serpents, to be as gentle as doves, to mount up with wings as the angels, to run and not be weary, and to work and not faint. So therefore in this the last session we pray that God shall give us direction and whatever transpires this morning shall be written in the history of Shrinedom as being pleasing to God and of men that will make this kind of organization an enjoyable organization, a place that men wish to come because we are men of high integrity, of high moral standard, men with one ambition to glorify God and to make this a better world in which to live. We ask these mercies in the Father's Name. Amen.

IMPERIAL POTENTATE COLLINS: Gentlemen, as has been the practice for the past several years the next forty-five minutes to one hour will be given to our Imperial Potentate-elect so that he can advise you of his aims and ideals and programs for the ensuing year. I now recognize Imperial Potentate-elect Orville Findley Rush. (Standing applause)

NOBLE ORVILLE F. RUSH: Thank you, Nobles, for your wonderful response. I appreciate it very much.

We find ourselves this morning in a rather peculiar position. I realize that heretofore most of the Imperial Potentates-elect have consumed an hour or more time but we have the plane strike and I have had quite a number contact me wanting to know when it is going to be finished and this, that and the other. So I make that opening remark because I am going to do this just as succinctly as possible because we do have several items of business to transact prior to the installation of officers and adjournment.

Now I might say generally that I do not plan any radical changes. I hope to have some innovations. I hope that we may do some things this year which will improve on projects that we have undertaken heretofore and I shall do my best to make you a good Progressive Imperial Potentate.

I naturally am interested in the subject of Masonic Relations and am doing everything possible to cooperate one hundred per cent with the Prerequisite Bodies and I have already committed myself to attend various meetings of various Grand Lodges, to attend the General Grand Chapter and General Grand Council meetings in Boston, and attend the meeting of the Northern Jurisdiction Scottish Rite in Boston. I have assured all of these officials of the Bodies, including the Southern Jurisdiction of the Scottish Rite, of my desire to cooperate in every manner possible.

I am happy to note in the report of John McKee, who has been Chairman of our Masonic Relations Committee, that as of this moment there are no serious problems between the Shrine and other Masonic Bodies. As I said before, I assure you that I shall make every effort to maintain this situation because I have always been of the firm belief that most of these problems that have existed in the past have come about as the result of the lack of communications and this was borne out in some situations which were related to us and which were alleviated promptly when the true facts came to light.

Now one thing I want to mention, I think it is a shame that there are so few people among our more than 286 million population who know who the Shriners really are and I hope to do something to help to ameliorate this situation. To further explain, even without our own organization we have the Shrine East-West Game, the Shrine North-South Game, and various other Shrine games and activities, and then I would like to call your attention to the fact that there are more than 100 Shrines of one kind or another in the United States, more so on the continent, like the Shrine of the Immaculate Conception and so forth and so on. The only way to differentiate between those and our organization is to try to use the terminology "Shriner" whenever possible rather than the term "Shrine."

I had this borne out, I recently went to Europe and some travel agent or airline had a man contact me because he heard we were going to have some Imperial tours that might take us to Europe, Asia and Africa. I told him I was scheduled to be Imperial Potentate of the Shrine. Anyway, when I met this gentleman he told me he looked through all of the encyclopedias and he got confused because he saw all of these different ones listed as Shrines. Finally he found one encyclopedia that had about two sentences about our organization. He himself suggested in view of the fact that many organizations which were not nearly as formidable as we are were listed that we should endeavor to get more space in these encyclopedias so when the people look us up they will know who we are.

We have done something about this recently, in fact. We now appear in one or more publications that we did not appear in three or four years ago. I hope to initiate steps to alleviate this situation promptly.

I shall seek good publicity for all Shriners during the coming year but I am not a believer in just getting our name in the paper or on the air. I think publicity should have a meaning. It should have a goal and it should be as a result of what we have done.

One thing that I might recommend, and this is due to observation, that we might put our various Temple Units on display at every opportunity possible. I have observed that our Units are on display, particularly in the smaller communities, and that you have a tremendous favorable public reaction that assists us not only in our wills, gifts and bequests for our charity, but assists us in our membership program and assists us in having a good public name. So I would urge those Temples who do not display their Units very often to seriously consider displaying them more in the future than they have in the past.

Also in that connection, and this subject has come up many times, that I think we should strive to get as many young men in the Shrine as possible and once we get them in there to try to place them in a year or two in some position of responsibility. We never want to overlook the old work horses of the Temple but we never want to overlook the new in any organization, particularly the Shrine. Recently I came on this publication of El Kahir Temple and note they have organized a Young Shriners Club called Yoshi, taken after the name "Young Shriners." They have already set this up and possibly this is an idea for other Temples for I know that they can aid us considerably in many ways.

Now in 1959 we had what was known as an Indoctrination Meeting in Dallas, Texas. That was held just prior to the Directors Association meeting in Shreveport. Since that time many have inquired of me when we were going to have another session like that and many said that they gained much from the meeting and they thought that we should hold one again. Well, I plan to have one next year just prior to the Directors Association meeting which will meet eight years after the last Indoctrination Meeting was held by Imperial Sir George E. Stringfellow.

We do not want to interfere in any manner with the proceedings of the Directors Association. It is their meeting. They are going to have it in Houston. The meeting starts on Tuesday morning and so as not to interfere in any manner whatsoever I think that it might be well to have our meeting close by in Galveston on Sunday afternoon and Monday prior to the start of the Directors Association meeting on Tuesday. I know that a considerable portion of the Potentates and Recorders, as well as other Divan

members, normally attend these Directors Association meetings so it offers an opportunity to attend this Indoctrination Meeting in connection with the same trip that you would have made anyway to the Directors Association meeting.

I have requested Imperial Sir George Stringfellow to assist me with this meeting and I would appreciate his giving you a brief resume of what was accomplished the last time and what we hope to accomplish at the session in 1967 which will be exactly eight years after the last meeting was held. So I turn the microphone over to Imperial Sir Stringfellow for a few moments.

NOBLE GEORGE E. STRINGFELLOW: Imperial Sir, Imperial Sirs, fellow Representatives. He gave me a few minutes and I can do it in two. First, I have been asked if I would help to organize a meeting similar to the meeting we held in Dallas in 1959. At that meeting we defined our problems and some wise man has said, "A problem once defined is half solved." We disseminated information at that meeting to all of our new officers and we had men speak authoritatively on subjects which this organization faces. We will do that again.

I look forward to developing sound policies, help to develop sound policies, and I think one of the most important things that this organization needs while it cannot have continuity of managers it must have continuity of policy and continuity of management. No organization of this size can possibly accomplish its goal effectively where you have stop and go policies. I look forward now to an area of good will, an area of greatness and an area of capable management. To that end I pledge my best efforts. Thank you. (Applause)

NOBLE ORVILLE F. RUSH: Thank you, Imperial Sir.

This meeting will be held in approximately the same manner as the one that was held in 1959; that is, the Representatives from the various Temples will naturally attend the meeting at their own expense or at the expense of their respective Temples, but the Imperial Council will provide two or three meals and other services in connection with the Indoctrination Meeting and we also will endeavor to provide the necessary automobiles and buses to meet those who necessarily must stop at the Houston airport before going to Galveston, and return those from Galveston to Houston. With the super highway they have I think it only takes fifty minutes or forty-five minutes to an hour to make that trip from Houston to Galveston. In that manner we won't interfere with any of the Directors Association activities. We won't have it as a joint meeting or overlapping. We will hold it in a different city entirely but it will be close by and everyone will have an opportunity to attend both sessions if they so desire.

Also we will print the proceedings and have those distributed to all of the Temples so that any Noble may have the benefit of reading these various papers on the different subjects and I invite all of you and those with whom you come in contact to furnish us with any proposed subjects you might have in mind. You can either direct those directly to me to our Central Office in Chicago or directly to Past Imperial Sir George Stringfellow who will be the Chairman for this meeting, and I think that we should have a few assisting him at this meeting and to represent the various areas of Shrinedom. In that manner I think that we might develop more interest.

Now through the years many have broached the subject to me of their Temple not having representation on Imperial Committees and mention that some of the same old faces appear year after year. I don't propose to do away with any of the same old faces because many of these men have done a remarkable job for the Imperial Council and for the Shrine but I want to tell you this, that every Temple in Shrinedom will be represented on Imperial Committees during the 1966-1967 Shrine year. (Applause) In fact most of the Temples, if not all, will have at least two men on Imperial Committees.

Now naturally Committee appointments will not be announced until after the installation of officers but I do wish to mention to all of you a new Committee which I have formed which I designate as Imperial Advisory Committee and by that I mean this. In most of our Committees heretofore advising the Imperial Potentate and the Imperial Divan on policies and projects, proposals, have come primarily from Imperial

Officers and Past Imperial Officers. Now this Committee will not have in its membership any Imperial Officers or Past Imperial Officers, they will represent only the Temples. In other words, this will be an Advisory Committee to the Imperial Council but composed only of Representatives from the Temples and will not be in the category of Imperial or Past Imperial Officers. In the selection of this Committee I have also tried to cover the various areas in Shrinedom and at the moment I have the Committee composed of the traditional seven members. I might add one or two but I will not make it over ten because if you have too large a Committee it might become unwieldy and not perform the job that I hope for them to perform. I do think that you can get some dedicated men representing the Temples of the Shrine and you can help to develop plans and policies and proposals that should benefit Shrinedom in general and might serve as a guide to we who are Directors of your two corporations.

One other thing that I have proposed. This past year we did not have a Burns Center Committee and I am not making any proposals for any additional Burns Centers of anything else but I am appointing a new Burns Center Committee and am going to request this Committee to seriously consider the subject of expansion, that is whether to expand or not, whether now is the propitious time or whether to wait. There will be five members of this Committee and two of the five members will be physicians. As you know, we have I believe in excess of sixty applications on file from leading medical teaching institutions and leading medical centers throughout the continent. So I think this Committee should begin to consider this subject again because they have not considered anything about expansion, as far as I know, or done anything about even processing or looking over the applications we have since we selected the original three. I don't have any proposal to them whatsoever but I am appointing the Committee and they can bring back their proposal to you at the next Imperial Council Session. What the proposal will be is strictly a matter of conjecture.

I did not prepare any prepared written talk this morning and then when the matter of the strike and other emergencies arose I thought that I would just speak to you generally on a few subjects and give you a few proposals in capsule form and assure all of you that anything that constitutes an innovation or something new in Shrinedom that every Temple will be notified fully and expeditiously. By doing that I think that we can aid ourselves here today by me cutting my talk short so as to enable both the Iowa and Colorado Corporations to finish the business at hand as early as possible and so as to benefit the general situation in which we find ourselves.

It has been a privilege being with you. I will not leave here until Sunday morning. Many of you have spoken to me about individual problems, problems of their Temple. I will naturally have more time tomorrow than today. I shall devote all day tomorrow to talking to any of you and I will consider it a personal favor if any in this audience have any proposal that they think might benefit Shrinedom that they give that to me prior to leaving here or that you write to me at an early date. I assure you that I shall consider carefully any proposal that is submitted to me.

Thank you for the privilege of being with you for these few moments. (Standing applause)

IMPERIAL POTENTATE COLLINS: Thank you, Imperial Potentate-elect Orville Rush, for the outline of your program for the ensuing year. I wish you the best of everything.

I now recognize Jurisprudence and Laws for further legislation.

NOBLE ROBERT H. FOUKE: Imperial Sir, Imperial Sirs and Representatives. At the request of the sponsors of certain legislation referred to the Committee on Jurisprudence and Laws, the following information is furnished to you. In connection with the Islam, Affi and Nile resolution for territorial jurisdiction in the Orient, which was approved subject to certain conditions by the Jurisdictional Lines Committee, at the request of those Temples this matter will now go over to the next Call for the Session for consideration in Washington, D.C.

This is likewise true of the other resolution that you received relating to Foreign Ceremonials. In that respect that likewise is to be continued to the next Call.

In addition to that there is the resolution relating to the election of Officers of the Temple on a fiscal year basis to be withdrawn and no action will be taken at the present time.

Further as to the resolution relating to Dual Membership which has received considerable support, so I am advised, feeling has been expressed that this likewise should go over until the next Call and included in the Call for the Washington Session.

Now with that as a background I will now ask Merwyn Brown to present to you a companion resolution to that previously adopted in the Colorado Corporation for the Iowa Corporation. That is on memorializing in connection with buildings.

NOBLE MERWYN H. BROWN: Imperial Sir and Imperial Representatives. (Reading)
TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws the Resolution submitted to this Session by the Imperial Potentate relating to Prohibition of the Memorializing of Individuals which, if adopted, will add a new section to Article 35 of the By-laws which will read:

§335.15 *Memorializing of individuals; Prohibited.*

The use of the individual name of any person living or dead on or about any building owned by this corporation or any of its affiliated corporations for the purpose of memorializing such individuals, or his connection or assistance with the construction, establishment or operation of any such building is prohibited.

Your Committee reports that the Resolution is in proper and legal form; and that it is not in conflict with the Articles of Incorporation or the By-laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert H. Fouke, Chairman
Warren L. Jones, Vice-Chairman
Elmer P. Bromley
Jack M. Streight
Merwyn H. Brown
Robert J. Turley
William H. Knowlton

Imperial Sir, in order to bring this matter before this Session I move that this resolution be adopted and that the new Section 335.15 be adopted. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Any discussion? All those in favor signify by raising your right hand. Those opposed by the same sign. So carried by a two-thirds vote, gentlemen.

NOBLE ROBERT H. FOUKE: Another resolution that was presented to you contained provisions for the elimination from the Articles of Incorporation and from the By-laws of the Imperial Council of the words "for North America" for the reasons that were expressed in the companion resolution. Consideration was given to this matter and at this time and at the request of the sponsor this particular resolution will be withdrawn as it is believed that the same result can be accomplished in another manner from a legal standpoint. This is in accordance with discussion with our General Counsel Stan Garrity.

Now I would like to have Noble Brown, Judge Brown, present to you another resolution at this time.

NOBLE MERWYN H. BROWN: Imperial Sir and Imperial Representatives. (Reading)
TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws the Resolution submitted to this Session by the Imperial Potentate relating to initiation fee which, if adopted, will amend §332.1(a) of the By-laws so as to read:

"§332.1(a) The initiation fee shall be not less than \$50."

Your Committee reports that the Resolution is in proper and legal form; and that it is not in conflict with the Articles of Incorporation or the By-laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert H. Fouke, Chairman
Warren L. Jones, Vice-Chairman
Elmer P. Bromley
Jack M. Streight
Merwyn H. Brown
Robert J. Turley
William H. Knowlton

Imperial Sir, in order to bring this matter before the Session I move that the resolution be adopted and that Section 332.1(a) be so amended.

IMPERIAL POTENTATE COLLINS: Is there a second? (Motion seconded) Open for discussion.

NOBLE LOUIS CHACKES: Imperial Sir.

IMPERIAL POTENTATE COLLINS: Lou Chackes has the floor. (Applause)

NOBLE LOUIS CHACKES: The amendment lends itself to much question and one of the points is that if through some mishap we were to pass it you will find that where there is concurrent jurisdiction we would have the cheapest kind of competition you ever saw because if one Temple in concurrent jurisdiction decided to reduce to the \$50 from the \$100 fee, which is fair and cheap enough to get in a quality organization like ours or one that has been of the quality that we have had until now, one could say, "I want to get in that place because it is \$50 and here it is \$100."

In the argument for I believe there was a statement made that because a Potentate in a New England Temple had mentioned the fact that if the fee were half that he would be able to get twice as many members and for that reason the amendment was brought in, but if that were true then if it were reduced to a quarter he would be able to get four times as many. If he got it for nothing just think of how many we would get — of what I don't know.

I am opposed to the amendment.

IMPERIAL POTENTATE COLLINS: Gentlemen, I think I can answer Lou's question. Please understand my position. I have no axe to grind for this amendment one way or the other.

Is it in order for the Chair to make this explanation? I turn the gavel over to the Chairman of the Jurisprudence and Laws Committee just for the purpose of making an observation.

(Noble Robert H. Fouke now presiding.)

NOBLE ROBERT H. FOUKE: At this time I recognize Imperial Sir Barney Collins.

IMPERIAL POTENTATE COLLINS: As this was explained to me, not only this one Chief Rabban last year brought this question up but it was brought up in a number of different Temples in many parts of the United States that they felt if they could lower their fees in certain instances for certain classes during the year they would be able to increase their membership.

Now insofar as the concurrent jurisdiction is concerned Lou is right. That was not included in this provision, that in cases where there were concurrent jurisdictions there would have to be a written agreement between the Temples having that concurrent jurisdiction as to the new fee and if there were disagreement that the minimum of \$100 would apply in that concurrent jurisdiction. That would take care of the point brought up by our amiable friend Lou.

Now with reference if I got down to a quarter you would get four times as many and if you took it away you would have something or other, it is completely beside the point and has no bearing on the matter. This man told me, this man I referred to in the beginning from this New England Temple, that for fifteen years he had been keeping a close record on the reasons the men were not coming into his Temple. He had a little card on which he would write on the back, "What is your main reason for not coming in at this time?" And he would say, "Well, prospects aren't too good," whatever the reason, "I just can't come in." If this fee were lower he would come in.

Gentlemen, as I explained to you, I have no axe to grind. Please believe I am not going to carry the torch for this. You gentlemen can continue to charge \$200 or \$150 or \$135, you can charge whatever your Temple is now charging. You can make it lower at will. This is just an opportunity to give those Temples in those areas who feel they would be benefited by it, that is all.

If you like the idea, fine, vote for it, and if you don't, fellows I couldn't care less. Merely as your Imperial Potentate I am trying to serve all of the Temples, not one Temple here or one Temple there, I am trying to represent as fairly as I can 840,000 Shriners scattered throughout North America and that is the reason it was brought up.

Now is this a major issue, this matter of jurisdiction, it can be referred back to the Committee to say that in those areas with concurrent jurisdiction they must agree and if they don't the minimum fee must apply. It is just that simple, fellows. There is no difficulty here.

NOBLE ROBERT H. FOUKE: I return the gavel to Imperial Sir Barney Collins.
(Imperial Potentate Collins now presiding).

IMPERIAL POTENTATE COLLINS: I don't think we can vote on this without some reference being given back to the Jurisprudence and Laws Committee to take care of the point Lou brought up which is quite important and should be covered.

NOBLE LOUIS CHACKES: Imperial Sir, may I suggest that on the amendment I am ready to vote on this the way it is. The amendment is brought in, let's vote on it.

IMPERIAL POTENTATE COLLINS: But, gentlemen, it wouldn't stand a chance because he has brought a point that is very important, what is going to happen in those places where there is concurrent jurisdiction?

NOBLE LOUIS CHACKES: The only thing that is before us is the amendment and if you feel it is going to be whipped you can withdraw it.

IMPERIAL POTENTATE COLLINS: Why don't we do that then.

NOBLE LOUIS CHACKES: You want to withdraw it?

VOICES: Question! Question!

IMPERIAL POTENTATE COLLINS: Judge Jordan has the floor.

NOBLE J. Y. JORDAN, JR.: Imperial Sir, Imperial Sirs, fellow Representatives. I have never, except in certain rare instances, been in favor of tabling a matter before an assembly but I think there are times when such action is necessary but only, in my judgment, when everyone has thoroughly understood the matter and have been fully informed. It is my belief, my fellow Representatives, that everyone in this room understands all about this particular proposed amendment and I therefore move that it do lie upon the table. (Motion seconded)

IMPERIAL POTENTATE COLLINS: We now have a motion to table which permits no discussion. Are you ready for the question? All those in favor of tabling the motion raise your right hand. Those opposed by the same sign. The motion is carried and therefore killed.

I recognize Warren Jones.

NOBLE WARREN L. JONES: Imperial Sir, Imperial Representatives. (Reading)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

Your Committee on Jurisprudence and Laws has given consideration to a matter of controversy between Al Bedoo Temple and Algeria Temple, concerning jurisdiction over the Shrine Club of Livingston, Montana.

Since the controversy involves questions of fact and differences of opinion as to inferences to be drawn from established or admitted facts, this Committee has concluded that the controversy should be determined by the Committee on Grievances and Appeals rather than by this Committee.

It is therefore recommended that the controversy be referred to the Committee on Grievances and Appeals for its consideration and report at the next Imperial Session; and that meanwhile the status quo be maintained by the retention of jurisdiction over the Shrine Club by Al Bedoo Temple until the action of the Imperial Council.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert H. Fouke, Chairman
Warren L. Jones, Vice-Chairman
Elmer P. Bromley
Merwyn H. Brown
Jack M. Streight
Robert J. Turley
William H. Knowlton

I move the adoption of the report and the recommendation therein contained. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion. It has been seconded. Any discussion? Those in favor signify by raising the right hand. Those opposed by the same sign. So carried.

I now recognize Bob Turley of Jurisprudence and Laws.

NOBLE ROBERT J. TURLEY: Imperial Sir, Imperial Sirs and Representatives. You took some action yesterday but in the opinion of your Jurisprudence and Laws Committee that action was not concluded and in order to effect the intent that you expressed yesterday we think that you should take further action.

The resolution was offered by the Masonic Relations Committee through its Chairman, Ill. Past Potentate John McKee, and a substitute for that resolution was offered by Past Imperial Potentate Marshall Porter. You will recall that an amendment to that substitute was offered and then withdrawn by the Representative from Ainad Temple, Past Potentate Chackes. Then on a motion to substitute the Porter resolution for the McKee resolution that was carried and the substitution was made. However, the Porter resolution as substituted for the McKee resolution was not adopted.

Consequently, to effect your intent in voting as you did on the Porter resolution and to avoid a quagmire of parliamentary semantics, I move you the adoption of the Porter resolution in these words.

"Resolved, that the Imperial Potentate each year shall appoint from the Representatives of the Imperial Council five members on the DeMolay Committee whose duty it shall be to examine the progress and the need of DeMolay and report thereon to the Imperial Potentate and the Divan who shall be authorized to make a grant in such sum, if any, as they think is needed to promote DeMolay, not to exceed in any year the sum of \$40,000."

Imperial Sir, those are the words of the Porter resolution as given to us by our Reporter, Walter Leavitt, and I move you, Sir, the adoption. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion. You have the second. Discussion? All those in favor signify by raising the right hand. Those opposed the same sign. So carried.

NOBLE ROBERT J. TURLEY: Imperial Sir and Representatives. I am authorized by the Imperial Potentate to tell you that he withdraws the submission of the amendment to Article 11 relating to the DeMolay levy which appears on page 18 of your Call. Therefore, I ask your unanimous consent that the Jurisprudence and Laws Committee be excused from further consideration and report on that matter.

Imperial Sir, if there be no objection I take it the unanimous consent can be had.

IMPERIAL POTENTATE COLLINS: You don't need a motion?

NOBLE ROBERT J. TURLEY: Not if there is unanimous consent.

IMPERIAL POTENTATE COLLINS: If no objection those in favor raise your right hand. Opposed. It seems unusual to me. There was no motion.

NOBLE ROBERT J. TURLEY: Well, we have unanimous consent.

Now, Imperial Sir, I have a report from your Jurisprudence and Laws Committee. (Reading

REPORT OF COMMITTEE ON JURISPRUDENCE AND LAWS TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

There have been referred to your Committee on Jurisprudence and Laws the 91 rulings and decisions of the Imperial Potentate made pursuant to §206.5(a)(13) including those relating to Temple By-Laws submitted for approval pursuant to §331.2.

They are as follows:

COMMITTEE 1965-1966 SERIES GENERAL OPINIONS OF JURISPRUDENCE AND LAWS COMMITTEE 1965-1966 SERIES

OPINION NO. 1, AUGUST 6, 1965, AAHMES TEMPLE — The annual per capita tax levied by § 211.4 is paid by each Temple to the Imperial Council but, in the absence of affirmative action by the Temple to the contrary, is passed on to each member as an addition to his dues. The annual per capita tax does not apply to life members.

OPINION NO. 2, AUGUST 10, 1965, MOROCCO TEMPLE — The furnishing of envelopes addressed to all members of a Temple for use only to send invitations to a garden party held in connection with a Ceremonial is not a violation of § 335.6(a).

OPINION NO. 3, SEPTEMBER 8, 1965, TEXAS TEMPLES — Although local "Courts" of the Royal Order of Jesters are not, as such, subject to supervision and control by Potentates, as are Shrine Clubs and Units of the Temples; the individual members thereof, as Shriners, under § 101.7, are subject to Shrine law. A Noble may be disciplined for "conduct unbecoming a Noble of the Mystic Shrine", as provided by § 101.9, no matter what the circumstances in which such unbecoming conduct occurs.

OPINION NO. 4, SEPTEMBER 27, 1965, AAHMES AND MOSLAH TEMPLES — Shriners are subject to disciplinary proceedings for violation of Shrine law or for conduct unbecoming a Noble of the Mystic Shrine under § 101.9, even in connection with activities not directly related to their membership in the Shrine; but other organizations to which they may belong, such as The Cabiri, International Past Potentates Association, are not subject to supervision and control of Potentates simply by virtue of the fact that such other organizations are composed wholly of Shriners.

OPINION NO. 5, SEPTEMBER 30, 1965, YAARAB TEMPLE — In the absence of a Temple By-Law to the contrary providing, under § 327.3(b) the financial books and records of the Temple are entrusted to the care and safekeeping of the Recorder. He may make provision for their storage under lock and key without access thereto

by others except for the purpose of inspection or audit in his presence by other officers of the Temple or persons so authorized by appropriate action of the Temple.

OPINION NO. 6, SEPTEMBER 30, 1965, YAARAB TEMPLE — In the absence of a Temple By-Law making provision therefor, the chairman of a Temple's finance committee has no right to the custody of the Temple's funds, books of account or financial records; the responsibility of care and safekeeping of such being entrusted to the Recorder under § 327.3(b).

OPINION NO. 7, OCTOBER 1, 1965, EL MAIDA TEMPLE — Statuettes and caricatures, using Shrine emblems without permission and for commercial purposes, which expose the Order and its members to ridicule, are prohibited under Shrine law; and any Noble engaged in their manufacture or distribution or using them for advertising purposes is subject to disciplinary action under Article 30.

OPINION NO. 8, OCTOBER 1, 1965, MEDINAH TEMPLE — All members in good standing are eligible for election or appointment to Temple offices, committees, boards of trustees, etc.; and Temple By-laws may not otherwise provide.

OPINION NO. 9, OCTOBER 4, 1965, EGYPT TEMPLE — Proposed Articles of Incorporation of Lakeland Shrine Club Holding Corporation disapproved for failure to comply with § 337.6(c).

OPINION NO. 10, OCTOBER 4, 1965, BEN ALI AND HILLAH TEMPLES — Hillah Temple may not act upon a petition for initiation of any person who resides in the exclusive jurisdiction of Ben Ali Temple as fixed by § 449.4 without having first obtained a waiver of jurisdiction from Ben Ali Temple pursuant to § 328.4.

OPINION NO. 11, OCTOBER 4, 1965, OTTAWA SHRINE CLUB — A Shrine Club wishing the Temple in the exclusive jurisdiction of which it is located to hold a Ceremonial in its locality, which the Temple declines to hold, has recourse by requesting another nearby Temple to either seek waivers of jurisdiction from the first in order to hold a Ceremonial there or introduce legislation which would change its jurisdictional lines.

OPINION NO. 12, OCTOBER 6, 1965, NEMESIS TEMPLE — The power given the Imperial Potentate under § 206.5(a)(II) should be cautiously exercised. Unless the Imperial Potentate causes an investigation to be made and thereby finds certain allegations of misconduct confirmed, a Noble is presumed to be innocent of any alleged misconduct; and disciplinary proceedings against him may be instituted only under Article 30.

OPINION NO. 13, OCTOBER 14, 1965, AAD TEMPLE — Unless, by affirmative action of the Temple, it has provided that the increase in the per capita tax made by the 1964 Amendment to § 211.4 shall be absorbed by the Temple, the whole amount of the per capita tax shall be added to the annual dues of all members except life members.

OPINION NO. 14, OCTOBER 16, 1965, SUDAN TEMPLE — Proposed Articles of Incorporation of Lenoir County Shrine Club Holding Corporation approved.

OPINION NO. 16, OCTOBER 18, 1965, OSMAN TEMPLE — The exclusive head covering of the Order is the red Fez with a black tassel and it may be decorated and adorned only in the manner described in § 213.1. No exception to the requirements of that section is permitted for any Uniformed Unit of any Temple.

OPINION NO. 17, OCTOBER 29, 1965, AAD TEMPLE — The increase in the per capita tax by 1964 Amendment to § 211.4 must be reflected by amendment of Temple By-laws pursuant to § 331.5.

OPINION NO. 18, NOVEMBER 12, 1965 — As required by § 328.6(d), Temples with concurrent jurisdiction must notify each other promptly of the name and address of each petitioner for either initiation or affiliation who is rejected or to whom objection has been lodged if such petitioner resides in the territory of concurrent jurisdiction.

OPINION NO. 21, NOVEMBER 30, 1965, MECCA TEMPLE — Unless the facts are undisputed, the Imperial Potentate should refer complaints of misconduct to

the proper Temple for proceedings under Article 30, rather than to himself undertake to discipline the accused Noble pursuant to § 206.5(a)(11).

OPINION NO. 22, DECEMBER 1, 1965 (SUPPLEMENTED DECEMBER 30, 1965) MIZPAH TEMPLE — Shrine law does not prohibit the circulation by members of a Temple Unit of a letter proposing an amendment to the Temple By-Laws.

OPINION NO. 25, DECEMBER 20, 1965, ZURAH TEMPLE — From the evidence presented with a complaint to the Imperial Potentate, there does not appear to be a clear violation of Shrine law in the publication of generally praiseworthy news photographs and stories concerning a Ceremonial. However, any Noble who believes that a violation has in fact occurred may institute proceedings under Article 30 against the offending party.

OPINION NO. 26, DECEMBER 21, 1965, JERUSALEM TEMPLE — A proposed resolution which would establish a Temple building fund and a committee to receive and disburse its money was improper under present Temple By-laws; and an amendment to the Temple By-laws would be required to properly establish such fund and committee.

OPINION NO. 28, DECEMBER 30, 1965 (SUPPLEMENTED FEBRUARY 15, 1966) ALZAFAR TEMPLE — Pursuant to § 101.4 parliamentary procedure is governed by Robert's Rules of Order. Motions made and votes taken while the Potentate is present but not presiding are invalid in the light of § 324.7; but the resolution to which such motions and votes related, having been introduced while the Potentate was presiding, is a valid, pending, unresolved matter, and is referred back to the Temple for appropriate action.

OPINION NO. 33, JANUARY 5, 1966, SUDAN TEMPLE — Proposed Articles of Incorporation of Wilson County Shrine Club Holding Corporation approved, subject to certain required changes.

OPINION NO. 35, JANUARY 10, 1966, AL BEDOO TEMPLE — By the provisions of §§ 337.4 and 337.5, jurisdiction over a Shrine Club once in exclusive territory of one Temple but now in concurrent territory of that and two other Temples is vested in: First, the Temple that originally chartered the club while in that Temple's exclusive jurisdiction if the charter has not been revoked; or second, the nearer of the two first chartered Temples if it issued a charter which has not been revoked; or third, if there exists no present valid charter, the Temple now nearest the location of the club by the shortest available route.

OPINION NO. 39, JANUARY 15, 1966, SUDAN TEMPLE — Under § 206.3(b), a Temple may not endorse a member of another Temple as a candidate for Imperial office.

OPINION NO. 40, JANUARY 16, 1966, KOREIN TEMPLE — The actions of a group of Nobles in adopting secretly and distributing anonymously a manifesto concerning Temple affairs, although regrettable and in bad taste, are not violative of Shrine law.

OPINION NO. 42, JANUARY 22, 1966, IMEPERIAL POTENTATE — Pursuant to § 206.6, upon the untimely death of the Imperial Treasurer, the Imperial Potentate must immediately fill the vacancy created in that office by appointment of a Representative to serve for the unexpired term.

OPINION NO. 45, FEBRUARY 9, 1966, ZUHRAH TEMPLE — Under the circumstances of the particular case at hand, the publication of news stories and photographs concerning a Shrine Ceremonial was not violative of Shrine law.

OPINION NO. 47, FEBRUARY 18, 1966, SUDAN TEMPLE — A candidate for the Imperial "line" need not announce the particular office to which he aspires; but he may be nominated for the highest vacant office, and failing election to that, be nominated for the next highest vacant office, etc.

OPINION NO. 48, FEBRUARY 18, 1966, MOSLEM TEMPLE — Under Robert's Rules of Order, which are applicable by virtue of § 101.4, a recount of written ballots may be had upon the affirmative action of the Temple if timely motion for recount has been made.

OPINION NO. 49, FEBRUARY 20, 1966 — A General Order issued by an Imperial Potentate concerning establishment of a "Provost Guard" in each Temple did not constitute an amendment to the By-laws of the Imperial Council even though his actions and decisions were approved by an affirmative vote at the ensuing session, the By-laws requiring submission of a proposed amendment to a two-thirds vote of registered Representatives; and the General Order expired at the conclusion of the term of office of the Imperial Potentate who issued it pursuant to § 206.5(a)(4).

OPINION NO. 51, FEBRUARY 22, 1966, MOROCCO TEMPLE — A Shrine Club may not be a member of an Association of Shrine Temples organized under § 209.1.

OPINION NO. 53, MARCH 3, 1966 (SUPPLEMENTED MARCH 31, 1966), SALADIN TEMPLE — Inasmuch as Article 26 requires the installation of Temple officers before they assume the duties of their respective offices, an elected Temple officer continues to hold office until his successor is both elected and installed.

OPINION NO. 55, MARCH 17, 1966, EL ZARIBAH TEMPLE — A Temple may not vote on its business matters using proxies or by mail.

OPINION NO. 56, MARCH 9, 1966, WAHABI TEMPLE — There need be no notice, resolution, or vote of the Temple to amend its By-laws for the sole purpose of having them thereafter comply with Imperial Council By-laws, because by § 331.5 Temple By-laws are amended ipso facto and there need be only a certification by the Recorder that the required changes have in fact been made on the face of the Temple By-laws.

OPINION NO. 58, MARCH 12, 1966, YELDUZ TEMPLE — Incorporation of a Shrine Club is prohibited by Shrine law, and Articles of Incorporation of a Shrine Club Holding Company will not be approved unless they conform to the requirements of § 337.6. Execution of a long-term mortgage by a Shrine Club without prior approval of the Imperial Potentate, pursuant to § 334.7, was a violation of Shrine law.

OPINION NO. 59, MARCH 11, 1966, AL CHYMIA TEMPLE — Although a suspended member has no obligation to pay dues or hospital levies during his suspension, it is required by § 332.3(g) that he pay all hospital levies made during the period of his suspension before he can be reinstated a second time.

OPINION NO. 50, MARCH 14, 1966, BAHIA TEMPLE — As provided in § 327.1, the Potentate is the chief executive officer of each Temple and as such may direct its affairs subject only to Shrine law, the By-laws of his Temple, and restrictive motions or resolutions of his Temple. He may require the Recorder to furnish membership lists to Shrine Clubs for the purpose of securing new members, that action being not a violation of § 335.6(a). He may employ and discharge employees of the Temple, notwithstanding that the Recorder may do likewise with consent of the Divan pursuant to § 327.3(a)(7). But the Potentate may not require the Recorder to perform any act which would be a violation of Shrine law, such as posting minutes of Temple meetings on a board in the lobby of the Temple where they may be read by persons other than Shriners in good standing.

OPINION NO. 61, MARCH 15, 1966 (SUPPLEMENTED MARCH 31, 1966), NEMESIS TEMPLE — By virtue of § 327.4, the Treasurer must sign all checks drawn on Temple funds unless the Temple By-laws otherwise provide; but no other officer is required to sign such checks unless the Temple By-laws so provide. The Imperial Potentate may, by Special Order issued pursuant to § 206.5(a)(5), recommend the amendment to Temple By-laws in order to prevent recurrence of a controversy in the Temple; but, of course, the Special Order expires at the conclusion of the next session of the Imperial Council.

OPINION NO. 62, MARCH 18, 1966, SPHINX TEMPLE — A Noble holding a demit from one Temple may affiliate with another Temple pursuant to § 328.8; but only by secret ballot, as provided in § 323.5, in the same manner as if he were a candidate for initiation.

OPINION NO. 63, APRIL 4, 1966, KHEDIVE TEMPLE — Identification of a photograph in a commercial advertisement of a new employee as "a former Potentate

of Khedive Temple" is a violation of § 335.2; and, if done with the knowledge or consent of the Noble, he is subject to disciplinary action. If such advertisement was published without the knowledge or consent of the Noble, he should immediately advise his employer to refrain from using such term or any like it.

OPINION NO. 67, MAY 10, 1966, MAHI TEMPLE — Any Temple may organize a Shrine Club in an area not part of the territorial jurisdiction of some Temple or Temples under Part IV of the By-Laws. Once the Temple has assumed responsibility for a Shrine Club by issuing a charter to it, the Club is subject to the control and supervision of that Temple pursuant to Article 37 in the same manner as if it were located within the Temple's jurisdiction.

OPINION NO. 71, MAY 16, 1966, NUR TEMPLE — According to §§ 325.4 and 325.6, the election of Temple officers and Representatives must be held at the annual meeting and commenced not later than 9:00 o'clock. The transaction of other business or the adjournment of the meeting after commencement of the election and prior to its conclusion is a violation of § 325.6.

OPINION NO. 73, MAY 17, 1966, IMPERIAL POTENTATE — A Recorder's refusal to permit the examination of his Temple's books of account and financial records during regular office hours by other officers of the Temple, the performance of whose duties under Shrine law or the Temple's By-Laws requires access to the information contained in such books and records, constitutes interference with the performance of their duties and is a violation of Shrine law which warrants disciplinary action under either § 206.5(a)(11) or Article 30.

OPINION NO. 82, JUNE 4, 1966, NILE TEMPLE — Proposed Articles of Incorporation of Anchorage Shrine Club Holding Company disapproved for failure to comply with § 337.6.

OPINION NO. 83, JUNE 16, 1966, MECCA TEMPLE — If the Potentate, Chief Rabban, or other officer of a Temple would be disqualified under § 330.2 (q) so that he could not serve on a grievance committee appointed to investigate a complaint made pursuant to § 330.2 (a), then he may not appoint such a committee; in which event the committee must be appointed by the highest ranking officer of the Temple who is not so disqualified, in order of rank prescribed by § 325.1.

OPINION NO. 84, JUNE 17, 1966, KEM TEMPLE — A candidate who has not paid his initiation fee, but who was nevertheless initiated in violation of § 332.1 (d), is not a Noble in good standing. His signature on a request to hold a special meeting of the Temple is invalid. In the absence of the requisite number of valid signatures on such request, for which provision is made in the Temple's By-Laws, the Potentate is not bound to heed the request. If there is not enough time to call a special election to fill a vacancy created by the death of an elected Representative, the Potentate is empowered to appoint a Representative by § 325.14 (a).

OPINION NO. 85, JUNE 22, 1966, AAHMES TEMPLE — The Potentate may charter a Shrine Club pursuant to § 337.1; and, by virtue of § 337.3, he may fix its meeting place and limit the area in which it may operate.

OPINION NO. 86, JUNE 25, 1966, BEKTASH TEMPLE — By the provisions of § 334.4 (e) a Temple budget may be amended at any subsequent meeting; and amendment of the budget constitutes amendment of the appropriations made thereunder. If the proposal to amend the budget is made at a special meeting, notice thereof is required by § 324.3. Notice given in a Temple publication, as permitted by § 335.8 (b) is sufficient if timely under § 324.5.

OPINION NO. 88, JULY 2, 1966 — Shriners, even when acting as trustees of a Shrine Club holding company, are amendable to Shrine law and subject to discipline for violation of § 337.6 in failing or refusing to make the Articles of Incorporation of the Shrine Club holding company conform to that section.

OPINION NO. 89, JULY 2, 1966, OASIS TEMPLE — Inasmuch as there is no provision in Shrine law which permits the holding of a stated meeting at any place other than the location of the Temple, and because § 328.7(a) forbids the transaction of any business other than the election of candidates at a ceremonial session unless it is

held at the Temple, the Temple By-laws may not be amended at a meeting held in conjunction with a ceremonial session held outside the Temple's territorial jurisdiction.

OPINION NO. 90, JULY 2, 1966, SABBAR TEMPLE, U.D. — Representatives to the Imperial Council may not be elected by a Temple under dispensation; but pursuant to §329.6(g) its members must hold an election as soon as possible after its charter is granted.

Imperial Sir, I have these rulings and decisions right here. Inasmuch as some of you have no airline reservations perhaps you would like to spend the rest of the month reading them in full. (Laughter) There was in your envelope when you registered a condensation of each of these decisions from 1 through 82, including a list of By-laws submitted and approved and By-laws submitted and disapproved. You did not have the rulings from 83 through 92 because they have been issued during the time we have met here. They have not been available to you. I trust that you will not require the reading of those which were in your envelope. The ones which were not in your envelope should be read in order that you might know what the ruling was and in order that you might properly vote on the motion already made. (Reading)

OPINION NO. 83, JUNE 16, 1966, MECCA TEMPLE – If the Potentate, Chief Rabban, or other officer of a Temple would be disqualified under § 330.2 (q) so that he could not serve on a grievance committee appointed to investigate a complaint made pursuant to § 330.2 (a), then he may not appoint such a committee; in which event the committee must be appointed by the highest ranking officer of the Temple who is not so disqualified, in order of rank prescribed by § 325.1.

OPINION NO. 84, JUNE 17, 1966, KEM TEMPLE – A candidate who has not paid his initiation fee, but who was nevertheless initiated in violation of § 332.1 (d), is not a Noble in good standing. His signature on a request to hold a special meeting of the Temple is invalid. In the absence of the requisite number of valid signatures on such request, for which provision is made in the Temple's By-Laws, the Potentate is not bound to heed the request. If there is not enough time to call a special election to fill a vacancy created by the death of an elected Representative, the Potentate is empowered to appoint a Representative by § 325.14 (a).

OPINION NO. 85, JUNE 22, 1966, AAHMES TEMPLE – The Potentate may charter a Shrine Club pursuant to § 337.1; and, by virtue of § 337.3, he may fix its meeting place and limit the area in which it may operate.

OPINION NO. 86, JUNE 25, 1966, BEKTASH TEMPLE – By the provisions of § 334.4 (e) a Temple budget may be amended at any subsequent meeting; and amendment of the budget constitutes amendment of the appropriations made thereunder. If the proposal to amend the budget is made at a special meeting, notice thereof is required by § 324.3. Notice given in a Temple publication, as permitted by § 335.8 (b) is sufficient if timely under § 324.5.

OPINION NO. 88, JULY 2, 1966 – Shriners, even when acting as trustees of a Shrine Club holding company, are amenable to Shrine law and subject to discipline for violation of § 337.6 in failing or refusing to make the Articles of Incorporation of the Shrine Club holding company conform to that section.

OPINION NO. 89, JULY 2, 1966, OASIS TEMPLE – Inasmuch as there is no provision in Shrine law which permits the holding of a stated meeting at any place other than the location of the Temple, and because § 328.7 (a) forbids the transaction of any business other than the election of candidates at a ceremonial session unless it is

held at the Temple, the Temple By-laws may not be amended at a meeting held in conjunction with a ceremonial session held outside the Temple's territorial jurisdiction.

OPINION NO. 90, JULY 2, 1966, SABBAR TEMPLE, U.D. — Representatives to the Imperial Council may not be elected by a Temple under dispensation; but pursuant to § 329.6 (g) its members must hold an election as soon as possible after its charter is granted.

Now those opinions which I just read were added to the section on general opinions.

As to Temple By-laws rejected: (Reading)

OPINION NO. 87, JULY 2, 1966, ZOR TEMPLE — Proposed amendment to By-laws disapproved for failure to comply with § 331.5.

OPINION NO. 91, JULY 2, 1966, KISMET TEMPLE — Proposed amendment to By-laws approved.

With that explanation, without reading all of these others, I continue with the Committee's report. (Reading)

Your Committee reports (1) that there have been no objections to or appeals from any of such rulings or decisions, insofar as your Committee is informed; (2) that it concurs in the rulings and decisions, as set out in this report;

Which are those that were in your envelopes plus the ones I read. (Reading)

And (3) that it recommends that all of the rulings and decisions be approved, ratified and confirmed.

Imperial Sir, I move you that the report of the Committee be adopted and that all of the decisions and rulings as published to the Representatives in their envelopes and as read this morning to them be adopted, ratified and confirmed. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Moved and seconded. Is there discussion? Hearing none we will call for the question. All those in favor signify by raising the right hand. Those opposed by the same sign. So carried.

Will Les Swan please come up and make his report.

NOBLE LESLIE H. SWAN: Imperial Potentate, fellow Representatives. There appears on the top half of page 20 of the Call certain proposed amendment to Articles 49 and 92 of the By-laws submitted by the three Potentates of three Temples, Islam, Afifi and Nile. That was referred to your Committee on Jurisdictional Lines. What I have here in my hand now is a note which reads as follows. It is dated today. (Reading)
To the Imperial Council, A.A.O.N.M.S.

For good and sufficient reasons, we respectfully request the withdrawal of the proposed amendments to Articles 49 and 92 of the By-laws as submitted by the undersigned Potentates of Islam, Afifi and Nile Temples

Joseph L. Tedrowe,
Potentate, Islam

Brandt Bede,
Potentate, Afifi

Llewellyn S. Jordan,
Potentate, Nile

So that eliminates the report of your Jurisdictional Lines Committee. I move that the request of these three Potentates be granted. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and the second. Discussion? Those in favor raise their right hand. Those opposed the same sign. Carried.

We are now going to call on the Time and Place Committee starting with Rush followed by Seay, then by Hogan, then Baker, in respective order so we can get an idea as to the future on subsequent Imperial Council Sessions. I now recognize Orville F. Rush.

NOBLE ORVILLE F. RUSH: Imperial Sir, fellow Representatives. The untimely death of beloved Imperial Sir Charles E. Merrill last December created a special situation with respect to the holding of the 1967 Imperial Council Session. Our Time and Place Committee considered the situation quite in length and recommended that the Session be held in Washington, D.C. in 1967 inasmuch as we had an organization already set up there and they felt that we would be possibly the only one, or the only one, out of two cities that could properly prepare for an Imperial Session in such a short period of time. I might add that Moslem Temple very graciously relieved us from any responsibility whatsoever in connection with the holding of the Session in Detroit in 1967.

So I would like at this moment to call to the podium Potentate James E. Betts of Almas Temple who wishes to make a statement in connection with 1967 and the wishes of Almas Temple.

NOBLE JAMES E. BETTS: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, fellow Representatives, Nobles all. As Potentate of Almas Temple, Washington, D.C., it is a great privilege and distinct pleasure for me on behalf of Almas Temple of Washington, D.C., to extend an invitation to hold the 1967 Imperial Session in Washington, D.C., during the week of July 9.

The Board of Commissioners of the District of Columbia, the Board of Trade, the Washington Convention and Visitors Bureau, the Hotel Association, and many other organizations too numerous to mention join in this invitation.

We think we had a wonderfully successful convention in Washington in 1965 and we feel with the experience gained from that convention we can have an even more successful Imperial Session in Washington, D.C., in 1967. Washington is one of the great convention cities of the world. We have all of the necessary public facilities and housing to take care of any convention of any size. Congressional legislation and all necessary preliminary steps have already been taken in preparation for what we feel will be one of the greatest conventions the Shrine has ever had and we wholeheartedly invite you to accept our most cordial and sincere invitation. (Applause)

NOBLE ORVILLE F. RUSH: Thank you very much, Potentate Betts.

Imperial Sir, I move that the recommendation of the Time and Place Committee to hold the 1967 Imperial Council Session in Washington, D.C., be adopted. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Moved and seconded that we have our next Imperial Council Session, the 93rd, in Washington, D.C. Any discussion? All those in favor signify by holding up the right hand. Those opposed by the same sign. So carried.

We are now going to have a preliminary report from the Time and Place Committee headed by Tom Seay.

NOBLE THOMAS F. SEAY: Imperial Sir, Representatives. We hope it will be in Chicago. Will my Illustrious Potentate, Albin Anderson, approach the podium, please.

NOBLE ALBIN R. ANDERSON: Imperial Sir, Imperial Sirs and fellow Representatives. On behalf of our own Imperial Sir Thomas F. Seay and the Nobility of Medinah Temple by resolution already presented we extend a most cordial invitation to the Imperial Council to visit our fair city of Chicago in July of 1968. Chicago with its splendid accommodations, its geographical position, would, I am certain, make this the

greatest Session ever. When our invitation is accepted our Past Potentate of 1965, Yngvar Brynildssen, will be our Director General.

We have already got our slogan. It will be "Seay Chicago in '68." Se-a-y Seay. Thank you. (Applause)

NOBLE THOMAS F. SEAY: Imperial Sir, you have heard the resolution and the report from the Time and Place Committee. I move the adoption of this resolution. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and it is seconded. Discussion? All those in favor raise the right hand. Those opposed the same sign. Carried.

I recognize "Chick" Hogan for Time and Place the following year.

NOBLE CHESTER A. HOGAN: Imperial Sir and fellow Representatives. I had hoped to announce the convention for '69 but due to further negotiations I will refrain from this and announce in Washington, D. C., at our next Session. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: Thank you. Is Worth Baker here? (No response)

Noble Pierson please come forward to make the report on Transportation.

NOBLE CARL H. PIERSON: Imperial Sir, Representatives. Your Committee on Transportation is happy to report that to the best of our knowledge all things pertaining to transportation have been handled satisfactorily — up to the present time. (Laughter) We may be here for a few days but LBJ will take care of us as he is taking care of everything else throughout the world. (Laughter)

Our Imperial Potentate has traveled this past year more than 100,000 miles. He has met with fifteen of the Temples of Mercy. He has had hundreds of meetings and we commend him for a job well done. (Applause)

We have had a few delays in planes and a few trains but our Imperial Potentate has traveled by boat, plane, train and burro. I understand when he was riding his burro he slipped and fell on his — bottom but nothing serious happened. (Laughter)

Now I want to make one more statement. This year has been, and this meeting has been, the most exciting and interesting meeting that I have attended in the last twenty-five years. We have had a great session and great production with our candidates. When you have read the brochures of these men they look and read like taking four pages out of Who's Who in the World. We are happy for this type of gentlemen that come up here and present themselves to do the work for we Nobles who sit back there and see what they are doing.

I am happy to give this report. It is only a verbal report. (Applause)

IMPERIAL POTENTATE COLLINS: Thank you, Noble Pierson.

Grievances and Appeals by Earl Sachse.

NOBLE EARL SACHSE: Imperial Sir, Imperial Sirs, Representatives. When we didn't get to the report of our Committee yesterday I was fearful there wouldn't be anyone here to listen but through the cooperation of the airlines we have a good attendance this morning. I am pleased to report to you on two matters. (Reading)

TO THE REPRESENTATIVES OF THE 92ND IMPERIAL COUNCIL SESSION,
A.A.O.N.M.S.

Your Grievances and Appeals Committee has held a formal meeting at which it considered the matters referred to it.

Section 206.5 (a) (11) of the By-laws of the Iowa Corporation requires that whenever the Imperial Potentate suspends a Noble and recommends extension of the suspension or expulsion, the recommendation must be submitted to the Grievances and Appeals Committee for its consideration and report thereon to the Session.

Section 208.6 (e) requires the Grievances and Appeals Committee to consider and report to the Imperial Council on all matters of controversy, grievance and appeal

presented to the Council and the actions and recommendations of the Imperial Potentate regarding suspensions and expulsions of Nobles.

Pursuant to these By-laws, the Committee considered the matter of the suspension of W. F. Griffin, a member of Al Kaly Temple for conduct unbecoming a Noble of the Mystic Shrine. The Imperial Potentate suspended this member since his conduct was such that it reflected very unfavorably upon the Temple and the Shrine. Pursuant to Article 30, of the By-laws, disciplinary action has been instituted at the Temple level, but probably a final decision will not be reached until several months have elapsed.

Under the circumstances, your committee concludes that the action of the Imperial Potentate was appropriate. Your Committee further concludes that the recommendation of the Imperial Potentate that this suspension continue in effect until such time as final disposition is made by the Temple, is justified.

We recommend that this action be approved by this Imperial Council.

Respectfully submitted,

COMMITTEE ON GRIEVANCES AND APPEALS

John B. Vesey
Henry P. Bronkie
George C. Foster
John Y. Jordan

I move the adoption of the report. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Moved and seconded. Do you gentlemen have some discussion? All those in favor signify by raising the right hand. Those opposed by the same sign. Carried.

NOBLE EARL SACHSE: The second matter. (Reading)

TO THE REPRESENTATIVES OF THE 92ND IMPERIAL COUNCIL SESSION,
A.A.O.N.M.S.

Your Committee on Grievances and Appeals considered the appeal of Myer Statland a member of Mecca Temple. This appeal was based on the allegation that the Grievance Committee in Mecca Temple was improperly appointed and that its finding of no probable cause should be set aside.

Your Committee finds that the Grievance Committee of Mecca Temple was properly appointed and their action was proper under the circumstances and that therefore this appeal is hereby dismissed.

Respectfully submitted,

COMMITTEE ON GRIEVANCES AND APPEALS

Earl Sachse, Chairman
John B. Vesey
Henry P. Bronkie

I move the adoption of the report. (Motion seconded)

NOBLE ORVILLE F. RUSH: You heard the motion and the second. Ready for the question? All those in favor say, "Aye." All opposed, "No." I declare it so carried.

NOBLE EARL SACHSE: Imperial Sir, Representatives. This concludes the report of your Grievances and Appeals Committee. Thank you.

NOBLE ORVILLE F. RUSH: I call on Quinn Glover.

NOBLE QUINN GLOVER: Imperial Sir, Imperial Sirs and fellow Representatives. (Reading)

NOBLE ORVILLE F. RUSH: The motion has been made and seconded to adopt this resolution. Are you ready for the question? All in favor say, "Aye." All opposed, "No." I declare it so carried.

I now call upon M. W. Bro. H. W. Fullingim, Grand Master in Texas, for a brief statement. (Applause)

NOBLE H. W. FULLINGIM: Imperial Sir, Imperial Sirs, Representatives for this Session of the Imperial Shrine. In behalf of the Grand Masters who were at this Session to be with you and for the many courtesies, kindnesses and expression that you gave to us, we are deeply appreciative and also have received much valuable information that we can take back to our jurisdictions throughout the United States and Canada and express to the Masons who live in our jurisdictions the high principles on which you as a part of our great Masonic family have conducted yourselves during this last week. We are proud that you saw fit to invite us as the Grand Master of our different jurisdictions to be with you and we can assure you that the Shrine in our jurisdictions is held in great esteem regardless of how high or how low the Degrees may seem in the line of our Masonic family.

We are also very impressed by the dedication which you gave in the wonderful parades. These Brothers who have reached many years and walked many miles, nothing but a dedicated Mason would have trod that path.

We were also informed of the wonderful hospital which you are to build, I will say which we are to build, in San Francisco, and also the sight of those wonderful children who the 800,000 Shriners who belong to our great organization are taking by the hand and will lead them to walk and play as normal children and also to be useful in this great country of North America in which we live.

I would like to say to our Imperial Potentate that we have been very pleased the way you have visited throughout Shrinedom of North America this year and for the many courtesies you extended to us. In Texas we have not had in the past the opportunity to meet the Imperial Potentate of North America but I can assure you on your visit to Texas when you dedicated the Shrine Institute for Burns Hospital in Galveston that you are loved by the 245,000 Masons there and also I am sure by the words of the other Grand Masters that their hearts are with you too.

We wish the best for your officers next year and we hope at a later date that all of us will be able to attend your Session again. Thank you very much for the invitation. (Standing applause)

(Imperial Potentate Collins now presiding.)

IMPERIAL POTENTATE COLLINS: Thank you, Bro. Grand Master. Your heart is as big as you are. We love you.

Now we are going to have a report from Worth Baker on time and place. I understand he was outside tuning up his ukelele. (Laughter)

NOBLE J. WORTH BAKER: Imperial Sir, Imperial Sirs and Representatives. With regard to our 1970 Imperial Council Session there is a very strong probability that we will host this Session in the crossroads of America in Indianapolis. This is not yet firm but the hotel and motel facilities with those that are being built are being reserved with the possibility that we will need them in 1970. That is the report of my progress as far as 1970 is concerned. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: Thank you, Noble Baker. Now we have a good idea what is going to happen in the next five years.

I recognize George Saunders our Imperial Recorder.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, the report of the Imperial Recorder is printed in the book of reports. It has been mailed to each of the Representatives and if there be no objection I move the report be adopted. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Any discussion? All those in favor signify by raising the right hand. Those opposed the same sign. Carried.

I now recognize Harold Close for the Treasurer's Report.

NOBLE HAROLD C. CLOSE: Imperial Sir and Representatives. The Treasurer's Report for the calendar year 1965 was printed in the book of reports and was mailed out to all the Representatives before you left home. I don't think it is necessary to add anything further at this time. May I say that was completed by my predecessor in the office and covered the calendar year.

I would like to comment briefly. In 1964 the Imperial Council voted to increase the per capita tax effective January 1, 1965, and payable to the Imperial Council in the current year 1966. It is quite apparent that this increase was voted none too soon. The book of reports which you received indicates that we had a gain from our financial operation for the year 1965 of \$245,000. This is the result of a true per capita tax in 1965 which had been collected by the Temples but which was not payable to the Imperial Council until 1966 on a cash basis. However, we actually spent \$141,000 in 1964 over and above the cash receipts. This amount in 1965 amounted to \$180,000 over and above the cash receipts.

In other words, during the two years 1964 and 1965 our expenditures exceeded our receipts by \$321,000. In order to pay our way it was necessary last year to sell \$143,000 par value bonds at a loss of \$15,851. It might be interesting for you to know that this current Session of the Imperial Council is costing approximately \$545,000.

That is the end of my report, Imperial Sir and Representatives. I move the adoption. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the reading of the report of the Treasurer. It has been moved and seconded for adoption. Any discussion? Those in favor signify by the right hand. Those opposed by the same sign. Carried.

We are now going to have the report of the Committee on Finance and Accounts by Bob Vetter.

NOBLE B. W. VETTER: Imperial Potentate, Imperial Sirs and fellow Representatives. (Reading)

Your Committee on Finance and Accounts have complied with the requirements of Section 208.6 (h) of the By-Laws of the Iowa Corporation, in accordance with General Counsel's interpretation of our responsibilities, relative to Budgeting of Income and Expenses.

Our first report has to do with the revised Budget for the year 1965. The departure from the approved Budget represents an increase of \$573.00 in Annual Sessions Miscellaneous Expense in excess of your previous approval.

The total Budget has been increased from \$806,950.00 to \$807,523.00.

The approval of this item comes to you with the recommendation of all members of the Finance and Accounts Committee.

Imperial Sir, I move the adoption of this Report.

Robert W. Leonard

(Motion seconded)

IMPERIAL POTENTATE COLLINS: Moved and seconded that we accept this report. Discussion? Hearing none, all those in favor raise the right hand. Those opposed the same sign. So carried.

NOBLE B. W. VETTER: Imperial Potentate, Imperial Sirs and fellow Representatives.
(Reading)

We now present to you the following revised Budget for the calendar year 1966 for your consideration. This Budget has been prepared after consulting with the Imperial Potentate, the Deputy Imperial Potentate, the Imperial Recorder and the Auditor.

There has been an increase of \$34,950.00 since the approval of the original Budget at the Imperial Council Session in Washington, D.C. These items increase the Budget total of \$1,035,850.00 to \$1,070,800.00.

The estimated income for 1966 is \$1,074,800.00 and the suggested Budget amounts to \$1,070,800.00. A surplus of \$4,000.00 is indicated.

This Budget was printed in the 1965 Proceedings of the Imperial Council Session and will be printed in detail, including the above changes, in these proceedings of the Imperial Council Session.

The report is submitted to you with the recommendation of all members of the Finance and Accounts Committee. Imperial Sir, I move the adoption of the report and the approval of the Budget.

Your Committee on Finance and Accounts now present the following proposed Budget for 1967 for your consideration:

The initial estimated income and expense statements have been prepared after consulting with the Deputy Imperial Potentate, the Imperial Chief Rabban, the Imperial Recorder and the Auditor.

The estimated income for 1967 is \$1,075,800.00 and the suggested Budget amounts to \$978,400.00. A surplus of \$97,400.00 is indicated.

The 1967 estimated Budget is substantially the same as the 1966 Budget with two exceptions.

The principal reason for the decreased 1967 Budget is a reduction of \$175,000.00 in Annual Session expense (mileage and per diem to Representatives), however, an increase of \$75,000.00 is included for computer rentals and conversion costs.

The complete 1967 proposed Budget will be printed in the 1966 Imperial Council Proceedings.

The report is submitted to you with the recommendation of all members of the Finance and Accounts Committee. Imperial Sir, I move the adoption of the report and the approval of the Estimated Budget.

Will the Potentate of Akdar Temple come to the platform and take a seat.

Gentlemen, in the meantime I crave your attention for two minutes. I give the gavel to the Chairman of our Jurisprudence and Laws Committee. Gentlemen, please give us your undivided attention.

(Noble Robert H. Fouke now presiding).

NOBLE ROBERT H. FOUKE: I recognize Imperial Sir Barney W. Collins.

IMPERIAL POTENTATE COLLINS: In view of the discussion we had the day before yesterday with relation to the Masonic legislation which had been proposed to you by the Shrine Development Committee I wish to move the adoption of this resolution. I will read it twice. (Reading)

Resolved: That the Imperial Potentate shall appoint within 30 days a Study Committee of five Representatives to meet with leaders of the York and Scottish Rite Bodies and give further consideration to the problems of increasing membership in all Masonic Bodies, and to seek solutions which will be of benefit to all.

Resolved: That the Imperial Potentate shall appoint within 30 days a Study Committee of five Representatives to meet with leaders of the York and Scottish Rite Bodies and give further consideration to the problems of increasing membership in all Masonic Bodies, and to seek solutions which will be of benefit to all.

I move the adoption of this resolution. (Motion seconded)

NOBLE ROBERT H. FOUKE: You have heard the motion. You have heard the second. I recognize the Potentate of Khiva Temple.

NOBLE RICHARD ROBERTS: I think this is a good resolution. I think it will benefit all of us and will accomplish a lot of good. I am sure that our new Imperial Potentate will take advantage of the study and effort that has been placed in this program during the last year.

I would offer this amendment, that our Imperial Potentate who is leaving office, Barney Collins, be included as one of those on this five man list. (Motion seconded)

VOICES: No! No!

NOBLE ROBERT H. FOUKE: You have heard the motion. There was a second. We are now open for discussion on that particular amendment. Any discussion?

NOBLE JOHN B. VESEY: Yes, I object to naming anybody on that Committee. I have no objection to the Committee. I think it is sound to sit down and discuss things with the other Bodies but to tie the hands of our incoming Potentate with an appointment in advance I object to. I think we should leave that to his good judgment. (Applause)

I move that the amendment be tabled. (Motion seconded)

NOBLE ROBERT H. FOUKE: You have heard the motion that the amendment be tabled. There is no discussion on this motion. All in favor of tabling the amendment —

(Conference with members of the Jurisprudence and Laws Committee.)

NOBLE ROBERT H. FOUKE: The Chair will rule that in accordance with the provisions of the By-laws the right to appoint Committees is placed in the hands of the Imperial Potentate. Therefore, it is necessary to rule that the motion to table is out of order and likewise the amendment to the motion is out of order. Consequently we will now consider the motion for the appointment of the Committee. It will be carried on a majority vote. All those in favor of the motion to appoint the Committee raise your right hand. All those opposed raise your right hand. The motion is carried.

I return the gavel to you, Imperial Sir. (Applause)

(Imperial Potentate Collins now presiding.)

IMPERIAL POTENTATE COLLINS: Thank you, gentlemen, for your confidence. We needed something like this to keep the show on the road. It is too important to just sweep it under the rug.

Gentlemen, it looks as if we are just about ready. We can close, I think, in just a few more moments.

Will you ask the Potentate of Akdar Temple to come up here.

NOBLE PERRY W. WARD: Imperial Sir, Imperial Sirs, fellow Representatives. One correction, I don't want to take any glory away from our Potentate. I am a Past Potentate. It is my honor at this time to appear before you.

Thirty-one years ago next month a Noble of our Temple, Akdar in Tulsa, Oklahoma, passed away. Akdar Temple lost a great Noble. Oklahoma lost a great citizen and the world lost a great and humble man. Most of all, the Shrine lost a great member and believer in our humanitarianism. However, thirty-one years after his death he is still remembered the world over.

Will Rogers was a citizen of the world and one of Shrinedom's great. Just yesterday the U.S.S. Will Rogers, this nation's forty-first ballistic submarine, was launched and commissioned by the first lady of our land, Mrs. Lyndon B. Johnson. I wonder what Will would have said if he had know Ladybird had broken a bottle of champagne across his bow. (Laughter)

Akdar Temple is proud of its many Nobles but especially proud of Noble Will Rogers and wishes to share him further with the world.

Imperial Sir Orville Rush, Akdar Temple wishes to present to you for placing somewhere where the world can enjoy him this portrait of Noble Will Rogers. Imperial Sir, I move the adoption of the report. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Anybody opposing? (Laughter) All in favor signify by the right hand. Opposed the same sign. So carried.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, I move that the Imperial Council ratify and approve all of the acts and transactions of the Imperial Officers, the Board of Directors and others for the Iowa Corporation for the past year and those at this Session. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Any discussion? All those in favor signify by the usual sign. Those opposed the same sign. So carried.

NOBLE GEORGE M. SAUNDERS: The installation of officers is the next order of business. Luncheon will be served in both rooms, one in front of us and one behind us, and the payroll department will open up whenever the Imperial Potentate says it is time.

IMPERIAL POTENTATE COLLINS: Don't go away, fellows, we will tell you where and when. (Laughter)

(Past Imperial Potentate Robert Gardiner Wilson, Jr. now presiding.)

PAST IMPERIAL POTENTATE WILSON: Nobles, at the request of our newly elected Imperial Potentate we will make this very rapid. It will be correct, if the book is right. Are the newly elected Imperial Officers all in possession of their new jewels?

VOICES: Louder! Louder!

PAST IMPERIAL POTENTATE WILSON: I don't know if you missed much but what I tried to say was at the request of the newly elected Imperial Potentate I wanted to make this installation rapid and it will be right if the book is correct. I asked if all of the newly elected Officers were in possession of the proper jewels.

I will now ask all of the newly elected Officers, in accordance with the By-laws, to say I, pronounce their name in full, and swear as follows.

(The Imperial Officers-elect assumed the obligation of office conferred by Past Imperial Potentate Wilson.)

PAST IMPERIAL POTENTATE WILSON: I will now ask of our newly elected Imperial Potentate.

(The Imperial Potentate-elect assumed the obligation of office conferred by Past Imperial Potentate Wilson.)

PAST IMPERIAL POTENTATE WILSON: I declare the officers duly installed. (Standing applause)

I am now affixing your official jewel and enthroning you with your new fez. (Applause)

IMPERIAL POTENTATE RUSH: Thank you very much, Nobles, and thank you, Past Imperial Potentate Robert Gardiner Wilson, for your installation.

I now call on Past Imperial Potentate Harold Lloyd for the presentation of the jewel to the Junior Past Imperial Potentate Barney Collins.

PAST IMPERIAL POTENTATE LLOYD: Past Imperial Potentate Barney Collins, will you come to the podium, please.

Imperial Sir Barney Collins, I am happy and honored to have this privilege to present you the jewel of a Past Imperial Potentate. You have had a very active and fruitful year and your contributions to the Shrine have been many and will be long remembered. You have earned the right to wear a Past Imperial Potentate's jewel. I believe that this symbol will become more significant to you as the years go by.

Barney, I hope that you will enjoy it and treasure it as all your contemporary Past Imperial Potentates have. Welcome aboard, Barney. (Standing applause)

IMPERIAL POTENTATE RUSH: Thank you, Nobles.

Now I call on Brig. Gen. Telfer, our immediate Past Imperial Chaplain.

Our immediate Past Imperial Chaplain was to pin this jewel on our new Imperial Chaplain but he already has it on. (Laughter)

This is Woodrow Wilson Hayzlett who, as I said the other morning, has been my Pastor for five years. We have enjoyed a long harmonious and warm friendship and I am delighted, "Woody," that you have the jewel pinned on you and that you now are our new Imperial Chaplain.

IMPERIAL CHAPLAIN HAYZLETT: Thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE RUSH: Nobles, I will read some appointments as quickly as possible. I have quite a long list, as I indicated to you a couple of hours ago, so I shall not read all of them but of necessity I must read some. (Reading)

That is the succinct list but there are numerous other names on the list that I did not read and there are other Committees of which I did not read the Chairman or the appointments.

Imperial Recorder, what do you have next?

NOBLE GEORGE M. SAUNDERS: For the information of the members of the Board of Trustees and Directors for both Corporations, the folks on the stage, there will be a meeting at two o'clock in the Walnut Room after the lunch.

Now for the Representatives, we are about ready to close the Session and we will have our lunch in the two rooms, one at that end and the one at this end, and the Payroll Department has been set up out in the lobby of this floor right behind us. Lunch is ready at twelve o'clock. You have just about time to listen to the Benediction and get your check and go to lunch.

IMPERIAL POTENTATE RUSH: Nobles, I appreciate very much the confidence you have displayed in me. I was going to make a statement that would consume approximately five minutes but I see that everyone is anxious to get out and get a meal and get their check so I will forego the statement I was going to make.

VOICES: Make it! Make it!

IMPERIAL POTENTATE RUSH: All right, maybe I will cut it down. I want to say this, that I certainly want to have a harmonious year in Shrinedom. I want to have harmony not only on the Imperial and international level but in each Temple in Shrinedom. There is no place in Shrinedom for character assassination. (Applause) The only thing a man has when he crosses the bar is his character and there is no place in Shrinedom for anonymous letters of scurrilous cartoons and I think if it can be proven where these come from that such constitutes not only conduct unbecoming a Shriner but in connection with the Imperial elections constitutes a violation of the Imperial provision against improper electioneering.

I say to you that if we ever place in our hearts and minds in a foremost position personal aggrandizement and political preferment, and cast into a secondary position the true purposes of our Order and its great philanthropy, to paraphrase then, we will indeed sink into the slough of despond and the Shrine to us will be but a trade of vanity fair and we would lead ourselves on and on to the castle of giant despair. (Applause)

So I want us all to start anew and let's do everything possible as sincere Master Masons and as Nobles of the Mystic Shrine to have harmony throughout Shrinedom which will redound not only to the benefit of our Order but the great charity that we sponsor. We only get wills, gifts and bequests by the good name that we enjoy and let's keep that good name and not do anything to tarnish it. (Applause)

Nobles, I am not going to keep you longer. I am grateful to all of you for the confidence expressed. I appreciate the numerous very thoughtful and most gracious courtesies that probably all of you in this assemblage have extended to me through my years on the Imperial Divan and I look forward to working with you during this Shrine year and again if you have anything to offer for the good of Shrinedom please refer the same to me and I assure you that it shall be seriously considered.

I now call on our new Imperial Chaplain for the Benediction, Rev. Woodrow Wilson Hayzlett.

REV. AND NOBLE WOODROW W. HAYZLETT: And now Almighty God, God of our fathers, as we leave this sacred place made sacred not because we are here but because we as Thy children have been here and we go out and mix once again with the world, we pray that the Lord will bless us and keep us, the Lord will make His Face to shine on us and be gracious to us, that the Lord may lift up His Countenance upon us and grant us His Peace and His Blessings that Shrinedom may go forward in the year ahead. Amen.

IMPERIAL POTENTATE RUSH: Do I hear a motion for adjournment of the Ninety-Second Imperial Council Session.

VOICES: So move. (Motion Seconded)

IMPERIAL POTENTATE RUSH: Those in favor. Opposed. We are adjourned sine die.

(The Ninety-Second Annual Session of the Imperial Council, A.A.O.N.M.S., adjourned at 11:25 A.M.)

ANNUAL REPORT OF GEORGE M. SAUNDERS
IMPERIAL RECORDER, A.A.O.N.M.S.

JANUARY 1, 1965 TO DECEMBER 31, 1965

*Imperial Potentate, Officers and Members of the
Imperial Council, A.A.O.N.M.S.*

GREETINGS:

IMPERIAL SIR AND REPRESENTATIVES TO THE IMPERIAL COUNCIL:

Your Imperial Recorder respectfully submits the following detailed statements of transactions of the Imperial Recorder's Office for the fiscal period from January 1, 1965 to December 31, 1965, both dates inclusive.

Your attention is directed to the report of the Imperial Auditor showing complete information on all receipts in the Central Office and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the Central Office.

The election returns of the 167 subordinate Temples reflect that there were at January 1, 1966, Representatives to the Imperial Council as follows:

Number of Representatives at Large	10
Number of Ad Vitam Members	15
Number of Emeritus Members (not Ad Vitam)	54
Number of Elected Representatives	666
Total Eligible to vote	745

At the end of our last calendar year, the Temples' Annual Reports reflected that we had 844,511 Nobles on the active rolls of membership, of which 144,075 Nobles held Permanent Contributing Membership Certificates which relieved them of paying the Annual Shriners Hospital Assessment.

Our net gain in total Shrine membership for the year 1965 was 7,219 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It will be noted that 63 Temples report a loss in membership, and two remained the same.

Membership is still the subject of utmost importance to all of us and Imperial Potentate Barney Collins has devoted much thought to it this year. He and his charming wife Doris have worked tirelessly throughout the year to bring to all Temples the message of the Shrine and its magnificent hospital work for crippled and burned children.

The theme of his year has been "DeMolay" and he feels that if Masonry and the Shrine will lend their support to this youth program in the proper manner, the future of Masonry and the Shrine will be assured.

All Imperial Officers have carried out the assignments given to them by the Imperial Potentate in a satisfactory manner and our thanks and appreciation to each of them are hereby extended.

To all Temple Recorders and their staff members I express my thanks and appreciation for attention to detail and their dedication to service with the Shrine.

My personal thanks to each member of the staff at the General Offices. Each and every one of you are a link in a great organization and I am grateful for your loyalty and effort expended in a work that is worthy of note. My grateful appreciation is expressed to each of you for a super job so well done.

The credit for a job well done reflects only growth in stature of the organization to which we are all dedicated.

Es Selamu Aleikum,

CERTIFICATE OF THE IMPERIAL AUDITOR

BARNEY W. COLLINS, IMPERIAL POTENTATE
AND
BOARD OF DIRECTORS OF
THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF
THE MYSTIC SHRINE

I have caused to be examined the balance sheet of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine (an Iowa Corporation) as of December 31, 1965 and the related statements of income and expense and fund balance for the year then ended by Main Lafrentz & Co. under my general supervision. The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances. All checks issued by the Imperial Treasurer were examined.

In my opinion, the accompanying balance sheet and statements of income and expense and fund balance present fairly the financial position of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine at December 31, 1965 and the results of its operations for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,
ARTHUR C. UPLEGER

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1965

1. Cash is composed of:

Depreciation reserve cash.....	\$98,825
General fund cash.....	(76,463)
Total	<u>\$22,362</u>

The depreciation reserve is funded (as explained in note 3 below) by designating a portion of the operating bank account as depreciation reserve cash. Since excess cash is invested in short term securities, and none of these investments are designated as a portion of the depreciation reserve fund, the general fund is presented as overdrawn.

2. Accounts receivable consist primarily of 1965 dues receivable, which were assessed on December 31, 1965, from the various sub-ordinate Temples. Dues were increased from \$.60 per capita in 1964 to \$1.10 per capita in 1965. This increase in unrestricted dues of \$.50 is a 100 percent increase over 1964.

3. Property, plant and equipment, at cost is detailed below:

Building, 323 North Michigan, Chicago, Illinois	\$579,733
Furniture, fixtures and office equipment	54,457
	<u>\$634,190</u>
Less: Accumulated depreciation	131,433
	<u>\$502,757</u>
Building site	205,000
	<u>\$707,757</u>

The board of directors authorized the establishment of a depreciation reserve fund, with additions to be equal to the annual depreciation charge for the National Headquarters building. Expenditures for major repairs to the building are to be made from this fund.

4. Payments to a non-contributory retirement plan during the current year amounted to \$3,065. The retirement plan is currently fully funded in sufficient amount to liquidate and cover all retirement benefits for the length of service as to each employee. Appropriations for this purpose have been approved from time to time by the representatives. There is no current liability for accumulated years of past services credit. The current year expense actually represents 1964 cost as the liability for 1965 cost has not yet been determined.

5. The amount due to Shriners Hospitals for Crippled Children is the net of collections of hospital receivables from the sub-ordinate Temples, less amounts due for building rent and building operation charges.

6. Included in the annual dues of \$1.10 per capita is \$.10 which is designated for the annual session. This portion of the December 31, 1965 dues amounts to \$84,451 and has been reserved for the annual session to be held in 1966.

7. The Shriners Hospitals for Crippled Children pays rent on the National Headquarters Building amounting to \$50,000 annually and in addition, bears a portion of the operating expenses of the building.

8. U. S. Government bonds with a cost of \$143,000 were sold during 1965 with a resulting loss of \$15,851. This sale was made to provide operating cash after the 1964 operating deficit as approved by the 1964 Imperial Session.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

VISITATION OF IMPERIAL POTENTATE

Reception Committee at airport or railroad station:—

A Reception Committee appointed by the Potentate should be present at the airport or railroad station to greet the Imperial Potentate upon his arrival. Appropriate and ready transportation should be available to transport him and his party to the hotel. Arrangements for handling of baggage should be pre-arranged so as to insure delivery of same to Imperial Potentate when he reaches hotel.

Hotel quarters:—

It is suggested that a suite of rooms be assigned for the use of the Imperial Potentate. Certain rooms of same should be kept strictly private for the Imperial Potentate as his personal quarters. Such quarters should be separate and removed from a general parlor or reception room for visitors. The Potentate should assign to the Imperial Potentate, an Aide, who should be in constant attendance and at his disposal during the entire time of his visitation. The arduous duties of the Imperial Potentate are many, and he is apt to be travel-weary. It is suggested that the Potentate arrange personally for the Imperial Potentate's comfort. The Potentate upon arrival at the hotel should immediately acquaint the Imperial Potentate, in writing, with the program of events planned and permit him to express his wishes as to his personal participation. Any program planned should give the Imperial Potentate ample time for whatever privacy he desires. A proffer of stenographic and clerical aid would prove helpful. Long automobile rides should be eliminated in any program of events unless previously planned and approved by the Imperial Potentate. Should the Imperial Potentate's lady accompany him on a visitation, the Potentate should make such arrangements for her comfort and entertainment as deemed necessary.

(Note: When an Imperial Officer is assigned by the Imperial Potentate as his official representative at a meeting and another Imperial Officer of higher rank is also in attendance at the same meeting, the Imperial Potentate's representative is permitted to speak any appropriate remarks he cares to make. Banquet seating, parade order, etc., will follow usual protocol pattern.)

PARADES

Colors:

Singly, or massed Colors should precede the first uniformed marching unit.

(Since our organization has Temples under three National Flags, these three National Flags should head the Color Squad. The National Flag of the Unit itself takes the honor spot at the right and the other two National Flags are to the left.)

TEMPLE PARADES

Order of Automobiles:—

Following the designated Parade Marshal and his Aides, the following order of automobiles is to be observed:

1. Imperial Potentate, or other ranking Imperial Officer present. The Imperial Potentate will ride alone—or may invite any

distinguished male guest who may be in attendance at the function, to be a guest passenger. **ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.**

2. Imperial Officers other than the Imperial Potentate (by rank).
(One officer to a car—no guests.)
3. Past Imperial Potentates (by seniority in rank).
4. Host Temple Potentate and his Divan.
5. Distinguished Guests other than those in groups 1, 2, 3, or 4.
6. Visiting Potentates, Divans, and Past Potentates.

Women, girls, school bands and school drill corps or marching units of any organization not identified with the Shrine are not permitted in Shrine Parades.

IMPERIAL SESSION PARADES

Order of Parade Formation (Day Parade):—

1. Police escort.
2. Parade Marshal and his aides.
3. Colors singly or massed.
4. Director General.
5. Uniformed Units of Host Temple.
(Uniformed Units of other Temples in the State or Shrine Association will take their place elsewhere in the parade formation according to charter date only.)
6. Automobiles of Imperial Officers.
7. Uniformed Units of Imperial Potentate's Temple.
8. Uniformed Units of all Temples, except Host Temple, will form in order of charter date—oldest date first. Night Parade will follow the same formation except that the Uniformed Units of the Temple of the Imperial Potentate-Elect will immediately follow (7) Uniformed Units of the Imperial Potentate's Temple.

RECEPTIONS

Ceremonial or Reception:—

The Potentate should provide suitable transportation from the hotel to the place of the meeting. Upon arrival at the Mosque or building wherein the Ceremonial or Reception is to be held, quarters should be provided for the Imperial Potentate. These quarters if possible should be separate from the general Reception area where it is quiet and away from undue disturbances that the Imperial Potentate may enjoy privacy for discussions, interviews, etc. An aide designated by the Potentate should be constantly at hand. In the event other Imperial Officers or Past Imperial Potentates are present, a similar room should be set aside for their use.

Reception for Ladies:—

At receptions or other functions where only Ladies are present,

the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line:—

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present they should stand with their escorts.

Introduction and Reception of Guests:—

The Imperial Potentate should be made as comfortable as possible and not subjected to a long standing wait for his turn to be received and introduced. The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than the Most Worshipful Grand Master).
3. Past Imperial Potentates (in reverse order of their seniority rank).
4. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
5. Imperial Potentate.

The first order of business shall be the reception of the Grand Master of Masons of the State or Province. In the absence of the Imperial Potentate, the Grand Master shall be received by the ranking Imperial Officer present; if none be present, he will be received by the Potentate of the Host Temple.

Introduction of Imperial Potentate:—

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the

Mystic Shrine for North America, Imperial Sir.....of.....

Temple, (City), (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of.....Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of introducing Imperial Sir....., Imperial Potentate."

The Gavel should be presented to the Imperial Potentate who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate:

Ceremonial or program then proceeds as arranged.

Seating at Banquet:—

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Potentates and their Ladies seated alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place Cards should be provided to expedite seating.

Seating at Ceremonials and Receptions:—

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Potentates are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands:—

In instances requiring a Reviewing Stand same should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Potentates and such other guests as invited by the Imperial Potentate.

The Imperial Potentate receives the Salute of all Temples.

When Temples from an Imperial Officer's state or province pass in review, he receives the Salute of these Temples with the Imperial Potentate.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found on pages 6 to 12 inclusive of the 1966 Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

In accordance with the above, Shrine Association Officers will occupy position No. 5 in "Order of Automobiles," and position No. 2 in "Introduction and Reception of Guests."

DRESS

The Fez:—

The Imperial Council has adopted the Fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such.

It is a Red Turkish Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the Jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk. The Fez is to be worn in its proper shape and without creasing or alteration. It is permissible for Potentates, Past Potentates, Recorders and Divan members, as well as official uniformed organizations, to have their titles embroidered in small letters in gold or silver bullion or silk or jewels on the front of the Fez beneath the emblem.

It is permissible to adorn the name of the Temple and the emblem with rhinestone jewels of a size no larger than that known as #12 by the fez makers. It is permissible to use one pin to hold the tassel in place, said pin to be either plain or jeweled.

The use of any other wording or devices than those mentioned above is prohibited.

The Imperial Potentate wears the regulation Fez with five gold stars on the front near the bottom. Past Imperial Potentates wear five stars on the front of their Fez near the bottom, the outside stars being of silver, the three center ones of gold. Other Imperial Officers wear three gold stars on the front near the bottom.

Shrine Pins:—

The design of Shrine Pins worn by Imperial Officers may incorporate small stars as specified above.

Dress:—

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

ACCEPTED SALUTATIONS, ETC.

The Salaam:—

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates. The Imperial Potentate as well as the Imperial Officers and Past Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations:—

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute:—

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Pledge of Allegiance:—

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

Salute to the Flag:—

A Noble who is wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

Prayer:—

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

Departure of Imperial Potentate:—

The Potentate of the Host Temple should be present at the hotel and at the airport or railroad station when the Imperial Potentate departs. Such other Nobles as he designates should also be in attendance. Aid in securing transportation to the next destination should be proffered to the Imperial Potentate previous to departure. Arrangements should be made beforehand for the handling of all baggage from the hotel to the station.

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Potentates.
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every Temple has exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city, not having a Temple, having a population of not less than 200,000 as determined by the official statement of the State Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) A signed copy of any agreement between Temples affecting or fixing territorial jurisdiction must be filed with the Imperial Recorder.

(c) If the application for the establishment or change of jurisdictional lines is refused by the Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these By-laws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, if it appears for the best interests of the Order to do so.

§ 328.4 Waivers.

(a) A Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.7 Where Temple may hold ceremonials.

(a) A Temple may open, elect candidates and initiate them at any place within its exclusive jurisdiction, but no other business may be transacted at that ceremonial session unless it is held at the location of the Temple.

(b) Where 2 or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the Temple; but upon request of a Temple accompanied by written consent of the other Temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(c) A temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

(d) A Temple may hold a ceremonial session within the jurisdiction of another Temple upon written request and provided it obtains the written consent of the Temples affected within whose jurisdiction such ceremonial session is to be held.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

(b) The petition must be signed by 1,000 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

(c) The dispensation may not be granted in the event that the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, is or would be reduced to less than 3,000 members by the withdrawal of the petitioners for the dispensation.

(d) The Imperial Council may grant a dispensation for a Temple in the Capital City of Canada or in unoccupied territory without regard to the restriction in (c).

(e) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4 (b).

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefore must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

§ 329.3 Action by Imperial Council.

(a) When the application for a dispensation is received by the Imperial Recorder, he must notify the Temples which might reason-

ably be affected at least 30 days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

(d) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter.

§ 329.4 Effect if dispensation is granted.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the Temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.5 Effect if dispensation or charter refused.

If the dispensation or charter is refused:

(a) All Nobles who signed the application are thereby restored

to membership in the Temples of which they were members prior to the dispensation; and

(b) All members of the Temple created therein are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

§ 329.6 Status of Temple under dispensation.

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt By-laws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacancy in office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE 30

Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

§ 330.2 Procedure. Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(b) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(c) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(d) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple in good standing, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15, nor more than 20, days from the date of the selection of the trial committee.

(e) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by some Noble of the Order in good standing, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder, of the mailing by certified mail is prima facie evidence of the service of the notice and charges upon the accused Noble.

(f) It is the duty of the Assistant Rabban or the alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble in good standing. The accused also shall have the right of counsel, provided the counsel is a Noble in good standing.

(g) The accused may file written answer to the charges at least 5 days previous to the time set for the hearing.

(h) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges as above, then the trial committee of 5 shall be chosen by lot. This committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period. A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required.

(i) After the committee has concluded, it shall make a report of its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment in accordance with the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(j) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(k) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(l) Notice of appeal under (j) or (k) must be filed with the Imperial Recorder within 30 days.

(m) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.

(n) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(o) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner. He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ rds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(p) If the member is expelled he cannot be restored but may petition again for membership as if he had never been a member of the Temple.

(q) No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing charges in the first instance, the accused, or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancies with disinterested Nobles.

(r) Unless a Noble is disqualified under the provisions of (q), or excused by the Potentate, he is subject to discipline for refusing to serve upon the committees.

(s) In the event the Potentate is disqualified under (q), or for good cause disqualifies himself, the Chief Rabban acts in his stead in the appointment of the committees herein provided.

(t) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(u) The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(v) The report of the trial committee must be signed by the chairman who shall certify as to the numbers voting for or against the findings and the fixing of punishment, if any.

(w) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(x) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(y) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

EXPENSE — DETAIL

The following subsidiary breakdown of the Expense Accounts is not necessary unless the Temple desires to keep such a breakdown. Many Temples will want to divide these accounts in a different manner than is shown in the Chart of Accounts. There is no objection to that if they maintain the general captions. For example—600 Imperial Council, 601 Administrative, etc.

Breaking down the expenses as follows is very desirable in having readily available the actual costs of a specific item.

This includes the cost of purchase, construction, or other carrying value of the Mosque Building only, and any subsequent improvement should be charged here. Please bear in mind that if you have an ownership in a building with other organizations as evidenced by stock this should be carried in Account 130.

ACCOUNT 131: OTHER BUILDINGS

This includes the cost of purchase, construction, or other carrying value of all other buildings owned by the Temple, including Shrine Club buildings, if paid for by the Temple, or acquired by gift.

ACCOUNT 132: FURNITURE & EQUIPMENT

ACCOUNT 200: ACCOUNTS PAYABLE—IMPERIAL COUNCIL HOSPITAL LEVY

On January 1st of each year, every Temple pays to the Imperial Council \$5.00 for members on the roll December 31st, preceding, who are not permanent members of the hospital. This account is charged at the time the payment is made to the Imperial Recorder. If the cash basis of accounting is followed, then dues are collected. The \$5.00 for the hospital is credited to this account, and the account is charged when payment is made to the Imperial Recorder. As new members are created during the year the same procedure as is used at the beginning of the year should be followed, that is, charge dues receivable and credit Account 200 for the hospital levy, and credit Account 200-A for per capita due the Imperial Council. Accounts 200 and 200-A are charged as remittances are made to the Imperial Recorder. If the member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 200-A: ACCOUNTS PAYABLE—IMPERIAL COUNCIL

On January 1st, each Temple owes sixty cents per capita dues to the Imperial Council for all members on the roll at December 31st, preceding. This account is charged at the time of the payment to the Imperial Recorder. Under the cash receipts basis of accounting, the dues are collected and sixty cents thereof credited to this account. For Temple Life Members, past Potentates, and delinquent members, a charge is made to Account 600, and a credit is made to this account at the end of the year to clear up the charges set up at the beginning of the year. All amounts due the Imperial Council are to be carried in this account. Unpaid balances of the installment option on Hospital Levy and the per capita dues would be carried here until paid. The same procedure as outlined under Account 110 and under the caption just preceding should be followed under 200-A.

ACCOUNT 207: DEFERRED REVENUE

This account will be credited for income received before it is due, from sources other than dues or initiation fees. The credits thus received will be closed out to the appropriate income account at the beginning of the next year. Items which might fall into this account are Temple Magazine advertising and rental income.

ACCOUNT 208: P.C.M. AND V.P.S.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated above by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 10th day of the 10th month, Shauwal, 1386 (marked 113 in red) is the 21st day of January, 1967 (also marked 113 in red).

What day in the Mohammedan year is May 21, 1967?

Finding May 21, 1967 in the Gregorian calendar it is found to be marked 233 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 12th day of the 2nd month, Safar, 1387.

AFTERNOON SESSION

TUESDAY, JULY 5, 1966

Two O'Clock P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California, on July 5, 1966, at 2:00 P.M., Imperial Potentate Barney W Collins presiding.

IMPERIAL POTENTATE COLLINS: We will now hear the Study Committee report from Past Imperial Potentate George Klepper.

NOBLE GEORGE M. KLEPPER: Imperial Sir, Imperial Sirs, Representatives and Nobles. This report covers the work of the Study Committee and each of you has received a copy of our report. (Reading)

In July of 1965, a Feasibility Committee was appointed to study the operating policies of our Hospitals. Judge Warren Jones, the Chairman of this Committee, reported at the meeting of the Board in San Diego, California on October 10, 1965 and recommended the appointment of the present Study Committee. This Committee began its work with a meeting in Chicago, Illinois on December 3rd to 5th, 1965, and has held several meetings since.

The Study Committee set out to make a complete analysis of our Hospitals by having one or two members visit more of our Orthopedic Units, and conduct interviews by using a prepared questionnaire covering all phases of our Hospital operations. The information thus obtained was then compared and consolidated.

The Committee also wanted to study the State and Federal programs for crippled children, and a questionnaire was prepared and sent to the Welfare Department of each state, asking for information and cooperation. All of the states, with the exception of one, reported. A few did not give full details, but the reports of all others were then compared and consolidated.

The Committee considered it wise to review and compare the operating programs of all children's hospitals in the states. A questionnaire was prepared and sent to 113 Children's Hospitals, most of which do some orthopedic work. Eighty six hospitals replied to this questionnaire and these were carefully studied and analyzed. In order to see if there was a definite trend of diminishing numbers of crippled children treated in

recent years, the children's hospitals were asked to report and comment on the numbers of orthopedic patients admitted and any changes they had made in their requirements for admission. Several crippled children's hospitals other than those of the Shrine were visited, and many more were contacted by mail. The information thus obtained, together with other data, is included in the full report of the Study Committee, which is available to all.

In our study of state and federal programs, we find that the United States is divided into 8 regions, each of which has approximately 6 states in its jurisdiction. Each state uses the Capital City as its headquarters, and is divided into Districts in which the programs are directed from an office in a designated city, centrally located in the District. (This plan is graphically illustrated in the brochure.)

The State of Louisiana, for example, has 8 districts; it employs 98 physicians, holding 55 clinics per month; they treated 10,973 patients in 1963, of which number 650 were in hospitals. Under this program the Public Health Nurses look out for, and discover patients with congenital deformities as reported at birth and later find others in their school visits. In the reports made by the states we found that in 1965, 33 states had 804 orthopedic surgeons working in their programs, and 7,974 clinics were held by them. We estimate that in the 50 states, approximately 1,400 orthopedic surgeons are assisting in the state programs for crippled children.

In our study of Children's Hospitals, we found that in the past 20 years most of those that respond to our questionnaire, have allocated fewer beds to orthopedics, and many of them have broadened their base of operation by offering full medical care to children, and by increasing the age limit to 21 years. We can find in operation only 3 orthopedic hospitals other than the Shrine Hospitals that treat only orthopedically crippled children.

Furthermore, the study of all children's hospitals indicated that many crippling diseases of children had been eliminated or greatly curtailed. Polio which at one time accounted for approximately 35% of our patients, has been greatly reduced by the use of Salk vaccine and Osteomyelitis and Tuberculosis of the bone, which together accounted for about 15% of our patients, have been controlled by antibiotics. Therefore, the number of patients coming to us with these ailments has been greatly reduced during the past 20 years.

Your Committee in making a study of the state program and the provisions of the Medicare Bill passed in July, 1965, find that under the Medicare Bill the Federal Government will increase its spending in all phases of this program for the aid and assistance to crippled children from \$35,000,000.00 in 1964 to \$187,500,000.00 in 1970. Coupled with the participation by the states in this program by 1970 there will be over \$360,000,000.00 to spend in the treatment and care of crippled children.

We find that in our Hospital at Winnipeg, Canada, where Medicare has been in operation since 1962, we have few on our waiting list and many empty beds. Many of the patients have been sent from the states to keep the hospital in operation.

Our Hospital in Montreal came under full Medicare April 1, 1966, and the effects of this have not as yet been determined.

The Study Committee finds these general problems:

(1) Under the new stepped up program of Medicare, the Federal and State Agencies, will offer great competition.

(2) There are no longer any truly indigent crippled children because all of them can now be treated on the Governmental programs, and have all expenses paid by the state agencies. Thus, the very reason for the establishment of Shriners Hospitals has been eliminated.

(3) There is insurance coverage for part or all of the medical expenses of 79% of the families in this country and that includes care for their children.

(4) There were approximately 150 registered Orthopedic Doctors in 1922, today there are over 4,000 with a yearly increase of approximately 450. We have only 72 in our system and of this number approximately 45 are also connected with the State and Federal programs. The State and Federal programs employ approximately 1,400 orthopedic surgeons.

(5) Children now can secure treatment at or near their homes, and do not have to be separated from their families by great distances. Only 40% of our patients come from the cities and counties in which our hospitals are located.

Conclusions: —

Despite the major problems we have found in the operational plans and policies of our 17 crippled children's hospitals, the Study Committee is fully convinced that all of them can be solved. Not only can they be solved, but in providing changes and adaptations to meet present and future political and economic trends, it is apparent that the scope of our services to crippled children can be greatly broadened. It should be possible for the Shrine to provide superior care to a greatly increased number of cripples, improve its programs for teaching and research and thus add to the splendid image of the Shriners great charity. The Study Committee is certain that a splendid future for our crippled children's hospitals is assured, but only if we undertake some major changes in the rules and regulations governing the conduct of our hospitals, changes that will have far-reaching effects upon the selection of patients to be treated, the staffs of the physicians and surgeons who care for them, the layout and equipment of our hospitals and many other aspects of our work. Such changes will require utmost care and consideration, and, therefore, must have further study for some months to come. During the time required for this further study, it would obviously be unwise to invest funds in new hospitals or expansion of our present institutions.

Following are some of the ideas we will continue to research:

(1) Staffing and equipping some of our hospitals to treat cleft palates, spina bifida and plastic surgery including that for reconstruction following burns.

(2) Treatment of some orthopedic ailments that are excluded under present regulations.

(3) Development of Temple programs to recruit more patients.

(4) Underwriting of part of the transportation costs for patients.

(5) Treatment of any or all crippled children of Shriners.

(6) Review and reduce the restrictions on financial status of patients.

(7) Arrange affiliation for some of our units with medical schools to promote more teaching and research.

(8) Provide some units with research facilities in special fields.

(9) Study the acceptance of insurance payments to apply on the cost of services rendered.

(10) Study ways and means for some of our units to cooperate with the state program for crippled children.

(11) Study the possibilities for establishment of open staffs in some of our units.

In closing, this report comes as a timely warning that our field of endeavor in our work with crippled children is changing, and to maintain the excellence of our work and keep the high standards that we have established, we must be prepared to adjust our hospitals to these changing times.

Nobles and Representatives, that has been joined in by all members of the Committee and our Committee consists of Dr. Guy Caldwell, Past Imperial Potentate Marshall Porter, Imperial Sir Victor Thornton, Elmer Bromley and myself. It does not require a vote. This is just a progress report and I think one of our Past Imperial Potentates also wants to be heard on this matter.

IMPERIAL POTENTATE COLLINS: Past Imperial Potentate Harvey Beffa has the floor. Harvey Beffa.

NOBLE HARVEY A. BEFFA: Imperial Sir, Imperial Sirs and members of this Imperial Council I am sure that you all recall, and I trust that you have read the report that was forwarded to you by the Study Committee. Imperial Sir Klepper gave you a consolidation of this report. I think we owe a great deal of thanks and deep appreciation to Noble Klepper and his Committee for their dedication of service has gone quite in depth with the world's greatest philanthropy.

It might appear to many of you after reading this report that this may be a pessimistic one. My reason for coming before you is to dispel a pessimistic view that you may have. In all business and operations thereof it is necessary to take a true evaluation of our situation. This was done in this case. Four years ago we expanded our services because we felt the need. This was a decision well made. We are on our way now to making progress. We find by the study of this Committee, by the change of times, by conditions of the world, that we need to take a good hard look at probable expansion or readjustment of our service as so stated by the Committee.

Again may I say these few words to you that the very foundation of the world's greatest philanthropy contains a stability that it does today, did yesterday and will tomorrow. The great image that the Shrine has made to the world is just as stable and with the brains and wisdom that are contained in the men that are charged with the responsibility of implementing this world's greatest philanthropy I am sure wisdom will come from those minds to appropriately readjust and carry on the standard of excellence that has been ours to build on that strong foundation that is ours, a great superstructure that will lead certainly to the heights of the heavens for the good of humanity. So do not leave this auditorium with any thought other than a positive attitude that the world's greatest philanthropy will continue to greater heights and may God bless all of our efforts. Thank you. (Applause)

IMPERIAL POTENTATE COLLINS: Thank you, Harvey Beffa, for those very inspiring words.

(Business was transacted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE COLLINS: You are now recessed.

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at 4:50 P.M.)

MORNING SESSION

Thursday, July 7, 1966

Nine O'Clock A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California, on July 7, 1966, at 9:00 A.M., Imperial Potentate Barney W. Collins presiding.

IMPERIAL POTENTATE COLLINS: I recognize the Chairman of the Jurisprudence and Laws Committee for the Colorado Corporation for the continuation of our legislation.

NOBLE ROBERT H. FOUKE: Imperial Sir, Imperial Sirs, Representatives and Nobles. We will now proceed with presentation of the resolutions for the Colorado Corporation. They will be presented by members of this Committee. Incidentally, we have five former judges on this Committee so I think you will rest assured that they are in capable hands. So at this time I am going to ask that Noble George Foster present the first resolution to you. These are the reports of the Committee and then a motion will follow for their adoption.

NOBLE GEORGE C. FOSTER: Imperial Sir, Imperial Sirs, Representatives. This is an opinion of the Jurisprudence and Laws Committee of the Colorado Corporation. (Reading)

An opinion was requested as to the procedure for filling a vacancy resulting from the death of the Treasurer of the Colorado Corporation.

OPINION NO. 1

January 22, 1966

In the event of a vacancy in the Corporate Offices of the Colorado Corporation, the Imperial Potentate with the consent of the majority of the Board of Directors may appoint a member of the Colorado Corporation to fill the vacancy.

An opinion was requested as to the qualification of a duly appointed member of the Jurisprudence and Laws Committee of the Colorado Corporation who was not re-elected as a Representative.

OPINION NO. 2

July 2, 1966

The By-Laws of the Colorado Corporation do not require a member of the Jurisprudence and Laws Committee to be a representative to the Imperial Council but not only that he be a member of the Colorado Corporation.

So long, therefore, as the Noble remains a member of the Corporation and is not replaced by appointment of the Chairman of the Board of Directors, he will remain a member of the Committee and no vacancy exists.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS
(Colorado)

Robert H. Fouke, *Chairman*
George Wm. Sullivan
George C. Foster
Warren L. Jones
Ford Q. Elvidge
Herbert T. White

I move that these opinions and the decisions of the Imperial Potentate pursuant thereto be ratified. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion and second. Any discussion? All those in favor hold up their right hand. Those opposed by the same sign. So carried.

I now recognize the Jurisprudence and Laws Committee of the Colorado Corporation for a further legislative report.

NOBLE GEORGE C. FOSTER: Imperial Sir and Imperial Sirs, Representatives. (Reading)
To the Shriners Hospitals for Crippled Children

There has been referred to your Committee on Jurisprudence and Laws a proposed resolution to amend Article 3 of the By-Laws of the Colorado Corporation by adding the new section known as Section 503.5 relating to memorializing of individuals which, if adopted, will read as follows:

ARTICLE 3

"§ 503.5 *Memorializing of Individuals Prohibited* The use of the individual name of any person living or dead on or about any building owned by this corporation or any of its affiliated corporations for the purpose of memorializing such individual, or his connection or assistance with the construction, establishment or operation of any such building is prohibited."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert H. Fouke, *Chairman*
Warren L. Jones, *Vice Chairman*
George W. Sullivan
George C. Foster
Ford Q. Elvidge
Herbert T. White

In order to bring this resolution before the Council I move its adoption. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Moved and seconded. It requires a two-thirds vote. Is there any discussion? It is very simple, just don't put the name of any Shriner, living or dead, on cornerstones and monuments. We represent 840,000 men and why should one man have his name singled out. Ready for the question? All those in favor hold up their right hand. Those opposed. It is unanimous. (Applause)

I recognize Judge Herbert White.

NOBLE HERBERT T. WHITE: Imperial Sir, Imperial Sirs, members of this Imperial Council. This is a report of the Committee on Jurisprudence and Laws for the Colorado Corporation. (Reading)

To the Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws a proposed Resolution to amend Section 508.8 of the By-Laws of the Colorado Corporation, relating to Trustees Emeriti, which will read, if adopted, as follows:

"§508.8 *Trustee Emeritus*. Except as to those serving as a Trustee on July 1, 1964, a member shall not be eligible for election who has passed his 72nd birthday. A Noble shall not be eligible for appointment to fill a vacancy in the Board of Trustees, resulting from death, resignation, or otherwise, who has passed his 72nd birthday. A Trustee who is retired by reason of his age shall be elevated to the position of Trustee Emeritus. A Trustee Emeritus receives all notices of meetings and may participate in discussions, but he may not vote."

The Committee report that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert H. Fouke, *Chairman*

Warren L. Jones, *Vice-Chairman*
 Ford Q. Elvidge
 Herbert T. White
 George W. Sullivan
 George C. Foster

I might point out that this only changes the present law which is silent as to what may happen when a vacancy occurs by death, resignation or otherwise. In order to get this before this assembly I move, Imperial Sir, the adoption of the report and the approval of the By-law change. (Motion seconded)

IMPERIAL POTENTATE COLLINS: This requires a two-thirds vote, gentlemen. It has been moved and seconded. It is before the floor for discussion. Ready for the question? All those in favor signify by raising the right hand. Hold them high, gentlemen. Those opposed. I declare it unanimous.

NOBLE HERBERT T. WHITE: Thank you, Imperial Sir.

Now we have another one, Imperial Sir, Imperial Officers and members of this Imperial Council, further report of the Jurisprudence and Laws Committee for the Colorado Corporation. (Reading)

To the Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws a proposed Resolution to amend Section 505.7 of the By-Laws of the Colorado Corporation, relating to a Quorum, to read, if adopted, as follows:

"§505.7 Quorum. A quorum consists of 150 members, 85 of whom must be from different Temples."

I might say right there that this is a change from the present law which provides for 100 members from 75 Temples. (Continued reading)

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert H. Fouke, *Chairman*
 Warren L. Jones, *Vice Chairman*
 Ford Q. Elvidge
 Herbert T. White
 George W. Sullivan
 George C. Foster

Imperial Sir, to bring this before this Council I move the adoption of the report and the approval of the proposed By-law change.

IMPERIAL POTENTATE COLLINS: Do I hear a second? Motion seconded. Moved and seconded. This also requires a two-thirds vote. The floor is open for discussion.

VOICES: Question! Question!

IMPERIAL POTENTATE COLLINS: You have asked for the question. Those in favor signify by holding up your right hand. Those opposed the same sign. I declare it unanimous.

Judge Ford Elvidge for the Colorado Corporation.

NOBLE FORD Q. ELVIDGE: Imperial Sir, Imperial Sirs and fellow Representatives. This is a report from the Committee on Jurisprudence and Laws of the Colorado

Corporation. I might say preliminary that the purpose of this amendment which will be proposed is to bring the law of the Colorado Corporation in line with the law of the Iowa Corporation. (Reading)

To the Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws a proposed Resolution to amend Section 508.2 of the By-Laws of the Colorado Corporation, relating to the election of Trustees, which, if adopted, will read as follows:

"§508.2 Election and Term. The Imperial Potentate, Deputy Imperial Potentate, Imperial Chief Rabban, Imperial Treasurer and Junior Past Imperial Potentate, shall be members of the Board of Trustees and shall be elected at annual meetings for a term of one year. The other 10 members shall be elected at annual meetings for terms of three years; 4 shall be elected every third year and 3 shall be elected in each of the intervening years; provided however; at the 1966 annual meeting 5 members shall be elected, 3 for 3 years, 1 for 2 years and 1 for 1 year."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

Imperial Sir, in order to bring this matter before the body I respectfully move that the report be adopted and the amendment be adopted.

IMPERIAL POTENTATE COLLINS: Do I hear a second? (Motion seconded)

We have a motion and second. It is open for discussion. I recognize Past Imperial Potentate George Mattison.

NOBLE GEORGE A. MATTISON, JR.: Imperial Sir, Imperial Sirs, all I would like to know is would you please state the change and the present form occasioned by this resolution, what is the change?

NOBLE ROBERT H. FOUKE: It would be necessary, George, to read the particular provision here because there is the other language set forth here. The present Section 508.2 on Election and Term. (Reading)

The Imperial Potentate, Deputy Imperial Potentate, Imperial Chief Rabban, Imperial Treasurer and Junior Past Imperial Potentate, shall be members of the Board of Trustees, and shall be elected for a term of one year. The other 7 members shall be elected for terms of 3 years; 3 shall be elected every third year and 2 shall be elected in each of the intervening years. All shall be elected at annual meetings.

This particular measure as it has been presented to you, so you will be able to interpret it, is on 508.2, Election and Term. The Imperial Potentate, Deputy Imperial Potentate, Imperial Chief Rabban —

NOBLE GEORGE A. MATTISON, JR.: This increases the number of Trustees, does it not? How many Trustees do we have now and how many after this is in effect?

NOBLE ROBERT H. FOUKE: I would like to call on the Chairman of the Colorado Corporation Board of Trustees for that information.

IMPERIAL POTENTATE COLLINS: It doesn't change.

NOBLE ROBERT H. FOUKE: According to the information received it does not change the number. This was one of these measures prepared by the Special Committee and presented at the last meeting in Washington, D. C., and this is a carryover of this legislation. If I may at this time ask Deputy Imperial Potentate Orville Rush to explain this, perhaps he can furnish the information.

NOBLE GEORGE A. MATTISON, JR.: Imperial Sir, I merely used the arithmetic in the language of the man who presented this resolution. In the new he said five the first year, three the second year and two the third year. I think you have run from seven to ten. Now this does not refer to the Imperial Officers. They are as is and should be here.

NOBLE ROBERT H. FOUKE: This provision, "the other ten members shall be elected at annual meetings for terms of three years; four shall be elected every third year and three shall be elected in each of the intervening years; provided however; at the 1966 annual meeting five members shall be elected, three for three years, one for two years and one for one year."

NOBLE GEORGE A. MATTISON, JR.: We have ten members of the Board of Trustees other than those from the Imperial Divan.

IMPERIAL POTENTATE COLLINS: I believe you are right and we are not going to proceed with this until we have possession of all the facts.

NOBLE GEORGE A. MATTISON, JR.: I move it be tabled. (Motion seconded)

IMPERIAL POTENTATE COLLINS: We have a motion to table which takes precedence over the motion on the floor but it seems to me we should call on Orville Rush.

NOBLE LOUIS CHACKES: No debate.

NOBLE J. Y. JORDAN, JR.: Call for the question.

IMPERIAL POTENTATE COLLINS: Your wishes will be obeyed. We have a motion to table which permits no debate. We will now vote on the motion to table, right?

VOICES: Right! Right!

IMPERIAL POTENTATE COLLINS: This takes a majority, correct?

NOBLE ROBERT H. FOUKE: That is all.

IMPERIAL POTENTATE COLLINS: All those in favor that we table this motion hold up your right hand. Hold them high now, gentlemen. Now those against the motion hold up your right hand. The motion will be tabled.

Noble Sullivan of Medinah Temple. Give your attention to Noble Sullivan, please.

NOBLE GEORGE W. SULLIVAN: Imperial Sir, Imperial Sirs, fellow Representatives. This is a report from the Committee on Jurisprudence and Laws of the Colorado Corporation. (Reading)

To the Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws a proposed Resolution to amend Sub-section (a) of Section 504.1 of the By-Laws of the Colorado Corporation, relating to the Membership of the Corporation, to read, if adopted, as follows:

"§504.1(a) The members of this corporation are its present members, its officers, and other Nobles elected to membership at the meetings of this corporation."

I may explain that the only change proposed by this amendment is to make it possible to elect members at other than annual meetings. (Continued reading)

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert H. Fouke, *Chairman*
Warren L. Jones, *Vice Chairman*
Ford Q. Elvidge
Herbert T. White
George W. Sullivan
George C. Foster

It is signed by all members of the Committee present and to get the matter before the Assembly, Imperial Sir, I move approval of the report and adoption of the resolution.

IMPERIAL POTENTATE COLLINS: You have heard the motion. Is there a second? (Motion seconded) Is there any discussion?

NOBLE GORDON GRIFFIN, JR.: Why? What reason?

IMPERIAL POTENTATE COLLINS: Will you please come up to the microphone.

NOBLE GORDON GRIFFIN, JR.: I would simply like to know the reason for this amendment why we should elect these people at other than annual meetings.

IMPERIAL POTENTATE COLLINS: That is a good question and your privilege to have it answered. Stan Garrity will be asked to explain the reason after which we will recognize Judge Jordan.

NOBLE STANLEY GARRITY: Imperial Sir and members of the Colorado Corporation. This amendment was one of a group of amendments that was proposed by the Special Committee appointed after the adoption of the book that we now operate under and it was to meet an objection by my good friend Lou Chackes. He made the point quite accurately that because of the manner in which membership in the Colorado Corporation is affected by the law of the land that it would be possible to have a special meeting at which many people who were then Representatives could not vote because they were not members of the corporation. The procedure is at the beginning of every meeting that is held of the Colorado Corporation they immediately pass a resolution to elect all of the Representatives registered — and you did it here at this meeting — as members of the Colorado Corporation.

Now imagine that we had a special meeting say in February. The Representatives, many of them having been elected in January, would not be able to be elected members of the Colorado Corporation if the meeting was held in February because it was not an annual meeting. So the purpose of this is simply to take out the word "annual" and that is all it does. There is nothing wrong with it. It complies with the law of the land and your Committee has recommended it.

NOBLE LOUIS CHACKES: Imperial Sir.

IMPERIAL POTENTATE COLLINS: Excuse me, I believe that Judge Jordan has precedence after which I will be delighted to recognize Lou Chackes.

NOBLE J. Y. JORDAN, JR.: Imperial Sir, I merely rose for a point of information and I believe I am satisfied with the answer from Stan Garrity.

IMPERIAL POTENTATE COLLINS: Thank you. Now, Lou Chackes.

NOBLE LOUIS CHACKES: May I say this began a few years ago when we opened up by saying that all the members of the Iowa Corporation were elected to the Colorado Corporation and I then wanted to know who was voting for it because many of us were here for the first time and could not be members of it. Now the one we have here refers only to special meetings, not meetings of the Board of Trustees?

NOBLE STANLEY GARRITY: That is correct, special meetings for the entire membership.

NOBLE LOUIS CHACKES: I am sure that is what you said and I wanted to hear you say it again so it is correct and we have it in there.

IMPERIAL POTENTATE COLLINS: Any further discussion? Ready for the question? All those in favor of the question hold up your right hand. Those opposed by the same sign. Carried unanimously.

NOBLE ROBERT H. FOUKE: Imperial Sir, that completes the matters reported to your Committee on Jurisprudence and Laws in the Colorado Corporation. (Applause)

(Business was transacted in the Iowa Corporation at this time.)

NOBLE ROBERT H. FOUKE: Imperial Sir and Representatives. In order to clarify the matter of the proposal that was to increase the number of Trustees from seven to ten I refer those of you who may be interested in the matter to page 43 of the proceedings of the Colorado Corporation for the Session in Washington last year at which time this resolution was proposed by Past Imperial Potentate Harold C. Close. It was not one of the matters that came before the Committee of Imperial Sir Orville Rush. In that respect the statement was made that this matter would be withdrawn but would again be brought up. In that connection it was presented with the file to the Colorado Corporation which explains why in error it was present before you for action. You have taken the appropriate action by tabling it so that will end the matter.

NOBLE GEORGE A. MATTISON, JR.: I heard what he said but I didn't understand it. It was tabled today?

NOBLE ROBERT H. FOUKE: Yes.

IMPERIAL POTENTATE COLLINS: We are recessed until one-thirty.

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at 12:00 Noon.)

IMPERIAL POTENTATE COLLINS: Any discussion?

NOBLE WILLIAM H. WOODFIELD, JR.: Now, Imperial Sir, nominations now become open for members of the Board of Directors for Shriners Hospitals.

NOBLE GEORGE M. SAUNDERS: Not yet.

IMPERIAL POTENTATE COLLINS: Gentlemen, the election that we are now going to propose is routine and it covers the position of those who by virtue of their offices automatically become, I won't say automatically, have always been elected to these positions and I am now going to turn the microphone over to our Imperial Recorder George Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, and members of the Imperial Divan, Representatives. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion. It has been seconded. Is there any discussion? All those in favor signify by raising the right hand. Those opposed by the same sign. So carried.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, I would move that the following persons be nominated and elected to serve as Officers of the corporation: Orville F. Rush, Chairman of the Board; Harold Lloyd, President; Thomas F. Seay, First Vice-President; Chester A. Hogan, Second Vice-President; Thomas W. Melham, Treasurer; George M. Saunders, Secretary; J. Worth Baker, Assistant Secretary.

IMPERIAL POTENTATE COLLINS: Is there a second? (Motion seconded) Discussion? Those in favor signify by the right hand. Those opposed by the same sign. So carried.

We are now ready for the report from Walter Guy on Wills, Bequests and Gifts. Incidentally this is probably one of the most interesting and vital reports that we

have in the entire Imperial Council and I do wish you would give Walter Guy your undivided attention, please.

NOBLE WALTER C. GUY: Imperial Sir and Nobles. This is the longest I have remained silent in a long time. Commenting on that was a friend of mine when I told him I had no trouble in thinking on my feet but I didn't know what to do with my hands he said, "Put them over your mouth." (Laughter)

I hail from a little city down here called Little Rock. We have had in recent years considerable publicity. I traveled over the North American continent in the Shrine year 1955-56 doing my best to overcome some of the erroneous ideas of my fellow citizens and then in 1957 we became the occupied city. Then during this Session Little Rock became known as quite a printing center. (Laughter) But as our Imperial Potentate explained to you this work was not done by the organization with which your speaker was for some thirty-five years associated. That is the only thing I resent about the whole deal, we didn't get any of the money. (Laughter)

Then we have another hurdle down there common to many of you folks. We have an old decrepit Recorder by the name of Quinn Glover. (Laughter) Now I was out with Quinn the other evening and his wife Nellie said to him, "Do you remember, Quinn, how you used to kiss me with enthusiasm?" He said, "Yes, I do," and he went over and kissed her. She said, "Do you remember how you hustled me and hugged me late in the evening?" He said, "Yes, I do." She said, "Do you remember how you used to kind of bite me on the back of my neck?" And old Quinn got up and started out of the room. She said, "Did I hurt your feelings?" He said, "No, I was just going after my teeth." (Laughter) I hope that takes care of you, Quinn, for the nasty crack you made at the Recorders Association.

Who are we? Who are we? They call us Nobles of the Mystic Shrine and according to Webster's dictionary a Noble is defined as a peer, a man of eminence, a man characterized by good deeds and acts, a man of dignity and exalted rank.

Who are we? We are apostles of good cheer and the creators of a spirit of mirth, and how essential such an element today is in this sordid old world when your and my ears are dimmed and our eyes are blurred by the struggles for power going on around us. I cannot help but recall some of our teachings. I am told that the poorest occupation of humanity is to labor to make men think the less of each other and that we have been inculcated with the fact that we should labor to make men think the better of his neighbor, to quiet rather than aggravate differences, to bring together those severed or estranged.

Who are we? We are the advocates of a great charity. Now I am not trying to paint, Nobles, I am not trying to paint a picture of us being saints. Yes, we did pioneer the orthopedic treatment for children. Now we are pioneering another phase of such programs dealing with children.

I got on one of our local buses the other day, and they have some new ones in the city and I wanted to ride on one. I heard one lady say something about the male sex, somewhat derogatory, but she said, "They are the best opposite sex we have got and we are going to have to put up with them." So I repeat, I don't want to attempt to maintain that we are just a group of saints, for we are not.

Whither are we turning? In past years you have seen some 5,000 children enter the doors of our hospitals, that number being so decreased recently because of factors that we will comment on in a moment. Whither do we journey? We have journeyed to the highest plateau of any fraternal organization, of any civic organization, and we are still there at the present time. Name, if you will, an organization that has reached that pinnacle as has Shrinedom.

I refer to the fact that we are changing our emphasis. I offered this suggestion the other day in a meeting that in my business in previous years we frequently had a product that because of evolution it became necessary to de-emphasize and new products were showing up, new models, and we should pick up positively and emphasize on the burns program. I had a motive in that. Here we are with three Burns Institutes, each costing \$3½ million, with a budget in one case, possibly two and it will be in all three, a budget of \$1½ million annually, where we are handling the treatment, the research and teaching of the latest methods in the handling of burn cases. But in those three hospitals there are but 90 beds and we are told that annually there are some 4,000 burned children. Thus you can see what probably the trend will be as far as expansion of that work is concerned. We possibly are equipping ourselves today with facilities to take care of 10, not to exceed 20, per cent of the cases. At present, as I understand it, Medicare does not provide the breadth of care for burn cases, much less the specialized training and treatment that is necessary.

So I anticipate that we will find as we go down the few years just ahead of us that there will be pressure placed on you and me for more Burns Institutes and I see no objection to it.

There came to my hands a beautiful brochure from one of the sections of the United States not now favored with one of our Burns Institutes, a beautiful presentation. Think with me for a few moments the location of our present Burns Institutes, Galveston, Cincinnati and Boston. What will be the trend as to the location of future Institutes?

What are our responsibilities? We have committed ourselves to a program, and I was just a little bit proud of the action taken by your Board of Trustees and Board of Directors last week when they said we have made a commitment to the Nobility and the interested officials of the hospitals in Erie, Pennsylvania, and Houston, Texas, and although contrary to the practical, some of the practical aspects, nevertheless as Masons and Shriners they saw fit to finalize the transfer of those two hospitals to our chain. So instead of having 17 orthopedic hospitals today you have 19, along with the three Burns Institutes.

We cannot falter, fellows. We must not falter.

What does it cost? In 1963 our operating costs were \$8,900,000. In 1964 they were \$10 million. In 1965 they were \$12 million. In the past five years your costs have gone up 114 per cent. Your income has gone up 21 per cent. I ask you as businessmen to apply those figures to your own business and ascertain what would you do under those circumstances. I noticed just this past year our income went up 1.4 per cent. Our operating costs went up 6 per cent, 6 plus. I observed your Board adopting a budget in excess of \$28 million. You say we don't need more money?

Along with the two new units you are just completing a new hospital in Honolulu, a new one in Mexico City. You broke ground here in San Francisco for a unit to replace an obsolete one. You are adding two additional units. They say we don't need more money?

Where does this money come from to take care of such terrific expense? 8½ per cent comes from your and my \$5 assessment, 8½ per cent of your income. 11½ per cent comes from Temple contributions as a result of football games, circuses, and so fourth. 26½ per cent comes from the income from investments and securities which were apart from previous wills, bequests and gifts. And 64½ per cent of your principal income comes from this one source, wills, bequests and gifts.

In 1965 there were recorded in the Central Office in process of probate 993 wills. In 1964 there were but 850 wills. That is a 17 per cent increase. That sounds good,

doesn't it? If I were to tell you the actual dollars involved you would say, "Well, we are getting along all right, let's let it alone."

But let's analyze it further. We find that two of our States in this great Union of ours with one Temple each didn't produce a single will or bequest reported in the Central Office. We found that six States with 24 Temples produced but one will apiece. 24 Temples, six States, produced six wills. Six States with 16 Temples produced two wills each or a total of 12.

Now let's summarize that. We find that 14 States, which is 28 percent of the 50 States in the Union, with 42 Temples, 25 per cent of all your Temples, 168, produced 1.8 per cent of the wills. Is that fair? In 1966 through the first six months of this calendar year there were seven States with 15 Temples that do not have a single will recorded in Central Office to your credit.

Now there is a feeling that possibly it is too late to get started on this program. I am happy to tell you that our Legal Department has given us the dates of all the wills recorded in the Central Office in 1965 and it shows that 8 per cent of all of the wills, 993 in number, were dated in 1965. They were made or a codicil added to it in the year 1965. 17½ per cent were dated in 1964, 17½ per cent in 1963 and 28 per cent in the years 1960-62. That is a total of 71 per cent of your total wills have been dated in 1960, 1961, 1962, 1963, 1964, 1965, and for 1966 wills 74 per cent have been dated in that same period of time. Hence, it is not too late to pick up your share of this burden.

Let me tell you a little human interest story of a little State to the east of us here, Arizona. In 1964 one of the officials of that then the lone Temple in the State, El Zaribah, wrote us that he was accepting the responsibility for serving as Temple Chairman and had searched the records and found no active evidence of activity in his Temple whatsoever in behalf of wills, bequests and gifts. He went to work. In 1965 Arizona was credited with five wills and in the first six months of this year four additional wills have been recorded in the Central Office.

Now our chief problem is money and this is where you come in. There is a common opinion, and it was discussed on this platform Tuesday, that the Shrine is loaded with money. How far wrong that is. I am coming over to Memphis, John, and straighten this out with you. Where are you, John?

NOBLE JOHN B. VESEY: I am here.

NOBLE WALTER C. GUY: All right, John, I am coming over to straighten that out with you.

I can't blame John Vesey. I can't blame a lot of you for having that same feeling that the hospitals do not need the money. Let me admit my guilt. I traveled all over North America in 1955 and 1956 and told every Divan with which I met, "Siphon this money into your own treasury. You need it more than your hospitals need it." And that was correct at that time. It is an entirely different picture today and I must be flexible enough to recognize it.

Our Imperial Potentate of last year told us in Washington the Shrine has plenty of money in connection with his program for the Erie and Arabia Temple Hospitals. That was an honest mistake on his part in his enthusiasm to correct some situations that he was endeavoring to correct but nevertheless it has its effect on you and me as listeners to such discussions. So I would like with all the power and strength of which I am capable to disabuse your minds that the Shrine is loaded with money. It is not.

Secondly, our second hurdle, Temple Officers, is this, the lack of information reaching you, a lack of knowledge of the breadth, scope, need, cost, income, and so forth of the program. To that end we have set up 21 Regional Directors for Wills, Bequests and Gifts, each with a group of Temples under his supervision. Extend those Regional

Directors, won't you, your hearty cooperation when they write you, telephone you or come to your city for the purpose of developing this program further.

A third hurdle. We find this to be a failure to realize that this monentous, this tremendous source of income can be realized without interfering with your Temple budget. Now I hail from a small Temple and we guard our pennies zealously and we think twice before we will appropriate \$500 for this or that. Without going into detail I want to emphasize the fact that without impeding your Temple budget you can successfully carry on a wills, bequests and gifts program.

Our final hurdle we find to be this. In Al Malaikah Temple they have a Wills, Bequests and Gifts Committee of 542 men in Los Angeles and in the some 60, 70, 80 Shrine Clubs, among their units, uniformed bodies. Now go over to an adjoining State and I will show you a Temple that has one man serving as the Wills, Bequests and Gifts Committee and all because they were asked to appoint a Chairman. So he accepts the honor and goes merrily on his way.

Now you Temple Officers can and I hope will attempt to correct such conditions as I have pointed out. We are anxious to bring you the information. We are anxious to bring help and assistance to you if you but give us the opportunity. Thank you for your attention. (Applause)

IMPERIAL POTENTATE COLLINS: Thank you, Walter Guy, for your report. First I need a motion that this report be accepted.

NOBLE HARVEY A. BEFFA: Move the report be received.

NOBLE GEORGE A. MATTISON, JR.: Second.

IMPERIAL POTENTATE COLLINS: Now Bill Woodfield has asked for the floor.

NOBLE WILLIAM H. WOODFIELD, JR.: Imperial Potentate, Representatives to the Imperial Council. First I want to tell you a very brief little story. It was during the depression right here in San Francisco there was a fellow sitting down there at the wharf and he was about to jump in. A guy comes along, a great optimist, and said, "Don't do that. I don't know what your troubles are but they can't be that bad. Let me sit down with you for ten minutes and talk to you." He did and talked and after ten minutes they both jumped in. (Laughter)

I never heard such a report and I happen to be a member of this Committee. I want to say I wasn't consulted on that that was given to you here today on the Shriners Hospitals for Crippled Children.

Now here we are very fortunate in San Francisco. About when our hospital was one year old there was a good Noble named Jack Spaulding who had a plan he thought would be great. We all used to read of the all star players all over the country. Jack's idea was that it would be a good idea to bring them together and play a game. I was twenty-seven, just starting on the Divan of Islam Temple. Jack presented the idea. Potentate McKittrick, who appointed me on the way up, said, "How much will this program cost, Jack?" Jack said, "\$50,000." The Potentate said, "Who is crazy enough to ask Islam Temple to put up \$50,000. Come on, let's get to the next order of business." I said, "I like the idea. I will put up \$50,000 and give Islam Temple 75 per cent of the profit and I will take 25 per cent." We found that it could only be done with the aid of the Big Ten. But I did have the opportunity to go before the Temple and offer to guarantee them against any loss up to \$50,000.

This has a very important bearing on where we have gotten from there on. The writers came from everywhere on the way to the game in Los Angeles. They were coming through San Francisco and bringing the All American players that came from your part of the country everywhere and started the East-West Game. As a result of the tremendous constant publicity that that game has received everywhere we were

able over the years to accumulate tremendous amounts of legacies and I would say that before Los Angeles came into being and their hospital we probably from San Francisco raised 50 per cent of all the money through legacies to support the hospital and probably today we still raise one-fifth of all the money.

Now my point is this, that you people, including his own section of the country where they raise no money, are in no position to raise it so if you are going to spend any money find out where it comes from and what causes the success in raising the money. Here in San Francisco the whole public is sold on Shriners Hospitals. People leave us \$500,000, \$300,000, a million dollars, that never belonged to the Shrine or Masonry. So I can see where we can waste a lot of money and time in spending this on places where there just isn't any dough or never will be.

So we have this terrific advantage and you must always keep in mind that anything we do in relation to our Hospitals in order to continue the confidence of the general public must be done on a high class basis. In years gone by and we in San Francisco have always said the Shrine must never be in a position to rattle the boxes or solicit for the East-West Game, that they should work with the lawyers. Every lawyer practically in San Francisco and all the West I would say whenever anybody is concerned with making a will they suggest that the Shrine Hospitals stand tops and that is the way to get legacies in the future but as far as expanding Committees and going out soliciting and telling you fellows that you should raise more money from territories where it is impossible we can always get all the money we want if we concentrate all our effort on the spots where the money is.

That is my minority report on the Committee and I say to you we do have \$270 million or \$300 million in endowment funds and our Shrine Hospitals are in great shape and you have nothing to be gloomy about. My point is this, our Committee, your Committee, should come out and study the wills over the last ten years and find out, and they are available to you, how we succeed in getting them. That is the way to get the greatest effort. I thank you. (Applause)

NOBLE JOHN B. VESEY: Imperial Sir, let me correct something that was just said.

IMPERIAL POTENTATE COLLINS: John Vesey wishes the privilege of the floor.

NOBLE JOHN B. VESEY: A remark of mine was taken out of context and misinterpreted. In a letter I sent to every member of this body I made the remark that there was no urgent need, and I put in this urgent need, for more money at this time. There was no implication that we never needed any more money for Shriners Hospitals for Crippled Children and I resent that remark being interpreted in that manner. I have just received a report from the Hospital Committee which said that because the United States Government in its Medicare had allocated \$384 million for work for children in the coming year that in their opinion, and I think it was a wise opinion, that they should not expand their program at this time but they should wait and see what direction the Government action would take and that they were not going to expand at this time.

But to interpret that I meant that the Shriners Hospitals for Crippled Children don't need more money or that the Shrine has so much money that it is never going to need any more contributions, is bad and put me in a bad way. I am not Simon Legree. My name is John Vesey. I love every one of you and the Shriners Hospitals for Crippled Children.

NOBLE LOUIS CHACKES: He doesn't have to come over to Memphis now, does he?

NOBLE JOHN B. VESEY: You don't have to come to Memphis. I will come to Little Rock if you misunderstand anything else.

NOBLE WALTER C. GUY: Let's try, Nobles, to analyze this thing. First, the last comment. If I recall hearing the letter to which we referred it said that the Board of

Directors had more money than they knew what to do with. If that is a correct statement then if I understand the English language it means exactly what it says, they have more money than they know what to do with.

Now let me give this great State of California further credit. I erred in not mentioning San Francisco and Islam Temple. They were the birthplace of this program and their sister Temple directly to the south has emulated their policies and therefore the State of California today is producing 24 per cent of all your wills. (Applause)

Now whether we are on the right track or not I submit this to you and I am going to give you some actual figures.

VOICES: No! No!

NOBLE LOUIS CHACKES: Imperial Sir, may I suggest that the report of the Committee has been received already.

NOBLE WALTER C. GUY: I move that the report be received.

VOICE: It has already been received.

IMPERIAL POTENTATE COLLINS: Question. All those in favor by the right hand. Those opposed by the same sign. I now recognize Harold Lloyd. (Applause)

NOBLE HAROLD LLOYD: (Reading)

Imperial Potentate, Imperial Sirs, and Representatives to this the 92nd Imperial Council Session:

This certainly has been a wonderful week. The music of the Shrine bands has blended with boat whistles from the wharf, bells ringing on cable cars, and the sounds of Chinatown, combining to make perfect harmony between the Shrine and the populace of San Francisco.

It's been quite a week, and it's been quite a year too, for the Shriners Hospitals for Crippled Children. We're proud of the harmonious spirit that has existed and the way everyone connected with our Hospitals has worked so hard on their behalf. We're proud of the way our fraternity has used the great resources at its command, delighted at the great forward steps our Hospitals have taken this year, and happy for the number of unfortunate children that we have been able to help.

As Chairman of the Board of Trustees, it is my honor to report to you the work which we have accomplished this year. You will recall that the Board of Trustees is charged with the responsibility of managing and operating all Hospitals now established, or hereafter established, and the allocation and provision of funds for the construction, acquisition, maintenance, control, and operation of these Hospitals.

Call it what you may — the year's highlight — the greatest step — an event having a similar magnitude as the opening of our first Orthopedic Unit in 1922 — the most important event of 1965-1966 was the official opening of the first Shriners Burns Institute in Galveston, Texas, on March 20, 1966.

Once again the Shrine is in the avant garde. We have the only Hospitals in the country dedicated solely to burns in children. And we have a hospital where more will be done than just treat — there will be research and teaching. We will seek an answer to the question, "How best can a severe burn be treated?" And as answers are found we will share them with medical personnel everywhere so that people everywhere might benefit from the knowledge we gain. We have seized upon a rare opportunity to do something for mankind... for there is no affliction known to man more extensive, more dreadful, and more awesome than the severe burn.

Just as when a child learns to walk, the first steps are always the most difficult — we're taking those steps now. These are the steps, the patients, and the days that will

be recorded in history. Later steps will come easier, maybe we'll even be able to break into a run, pursuing the villain "burn."

Another of these first steps was taken in Cincinnati, Ohio, on Sunday, May 22. On that day, our Imperial Potentate leveled the cornerstone for the second Shriners Burns Institute. We're pleased that the work in Cincinnati is progressing so well, and I look forward to the projected opening next May, when the doors of this Institute will open to admit patients.

Our interim operations in Cincinnati, Ohio, and Boston, Massachusetts, are continuing. We have continued to gain experience and knowledge from them, and have considerably added to our operating personnel in both locations in anticipation of opening our own buildings.

Certainly the progress in our Burns Institutes this year has been most gratifying. It's newsy and flamboyant, and occasionally our orthopedic work has been hidden in its shadow. But our Orthopedic Hospitals haven't been neglected. This important work in the original 17 Shriners Hospitals for Crippled Children has also moved forward at an unprecedented pace.

Remodeling and renovation of the Greenville Unit is well underway. On May 1st, Imperial Sir Collins laid the cornerstone for the new facilities being built in Honolulu, Hawaii. Just last Saturday many of you were with us for the ground breaking ceremonies for a new building for the San Francisco Unit of the Shriners Hospitals for Crippled Children. There are other projects on the drawing boards, and only time, study, and "patients' needs" will determine exactly what paths the next steps will cover.

It's a well-known fact that our Imperial Potentate is "The man from Mexico." That's why he's particularly interested in our Unit down in Mexico City. This February he received a letter from a fellow American living abroad in Mexico. I think the contents are particularly significant and I would like to read it to you.

"In the 25 years I have lived here and been intimately aware of the efforts of Americans and Mexicans to reach the local population with medicine, I have never seen a more successful project. It is creatively conceived, beautifully organized, and humanely and efficiently carried out.

"I know that you probably have no ends beyond humanitarian ones, but I would like to mention another even greater end which you serve.

"I am painfully aware as an American abroad, of how the States are forced by circumstances to play a larger and more delicate role, expanding year by year. But we do not often get better loved for it.

"The work the Shriners do in their Mexican Hospital is the kind of job that reaches out in ever widening circles to thousands of little people and eventually to the government, making fast friends for us by your selfless help to their hurt children.

"You are making friends for us with every child you treat: Bless you all."

That's quite a tribute to our hospital. And it's also quite a tribute to the personnel who make the Hospital what it is. The past year has seen a lot of changes in our Hospital personnel. Retirements, deaths, transfers, all have taken their toll. But, we've managed to keep our personnel in the ranks of the best; above average help makes for an above average hospital that can do those little extras that make friends for the Shrine everywhere.

And, I want to thank all of the personnel of all of our Hospitals who have worked so faithfully this year and made the excellence of our Hospitals a continuing thing.

I want to thank the officers and members of the local Boards of Governors of our

Units. Your devoted support and donations of time, effort, and money is greatly appreciated by all of our Nobility.

To the Representatives to this 92nd Imperial Council Session thanks for your continued confidence in me and our splendid Board of Trustees. I am sure that every man on this Board, as well as myself, will do his level best to live up to the responsibility and honor you have again conferred on us.

Three big thank you's also go to Miss Eleanor Baird, Executive Administrator of our Orthopedic Units; Mr. Hal Burgin, Executive Administrator of the Burns Institutes; and Mr. Stanley Garrity, our General Counsel, who is a tower of strength.

Of course there is never time to thank everyone I'd like to, but I simply cannot pass over the job done by Past Imperial Potentate George A. Mattison, Jr., Chairman of the Building and Equipment Committee; Past Imperial Potentate Walter C. Guy, Chairman of the Wills, Bequests, and Gifts Committee; and the splendid work that is being done by the Study Committee, headed by the Chairman, George M. Klepper — their Committee is keeping us alerted to what is transpiring in this changing world of ours and I am sure our great philanthropy will continue in its progress to even greater heights. Our appreciation to Dr. Carroll B. Larson and his excellent staff on the Surgical Advisory Board; the Committees of Gardiner Wilson, Marshall Porter, William Lattimer; and also Harold C. Close, who was given the difficult task of filling the shoes of our late and beloved Imperial Treasurer, Leonard P. Steuart.

Thanks also to the members of the Board of Directors — which is comprised of the Imperial Divan and the Board of Trustees for their counsel and help and splendid efforts on behalf of our wonderful and benevolent work. And certainly a special thanks to our Secretary and Imperial Recorder, George M. Saunders, for his help to everyone connected with our hospitals, year after year.

To our out-going Imperial Sir, Barney W. Collins, I express my thanks for your counsel, advice, ideas, and interest. I am sure that your contributions as Imperial Potentate and your great interest in the youth of North America, will long be remembered by the Shrine.

I am sure everyone in this room feels the loss as I do for these three wonderful Nobles to our Board of Trustees. Their long and dedicated efforts have been a great contribution to our magnificent philanthropy — Leonard P. Steuart, Edgar L. Turner, and Charles E. Merrill. Two of these fine Nobles were deprived of giving leadership to this great Order of ours. Leonard Steuart was our Senior Past Imperial Potentate and his efforts and contributions have been innumerable and also we mourn the loss of our newly elected Chaplain, Reginald Cleveatt. To all these men we are most grateful. God bless them all.

Imperial Sir Rush, I certainly am looking forward to working with you during the coming year. I am sure that under your capable leadership, and with your many talents, this will be another year of forward steps for our Shriners Hospitals for Crippled Children.

And it is with a tremendous amount of gratitude that I say — God bless all of you. (Standing applause)

NOBLE HAROLD LLOYD: I move the adoption of the report. (Motion seconded)

IMPERIAL POTENTATE COLLINS: All those in favor of the adoption of the report signify with the right hand, please. Those opposed same sign. So carried.

Harold, thank you for those wonderful remarks.

Now at this time, gentlemen, it is customary for those who have checks and contributions for the Hospitals to come forward and Harold will receive them personally.

Will you start right down here and form a line. Each will be allowed the microphone and give your name and Temple.

NOBLE HAROLD LLOYD: We will carry on in the manner of our beloved Galloway Calhoun for this great charity we have. He used to invite everybody to take the sawdust trail. It is a wonderful pastime receiving money, especially from our wonderful friends for their accomplishments.

Our Imperial Potentate-elect has the first contribution.

NOBLE ORVILLE F. RUSH: Initially, thank you for those kind and thoughtful words of a moment ago, Harold.

Again on behalf of a dedicated organization, the Association of Shrine Oriental Bands of North America, I present to you an envelope containing almost \$6,000 in contributions to the Hospitals and I am assured that during the next two days the amount in this envelope will increase considerably. (Applause)

NOBLE HAROLD LLOYD: Thank you, very much. (Applause)

NOBLE MORLAN F. PRICKETT: Imperial Sir, I am Potentate of Sahara Temple, Pine Bluff, Arkansas. In the name of Sahara Temple I am proud to present this check to the Imperial Council in the amount of \$2,000 which was made possible through two of our members, Noble Sam Davidson who for the last twelve years has contributed \$500 each year to the Hospitals and our Noble Harold Seabrook and his wife Catherine who for the last six years have made a contribution of \$1,000 each year and with an added contribution of \$500 in this year. (Applause)

NOBLE HAROLD LLOYD: Thank you very much.

NOBLE GLEN W. WHISTLER: I am Potentate of Kerbela Temple, Knoxville, Tennessee.

Imperial Sir, Imperial Sirs, Representatives. For the past seventeen years we have had one day each year called our Annual Crippled Children's Paper Sale. Last year we raised just a little in excess of \$102,000. This year I would like to report for the 4,398 Nobles of Kerbela Temple that we raised \$115,277.42. (Applause) We split this money between the Lexington Hospital and Greenville, S. C. Hospital. When we present these two checks for this year the Lexington Hospital will have received over the past seventeen years \$386,538.74 and the Greenville, S. C. Hospital will have received the same amount from Kerbela Temple. We will present these checks to the two Hospitals at our next Ceremonial. I want to thank you, Sir. (Applause)

NOBLE HAROLD LLOYD: I want to thank them for that magnificent program down there. These Nobles have a wonderful program. More power to you, we are very proud of you.

NOBLE H. VANCE HOWARD, JR.: I am Vance Howard, Potentate of Abou Saad Temple in the Canal Zone, the largest Temple in Shrinedom south of Mexico City. (Laughter)

Imperial Sir, Imperial Sirs. It is my pleasure to present this check for \$1,000 which originated from our Shrine Club of Puerto Rico, the home of the Steel Band. This check we would like to go to the Mexico City Unit with which we of Abou Saad Temple along with Anezeh Temple are affiliated. (Applause)

NOBLE HAROLD LLOYD: Thank you, Sir, it shall go there.

NOBLE ROY U. SINCLAIR: Imperial Sir, I am Potentate of Anah Temple, Bangor, Maine. A number of years ago our Temple received a small donation for operation and promotion of a blood bank. Because of the number of organizations that seemed to take over that particular function we found that this money was lying a little idle

and knowing the need for this in the Shrine Burns Institutes particularly our Temple is very pleased to present this check for \$6,179.94. (Applause)

NOBLE HAROLD: Potentate Sinclair, we thank you.

NOBLE THOMAS G. WICKHAM: I am potentate of Osiris Temple, Wheeling, West Virginia.

Imperial Sir, Illustrious Sirs, fellow Representatives. It is indeed an honor and privilege for me, speaking for the Nobility of my little Temple, to present the first check from our circus. Due to the fact this is our seventeenth year but this is the first check from our circus for \$6,129.87. (Applause)

NOBLE HAROLD LLOYD: Thank you, Illustrious Sir.

NOBLE MELVIN T. BLASSINGHAM: Imperial Sir, I am Chairman Emeritus for the Oyster Bowl Game which has been played annually for nineteen years in the City of Norfolk, Virginia. Khedive Temple, with a membership of only 5,300, has raised approximately \$1,200,000. I have the pleasure today of presenting to you on behalf of our Illustrious Potentate Raymond L. Woodall and his Nobility a photostatic copy of check dated November 22, 1965 — we like to get it in the bank so it will start paying interest — to the Greenville Unit in the amount of \$80,000. (Applause)

NOBLE HAROLD LLOYD: Oh boy, thank you.

NOBLE JOSEPH L. TEDROW: I am Joe Tedrowe, Potentate of Islam Temple, your host. I have a very pleasant chore. Maybe I should start out by saying Imperial Sir, Illustrious Sirs and Representatives.

NOBLE HAROLD LLOYD: You are doing just fine. (Laughter)

NOBLE JOSEPH L. TEDROW: This is for \$358 but the important thing it is from one of our Oases over in West Pakistan. They are building a dam on U.S. money and they have closed up and we closed our Oasis. This is the final check coming from West Pakistan and closes their account and we no longer have an Oasis there. I would like to present this to you. (Applause)

NOBLE HAROLD LLOYD: Thank you, Illustrious Sir.

NOBLE JOSEPH L. TEDROW: This next check is the result of many years, as you know, of our East-West Game. Because this check went in several months ago I made a photostatic copy. I now have a check for \$248,630.09. This is from one event. This makes over \$5 million from this one event that has gone into our Crippled Childrens Hospitals fund. It is with great pleasure that I present this photostatic copy of our last year's game. (Applause)

NOBLE HAROLD LLOYD: Thank you. Everyone knows of the East-West Game and everyone wants to talk on it. Boy, are we thankful for this great organization.

NOBLE FORSEE ESTES: I am Potentate of Jerusalem Temple, New Orleans.

Imperial Sir, as you know, we suffered a great disaster last September with Hurricane Betsy some ten weeks before our circus was to be presented right in the middle of the campaign for program and ticket sales. Yet with the great courage of the New Orleans people and with a good section of New Orleans destroyed by water and wind we went over the top by some \$14,000 this year. This is greatly due to the people of New Orleans anxious to get back into the gaiety to which they are accustomed. (Reading)

It is my pleasure to present this report of our contributions sent direct to the Shriners Hospital for Crippled Children at Shreveport, La. through our Recorder's office, as well as contributions I am delivering today, for the fiscal year that ended June 1, 1966.

(Applause)

NOBLE HAROLD LLOYD: Illustrious Potentate, that is splendid.

NOBLE BURTON R. JONES: As Potentate of Rajah Temple, Reading, Pennsylvania, on behalf of the Chairman of the Pretzel Bowl Game I am proud to present a check for the proceeds of the 15th annual Pretzel Bowl Game held on October 16, 1965, in the amount of \$25,000. This brings the grand total of our endowment fund to the use of the Philadelphia Unit of our Hospitals to the amount of \$378,000. (Applause)

NOBLE HAROLD LLOYD: Tremendous.

NOBLE DONALD C. KEYSER: I am Potentate of El Hasa Temple, Ashland, Kentucky.

Imperial Sir, some of these guys are tough to follow but I am just as proud of our little check as the big ones. Sir, it is a privilege to present on behalf of the Uniformed Units of my Temple a replica of a check for \$1,000 as the result of our various ventures last year in football and circus programs. I would also like to present to you from the Oriental Band of our Temple a purchase of a rung in the Ladder of Baby Smiles. (Applause)

NOBLE HAROLD LLOYD: Illustrious Sir, it is not always the amount but the effort and spirit behind it. Thank you.

NOBLE HAROLD A. COATES, SR.: Imperial Sir, I am Potentate of little Egypt Temple down in the swamps of Florida. I would first like to make an observation. About eleven years ago Egypt Temple was quite proud to participate in the establishing of Bahia Temple over in Orlando, Florida. They are now a Temple of over 4,000 members. Yesterday you saw fit to issue a dispensation to Fort Myers which also comes out of our territory. We hope that in another ten years that we will have another Temple there with at least 4,000 members to offer to you and to work for you along this line.

During the past ten years Egypt Temple through their efforts in our Coronation Balls has presented to the Hospital effort over \$150,000. Just last month there was a personal check, contribution, sent to the Greenville Hospital for the expenses of automatic doors and auxiliary electric plant to the tune of \$13,000.

Today, Sir, I don't have a will, I don't have a facsimile, but I have here a cashier's check for \$50,000. (Applause)

NOBLE HAROLD LLOYD: Thank you very much, Illustrious Sir, splendid.

NOBLE H. W. DONOVAN: I am the Chief Rabban representing Tripoli Temple, Milwaukee. We annually sponsor the Midwest Shrine Game between the Green Bay Packers and Chicago Bears. We again are very pleased to present a check for \$50,280 split equally between the Twin Cities and Chicago Units. (Applause)

NOBLE HAROLD LLOYD: Wonderful, thank you very much.

NOBLE RAY S. DARWIN: I am Potentate of Ballut Abyad Temple, Albuquerque, New Mexico. I have been requested to present a gift today to this Council from an unusual source, if I might be allowed, from the William B. Cutter Memorial Committee founded to institute a memorial honoring William B. Cutter. Our community lost this individual, an outstanding citizen as well as an outstanding Shriner and pioneer in aviation, in 1963. This Committee was formed to establish this memorial for this individual. I would like to read further if I might.

Enclosed is a check in the amount of \$1,672.37 from the William B. Cutter Memorial Fund made payable to Shriners Hospitals for Crippled Children. This amount represents the oversubscription to the Cutter Memorial Fund. As you know, it was suggested by the Cutter family and unanimously approved by the Cutter Memorial Committee that any excess funds subscribed to this memorial would be contributed to the Shriners Hospitals for Crippled Children.

Imperial Sir, it gives me great pleasure to make this presentation. (Applause)

NOBLE HAROLD LLOYD: Thank you, Illustrious Sir, we are very grateful.

NOBLE LELAND R. REIFSCHNEIDER: Imperial Sir, I am Potentate of Tangier Temple. I am spokesman for the Nebraska Temples, Sidney Anderson, Potentate of Sesostris in Lincoln, and Donald Gray, Potentate of Tehama Temple in Hastings. We have a football game once a year which comes in August. The three Temples go together. We have what we call the North and South Teams, which are boys from the high schools picked out by our coaches. This is our seventh year and we have already given over \$400,000. This check is for \$63,113.99. (Applause)

NOBLE HAROLD LLOYD: That is indeed wonderful, thank you, Illustrious Sir.

NOBLE JACK H. COZINE: Imperial Sir, Imperial Sirs, fellow Representatives. I am Jack Cozine, Potentate of Midian Temple, Wichita, Kansas. This is our second annual contribution from our circus income. It is my privilege and pleasure to present a check for \$5,848. Thank you. (Applause)

HAROLD LLOYD: We are most happy to receive it, thank you. He says he is going to do better next year. We are happy with what he has done this year.

NOBLE S. LESTER TUBBS: I am Potentate of Al Chymia Temple, Memphis, Tennessee, on the banks of the Mississippi.

Imperial Sir, Imperial Sirs. Again this year it is a privilege to present to this Imperial Session a small check in appreciation of our 4,700 Nobles and Officers of Al Chymia Temple. It gives me a great privilege to present this check for \$5,000. (Applause)

NOBLE HAROLD LLOYD: I think that is fine, thank you.

NOBLE RICHARD ROBERTS: Imperial Sir, my fellow Representatives. I am Dick Roberts, Potentate of Khiva Temple, Amarillo, Texas. This year our Uniformed Units and some of our Shrine Clubs adopted a program of benevolence in the tithing of their operating funds. It is just getting started and I think it might be something that will be worthwhile, considerably more from the standpoint of money in the future. But, Imperial Sir, it gives me pleasure as Potentate of our Temple to present this check to you in the amount of \$1,553.52 from these two groups from our Temple. (Applause)

NOBLE HAROLD LLOYD: Thank you, Sir, we are most appreciative of your efforts.

NOBLE ELMER P. BROMLEY: Imperial Sir Harold, I am happy to report that we of Al Malaikah deposited the net receipts of our 14th Annual High School Football Game in the endowment fund of the Los Angeles Unit in the amount of \$94,624.50. (Applause)

NOBLE HAROLD LLOYD: That is wonderful, Elmer. Elmer has been the head of that game from its inception. We certainly appreciate it.

NOBLE W. WILLIAM STEEVES: I am Bill Steeves from Luxor Temple. This is the smallest Temple in Canada and the second smallest Temple in North America. On behalf of the Fredericton Shrine Club I would like to present this check to go towards buying rungs for the Ladder of Baby Smiles in the Montreal Hospital. (Applause)

NOBLE HAROLD LLOYD: Thank you very, very much.

NOBLE BOWMAN N. HARRIS: Imperial Sir, as Potentate of Kazim Temple in Roanoke, Virginia, I would like to present to you photostatic copies of checks in behalf of the projects of our Shrine Clubs amounting to \$48,123.26. (Applause)

NOBLE HAROLD LLOYD: Thank you very much, Illustrious Sir, wonderful.

NOBLE ROBERT P. HAMER: Imperial Sir, it takes four to get this job done. I have with me Illustrious Potentate, Edward Austin of Oasis Temple, Illustrious Potentate Philip Gray of Omar Temple, Illustrious Potentate Bruce Boyette from Sudan Temple. The four Temples in the two Carolinas have for 29 years sponsored the Shrine Bowl Game of the Carolinas. At this time it is my distinct pleasure to hand to you a photostatic check for the net proceeds of our game in December of 1965 in the sum of \$301,353.29. It is our pleasure, Sir. (Applause)

NOBLE HAROLD LLOYD: That is indeed magnificent.

NOBLE GORDON GRIFFIN, JR.: Imperial Sir, I am Gordon Griffin, Potentate of Suez Temple, San Angelo, Texas. With the firm conviction that the small as well as the large is welcome to our charity I would like to present to you checks from the Shrine Clubs of my Temple in the sum of \$1,250. (Applause)

NOBLE HAROLD LLOYD: Thank you. We realize that it is just as welcome.

NOBLE CHARLES W. EMMETT: Imperial Sir, as Potentate of Rameses Temple, may I inform you, Sir, that on your behalf our Temple just presented to the Montreal Unit a check in the amount of \$10,000 representing donations only from the Nobility of our Temple and there will be another check in almost the same amount this fall, Thank you. (Applause)

NOBLE HAROLD LLOYD: Thank you very much.

NOBLE GEORGE E. BRYANS: Imperial Sir Harold, I would like to report that San Diego had its second annual football game last year and as a result of that activity presented to the Los Angeles Unit a check in excess of \$27,600. Thank you. (Applause)

NOBLE HAROLD LLOYD: Yes, Sir, we are very grateful.

NOBLE E. R. GREGG, JR.: I am Bob Gregg, Potentate of Sharon Temple, Tyler, Texas, no longer the baby Temple. We are making an unusual gift this year in that we are presenting to the Burns Institute at Galveston a 1966 Oldsmobile Station Wagon with a value of approximately \$5,600. (Applause)

NOBLE HAROLD LLOYD: Thank you, Sir, thank you very much.

NOBLE T. WALKER TINLEY, JR.: Imperial Sir, I am Potentate of Alee Temple, Savannah, Georgia. I would like to report that Alee Temple has already presented to the Greenville Unit a check in excess of \$6,000 from the proceeds of our annual football game. (Applause)

NOBLE HAROLD LLOYD: Thank you very much, Sir.

NOBLE HUGO W. MELEN: Imperial Sir, I am the Potentate of Cairo Temple, Rutland, Vermont. I have with me Illustrious Potentate Ralph Smith of Bektash

Temple of New Hampshire. I am missing another great Illustrious Potentate, George Cummings of Mount Sinai Temple. Together our three Temples sponsor the Maple Sugar Football Game. Over a number of years we have been able to raise \$115,000 for the two Hospitals to which we are affiliated. This year we have presented a check for \$15,000 to the Springfield, Massachusetts Hospital, and a check for \$5,000 to the Montreal Hospital. I think that is it, thank you. (Applause)

NOBLE HAROLD LLOYD: Thank you, Illustrious Sirs, very much.

NOBLE ALFRED PORTER: Imperial Sir Harold Lloyd, Imperial Sir Barney, Imperial Divan, Illustrious Nobles. I am Vice-Chairman of the Cincinnati Unit of the Burns Institutes of the Hospitals. In the absence of Eugene Muhlhauser, Past Potentate and Chairman of the Board of Governors of the Cincinnati Unit Burns Institute for the Shriners Hospitals for Crippled Children, it is my responsibility and privilege as Vice-Chairman to make these remarks.

It is appropriate, it seems to me, that the four elected Representatives of Syrian Temple, namely Winfield W. Tripp, Potentate, Lynn R. Van Ness, Chief Rabban, Fred G. Reiners, Assistant Rabban, Oscar W. Hirschfeld, Junior Past Potentate, and also with us is Treasurer Walter Price and our present Recorder Olin Dunn as well as Smith Hughes, High Priest and Prophet, Charles Mayers the Oriental Guide, and M. W. George DeSilver, Past Potentate and Grand Master of Masons in Ohio, who knew the man of whom I speak, assist me in presenting this check.

This check, payable to the order of Shriners Hospitals for Crippled Children, Burns Institutes, Cincinnati Unit, is in the amount of \$280,088.31 and will be followed by a final check of approximately \$34,000. This is the cash residue in the estate of a man known and loved and respected by all, and especially by many of you, our late Recorder Edward G. Pfifferling, Past Potentate. (Applause)

Eddie served Syrian Temple as Potentate in the late thirties and early in 1940 was elected Recorder, serving for 25 years until his death. He was well known to all Recorders and to all people in the Shrine and could call thousands of Nobles and Brethren by name. Eddie died on September 3, 1964 after a short illness. His friendly counsel and quiet presence is missed by all who knew him. By his thoughtful legacy others will be helped and many will rejoice in the memory of a faithful Brother and Noble. Thank you. (Applause)

NOBLE HAROLD LLOYD: Truly magnificent, thank you.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, I want to make another announcement on behalf of Emilio D'Acosta, Chairman of the Mexico City Unit. Emilio is very much interested in the Mexico City Unit. He has caused to be removed from his own personal account securities in the amount of \$10,000 for the benefit of the Mexico City Unit of Shriners Hospitals for Crippled Children and that amount is now in our account for that particular Unit. (Applause)

NOBLE HAROLD LLOYD: Wonderful, and we thank him.

NOBLE GEORGE M. SAUNDERS: I have another letter that might be of interest to you. This letter comes from the Daughters of the Nile. It says: (Reading)

Welcome to San Francisco and may your stay be pleasant. It has been the custom of the Supreme Council Daughters of the Nile to forward to you as Imperial Recorder a compilation of the work of our individual Temples for the benefit of patients in the various Shrine Hospitals for Crippled Children. It is a pleasure to enclose such compilation for the year just completed. All the members of the organization join me in saying it has been a pleasure to have the cooperation of Shriners Hospitals for Crippled Children.

She lists many things going to all of the Units in the sum of \$109,304.78. She also lists contributions to each unit in 735 different instances in an amount of \$146,807.44. (Applause)

NOBLE HAROLD LLOYD: I know you join me in thanking all these Nobles for these magnificent contributions. Pardon me, yes, Sir.

NOBLE DANIEL H. JENKENS: Imperial Sir, I am Past President of the Scranton Shrine Club of Pennsylvania, Irem Temple. Last year we gave to the Crippled Childrens Hospital at Philadelphia a complete new dental unit which we paid over \$600 for and this year we gave them \$3,500 in order that they might have a therapy room both in and out of the Hospital.

NOBLE HAROLD LLOYD: Thank you very much, Sir. (Applause)

IMPERIAL POTENTATE COLLINS: Thank you, Harold Lloyd.

Gentlemen, we are going to recess until tomorrow morning at nine o'clock. We have a parade on this evening and we have lots to do. Thank you for coming today.

(The Annual Meeting of the Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at 3:30 P.M.)

MORNING SESSION

Friday, July 8, 1966

Nine O'Clock A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened in the Continental Ballroom of the San Francisco Hilton Hotel, San Francisco, California, on July 8, 1966, at 9:00 A.M., Imperial Potentate Barney W. Collins presiding.

(Business was conducted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE COLLINS: I recognize George Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, the report of the Secretary is printed in the book of reports. It has been mailed to each of the Representatives and if there be no objection I move the report be adopted. (Motion seconded)

IMPERIAL POTENTATE COLLINS: Any discussion? All those in favor signify by raising the right hand. Those opposed the same sign. Carried.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, in order to comply with the provisions of the By-laws of the Colorado Corporation I would move that those members of the Colorado Corporation who have not signed the registration cards in the years 1965 and 1966 be dropped from the membership rolls of the Colorado Corporation. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the motion. It has been seconded. Any discussion? All those in favor raise the right hand. Those opposed the same sign. Carried.

I now recognize Past Imperial Potentate Harold Close for the Treasurer's report.

NOBLE HAROLD C. CLOSE: Imperial Sir and Representatives. The Treasurer's report for the calendar year 1965 was printed in the book of reports that was mailed out to all of the Representatives before you left home. I don't think it is necessary to further add anything at this time. May I say that was completed by my predecessor in the office and covered the calendar year.

Now in regard to the Colorado Corporation the Colorado Corporation continued to operate in a satisfactory financial condition. I would, however, direct your attention to

the following. Our administrative and operating costs in our Hospitals 1964 was \$8,900,000 and some odd. This increased 1965 by over \$1 million. Our income from all sources in 1965 increased \$560,000. So that you can see that our expenses are increasing faster than is our income. Our greatest source of income is from bequests and it is interesting to note the receipts from the source last year were only \$12,000 over and above what it was in 1964. I might point out to you that this is by far the smallest increase we have had from bequests in the last five years.

That is the end of my report, Imperial Sir and Representatives and I move the adoption of the report. (Motion seconded)

IMPERIAL POTENTATE COLLINS: You have heard the reading of the report of the Treasurer. It has been moved and seconded for adoption. Any discussion? Those in favor signify by the right hand. Those opposed by the same sign. Carried.

We are now going to have the report of the Committee on Finance and Accounts by Bob Vetter.

NOBLE B. W. VETTER: (Reading)

Imperial Potentate, Imperial Sirs and Fellow Representatives:

Pursuant to Section 510.1 (a) (2) of the By-Laws of the Colorado Corporation, and based upon the opinion of the General Counsel of the Colorado Corporation, your Committee has prepared certain budgets from information furnished after the approval by Building and Equipment Committee, the Board of Directors and Board of Trustees. We are submitting also to this Imperial Council Session any departures from budgets previously approved.

Our first report has to do with the budget for calendar year, 1965.

It appears that immediately following the reading of the Budget which has been recorded in the proceedings of last year, we became so much interested in the Representatives forming a line at the microphone, announcing the wonderful contributions for our hospitals, that we overlooked the approval of this budget.

Your Committee submits for your approval the Budget presented by your Finance and Accounts Committee to the Imperial Council in Washington, D.C., July 15, 1965. These budgets, totaling \$27,842,451.36, are recorded in your 1965 proceedings.

The report is signed by all members of this Committee.

Imperial Sir, I move the adoption of this report and approval of the previous budget.

Respectfully submitted,

ANNUAL REPORT OF GEORGE M. SAUNDERS
SECRETARY

*Imperial Potentate, Chairman of the Board of Trustees, Officers
and Members of the Imperial Council, A.A.O.N.M.S.*

CHICAGO, ILLINOIS

GREETINGS:

IMPERIAL SIR AND REPRESENTATIVES TO THE IMPERIAL COUNCIL:

Your Secretary respectfully submits the following detailed statement of the transactions of the Secretary's office for the fiscal period January 1, 1965 to December 31, 1965, both dates inclusive.

The schedules in the Report of the Imperial Auditor which follow, reflect the details of the business transacted during the past year, and in them you will note the continued growth in the work of your Shriners Hospitals.

The success of the work of the Wills, Bequests and Gifts Committee is evidence that the public has great confidence in the Shriners. Many of the estates that benefit the Shriners Hospitals for Crippled Children are the result of the confidence in us by the non-member. It is a sacred trust which places our Fraternity as a cynosure, medically, civically and culturally. The Wills, Bequests and Gifts Committee under the direction of the Chairman, Imperial Sir Walter C. Guy, has strengthened its organization during the year which insures continued growth in this field.

The Chairman of the Board of Trustees has devoted much of his time to the work of Shriners Hospitals for Crippled Children and stands ready to lend his help on any call. With our new work in the field of burns therapy we are faced with many new and unexpected problems, but we are confident we shall be able to smooth out the operation with experience, just as we did in the orthopedic work. It is with great pride that we announce the formal opening of the new hospital building of Shriners Hospitals for Crippled Children, Galveston Unit, Institute for Burns, on March 20, 1966.

Our sincere thanks are extended to the dedicated members of the Board of Trustees, Board of Directors, Local Boards of Governors, Doctors of the Surgical Advisory Board, Professional Staff Members and all em-

ployees at each Unit for their fine work and devotion to the ideals of the World's Greatest Philanthropy.

As would be expected with our continued growth, the work load involved in the office of the General Counsel and the several offices at General Headquarters continues to expand and we are glad to report that we are organized to handle the work load as it grows. My personal thanks are extended to all the staff who work with us in the General Offices.

The Shriners Hospitals for Crippled Children is truly the Soul of the Fraternal Order of the Shrine and each and every Noble can feel personal pride in being a part of this work.

Cordially yours in the Faith,

A handwritten signature in cursive script, reading "George M. Davidson".

CERTIFICATE OF THE IMPERIAL AUDITOR

HAROLD LLOYD, CHAIRMAN
BOARD OF TRUSTEES
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN
CHICAGO, ILLINOIS

I have caused to be examined the statements of assets and liabilities of Shriners Hospitals for Crippled Children, combining Colorado, Canadian, Massachusetts, Mexican S. A. and Mexican A. C. and California Corporations as of December 31, 1965 and the related statements of Revenue and Fund Balances for the year then ended by Main Lafrentz & Co. under my general supervision. On instructions of the Board of Trustees, since the Central Office Staff makes its own internal audit, the transactions in the Operating, Donation and Building Funds of the individual Orthopedic Hospitals and Burns Institutes were not examined. All cash held in these funds at December 31, 1965 was examined by independent confirmation and by the examination of cut-off bank statements and reconciliations. Otherwise, the examination was made in accordance with generally accepted auditing standards and accordingly included all procedures which were considered necessary in the circumstances. In the course of the examination, all checks issued by the Treasurer in 1965 were examined.

The Hospitals maintain their General Funds on the accrual basis of accounting. All other funds are maintained on a cash basis and, therefore, income is not recorded until actually received.

In my opinion, with the exception regarding the transactions of the Orthopedic Hospitals' and Burns Institutes' Operating, Donation and Building Funds, the accompanying statements present fairly the assets and liabilities of the Shriners Hospitals for Crippled Children as of December 31, 1965 and the revenues realized and expenses incurred for the year then ended on the basis described in the preceding paragraph, which basis is consistent with that of the preceding year.

Respectfully submitted,
ARTHUR C. UPLEGER

We have examined the statements of assets and liabilities of Shriners Hospitals for Crippled Children, combining Colorado, Canadian, Massachusetts, Mexican S.A. and Mexican A. C. and California Corporations as of December 31, 1965 and the related statements of Revenue and Fund Balances for the year then ended. On instructions of the Board of Trustees, since the Central Office Staff makes its own internal audit, we did not examine the transactions in the Operating, Donation and Building Funds of the individual Orthopedic Hospitals and Burns Institutes. We did, however, verify all cash held in these funds at December 31, 1965 by independent confirmation and by the examination of cutoff bank statements and reconciliations sent directly to us. Otherwise, our examination was made in accordance with generally accepted auditing standards and accordingly included all procedures which we considered necessary in the circumstances. In the course of our examination we examined all checks issued by the Treasurer in 1965.

The Hospitals maintain their General Funds on the accrual basis of accounting. All other funds are maintained on a cash basis and therefore income is not recorded until actually received.

In our opinion, with the exception regarding the transactions of the Orthopedic Hospitals' and Burns Institutes' Operating, Donation and Building Funds, the accompanying statements present fairly the assets and liabilities of the Shriners Hospitals for Crippled Children as of December 31, 1965 and the revenues realized and expenses incurred for the year then ended, on the basis described in the preceding paragraph, which basis is consistent with that of the preceding year.

There is no current liability for accumulated years of past service credit except that the 1965 costs have not yet been determined. The 1965 costs will not be funded until sometime in 1966. The amount funded in 1965 represents the 1964 liability.

- NOTE (5) The Retirement Funds are currently fully funded in sufficient amount or amounts to liquidate and cover all retirement benefits for the length of service as to each employee except as noted below. Appropriations for this purpose have from time to time been approved by the membership. There is no current liability for accumulated years of past service credit except that the 1965 costs have not yet been determined. The 1965 costs will not be funded until sometime in 1966.
